Shabbat Shalom To the Royal Family,

Shalom Brother Joseph Dumond,

I'm pleased to report to you brethren on what had transpired in the much anticipated Feast of Shavuot/Pentecost in honor of our King YHVH and His Son Yeshua our Messiah.

Get the fire as our slogan stated, indeed hundreds have been affected by the fire of the Ruach HaKodesh /Holy Spirit, who is working in our lives like never before;

Our Ministry, Messiah the Living Torah Center is one with the vision of spreading the knowledge and observance of the Torah all across the Philippine Islands. (Isaiah 42:4... until He establishes justice on earth. The islands will wait for His Torah.)

As I can recall back in 2006, there are only a few hundreds of Filipino believers have been celebrating the high holy days of Leviticus 23. But now I can estimate that around 30,000 Filipinos across the Philippines have been publicly celebrating the 7 Feasts days but based on the traditional Hebrew calendar in the land of Israel.

Why Hebrew Calendar Is Wrong and How Sanhedrin Could Fix it With Ancient Mitzvah

At the same time the ministry of our dear brother Joseph Dumond whom I have personally known since 2015, had been teaching on this subject for the longest time.

The New Moon was Sighted March 29, 2017

Just as it is written: “ Psalm 81:4-5 Blow the shofar at the New Moon, at the full moon for the day of our festival. For it is a decree for Israel, an ordinance of the God of Jacob.”

It's the first time ever that our several networks of Torah keepers across the country have been taught to celebrate the Feast of Shavuot this year thru the actualization of the sightedmoon calendar as taught by our dear brother Joseph Dumond. Leadership is influence, so they say.

I myself am convinced that this is the right thing to do, talking about the Torah as hitting the mark. We hit the “bullseye” of the perfect will celebrating the moedim /appointed time in its actual day.

Celebrating the Feast of Shavuot this year have been our great delight and it even gets more delightful when you are able to teach.

I would like to personally thank all who have help donate to [www.sightemoon.com](http://www.sightemoon.com) for this had made possible to help us and support the logistics needs for the celebration of the feast of Shavuot in different cities in the Philippines most especially in the recent Torah outreaches in Davao city and nearby provinces.

Thank you sightedmoon for the guidance in the Torah and inspiration to serve YHVH more. The work has begun. The goal now is how to keep the people obeying YHVH by keeping his Shabbats.

The vision is to establish Torah centers in this cities and raised up disciples Torah teachers to lead people to the truth. This is a gigantic task, but nothing is impossible with YHVH. He is faithful to provide and lead us to the promised millennial kingdom.

In an hour, our team is about to leave to travel 150 kilometres to Bukidnon. We are scheduled to teach Torah to a group of tribal Christian leaders. Pray for our safe journey.

Thank YHVH for all of you who are part of this end time crusade in restoring us closer to YHVH.

Please faithfully consider donating to [www.sightedmoon.com](http://www.sightedmoon.com) since Joseph Dumond is instrumental in this work in the Philippines. He is been helping us and inspiring us to keep going and not slow down. There's more work to do. We are bringing the Torah to different cities all across the Philippines.

Shalom. YHVH be with us all.

Brother Aike Mesias (FB) overseer MLTC, Servant of YHVH YESHUA.

Reporting from the city of Davao. May 29, 2018 11AM.

Here are the reports I am getting from Bukidnon. This is a combined report from Aike Mesias, Matt Samario and Corette Buri.

Our recent Torah missions was a success

We to see this tribal Christian group up in Bukidnon 900 above sea level. I introduced our bill about 7 feasts. They all agreed. I'm coming back on July for a much bigger crowd.

May 29th, Pastor Aike, Corette, and I took a 2-hour bus trip to Bukidnon to begin teaching Pastors the importance of the biblical feasts and supporting house bill 6312. It was only about 20 people but they seemed very receptive to everything Aike was saying. Some even mentioned he should come again and this time invite many more people from a larger municipality called Kitaotao. After Aike taught, we ate and then they danced. The people there have a lot of musical talent. Corette and Aike recorded this song on video.

The song above is .. "our hearts are dancing & jumping with joy praising ?????

The Group was shown about the 7 annual Feasts and they wanted to learn more about them and agreed to study them.

This is the Cheif of this group in his tribal colours. I do not have his name.

This is all new for Mat who is coming from Ambassador College just a few weeks ago and is now sleeping on new bamboo beds made special for the new guests.

Pastor Aike instructing the Leaders of the Bukidnon group about eh importance of understanding the 7 Annual Feasts and how they reveal the plan of Salvation.

Today is May 31st and we are planning to have Shabbat services in a park, since we don't have a Torah centre yet in Davao. I will be staying in Davao for the next few weeks as Aike goes back to Manila for those weeks. Pastor Dennis and Jonathan continue to look for places to rent or buy for a new Torah center, and I will help where I can. In the meantime, we may just use the park. Pastor Aike is going to give me some material to help host the Shabbat services along with Dennis and Jonathan. I am looking forward to working with Dennis and Jonathan.

All and all, there is definitely potential in the Philippines and a readiness to receive the Torah. They do have much to learn such as the correct calendar, not getting caught up in signs and wonders, not using pagan names like "Lord" instead of using ????, and probably a lot more things to unlearn from their mainstream Christianity upbringing. But we all had to come out of that at one time or another. And like I said, there is definitely potential here and a zeal I haven't seen from so many people at the same time. I do want to help them and anyone else who is being called out of the world in these last days to learn the Torah and make themselves ready for the groom (Yeshua). I pray I can stay and help for as long as possible. I know ???? will have me here as long as He wants.

May the Father and Yeshua bless you.
