Shabbat Shalom To the Royal Family,

What Time is it Mr Wolf?

What time is it Mr.
WOLF?

Do you recall the children's game of 'What time is it Mr Wolf?' One person was chosen to be Mr Wolf and all the other children would call out What Time is it, Mr Wolf. Mr Wolf would have his back to the crowd and holler back it was 4 O'clock or 11 O'clock and the children would walk 4 or 11 steps towards Mr Wolf, or whatever number he called out. When Mr wolf would sense the children were very close to him after they again asked 'What Time is it Mr Wolf', he would shout out it is Dinner Time and turn and begin to chase them and catch whom he could.

Well, this is not a childish game we are playing. The events on the nightly news are proving these prophecies true with each passing day. And still many of you are asleep at the wheel with all the people of your city or your country or your own family waiting on you to step up and be the watchman Yehovah has called you to be.

Pauline Reardon-Benjes is from Australia and she has been helping me look after our Facebook Sightedmoon page. She wrote the following to her family not too long ago.

These are very serious times we are living in. There's a list of things that have taken place recently that everyone needs to be aware of. These news items can slide right by you unnoticed if you're not aware of end time Bible prophecy. This is sent to you all because I care about you. And I'm concerned about what is about to happen to our beautiful country. I hope you will take the time to read what I've written below.

1. The migration of Muslims to Europe and the flood of Muslims trying to get into Australia. This has been on the mainstream news long enough for everyone to be aware of its happening. So I won't give you a link to the news about it. See Prophecy:

Hab 1:5 "Look among the nations and see, and be amazed, be amazed! For a work is being wrought in your days which you would not believe if it were told. 6 "See, I am raising up the Kasdim, a bitter and hasty nation, who is going through the breadth of the earth, to possess dwelling places that are not theirs. 7 "They are frightening and fearsome, their right-ruling and their exaltation proceed from themselves. 8 "Their horses shall be swifter than leopards, and more fierce than evening wolves. And their horsemen shall charge ahead, and their horsemen come from afar. They fly as the eagle, rushing to eat. 9 "All of them come for violence, the direction of their faces is like the east wind, and they gather captives like sand. 10 "And they scoff at sovereigns, and princes are a laughing matter to them. They laugh at every stronghold, for they pile up earth and seize it. 11 "Then shall he pass on as a wind, and transgress and be guilty, and ascribe this power to his mighty one." 12 Are You not from everlasting, O YHVH my Elohim, my Set-apart One? You do not die! O YHVH, You have appointed them for right-ruling, O Rock, You have established them for reproof.

I have to interject here and ask you who are the Kasdim that Habakkuk just spoke about?

The Kasdim are also known as the Chaldeans. Who are the Chaldeans? They are the Assyrians. And who are the Assyrians? Today they are known as the Germans. The very same people who were exterminating the Jews just 70 years ago. The very same German nation, who have just brought in millions of Islamic people who hate the Jews and America with a passion.

The same nation that has leopard tanks and submarine wolf packs.

The same German nation that has an eagle for its Luftwaffe. And has a two headed eagle for the emblem of the nation.

I again urge you to get our book [The 2300 Days of Hell](#) after the Sabbath and read it. I also urge you to watch our [video series on YouTube for free](#). But you have to take the time to watch or read them and you have to tell others. More after this letter.

Now read that verse in Habakkuk again. Then continue with Pauline's letter.

2. It's been announced that Australia is #3 on the ISLAMIC State hit list. That Australia has had just as many terror attacks as the UK. In Australia they are mostly foiled.

<http://www.abc.net.au/news/2016-08-04/australia-ranked-as-islamic-states-third-top-target-invest/7689612>

Lev 26:14 'But if you do not obey Me, and do not do all these commands, 15 and if you reject My laws, or if your being loathes My right-rulings, so that you do not do all My commands, but break My covenant, 16 I also do this to you: And I shall appoint sudden alarm(TERROR) over you, wasting disease and inflammation, destroying the eyes, and consuming the life. And you shall sow your seed in vain, for your enemies shall eat it. 17 'And I shall set My face against you, and you shall be smitten before your enemies. And those who hate you shall rule over you, and you shall flee when no one pursues you.

Lev 26:23 'And if you are not instructed by Me by these, but walk contrary to Me, 24 then I also shall walk contrary to you, and I Myself shall strike you seven times for your sins. 25 'And I shall bring against you a sword executing the vengeance of My covenant, and you shall gather together in your cities, and I shall send pestilence among you, and you shall be given into the hand of the enemy.

3. Imam Abu Sa'd at-Trinidad a major muslim leader based in Trinidad has demanded that all Christians convert to Islam, pay jizyah (tax) or get the sword.

Major Muslim Leader Makes This Message To All Christians: "If you refuse to convert to Islam, then the only thing between you and us is the sword."

Eze 6:3 "And you shall say, 'O mountains of Yisra'el, hear the word of the Master Yehovah Thus said the Master Yehovah to the mountains, to the hills, to the ravines, and to the valleys, "Look, I Myself am bringing a sword against you, and I shall destroy your high places. 4 "And your slaughter-places shall be ruined, your sun-pillars shall be broken in pieces. And I shall make your slain fall in front of your idols,

(Think; Obelisks, Memorials & dawn services, statues of Mary & Buddha etc) Notice what has already been done in Egypt and Syria to the Christians, their churches, their statues and monuments. It's coming here too...

Eze 6:5 and lay the corpses of the children of Yisra'el in front of their idols, and scatter your bones all around your slaughter-places. 6 "In all your dwelling places the cities shall be destroyed and the high places deserted, so that your slaughter-places are broken and bear their punishment. And your idols shall be smashed and made to cease, and your sun-pillars cut down, and your works blotted out. 7 "And the slain shall fall in your midst, and you shall know that I am YHVH. 8 "But I shall leave a remnant, in that some of you shall escape the sword among the nations, when you are scattered throughout the lands. 9 "And those of you who escape shall remember Me among the nations where they have been taken captive, because I have been broken by their adulterous heart which has turned away from Me, and by their eyes which whored after their idols. And they shall loathe themselves for the evils which they have done in all their abominations. 10 "And they shall know that I am Yehovah, and not for naught have I spoken to do this evil to them." 11 Thus said the Master Yehovah, "Strike with your hand and stamp your feet, and say, 'Alas, because of all the evil abominations of the house of Yisra'el who shall fall by sword, by scarcity of food, and by pestilence! 12 He who is far off shall die by pestilence, he who is near fall by the sword, and he who is left over and is besieged die by scarcity of food. And I shall complete My wrath upon them. 13 And you shall know that I am Yehovah, when their slain are among their idols all around their slaughter-places, on every high hill, on all the mountaintops, under every green tree, and under every thick oak, wherever they offered sweet incense to all their idols. 14 And I shall stretch out My hand against them and make the land a wasteland, even more waste than the wilderness toward Di'lah, in all their dwelling places. And they shall know that I am Yehovah.

And then to top it all off...

4. Australian parliament has significantly decreased the parameters of our freedom of speech. <https://www.brisbanetimes.com.au/national/act/act-parliament-passes-religious-vilification-laws20160804-gqlagu.html>

This is in order to 'shut up' those who are talking about the threat that is before us. It's to 'shut up' people like me who are speaking up and warning you. They are trying to stop you from

hearing that you need to read your Bible and change your ways so that you live in accordance with the 10 Commandments, give up paganism e.g. Christmas and Easter and instead you observe the Feast Days found in Leviticus and you read the instructions to find out which ones pertain to you. (Not Judaism – don't go there!)

It's not for nothing that these things are happening. There's been no official announcement... so I'll make one now...

We are at war with Islam and Islam is at war with us!

It's time we all wake up to that. But the real question you should be asking is WHY is it here? and what should you do now that you know? Over the past 3 years I've been researching that question. I have a lot of research notes to write up before I'm anywhere near publishing a book on the subject. Right now I'm a uni studying graphic design so that I have some tools to help you understand what the Bible says about these things. I don't have time right now to tell you everything but I know someone who has done the same independent study; but for about 20 years longer than me. He has already written his research and published books. He found the same things I did and so much more! He has footnoted all the evidence and you can look it all up for yourself. His name is Joseph Dumond and you'll find him and his books at www.sightedmoon.com

The answer to 'why' Islam is coming for us; is found in Daniel Chapter 9. This chapter also points to what you should do now that you know. See Joseph Dumond's books for an in-depth look into the meaning of the text below.

Daniel's Prayer for His People

Dan 9:1 In the first year of Dareyawesh the son of A?ashw?rosh, of the seed of the Medes, who was set up as sovereign over the reign of the Kasdim (Chaldeans)– 2 in the first year of his reign I, Dani'el, observed from the Scriptures the number of the years, according to the word of YHVH given to Yirmeyah the prophet, for the completion of the wastes of Yerushalayim would be seventy years. 3 So I set my face toward YHVH the Elohim to seek by prayer and supplications, with fasting, and sackcloth, and ashes. 4 And I prayed to YHVH my Elohim, and made confession, and said, “O YHVH, great and awesome ?l, guarding the covenant and the loving-commitment to those who love Him, and to those who guard His commands. 5 “We have sinned and did crookedness, and did wrong and rebelled, to turn aside from Your commands and from Your right-rulings. 6 “And we have not listened to Your servants the prophets, who spoke in Your Name to our sovereigns, our heads, and our fathers, and to all the people of the land. 7 “O YHVH, to You is the righteousness, and to us the shame of face, as it is this day – to the men of Yehudah, to the inhabitants of Yerushalayim and all Yisra'el, those near and those far off in all the lands to which You have driven them, because of their trespass which they have trespassed against You. 8 “O Master, to us is the shame of face, to our sovereigns, to our heads, and to our fathers, because we have sinned against You. 9 “To ???? our Elohim are the compassions and forgivenesses, for we have rebelled against Him. 10 “And we have not obeyed the voice of ???? our Elohim, to walk in His Torot (instructions), which He set before us through His servants the prophets. 11 “And all Yisra'el have transgressed Your Torah, and turned aside, so as not to obey Your voice. So the

curse (H423) and the oath written in the Torah of Mosheh the servant of Elohim have been poured out on us, for we have sinned against Him.

Notice that the word ‘curse’ is H423 in Strong’s Concordance. Curse translated from Hebrew means ‘Alah’. Who does Islam say is great? They say the ‘curse’ is great.

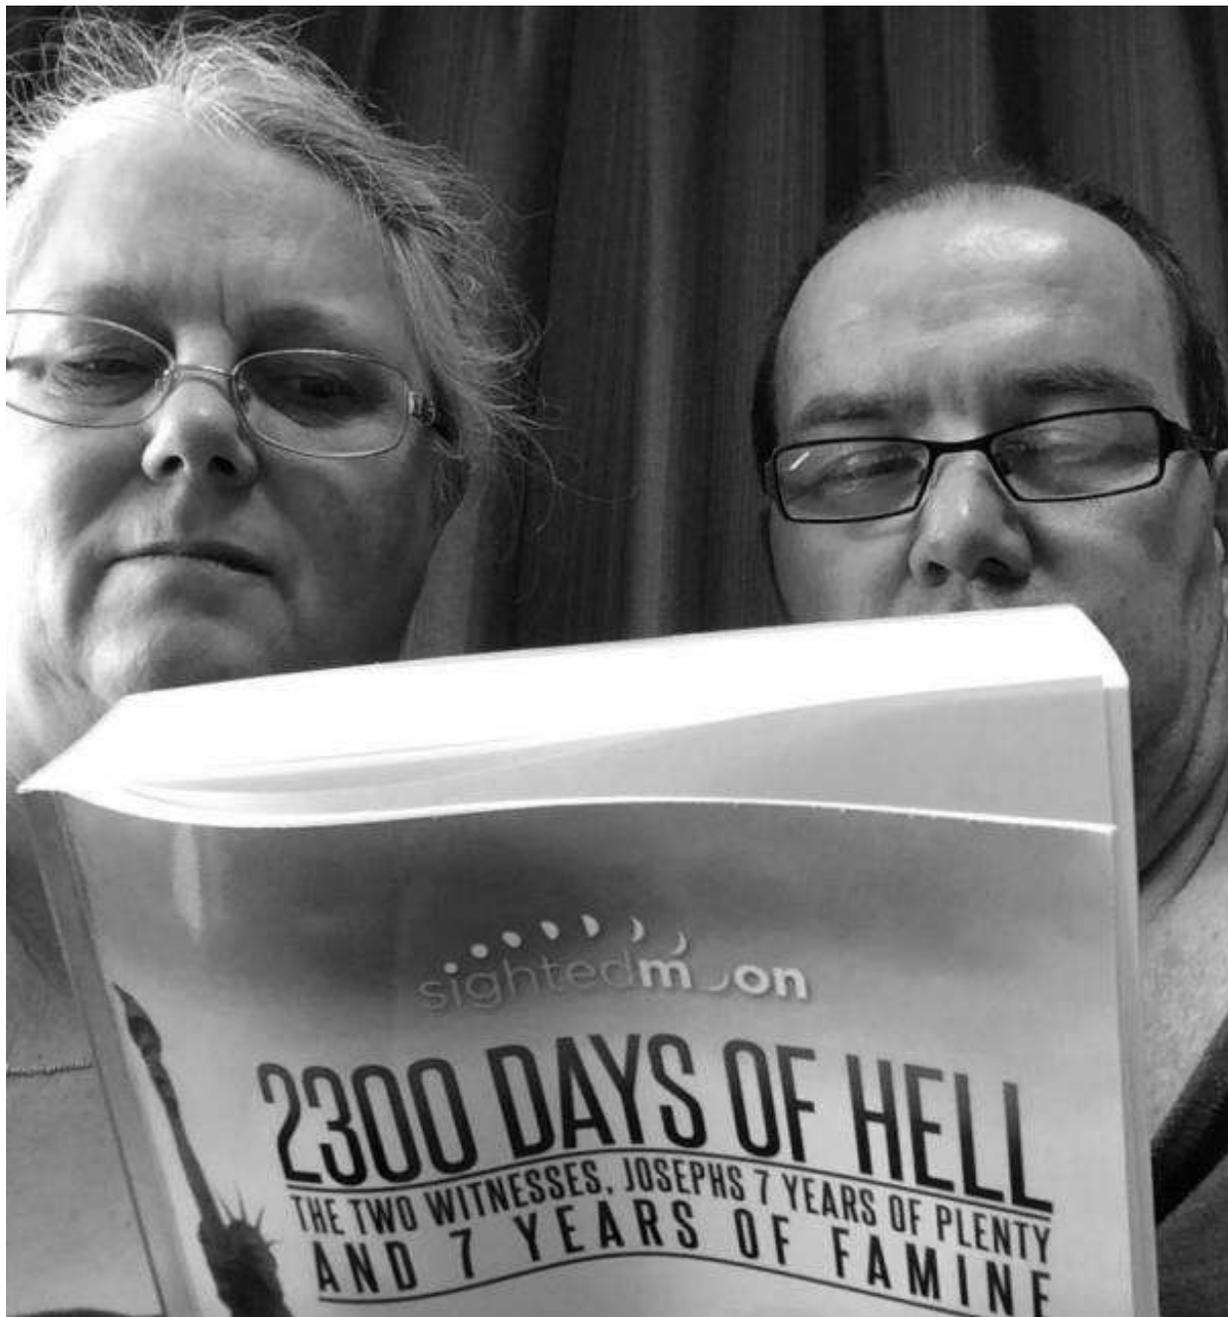

H423

?????

‘âlâh aw-
law’

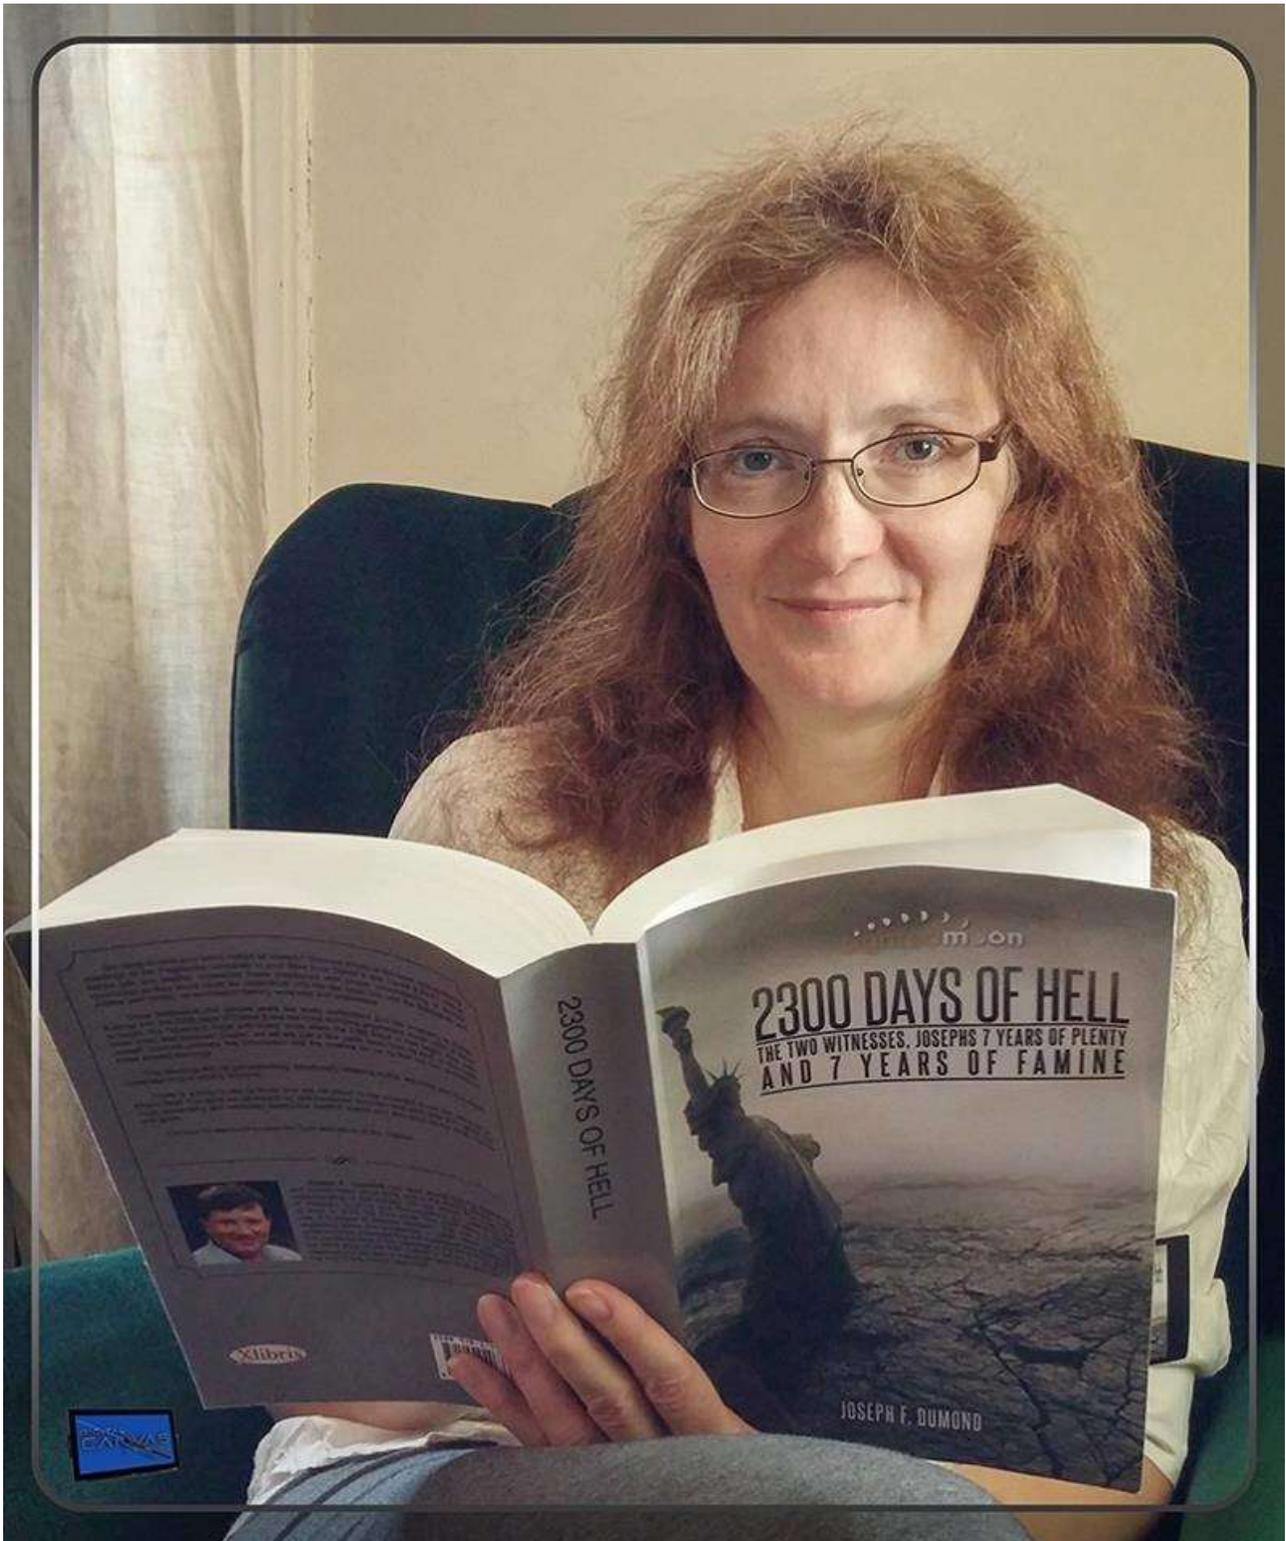

From H422; an imprecation: – curse, cursing, execration, oath, swearing.

Cont... 12 “And He has confirmed His words, which He spoke against us and against our rulers who judged us, by bringing upon us great evil. For under all the heavens there has not been done like what was done to Yerushalayim. 13 “As it is written in the Torah of Mosheh, all this evil has come upon us, and we have not entreated the face of ???? our Elohim, to turn back from our crookednesses, and to study Your truth. 14 “Hence ???? has watched over the evil and has brought it upon us. For ???? our Elohim is righteous in all the works which He has done, but we have not obeyed His voice. 15 “And now, O ???? our Elohim, who brought Your people out of the land of Mitsrayim with a strong hand, and made Yourself a Name, as it is this day – we have sinned, we have done wrong! 16 “O ???? , according to all Your righteousness, I pray, let Your displeasure and Your wrath be turned away from Your city Yerushalayim, Your set-apart mountain. For, because of our sins, and because of the crookednesses of our fathers, Yerushalayim and Your people have become a reproach to all those around us. 17 “And now, our Elohim, hear the prayer of Your servant, and his supplications, and for the sake of ???? cause Your face to shine on Your set-apart place, which is laid waste. 18 “O my Elohim, incline Your ear and hear. Open Your eyes and see our wastes, and the city which is called by Your Name. For we do not present our supplications before You because of our righteous deeds, but because of Your great compassions. 19 “O ???? , hear! O ???? , forgive! O ???? , listen and act! Do not delay for Your own sake, my Elohim, for Your city and Your people are called by Your Name.”

It has been suggested that everyone take a selfy of themselves reading either The 2300 Days of Hell or Remembering the Sabbatical year of 2016 and use it as your profile picture on your social media page. If people begin to see many other people all at the same time with this book or the other one as their FB profile it could very well start a conversation. You could also put why your posting this book as your profile to help others understand the meaning each book teaches you.

I am in. Are you?

Who is Mr Wolf?

We have for the past ten years been warning you of this age, this 4th Sabbatical cycle and what it was going to be like. In our teaching on Assyria, **The Breaker that Breaks in Pieces**, we showed you who the Assyrians are. The Kasdim as mentioned above in Hosea and those same Assyrians who are today Germany. We also have this as part of our video teaching.

We have shown you how Germany through the cover of the EU has built up this mighty nation in Europe or the European Union which now has about 350 Million people. This EU operates in and under the cover of the UN to protect it from Russia and to covertly advance its policies.

We have shown you how the EU was greatly upset over the BREXIT divorce with Great Britain. They had lost a large source of their income. We have also shown you how upset the UN and the EU were as well as Germany over the ripping up of the Paris Treaty by Donald Trump in 2017 and his withdrawal of financing at the UN also in 2017. The state of Israel would also withdraw funding from UNESCO.

All of those who have read our book **The 2300 Days of Hell** were overwhelmed by the amount of evidence we provided to prove just exactly who the Ten Tribes of Israel are today. The leading tribes today are the USA and the UK being Israel and the State of Israel being Judah. If you do not understand this fact then you cannot understand what is going on in the world today or prophecy. It is just that simple.

No the Tribes of Israel are not the Black Hebrews as some claim. They are not some obscure little group in the remote parts of India or China. The Ten Lost tribes make up the most powerful nations on earth at the end of Days just as Yehovah promised they would be. That is the USA and UK and the State of Israel.

All across the Middle East, you have seen on TV the Islamic chant death to the Great Satan and death to the little Satan. Other times they come right out and say it, death to the USA or Death to the UK and Death to Israel. Where ever Islam is this chant is part of their teaching and brainwashing.

And then you have the lie that they promote and many in the west believe to our own detriment. That they are the religion of peace. Read again what Jeremiah says about that peace.

(The following is a picture I took of Bruce Brill blowing the shofar in Tekoa)

Impending Disaster for Jerusalem

Jer 6:1-15 Flee for safety, O people of Benjamin,
from the midst of Jerusalem!

Blow the trumpet in Tekoa,
and raise a signal on Beth-haccherem,
for disaster looms out of the north,
and great destruction.

The lovely and delicately bred I will destroy,
the daughter of Zion.

Shepherds with their flocks shall come against her;

they shall pitch their tents around her; they shall pasture, each in his place. "Prepare war against her; arise, and let us attack at noon! Woe to us, for the day declines, for the shadows of evening lengthen! Arise, and let us attack by night and destroy her palaces!" For thus says the Lord of hosts: "Cut down her trees; cast up a siege mound against Jerusalem. This is the city that must be punished; there is nothing but oppression within her. As a well keeps its water fresh, so she keeps fresh her evil; violence and destruction are heard within her; sickness and wounds are ever before me. Be warned, O Jerusalem, lest I turn from you in disgust, lest I make you a desolation, an uninhabited land." Thus says the Lord of hosts: "They shall glean thoroughly as a vine the remnant of Israel; like a grape gatherer pass your hand again over its branches."

To whom shall I speak and give warning, that they may hear?
Behold, their ears are uncircumcised, they cannot listen;
behold, the word of the Lord is to them an object of scorn; they take no pleasure in it.

Therefore I am full of the wrath of the Lord; I am weary of holding it in. "Pour it out upon the children in the street, and upon the gatherings of young men, also; both husband and wife shall be taken, the elderly and the very aged. Their houses shall be turned over to others, their fields and wives together, for I will stretch out my hand against the inhabitants of the land," declares the Lord.

"For from the least to the greatest of them, everyone is greedy for unjust gain; and from prophet to priest, everyone deals falsely.

They have healed the wound of my people lightly, saying, 'Peace, peace,' when there is no peace.

Were they ashamed when they committed abomination?

No, they were not at all ashamed; they did not know how to blush.

Therefore they shall fall among those who fall; at the time that I punish them, they shall be overthrown," says the Lord.

Where is Mr Wolf?

In Jeremiah 23 is a warning against false prophets. In particular, it is about men, claiming to speak for God, who tell the people—whose lives deny Yehovah even exists—that, "The LORD has said, 'You shall have peace.'" These prophets say to the people, who were walking according to the dictates of their own hearts, "No evil will come upon you." In essence, they deny Yehovah's justice and they deny the fact that sin has consequences. They are telling the people not to worry about God's judgment upon them—everything would be fine; no change of course would be necessary.

However, the people, in reality, have declared war on Yehovah and His way of life through the conduct of their own lives. Whether or not they realize it, their carnal minds hold great enmity for Yehovah's way of doing things. They can never have peace with Him until they repent and change.

So Yehovah is sending the peaceful religion upon those who love the liberal society we now live in. They do not realize just how severe the wound is in Israel.

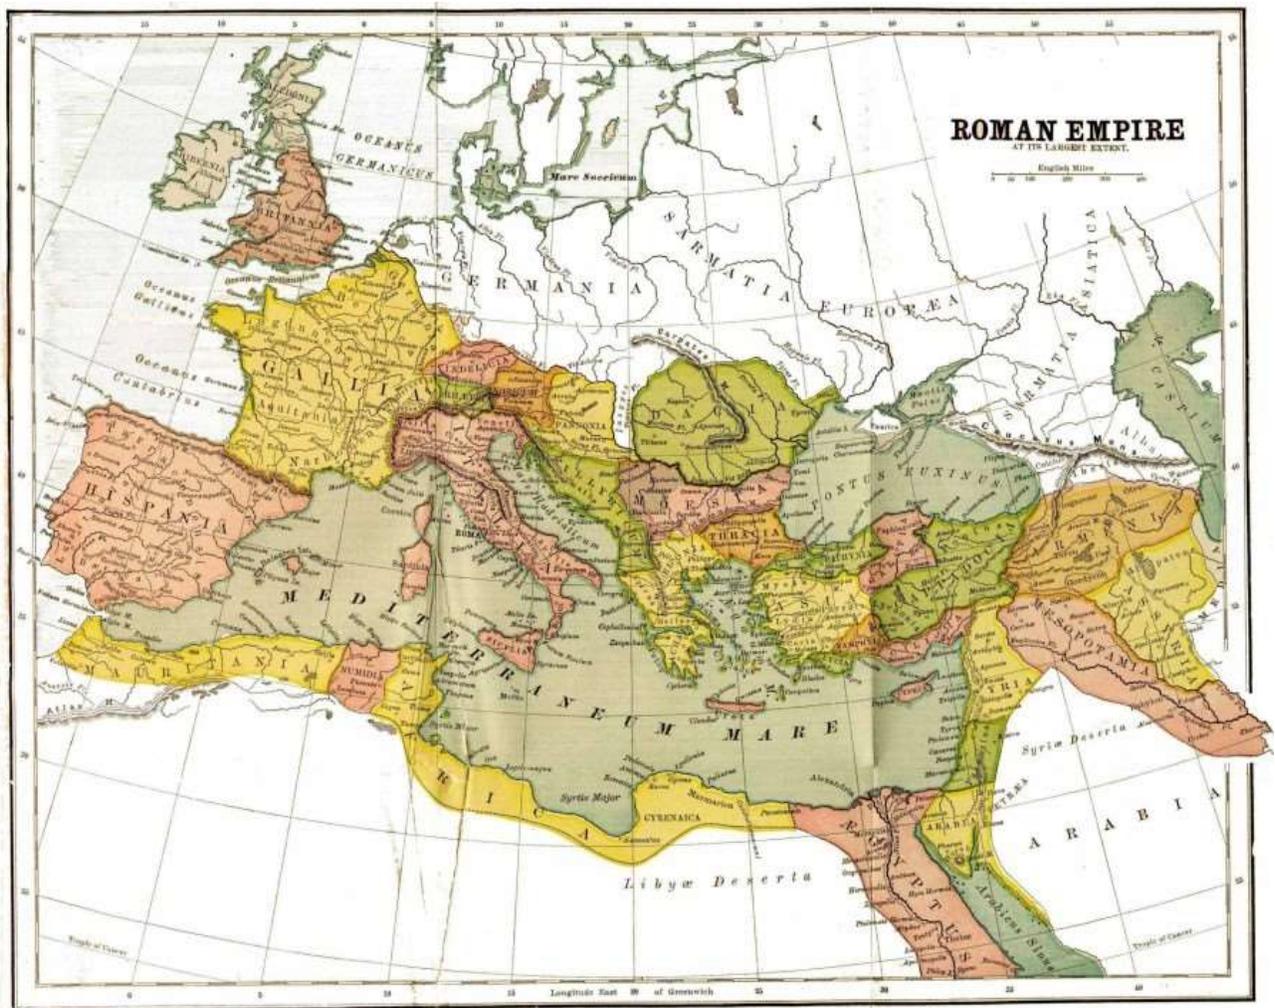

Peace peace when there is no peace.

Here is something else to add to this.

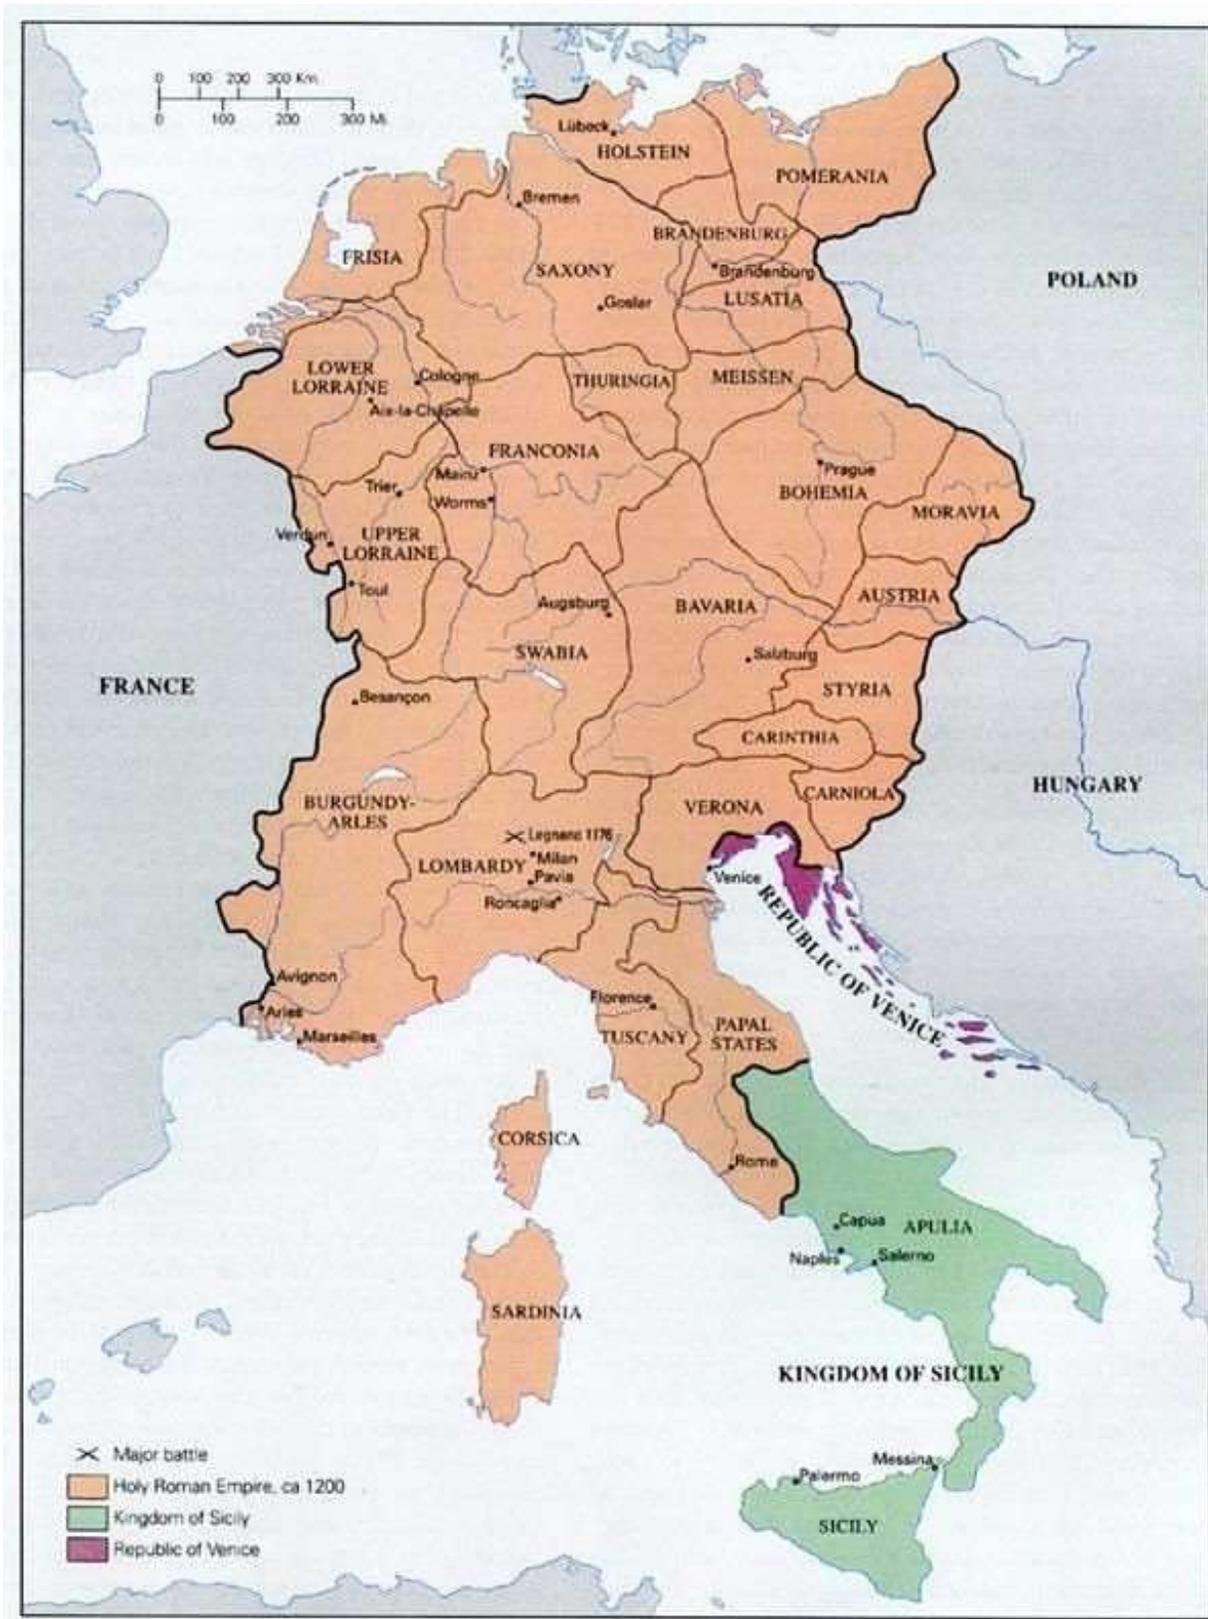

Daniel 11:38 He shall honor the god of fortresses instead of these. A god whom his fathers did not know he shall honor with gold and silver, with precious stones and costly gifts. He shall deal with the strongest fortresses with the help of a foreign god. Those who acknowledge him he shall load with honor. He shall make them rulers over many and shall divide the land for a price.

The god of fortresses is the Blessed Virgin Mary which today is known as the Catholic Faith. But the god his fathers did not know is Islam and the nation this part of Daniel is speaking about is how the Holy Roman Empire is going to rule the world once again.

Look at the land the Roman Empire once ruled in 150 AD.

Now, look at the Holy Roman Empire in the year 1200 AD. It is basically Germany and Italy. The same two nations of World War II.

Now in the past few years, Germany has invited Millions of people from which nations. Look at the maps above. They are all for the most part coming from those regions that were once the Roman Empire of which Daniel talks about that 4th Beast. And as you think on this remember what we just showed you above about the foreign god.

Daniel 11:38 He shall honor the god of fortresses instead of these. A god whom his fathers did not know he shall honor with gold and silver, with precious stones and costly gifts. He shall deal with the strongest fortresses with the help of a foreign god. Those who acknowledge him he shall load with honor. He shall make them rulers over many and shall divide the land for a price.

The image of Daniel chapter 2 and the beasts of Chapter 7 are the same thing.

Daniel 2:40 And there shall be a fourth kingdom, strong as iron, because iron breaks to pieces and shatters all things. And like iron that crushes, it shall break and crush all these. And as you saw the feet and toes, partly of potter's clay and partly of iron, it shall be a divided kingdom, but some of the firmness of iron shall be in it, just as you saw iron mixed with the soft clay. And as the toes of the feet were partly iron and partly clay, so the kingdom shall be partly strong and partly brittle. As you saw the iron mixed with soft clay, so they will mix with one another in marriage, but they will not hold together, just as iron does not mix with clay.

Daniel 7:15-28 "As for me, Daniel, my spirit within me was anxious, and the visions of my head alarmed me. I approached one of those who stood there and asked him the truth concerning all this. So he told me and made known to me the interpretation of the things. These four great beasts are four kings who shall arise out of the earth. But the saints of the Most High shall receive the kingdom and possess the kingdom forever, forever and ever."

"Then I desired to know the truth about the fourth beast, which was different from all the rest, exceedingly terrifying, with its teeth of iron and claws of bronze, and which devoured and broke in pieces and stamped what was left with its feet, and about the ten horns that were on its head, and the other horn that came up and before which three of them fell, the horn that had eyes and a mouth that spoke great things, and that seemed greater than its companions. As I looked, this horn made war with the saints and prevailed over them, until the Ancient of Days came, and judgment was given for the saints of the Most High, and the time came when the saints possessed the kingdom.

"Thus he said: 'As for the fourth beast, there shall be a fourth kingdom on earth, which shall be different from all the kingdoms, and it shall devour the whole earth, and trample it down, and break it to pieces. As for the ten horns,

out of this kingdom ten kings shall arise, and another shall arise after them; he shall be different from the former ones, and shall put down three kings.

He shall speak words against the Most High, and shall wear out the saints of the Most High, and shall think to change the times and the law; and they shall be given into his hand for a time, times, and half a time. But the court shall sit in judgment,

and his dominion shall be taken away, to be consumed and destroyed to the end. And the kingdom and the dominion and the greatness of the kingdoms under the whole heaven shall be given to the people of the saints of the Most High; his kingdom shall be an everlasting kingdom, and all dominions shall serve and obey him.’

“Here is the end of the matter. As for me, Daniel, my thoughts greatly alarmed me, and my color changed, but I kept the matter in my heart.”

Again above we mentioned in our teaching on Assyria, ***The Breaker that Breaks in Pieces***. Here in Daniel’s prophecy is the same phrase that this Beast is going to break in pieces the whole world.

Now, look at the prophecy Isaac gives to Esau.

Gen 27:40 And by your sword you shall live, and shall serve your brother. And it shall be when you shall have the dominion, you shall break his yoke from off your neck.

The word dominion is

H7300 ru^d rood

A primitive root; to *tramp* about, that is, *ramble* (free or disconsolate): – have the dominion, be lord, mourn, rule.

And the word for break in pieces is;

H6561 pa^raq paw-rak’

A primitive root; to *break* off or *craunch*; figuratively to *deliver*: – break (off), deliver, redeem, rend (in pieces), tear in pieces.

This is the very same thing that Daniel is being shown in both of the prophecies above, which is what Isaac was telling Esau. All of these things are now happening. They are happening so fast that I am not able to keep up with them all. The Islamification of Germany has now become National policy. they are seeing this as an opportunity to use Islam to conquer the world just as Daniel 11:38 says they would, by using a god their Fathers did not know.

Now watch and pay close attention to the following. Yes, I know it is from Alex Jones. Never the less watch and listen.

Understanding What Time It IS

One of the things I have assumed is that you all are able to understand our charts that you can download for free at <https://sightedmoon.com/wp-content/uploads/2014/01/Sabbatical-and-Jubilee-Chart.pdf>

So I want you all to understand. I want you all to know what time it is. So I am going to walk you through each chart and explain them to you so that anyone can then begin to share them with others.

We are going to start in the bottom right-hand corner where it says 1 in yellow.

This is the very first year when Adam was created. Our chronology that we get from Genesis starts with the creation of Adam. We then count up from this first year to the number 7 above the one and this year number 7 is the first Sabbatical year.

The column to the left of number 1 in yellow is the 8th year since the creation of Adam. It is the start of the 2nd Sabbatical cycle. Each cycle is at the top of each column. And the numbering system is going from bottom to top and from right to left.

So when you get to the 7th column from the right you are in the 7th cycle which I have called the Sabbatical cycle. This column consists of year 43 and counting up ends at year 49. Year 49 is the 7th Sabbatical Year. The 50th year is the next year which is also the first year of the next count. We have explained this in our teaching on Shavuot. The 50th day is Shavuot and it is always on the 1st day of the week. The Sabbatical cycle is the exact same thing. The 50th year is the first year in the next counting system. The 50th year is the first year the same as the 50th day of Shavuot is always on the first day of the week.

When we go to the left of the year 49 we have a green column with the number 0 at the bottom in yellow and above it besides the number 49 is the number 1 in yellow.

This green column between the yellow 0 and the yellow 1 represents the 1st Jubilee cycle. You say a baby is one year old after they have completed one year. Before that, they are just 11 months or 9 months old. A Jubilee cycle is not counted until it is completed. So the 50th year in purple marks this 1st cycle completed.

If we scroll up to the 3rd Jubilee cycle we see in yellow the year 130. Each year that is marked by various colours is then mentioned in the notes section at the bottom of the page with a corresponding colour. The note for this year 130 says that this is the year Seth was born to Adam when Adam was 130 years old.

And if we scroll up to the 5th Jubilee cycle we see the year 235 in yellow and the note says that this was the year Enosh was born to Seth when Seth was 105. All we have done is add the ages up of each of the patriarchs when they had their children.

Adam was 130 when Seth was born and Seth was 105 when Enosh was born. This makes the year Enosh was born in the year 235 years after the creation of Adam.

Look at the 2nd Jubilee cycle. Note that we have counted 49 years again and the 49th year is the year 98. This means that the year 99 is the second Jubilee year which you can see is marked in purple. I have distinguished the Jubilee year in each case by setting it outside of the entire Jubilee cycle. You will notice that the first year in the bottom right corner of each Jubilee cycle begins with this same Jubilee year only now without the purple to highlight it.

This was just the way I did it.

The Jubilee cycles on the right-hand side of this green column are all counting from the creation of Adam.

To the left of this green column is the exact same years counting each jubilee cycle with the creation of Adam in the year marked in yellow -3836. -3836 in yellow is the same year as 1 in yellow on the other side of the green column. The left side is counting the years in B.C. years using the – sign to show B.C. and the right side of the green column is counting the years from the creation of Adam.

The right side is a mirror of the left side, just using a different method to record the years.

So the 49th year from the creation of Adam is the year -3788 B.C. The year Seth was born when Adam was 130 is -3707 B.C.

We have explained the chronology and how to do the counting in our book [Remembering the Sabbatical Year of 2016](#). I urge you to get it so you can completely understand this. It is very important to know what time it is.

You are also welcome to print this off and share it with those you are going to teach. Or any of these other charts.

We also have these same charts with all the blood moons marked out for you. <https://sightedmoon.com/wp-content/uploads/2018/01/Blood-Moons.pdf>

And we have the Niddah cycles for the great Whore and for Israel also marked on this chart. <https://sightedmoon.com/wp-content/uploads/2015/12/Niddah-Cycle-for-Israel-and-the-Whore.pdf>

B.C. And C.E. Years Starting with 3836 B.C. On the Left Side Compared to After Creation Years or A.C. On the Right Side

Starting with Year one when Adam Created by Yahweh

The Year begins with Aviv and Ends with Adar or Adar Bet (March or April)

235 A.C. Enosh born to Seth age 105

130 A.C. Seth born to Adam age 130

1 A.C. Adam Created by Yahweh from the Dust of the Ground

You can now continue from the bottom right hand side counting each year and each Sabbatical year and each Jubilee cycle.

This chart is showing you the years for each Jubilee cycle from 6 to 10 again in the green column.

The year 460 After the Creation of Adam or A.C. is in the 3rd Sabbatical cycle and the note says it is the year Jared was born to Mahalalel when Mahalalel was 65. So that took place in the year 460 after the creation of Adam and it is equivalent to the year -3377 B.C.

What do the other two years 325 and 395 mean? And what are their BC equivalent years?

We have displayed here the 11th, 12th, 13th, 14th and 15th Jubilee cycles. The year 736 After the creation of Adam is the 15th Jubilee cycle since the creation of Adam. It is also the year 3101 B.C.

What do the notes say about those other years marked in yellow?

And you will see when you download the other charts that before each of the patriarchs died there were blood moons on the High Holy Days. There is a blood moon this January 31 which is also a blue moon. A blue moon is two full moons in the Gregorian month. There is no such thing as a blue moon in Yehovah's calendar as there is never two full moons in one month. I will let you think on this.

We are still counting the years from the bottom right-hand corner. That year is 981 and it is the 50th year of the completion of the 20th Jubilee cycle. It begins the new 2nd Millennial Day which we have marked in blue because it coincides with the time when Noah's Flood occurs.

In red we have marked the year Noah was born in 1056 after Creation. This year matches the year -2781 B.C.

In the centre column, in blue, we see the Jubilee cycles going from the 20th on up to the top and the completion of the 25th Jubilee Cycle which is the year 1226 after the Creation of Adam.

What I have noticed on this chart is that I had not put why the year 1651 is highlighted. I have left off the note at the bottom. 1651 AC (After Creation of Adam) is the year Lamech died 777 years after he was born 874 AC.

Something else to notice in these charts is that all the patriarchs except for Noah were born on the first millennial day. Then all those same patriarchs died on the 2nd Millennial day except for Adam. And they all died before the flood which you can see is the year 1656 A.C. marked in red. This is the same year or equivalent year to -2181 B.C. Also, we have this special note about Methuselah, which I will let you read and then ponder why the flood took place in the second month after the time for the 2nd Passover. Methuselah lived the longest of all the Patriarchs.

Methuselah was born in the years 687 AC. He lived for 969 years. That means he died in the year 1656 AC. the same years as the flood. Read the notes below. Methuselah did not die because of the flood. No, Noah became unclean because of the death of Methuselah and could not keep Passover on 14th of the 1st month. Passover was postponed to the second month and this is why the flood came on the 17th day of the second month.

In the year 2181 BC when you look at the second month at Torah Calendar you will see that the Preparation day for the second Passover was on Sunday the 14th of Aviv. Monday would

have been the 15th when 1st day of Unleavened Bread was eaten. Tuesday was the 16th and Wednesday was the 17th day when the flood came. Notice that this day is the 4th day of the week.

Another thing to note is that Arpachshad was born two years after the flood when Shem was 100 in 1658 AC. Many people assume that Shem was 100 at the time of the flood. Again we explain this in [Remembering the Sabbatical year of 2016](#).

And I almost forget this important point. Look at the year of the Flood. 1656 After Creation. Notice it is in the 6th Sabbatical cycle and it is the 4th year of that cycle. Now read Luke.

Luke 17:26 Just as it was in the days of Noah, so will it be in the days of the Son of Man. They were eating and drinking and marrying and being given in marriage, until the day when Noah entered the ark, and the flood came and destroyed them all. Likewise, just as it was in the days of Lot—they were eating and drinking, buying and selling, planting and building, but on the day when Lot went out from Sodom, fire and sulfur rained from heaven and destroyed them all— so will it be on the day when the Son of Man is revealed.

Now you have to go and read the chart about Sodom and Gomorrah to learn what is being revealed to you in Luke. And then you will have to look at the last days to see what is being revealed to you by Luke.

In the centre column, in blue, we see the Jubilee cycles going from the 30th on up to the top and the completion of the 35th Jubilee Cycle which is the year 1716 after the Creation of Adam. This is also the year -2121 B.C.

In the centre column, in blue, we see the Jubilee cycles going from the 35th on up to the top and the completion of the 40th Jubilee Cycle which is the year 1961 after the Creation of Adam. This is also the year -1876 B.C.

We now have covered the first 40 Jubilee cycles. This is the end of the second Millennial day. All you have to do is count the years to see that two millennial days are 1961 years. Yes, the scriptures say a day is as a thousand year. And they have just rounded up to the 100 years. In actual fact, it is only 980. years. We now have completed the second Millennial Day once we come to the year 1961 After the Creation of Adam.

On this chart is the year Abraham was born and it was the year 1948 AC. We also explain the controversial years about Terah whether or not he was 70 years or 130 years old when Abraham was born and how you can prove it. You do need to get the book Remembering the Sabbatical years of 2016.

In the centre column, which is now red, we see the Jubilee cycles going from the 40th on up to the top and the completion of the 44th Jubilee Cycle which is the year 2157 after the Creation of Adam. This is also the year -1680 B.C. We have now started the 3rd Millennial day with the year 1961 AC. Yehovah has now completed 40 Jubilee cycles and there is a lot going on in this section.

Abraham leaves Haran in the year 2023 AC at the age of 75. He then makes the Covenant with Yehovah at the age of 80 in the year 2028 AC.

The 430 years to the Exodus start at this time in the year 2028 AC at Passover. The 400 years to the Exodus begin when Isaac is 10 years old in the year 2058 AC again at Passover.

The destruction of Sodom and Gomorrah is at Passover in the year 2047 AC. After Creation.

The area in purple shows the 10 years for the trial of Nimrod by Shem in the Egyptian lower and upper courts before his execution by Shem.

Noah dies in the year 2006 AC which is -1831 B.C.

Noah is great segue back to our notes about the Flood.

Luke 17:26 Just as it was in the days of Noah, so will it be in the days of the Son of Man. They were eating and drinking and marrying and being given in marriage, until the day when Noah entered the ark, and the flood came and destroyed them all. Likewise, just as it was in the days of Lot—they were eating and drinking, buying and selling, planting and building, but on the day when Lot went out from Sodom, fire and sulfur rained from heaven and destroyed them all— so will it be on the day when the Son of Man is revealed.

In the year 2047 AC. in purple, we see that Sodom and Gomorrah were destroyed at this time and it too is Passover the same time as the Flood which took place in the second Passover month. But here in this verse, you are being told to look at the Flood and to look at the Destruction of Sodom and learn something. The end of the world in Noah's day and the end of Sodom and Gomorrah both took place in the 3rd and 4th years of the Sixth Sabbatical cycle.

This then become a huge prophetic reference when it comes to our time when we get to those charts.

I will let you read the rest of the notes here.

Again all the dates I am using are on the right-hand side of the Orange column in the middle and the corresponding BC years are on the left-hand side of that orange column. Please read the notes at the bottom of the chart to learn all the other events taking place at this time.

In the centre column, in red, we see the Jubilee cycles going from the 44th on up to the top and the completion of the 48th Jubilee Cycle which is the year 2353 after the Creation of Adam. This is also the year -1484 B.C.

In the year 2158 AC Shem dies. For me, this is a big deal. Noah was alive and taught Abraham. There are stories about how Noah hid Abraham when Nimrod sought to kill him. Gilgamesh is another name for Nimrod who sought to talk to Noah which is what his great Gilgamesh Epic is all about. Shem after the death of Noah is the only one to have been before and after the Flood. It is he who built the pyramids under the name of Typho. He lived up until the time of Jacob being born. So to have this man around and to be able to talk to him and know what he had seen in his lifetime would have been spectacular. At least for me. Shem also was the one who built Salem, the city, in Canaanite language is Jeru. Shem was also known as Mechezideck the King of Salem or Jeru Salem.

There are two important things to note on this chart. The Prophecies of Abraham is comparing the event of Abrahams life with those of Jacob and of Joseph and these last days. Abrahams big events all took place in the 42nd Jubilee cycle. Especially the time of the trial of Nimrod during those 10 years that we marked in purple.

In this section during the 45th Jubilee cycle, we learn that in the 5th and 6th Sabbatical cycles Jacob is deceived about his true love. This is prophetic for us today as we too will be deceived that we are about to go home, only to find out it is an ambush to destroy us all for the final time in one location.

Also in the 45th Jubilee cycle in the 6th Sabbatical cycle, we see all the births of the children of Israel. Again this too is prophetic as it will be in this 6th Sabbatical cycle that Israel will be born again. But we also see that Jacob worked for 7 years only to be deceived at the end of the 5th Sabbatical cycle. This too is prophetic for our day.

Looking at the 46th Sabbatical cycle we see this is the time when Joseph become ruler in Egypt. This is an important prophecy for us today as well. The 7 years of plenty for Egypt take place in the green shaded areas. From 2230 AC. until 2236 AC. Then the 7 years of Famine for Egypt and the world begin from 2237 AC. until 2243 AC. It was the 2nd year of the famine when Joseph revealed himself to this brothers. That year was 2238 AC.

Today Egypt is the Great Whore of revelation and is the EU and UN with Germany as the head State. In our time they will reap the 7 years of plenty by raping the 12 Tribes of Israel and then will suffer the 7 years of famine starting with the two witnesses followed by the Great Tribulation and Yehovah Himself punishing them. We use this Jubilee cycle and overlay it with ours today to see all that Yehovah is connecting and showing us.

I also have to again point out to you that the end of the 7 years of Famine takes place in the year 2243 AC. Now compare that year to the two charts about the Flood and the destruction of Sodom and Gomorrah. Once again you are being shown the end comes in the 4th year of the 6th Sabbatical cycle.

Everyone is trying to get Judah to recognize all these Hebrew roots people as the Ten Lost Tribes coming home. I do not disagree with who we are and prove this in our teachings on Ten Lost Tribes. But what I have to point out is that Joseph did not reveal himself to Judah until the 2nd year of the Famine in the year 2238 AC marked in yellow. This becomes important when we again compare this chart to our time today.

This 46th Jubilee cycle, along with the 45th one and the 42nd one show us so very much about what is to happen in our time. You need to look at them and compare them one to another and to our time that we are in today. Take what happens in each Sabbatical cycle and see if other events also happen during that same time in other sabbatical cycles.

When you understand the meaning of each Holy Day and what it represents and then use these Jubilee cycles and Sabbatical cycles and see what took place at certain times in each one. Prophecy jumps off the pages of your Bible.

This next section is also very important.

In the centre column, in red, we see the Jubilee cycles going from the 48th on up to the top and the completion of the 53rd Jubilee Cycle which is the year 2598 after the Creation of Adam. This is also the year -1239 B.C.

It is in the year 2500 AC that we are able to prove all of our dates and calculations to be true or false. All of our Chronology for the Patriarchs must add up so that the year Joshua enters the promised land it is a Jubilee year as we are told in Lev 25:2. Lev 25 2 is telling you that the year, that first year they enter the land, they would be keeping a Jubilee year. Moses knew that at the end of the 40 years it would be a Jubilee year. So the age of Shem being 100 during the flood or 2 years after, the age of Terah being 70 or 130, the year of the covenant with Abraham in his 80th year or one of the other ten years all come home to roost now. Do they add up to a Jubilee year when the Israelites cross the Jordan just before Passover?

If your chronology does not add up to a Jubilee year then your chronology is wrong!

The chronology you have been following thus far all adds up to show that Joshua crossed the Jordan in a Jubilee year and thereby proving that our chronology thus far to be correct.

In the 51st Jubilee cycle is the exodus. The exodus takes place in the year 2458 AC. This is the year -1379 B.C. Moses began to do the curses in Egypt as I understand it for about three years before this date.

We have Moses being born (I only show these dates on the left-hand side of the orange column) -1459 B.C. He is 40 years old and flees to Midian in the year -1419 B.C. And then come to Egypt again and takes part in the Exodus in 1379 B.C when he was 80 years old. Moses then dies two years before they cross the Jordan in -1339 B.C. at the age of 120.

A very important note to remember is that the 40-year curse did not take place until it was the end of the 2nd year after the Exodus. They were two years at Mount Jebel Al Lawz before they departed. Number 10:11

I have to point out the most important part of this section. It is the note in green at the very bottom.

When the Israelites crossed the Red Sea they became a Nation that day. This is now the 51st Jubilee cycle and 50 Jubilee cycles have now passed.

In Daniel 9:24-27 is the section about the 70 weeks. Those 70 weeks are 70 Feast of Weeks. Look it up. That is 70 X 49 or 70 X 49 Jubilee cycles. Those 70 weeks begin with this 51st Jubilee cycle.

Daniel says the following. Know therefore and understand that from the going out of the word to restore and build Jerusalem

That command to go and get His people was when Yehovah told Moses in Exodus chapter 3 and 4 multiple times to go and get his people from Egypt.

Exodus 3:10 Come, I will send you to Pharaoh that you may bring my people, the children of Israel, out of Egypt.”

:12 He said, “But I will be with you, and this shall be the sign for you, that I have sent you:

:16 Go and gather the elders of Israel together and say to them,

Exodus 4:12 Now therefore go, and I will be with your mouth and teach you what you shall speak.”

This 51st Jubilee cycle is then the 1st of those 70 X 49 or 70 Jubilee cycles. Now you must count the Jubilee cycles to see when the 70th one is. We will mention that when we get to it.

Most Christians assume Daniel 9 is speaking about Jesus coming 483 years after the decree by Artaxerxes in 444 or thereabouts depending on which teacher you are listening to. So here is what they say and all of this is wrong. There is nothing in this following teaching worth saving.

It is this Royal Decree that begins the countdown of the 490 years (seventy weeks). In order for the 490 prophecy to be determined correctly, the correct starting point is necessary.

Here are the four different royal decree's that are usually considered when trying to determine the correct starting point for Daniel's 70 weeks (490 years) prophecy.

1). The first was Cyrus' decree in 538 b.c. (2 Chron. 36:22-23; Ezra 1:1-4; 5:13) (1) 2). The second was the decree of Darius I (522-486) in 520 b.c. (Ezra 6:1, 6-12). This decree actually was a confirmation of the first decree.(1)

3). The third was the decree of Artaxerxes Longimanus (464-424) in 457 b.c. (Ezra 7:11-26). The decree of Artaxerxes to Ezra, 458 or 457 B.C. (Ezra 7:11-26).(1)

The first two decrees pertain to the rebuilding of the temple in Jerusalem and the third relates to finances for animal sacrifices at the temple. These three say nothing about the rebuilding of the city itself. Since an unwalled city was no threat to a military power, a religious temple could be rebuilt without jeopardizing the military authority of those granting permission to rebuild it. No one of these three decrees, then, was the decree that formed the beginning of the 70 sevens.(1)

Fulfillment:

4). The fourth decree was also by Artaxerxes Longimanus, issued on March 5, 444 b.c. (Neh. 2:18). On that occasion Artaxerxes granted the Jews specific authorization to rebuild Jerusalem's city walls. This decree is the one referred to in Daniel 9:25.

What's so great about using the 444 B.C. Date is the fact that it uses a prophetic year (360 days) instead of the Gregorian Calendar year (365 days). There are solid biblical reasons for looking at this prophecy from a prophetic year perspective as opposed to any other type of year. 483 prophetic years is equal to 173,880 days (360 days X 483 years = 173,880 days). Going forward in time (the year 0 is skipped) from March 4, 444 B.C. (Neh. 2:1-8) 483 prophetic years would bring you out around March 30, A.D.33. which could easily be the date of the Jesus Triumphant Entry into Jerusalem found in Matthew 21. This would then be followed by His crucifixion on April 3rd A.D. 33.

Again all of the above is 100% wrong. I share it with you so you can figure out what is wrong. The starting date is when Moses was told to go and not some pagan King. 70 Weeks is 70 Feast of weeks. It is 70 X 49 not 70 X 7. Yehshua died in 31 AD and we can prove that because there is only one time when you have a Wednesday being the 14th of Nisan and Thursday being the 15th and High Holy Day and the weekly Sabbath 3 days later. That year is 31 CE. and no other. And not one of the teachings I have ever seen uses 31 AD. They will use all sorts of other days but never 31. I do hope this has not confused you but if you're going to teach you need to know how it is wrong.

In the centre column, in red, we see the Jubilee cycles going from the 53rd on up to the top and the completion of the 58th Jubilee Cycle which is the year 2843 after the Creation of Adam. This is also the year -994 B.C.

In the chart above we showed you that the calling of Daniel 9 was in the 51st Jubilee cycle with the Exodus. When we read the second part it will then confirm all that I have been showing you up until this point.

Daniel 9:25 Know therefore and understand that from the going out of the word to restore and build Jerusalem to the coming of an anointed one, a prince, there shall be seven weeks.

This is telling you that 7 Jubilee cycle will be completed and then the Prince will come. All the other teachings skip right over this part because it does not fit their theology. 7 X 49 is 343 years. 2451 is the start of the 51st Jubilee cycle. That year is 2451 AC. 2451 + 343 = 2794

When we look at the year 2794 AC. it is the start of the 58th Jubilee cycle. In that 58th Jubilee cycle, we see that King David became King and to rule over Judah in -1010 B.C and he began to rule when he was 30 years old.

2 Samuel 5:4 David was thirty years old when he began to reign, and he reigned forty years. At Hebron he reigned over Judah seven years and six months, and at Jerusalem he reigned over all Israel and Judah thirty-three years.

David reigned over all of Israel after -1003 B.C. When you subtract 30 from -1010 BC. you get 1040 BC as his birth which is 2797 AC on the right-hand side of the charts. This is when the Prince that is to come shows up in the 58th Sabbatical cycle.

Again Daniel 9:25 is speaking about 7 Jubilee cycles. From the Exodus in the 51st Jubilee until the time when King David would be anointed 3 times, brings you to the 58th Jubilee cycle since Adam and it is 7 Jubilee cycles after Moses was told to go and get His people. (David is anointed 3 times; once by Samuel and then by Judah and then by all of Israel). And we do not have to do any gymnastics to try and make this prophecy fit our preconceived notions like multiplying it by 360 day years. It is just simply 7 Jubilee cycles later just as the prophecy says.

Now when you then count the 62 other Jubilee cycles from this 58th one you arrive at the 120th Jubilee cycle. In other words, the 70th Jubilee cycle from the time Yehovah told Moses to go and get His people is the 120th Jubilee cycle. The very one we are living in right now.

What time is it Mr. Wolf?

In the centre column, in red, we see the Jubilee cycles going from the 58th on up to the completion of the 60th Jubilee Cycle which is the year 2941 after the Creation of Adam. This is also the year -896 B.C.

This is the end of the 3rd Millennial Day.

On the left-hand side in the year -970 BC we have Solomon becoming King and in the 4th year of his reign, he began to build the Temple in the year -967 B.C.

The purple column in the middle is showing us the start of the 4th Millennial day with the 61st Jubilee cycle up until the 63rd. I have not documented when each of the kings reigned for Judah and for Israel. That is a project someone could do at a later date.

-869 BC. A Sabbatical year. Jehoshaphat ascended the throne at the age of thirty-five and reigned for twenty-five years. He spent the first years of his reign fortifying his kingdom against the Kingdom of Israel. His zeal in suppressing the idolatrous worship of the “high places” is commended in 2 Chronicles 17:6.[2] In the third year of his reign, Jehoshaphat sent out priests and Levites over the land to instruct the people in the Law, an activity that was commanded for a Sabbatical year in Deuteronomy 31:10–13. The author of the Books of Chronicles generally praises his reign, stating that the kingdom enjoyed a great measure of peace and prosperity, the blessing of God resting on the people “in their basket and their store.”

E. R. Thiele held that he became coregent with his father Asa in Asa’s 39th year, 872/871 BC, the year Asa was infected with a severe disease in his feet, and then became sole regent when Asa died of the disease in 870/869 BC, his own death occurring in 848/847 BC. So Jehoshaphat’s dates are taken as one year earlier: co-regency beginning in 873/871, sole reign commencing in 871/870, and death in 849/848 BC.

2 Ch 17:8-11 In the third year of his reign he sent his officials, Ben-hail, Obadiah, Zechariah, Nethanel, and Micaiah, to teach in the cities of Judah; and with them the Levites, Shemaiah, Nethaniah, Zebadiah, Asahel, Shemiramoth, Jehonathan, Adonijah, Tobijah, and Tobadonijah; and with these Levites, the priests Elishama and Jehoram. And they taught in Judah, having the Book of the Law of the Lord with them. They went about through all the cities of Judah and taught among the people.

The Sabbatical and Jubilee Year Calendar

www.sightedmoon.com

Joseph F Dumond 2009/5845

This is another important chart. Actually, they all are important.

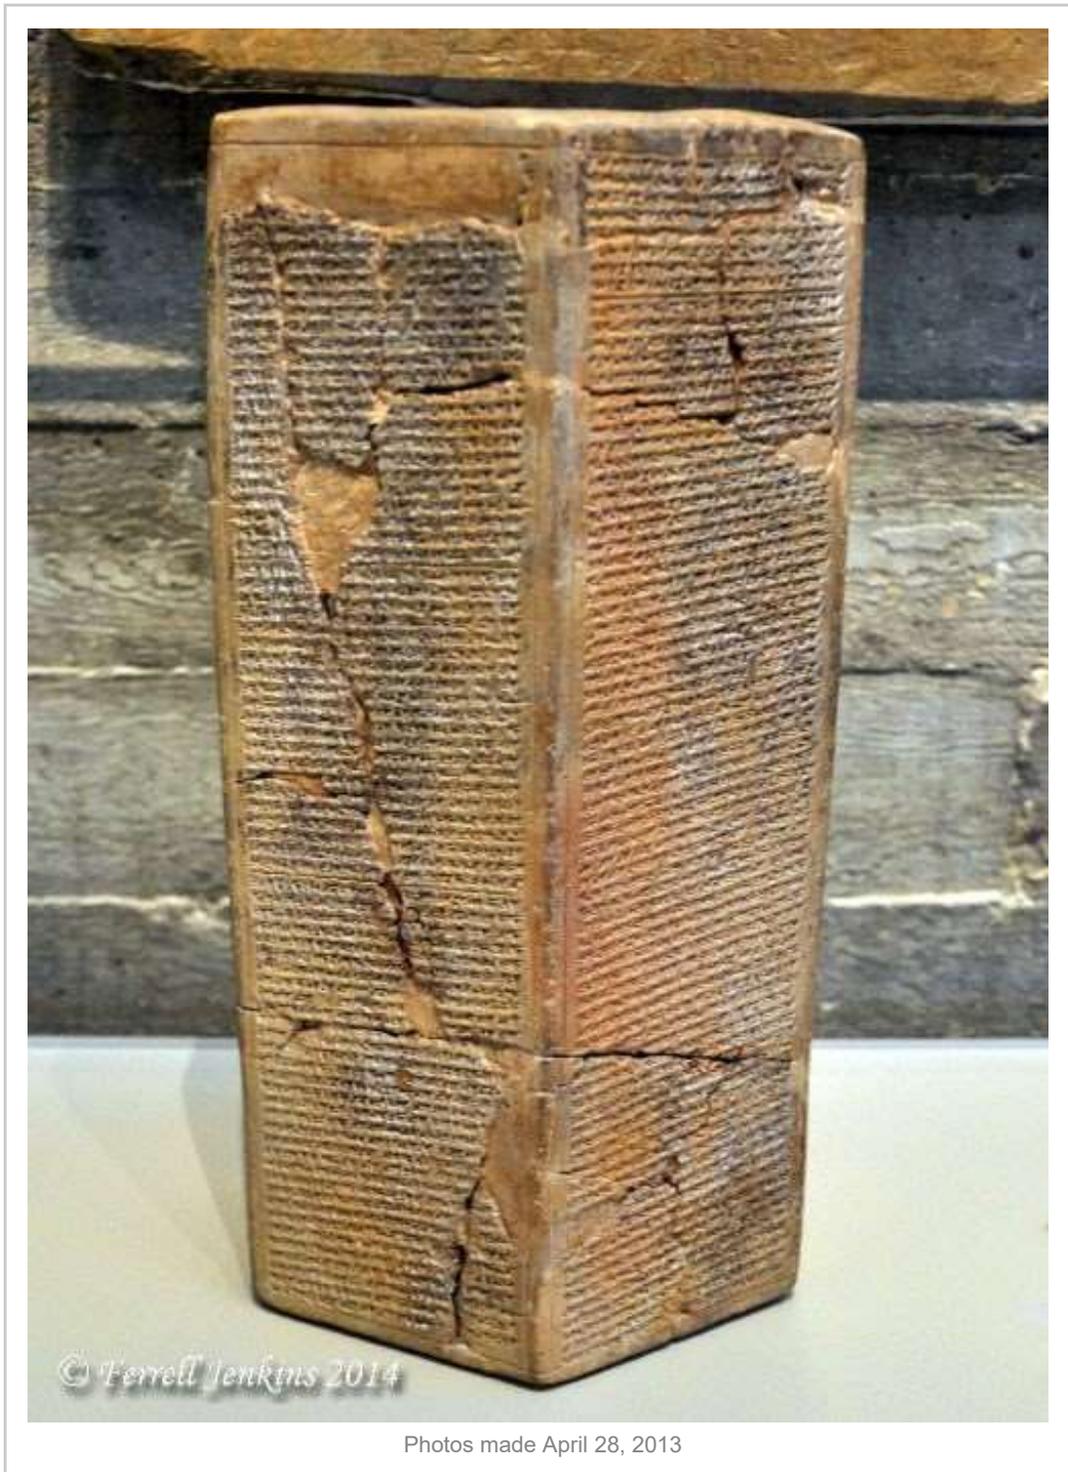

In the centre column, in purple, we see the Jubilee cycles going from the 63rd Jubilee cycle on up to the top and the completion of the 68th Jubilee Cycle which is the year 3333 after the Creation of Adam. This is also the year -504 B.C.

You will have noticed that I am now using the left-hand side of the charts because we are all familiar with these BC dates. We were familiar with the After Creation dates up until the crossing of the Jordan. And it is here that we are able to connect the two together.

In 2 Kings 19:29 is our key verse.

“And this shall be the sign for you: this year eat what grows of itself, and in the second year what springs of the same. Then in the third year sow and reap and plant vineyards, and eat their fruit.

This is speaking of a 49th year Sabbatical year followed by a Jubilee year. But this verse is also the most undisputed year in chronology. It is the year Sennacherib came against Hezekiah in Jerusalem. It is documented on the Prism that Sennacherib made recording how he was not able to take Jerusalem.

Let me now quote from our book Remembering the Sabbatical year of 2016.

Respected Chronologist, Edwin R. Thiele wrote the book, *The Mysterious Numbers of the Hebrew Kings*.¹¹⁰ In it he states how there are only two dates in all of Hebrew chronology that can be confirmed by outside sources.

In the Old Testament, no absolute dates are given for the Hebrew kings and it becomes a true Berean's task to establish, if he or she can, an absolute date in the history of Israel that can be used as a starting place to establish other dates in the desired chronological scheme. One's only hope of doing this in the instances where there exists historical gaps which cannot be accounted for, is to

isolate an intersecting principal point of contact where Hebrew history correlates with certainty to the history of another nation whose chronology, for a given space and time, is more well-known.

In the early history of the Hebrew monarchies, the two most well documented examples of this were the Assyrians first and the Babylonians second. Fortunately for us, the chronologies of these two nations as they pertain to the time periods we will be concerning ourselves with the most have been very thoroughly established.¹¹¹

One is the battle of Qarqar in 853 B.C. in which King Ahab died. This story is found in I Kings 22. The reason this date is important is because of who Ahab is fighting against. He and his regiment were fighting against Assyria.

Assyrian chronology dating back to the beginning of the 9th century B.C. rests on a highly dependable and exceptionally solid foundation. All the essentials for a sound chronology are present. Therefore, scholars have been able to come up with a sound chronological system for the nation of Assyria.¹¹²

The only other date that ties into other chronologies is 701 B.C. when King Sennacherib attacks Judah in the fourteenth year of King Hezekiah's reign.

A solid synchronism between Judah and Assyria in which our pattern of Hebrew dates could begin is 701 B.C. is a definitely fixed date in Assyrian history and is the year in which King Sennacherib, in his third campaign, "went against the Hittite-land" (Aram), and shut up King Hezekiah the Jew... like a caged bird in Jerusalem, his royal city. This took place in the fourteenth year of King Hezekiah's reign (II Kings 18:13), that is, in the year 701 B.C.¹¹³

The Assyrians adhered to a practice of appointing to the office of Eponym, or Limmu, some high official of the court such as the governor of a province or the king himself. The Limmu held office for a calendar year and to that year was given the name of the individual then occupying the position of Limmu.¹¹⁴

From the ruins of Nineveh we have four Assyrian Chronologies called Eponym with which we can date from 911 B.C.– 701 B.C.—each of which overlap the others.

We also have seven Assyrian Chronologies called Limmu Lists which cover the years from 891 B.C.– 648 B.C. and they too have astronomical events that can be used to pinpoint the exact time in history that an event itself took place and the King that existed at that time.

There are also two other documents known as the Khorsabad King List from Sargon and the SDAS King List which not only are in agreement with each other, but are also in agreement with the Eponym and Limmu Lists previously mentioned.

And if the above isn't enough, to all of this we can then add Ptolemy's Canon which is a chronology of Babylonian, Persian and Grecian kings dating from 747 B.C.– 161 C.E. But even this is not the end of it. Ptolemy also authored over eighty astronomical recordings (aka, observations)—including their dates and their relationship to the rulers at that time. These

astronomical recordings can then be used to double-check the accuracy of the list of Kings and confirm when they ruled in human history.

It is only with these lists of chronologies, recovered from the ruins of Nineveh, that we are able to have a reliable chronological record of any of the Hebrew Kings.

Having the lists of Assyrian rulers at our disposal only matters, however, when we can connect one or more Israelite kings to it and, remarkably, this has been done with the Battle of Qarqar and the Assyrian attack on King Hezekiah. Except for these two events tying directly into the known Assyrian chronology, we would have no date by which to reckon the Kings of Israel to, for they left no records to us.

Why, you may ask, is any of this important?

For one, the reference above with regard to King Sennacherib's attack on King Hezekiah is recorded in the Assyrian chronologies. This recording is an absolute benchmark year and from that year we can determine when all the other kings of Israel reigned. We could also use the Battle of Qarqar, but the one for Hezekiah is much more important to us in the context of the Sabbatical and Jubilee Years.

In this well-documented account, of which I cited earlier, King Sennacherib, in his third campaign, "went against the Hittite-land Aram, and shut up Hezekiah the Jew ... like a caged bird in Jerusalem, his royal city." This took place in the fourteenth year of King Hezekiah's reign (II Kings 18:13). This is the year 701 B.C.

The first attacks on Israel began about 740 B.C. and I am showing you in this chart that there were blood moons at Passover and Sukkot in 741, 740, and 739. Then again in 731 and 730. Israel fell in 723 B.C. never to come back again.

When we looked at the fall of Judah in 586 B.C. I saw that there again were blood moons at Passover and Sukkot in 593, 592, 591, 590, and 589 B.C.

On many of the charts that you have, I have the year 516 as the 70th year for end the captivity of Judah. That is wrong and I have only realized it was there now. I have updated the chart below to address this change.

The 70 years of captivity began for Judah at the battle of Carchemish in the year 609 B.C. This then means that 70 years later was 539 B.C.

When the Assyrian capital Nineveh was overrun by the Medes, Scythians, Babylonians and their allies in 612 BC, the Assyrians moved their capital to Harran. When Harran was captured by the alliance in 609 BC,[4] the capital was once again moved, this time to Carchemish, on the Euphrates river. Egypt (a former vassal of Assyria) was allied with the Assyrian king Ashurballit II, and marched in 609 BC to his aid against the Babylonians.[5]

The Egyptian army of Pharaoh Necho II was delayed at Megiddo by the forces of

King Josiah of Judah. Josiah was killed, and his army was defeated at the Battle of Megiddo (609 BC).

The Egyptians and Assyrians together crossed the Euphrates and laid siege to Harran, which they failed to retake. They then retreated to north western Assyria (in what is today north eastern Syria).

The Egyptians met the full might of the Babylonian and Median army led by Nebuchadnezzar II at Carchemish where the combined Egyptian and Assyrian forces were destroyed. Assyria ceased to exist as an independent power, and Egypt retreated and was no longer a significant force in the Ancient Near East. Babylonia reached its economic peak after 605 BC.[6]

Now knowing that the 2 Kings 19:29 is speaking of a Sabbatical year or the 49th year in a Jubilee cycle and that the Assyrian records prove this 49th year to be the year 701 BC and that the 2nd year when he could not plant but had to eat from what grew of itself, was the year 700 BC, we can now connect the Jubilee years.

There are only two places in all the Bible that mention a Jubilee year. Lev 25:2 and 2 Kings 19:29. Now that we have proven one of those years is 701 BC we just have to count back by 49 to match the year they entered the promised land in 1337 BC.

But at the same time, we have completed the Chronology from Adam up to the crossing of the Jordan we must also count from the Exodus 70 Jubilee cycles to the end of this age. And by doing this we arrive in our present Jubilee cycle today. So the chronology from Adam to the crossing of the Jordan fits with the 70 Jubilee cycles of Daniel. Then the Crossing of the Jordan River is a Jubilee year and by counting by 49s we arrive at the year spoken of in 2 Kings 19:29 also matching. We also have connecting these two chronologies, is the 7 Jubilee cycles from the crossing of the Jordan to the time of King David. And we have the chronology of David to Hezekiah all documented.

What you have are mathematical equations. $X + Y = Z$

Yehovah has given you 120 Jubilee Cycles Gen 6:3. This is the Z so X + Y must add up to 120 Jubilee cycles.

We have the chronology in Genesis up to the Exodus taking place after the 50th Jubilee cycle from the creation of Adam. This is X and it is $50 + Y = 120$ Jubilee cycles. If our math is correct then Y must be 70 Jubilee cycles. So the 7 Jubilee cycles from the Exodus to King David connect the Hebrew Kings to the Chronology of Genesis and thereby to us today. The Jubilee year they entered the Promised Land and the Jubilee year of 2 Kings 19:29 connect the chronology of Genesis with a known Assyrian Chronology that we can use to connect to us today.

To be able to connect the chronology of Genesis to the Kings of Israel via the Daniel 9 Prophecy and the Jubilee cycles of Lev 25:2 and 2 Kings 19:29 is extremely important to grasp. So please do study these points carefully.

In the centre column, in purple, we see the Jubilee cycles going from the 69th Jubilee cycle on up to the top and the completion of the 73rd Jubilee Cycle which is the year 3578 after the Creation of Adam. This is also the year -259 B.C.

Do take note of the of the year 331 B.C. when Alexander the Great had conquered the Known World.

A Sabbath Year recorded in 330 BC – Remission of taxes under Alexander the Great for Sabbatical years. Josephus records an account of Alexander the Great exempting the Jews from having to pay taxes during sabbatical years (). Josephus is quite explicit regarding the date of this event. It was immediately after Alexander conquered Gaza: . . . when the seven months of the siege of Tyre were over, and the two months of the siege of Gaza, Sanballat died. Now Alexander, when he had taken Gaza, made haste to go up to Jerusalem . . . (sect. 4)

We have in this chart the Sabbatical year of 456 B.C. and the Jubilee year of 455 B.C. For those of you who want all the proof on this one year, I give you this link from Qedesh La Yahweh Press. Qedesh La Yahweh Press is the main source of our research into the

Sabbatical years. Each of the links here and in the pages to follow should be studied so that you know with certainty that each of these years is correct.

In the centre column, in purple, we see the Jubilee cycles going from the 78th on up to the completion of the 80th Jubilee Cycle which is the year 3921 after the Creation of Adam. This is also the year 85 Common Era or DC or AD.

This is the end of the 4th Millennial Day.

The orange column in the middle is showing us the start of the 5th Millennial day with the 81st Jubilee cycle up until the 83rd jubilee cycle.

On this chart we have the death of Yehshua in the year 31 C.E. We know it was 31 C.E. because that is the only year that has Nisan 14 on the Wednesday with Passover on that night starting the 15th day. In order to have a Wednesday Nisan 14 according to the Crescent moon, we have only two possible years. One is 28 and the other is 31. The year 28 is when He began

His ministry with the reading of the Isaiah scroll declaring this as the acceptable year. That year was 28 CE and it was a Sabbatical year, not a Jubilee as some try force.

This chart also shows you the blood moons on Passover and Sukkot that took place starting in 31 CE the night Yehshua was killed and we show just how many showed up on Passover and Sukkot up until the Temple is destroyed in 70 C.E.

We also have a Sabbatical year in 42 CE. which can be proven at [this link](#). I have it in red due to the Blood Moons.

The year 56 CE was also a Sabbatical year and you can read more at [this link](#). and this one [about Nero](#).

We also have the year the Temple was destroyed in 70 CE as a [Sabbatical year](#).

And we also have contracts that record a Sabbatical year in 133 and [another in 140 CE](#).

Please do read the notes at bottom of each page to learn more about events at this time.

In the centre column, in orange, we see the Jubilee cycles going from the 83rd Jubilee cycle on up to the top and the completion of the 88th Jubilee Cycle which is the year 4313 after the Creation of Adam. This is also the year 477 C.E.

After we published Remembering the Sabbatical year of 2016 we discovered these tombstones. And I also just found three more preparing this News Letter. Here they are for the first time on our charts. I am told there are 30 in total that need to be translated so we can further validate our Sabbatical year charts. So far without exception all of them match our findings.

#1-360 CE "This is the grave of Mousis (Moshe) son of Marsa who died in year three of the Sabbatical cycle, in the month of Kislev, on the twenty-seventh day of it, which is the year 290 after the destruction of the Temple." $290 + 70 = 360$

#2-393 CE The oldest stone from Tzo'ar has a double dating which has been published now: stone ?/7 from the year 323 to the destruction which is the first year to the Shemitah.

$323 + 70 = 393$ CE and it is the first year of the Shemitah cycle. I have no other information on it other than this mention by Joseph Naveh.

#3-393 CE *This is the tombstone of Jacob, Son of Samul, who died on The second day (Monday), forty years old, on the third day of the month of Iyar (2nd month), on the first year of the Shemitah*

year three hundred and twenty three to the destruction of the temple $323 + 70 = 393$ CE

#4-416 CE This is the tombstone of Esther the daughter of Adayo, who died in the month of Shebat of the 3rd year of the Sabbatical cycle, the year three hundred 46 years after the destruction of the Temple. Peace. Peace. Upon her. $346 + 70 = 416$

#5-416 *This is the memorial of Yudan the Hazzan Son of Amram, who dies on the eighth day of the month of first Adar of year 3 to the Shemitah, year three hundred and 46 to the destruction of the temple. Shalom $346 + 70 = 416$ CE*

#6- 416 CE. May rest the soul of Jacob, the son of Shem'o who died on the second day, the 10th day of the month Shebat, in the 3rd year of the Sabbatical cycle, the years 300 hundred and 46 years after the destruction of the Temple. May he wake up to the voice of the announcer of peace. $346 + 70 = 416$

#7-427 CE. *[this tombstone of X] [son/daughter of Y who died] [on day Z (of the Sabbatical)] 26 days in the month of Nissan (1st month) in the year of the Shemitah, year 3 hundred 57 years to the destruction of the temple Shalom $357 + 70 = 427$ CE*

8-432 CE This is the grave of Iyrsh daughter of Marsa, the fellow who died on Thursday, the 17th day of the month Elul, in the fourth year of the Sabbatical cycle, the year 3 hundred sixty 2 after the destruction of the Temple. May there come peace and may it rest on her resting place. Peace $362 + 70 = 432$

#9-434 CE May rest the soul of Saul the son of ..., who died on the first day of the month Marheshwan of the first year of the Sabbatical cycle, the year three hundred sixty-four after the destruction of the Temple. Peace! $364 + 70 = 434$ C.E. But the tombstone declares it is

the first year of the Sabbatical cycle. The month of Marheshwan. It is the 8th month of the year. So the Jews declared the new year at Tishri 1 but the year was still part of the 434 which began at Aviv And was, in fact, the Sabbatical year.

#10-439 CE "This is the tombstone of Hannah, daughter of Ha[niel] the priest, who died on the Sabbath, the first festival of Passover, on the fifteenth day of the month of Nisan, in the fifth year of the sabbatical cycle, which is the year three hundred and sixty-nine years after the destruction of the Temple. Peace. May her soul rest. Peace" $369 + 70 = 439$ C.E.

This Tombstone proves a few things that you need to note. It is a very important tombstone to note.

1st That Passover is on the 15th at the end of the 14th.

2nd When you check the calendars the only way you can have a Passover on a Saturday in that year is if you go by the Crescent moon to begin the month.

3rd The only way you can have a Passover on a Saturday and to go by the crescent moon is if you have the month postponed by 30 days. The Hebrew Calendar does none of this. But the Biblical calendar that goes by the barley to start the year and then by the crescent moon to begin each month does.

This is so exciting to learn this and see it from history.

#11-449 CE. *May the soul of Martah daughter of Pitlah, aged 70, who died on the fifth day {of Adar} on the first Adar of the first year to the Shemitah, which was a leap year, year three hundred and seventy nine year of the temple [may it be built] $379 + 70 = 449$ C.E.*

#12- 455 CE May rest the soul of Rabbi Simon Binabi, who died the fourth day (Wednesday) the third day of the month Adar in the seventh year three hundred and eighty and five years after the destruction of the Temple. May he rest a sage in peace. May he wake up to the voice of the announcer of peace. $385 + 70 = 455$

#13-456 CE This is the Tombstone of....Son of Megalos (?) who died on the Sabbath, the twenty-fifth day on the month Tevet, in the 1st year of the sabbatical cycle, 386 years after the destruction of the Temple." $386 + 70 = 456$

#14- 460 CE. May rest the soul of Yehuda the priest. The son of Ab...ma who died the third day of the month of Kislev. In the fifth year of the Sabbatical cycle which is the year 300 hundred and 90 years after the destruction of the Temple. May he hold the altar and wake up to the voice of the announcer of peace. Peace $390 + 70 = 460$

#15-468 CE. *May the spirit {of Est} of Ester daughter of Babah, who died of the sixth day (Friday) on the third day of the month of Kislev (9th month) in the sixth year of the Shemitah, which was a leap year, year three hundred and ninety-eight to the destruction of the temple $398 + 70 = 468$*

#16-468 CE. This memorial of the deceased Mati (son of) Sabah, who died on the fifth day, twentieth of the month of Elul on the fifth year of the Shemitah year three hundred and ninety eight to the destruction of the temple May he rest in peace 398 + 70 = 468 CE

#17-470 CE. May the soul of Yoseh son of Ofi who died in the city of Tefar in the land of Heymar and left to the land of Israel and buried on the sixth day the twenty sixth of the month of Tamuz on the first year of the Shemitah, which is identical to the year [400] to the destruction of the temple Shalom Peace on you in your resting place 400 + 70 = 470

#18-472 CE This is the tombstone of Hannah, daughter of Levi, who died on Thursday on the 19th day of the month of Sivan, in the third year of the Sabbatical year, four hundred and two years since the destruction of the Temple. Peace upon Israel Peace. 402 + 70 = 472

#19-476 CE. This is the memorial of Ya'akov (Jacob) son of 'awid who died on the 2nd (day), on the 10th days of... Marcheshvan (8th month), on the first year of the Shemitah which is the year four hundred and six to the destruction of the temple. May he rest in peace.

Shalom 406 + 70 = 476

In the centre column, in orange, we see the Jubilee cycles going from the 88th Jubilee cycle on up to the top and the completion of the 93rd Jubilee Cycle which is the year 4558 after the Creation of Adam. This is also the year 722 C.E.

#20-503 CE May the spirit of 'amran son of Yodan rest who died on the month of Nissan (1st month), on the tenth day of the month on the sixth year of the Sehmitah, which is year four hundred thirty-three to the destruction of the temple Peace on Israel 433 + 70 + 503

#21-505 CE. May this soul rest Of Shema'ayah son of Yitzhaq who dies on the twentieth day of the month of Nisan, on the first year of the Shemitah, which is year four hundred and thirty five years to the destruction of the temple, may it be built. May he rest in peace on his resting place Shalom 435 + 70 = 505

22-505 CE May rest the soul of Haifu the daughter of ..., who died on Tuesday, the eleventh day of Elul, in the ...year of the Sabbatical cycle that is the year four hundred thirty-five after the destruction of the Temple. Peace Upon Israel, Peace! 435 + 70 = 505

This is the year 505 CE. It is the 1st year of the Sabbatical cycle. The year of the Sabbatical cycle is missing. Joseph Naveh along with Wacholder suspect that the missing information based on the shin that precedes it just like the first century coins is "the first year of the Sabbatical Cycle". Although it does not definitely prove it, it does again lean in agreement with our chronology once again. I urge you to read the notes on page 114 for this tombstone.

#23- 515 CE. "May the soul of Hasadiah the Priest son of Dematin rest, who died on Thursday, the fifth of Av, in the fourth year of the Sabbatical cycle, which is the year four hundred and forty-five after the destruction of the Temple. Peace on Israel. Peace." 445 + 70 = 515

In the centre column, in orange, we see the Jubilee cycles going from the 93rd Jubilee cycle on up to the top and the completion of the 98th Jubilee Cycle which is the year 4803 after the Creation of Adam. This is also the year 967 C.E.

13- The Earthquake of the Sabbatical year of 749

In Jewish sources this earthquake is known, in Hebrew, Ra'ash Shevi'it, lit. "seventh noise", interpreted by scholars to mean The Earthquake of the Sabbatical Year, because 749 was a sabbatical year, literally "the seventh year" in the Jewish calendar.

"Ra'ash shvi'it" is mentioned in piyyutim (Jewish liturgical poems). Some rabbis believe the earthquake struck in a Sabbatical year, in which case, the translation of the term would be "earthquake of the seventh year".

| Earthquake of the Sabbatical year 749 C.E. | | | | | | | | | | | | | | | | | | |

In the centre column, in orange, we see the Jubilee cycles going from the 98th on up to the completion of the 100th Jubilee Cycle which is the year 4901 after the Creation of Adam. This is also the year 1065 Common Era or DC or AD.

The orange column is the end of the 5th Millennial Day.

The yellow column in the middle is showing us the start of the 6th Millennial day with the 101st Jubilee cycle up until the 103rd jubilee cycle.

I find it very interesting that the Norman Conquest of England begins in 1066, the year after the Jubilee year of 1065 C.E.

| Notes: | | | | | | | | | | | | | | | | |

In the centre column, in yellow, we see the Jubilee cycles going from the 103rd Jubilee cycle on up to the top and the completion of the 108th Jubilee Cycle which is the year 5293 after the Creation of Adam. This is also the year 1457 C.E.

We have begun to record when the plagues take place on this and the next charts.

This is another interesting chart.

One of the things I noticed was that the epidemics that came and went to Israelite nations at this time started in the 3rd Sabbatical cycle and went into the 4th Sabbatical cycle and then ended in the 1st year of the 5th Sabbatical cycle.

One of the most interesting things I have learned is about the year 1859.

Henry Dunant (born Jean-Henri Dunant; 8 May 1828 – 30 October 1910), also known as Henri Dunant, was a Swiss businessman and social activist, the founder of the Red Cross, and the first recipient of the Nobel Peace Prize. The 1864 Geneva Convention was based on Dunant's ideas. In 1901 he received the first Nobel Peace Prize together with Frédéric Passy, making Dunant the first Swiss Nobel laureate.

Dunant arrived in Solferino on the evening of 24 June 1859, on the same day a battle between the two sides had occurred nearby. Twenty-three thousand wounded, dying and dead remained on the battlefield, and there appeared to be little attempt to provide care. Shocked, Dunant himself took the initiative to organize the civilian population, especially the women and girls, to provide assistance to the injured and sick soldiers. They lacked sufficient materials and supplies, and Dunant himself organized the purchase of needed materials and helped erect makeshift hospitals. He convinced the population to service the wounded without regard to their side in the conflict as per the slogan "Tutti fratelli" (All are brothers) coined by the women of nearby city Castiglione delle Stiviere. He also succeeded in gaining the release of Austrian doctors captured by the French.

Battaglia_di_Solferino_Henry_Dunant.

After returning to Geneva early in July, Dunant decided to write a book about his experiences, which he titled *Un Souvenir de Solferino* (A Memory of Solferino). It was published in 1862 in an edition of 1,600 copies and was printed at Dunant's own expense. Within the book, he described the battle, its costs, and the chaotic circumstances afterwards. He also developed the idea that in the future a neutral organization should exist to provide care to wounded soldiers. He distributed the book to many leading political and military figures in Europe.

Dunant also began to travel through Europe to promote his ideas. His book was largely positively received, and the President of the Geneva Society for Public Welfare, jurist Gustave Moynier, made the book and its suggestions the topic of the 9 February 1863 meeting of the organization. Dunant's recommendations were examined and positively assessed by the members. They created a five-person Committee to further pursue the possibility of their implementation and made Dunant one of the members. The others were Moynier, the Swiss army general Henri Dufour, and doctors Louis Appia and Théodore Maunoir. Their first meeting on 17 February 1863 is now considered the founding date of the International Committee of the Red Cross.

In October 1863, 14 states took part in a meeting in Geneva organized by the committee to discuss the improvement of care for wounded soldiers. A year later on 22 August 1864, a diplomatic conference organized by the Swiss Parliament led to the signing of the First Geneva Convention by 12 states.

Why is this so interesting?

When you count 3 1/2 Jubilee cycles from the publishing of his book in 1862 which led to the founding of the first Geneva convention in 1864 you come to the year 2033 C.E.

You have the First Geneva Convention signed in 1864.

The Geneva Convention for the Amelioration of the Condition of Wounded, Sick and Shipwrecked Members of Armed Forces at Sea was first adopted in 1949, it replaced the Hague Convention (X) of 1907. It adapts the main protective regime of the First Geneva Convention to combat at sea.

The Hague Conventions of 1899 and 1907 are a series of international treaties and declarations negotiated at two international peace conferences at The Hague in the Netherlands. Along with the Geneva Conventions, the Hague Conventions were among the first formal statements of the laws of war and war crimes in the body of secular international law. A third conference was planned for 1914 and later rescheduled for 1915, but it did not take place due to the start of World War I

The League of Nations was then founded in January 1920 and lasted until 1946 when it was replaced by the United Nations that we have today.

The Third Geneva Convention, relative to the treatment of prisoners of war, is one of the four treaties of the Geneva Conventions. The Geneva Convention relative to the Treatment of Prisoners of War was first adopted in 1929, but significantly revised at the 1949 conference.

The Geneva Convention relative to the Protection of Civilian Persons in Time of War, commonly referred to as the Fourth Geneva Convention and abbreviated as GCIV, is one of the four treaties of the Geneva Conventions. It was adopted in August 1949. While the first three conventions dealt with combatants, the Fourth Geneva Convention was the first to deal with humanitarian protections for civilians in a war zone. There are currently 196 countries party to the 1949 Geneva Conventions, including this and the other three treaties.

All of this created to have rules how you are and are not allowed to kill people. Never forget who is doing this. Satan. In your bible, it is the Great Whore of revelation that is at work here. This great whore is the one making all these rules on how to kill people in war and what is not the proper way to kill them. She is bringing civility to warfare.

The United Nations in June 1972 created the UNEP which over the past 46 years has morphed into what today is known as the Paris Accord on the Environment. The UNEP or Paris Accord will end at Shavuot 2020 and the Geneva convention, the Hague conventions and the United Nations will all end on Atonement 2033 when Satan is locked away.

Atonement 2033 is 3 1/2 Jubilee cycles from the first publication of it in 1862.

In this chart, I have also included the blood moon that occurred on Passover and Sukkot as a warning of the coming war. We had blood Moons on the High Holy Days of 1912, 1913, 1914, 6 in total prior to WW I and 1930, 1931, 1932, 1933, 1939, 1940 & 1942 for a total of 13 times prior to WW II

Joseph F Dimond 2009/5845

In the centre column, in yellow, we see the Jubilee cycles going from the 118th Jubilee cycle on up to the top and the completion of the 120th Jubilee Cycle which is the year 5881 after the Creation of Adam. This is also the year 2045 C.E.

The end of the 6th Millennial day is the year 2045 and it is also the start of the 7th Millennial day which in Hebrews is called entering into His rest. The 7th Day of Rest is the 7th Millennium. This is how close we are to the end of this age. But much must happen before 2045.

I have colour coded each Sabbatical Cycle and matched it with the 5 curses of Lev 26. I have also shown the blood moons that are to occur on Passover and Sukkot. See the notes at the bottom of the chart.

The Sabbatical and Jubilee Year Calendar

www.sightedmoon.com

Joseph F Dumond 2009/5845

We have had Blood Moons at Passover and Sukkot 2014, 2015 & 2016 C.E. They are a warning of the coming sword.

We also have blood Moons at Passover and Sukkot in 2020, 2024, 2025, 2026, 2031, 2032, 2033, the year when Satan is locked away. A total 13 times. More about 2033 in a moment. And I have just done some checking and we also had blood moons on Passover and Sukkot in 1995, 1996, and 1997. 6 Times in a row. 1996 was the Jubilee year and these 6 blood moons come just before the terrorist attacks on the USA Embassies in Kenya and Tanzania in 1998 and the USS Cole in 2000 and then the twin towers in 2001.

1996 was the start of this 120th Jubilee cycle and it was the start of Jacobs Trouble.

If you look to the chart above and notice that for the year 1996-2002 I have them marked in red and above it is a corresponding part from Lev 26:14 This is the first curse of Lev and I have called it the curse of Terror.

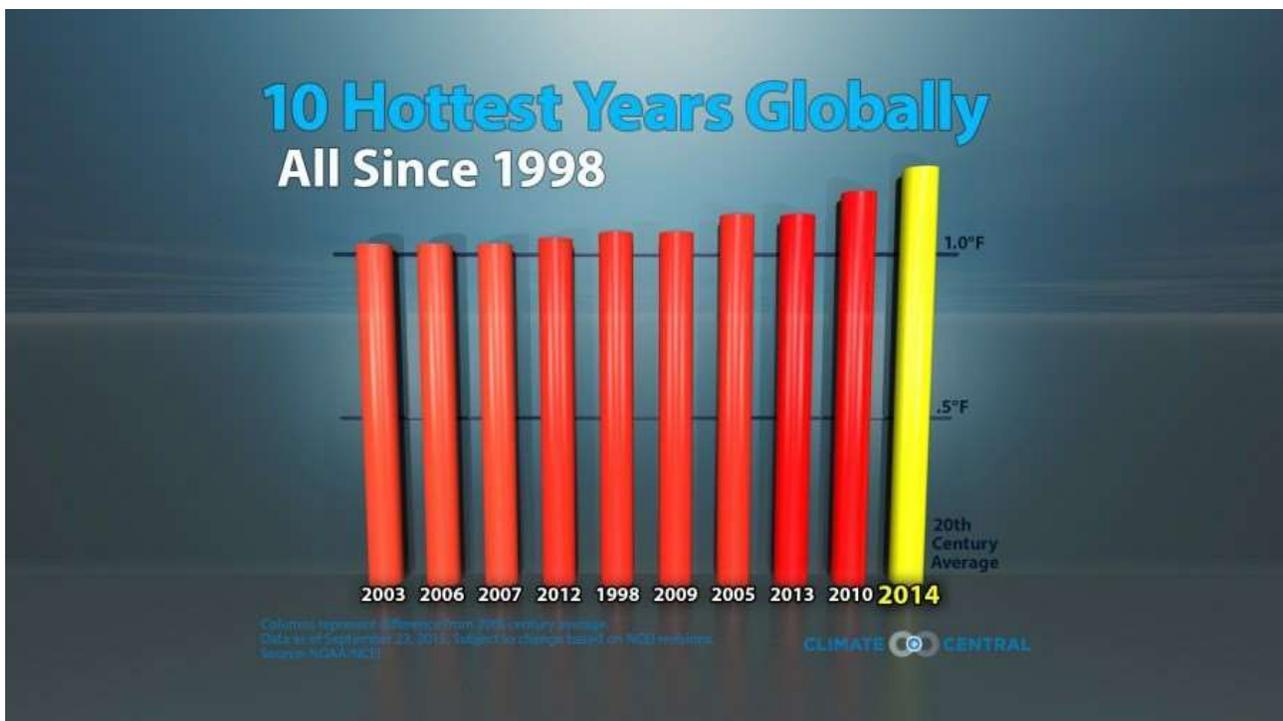

Lev 26:14-17 “But if you will not listen to me and will not do all these commandments, if you spurn my statutes, and if your soul abhors my rules, so that you will not do all my commandments, but break my covenant, then I will do this to you: I will visit you with panic, with wasting disease and fever that consume the eyes and make the heart ache. And you shall sow your seed in vain, for your enemies shall eat it. I will set my face against you, and you shall be struck down before your enemies. Those who hate you shall rule over you, and you shall flee when none pursues you.

Each curse is compounded, which means it is added to the next one that is to come. And then when the 3rd one comes both of the previous ones are also added and then when the 4th one comes the previous three are added to it as well. The same goes for the 5th curse when all the previous curses are then added to it so that you have to deal with them all at the same time.

So this first curse of Terror has been an ongoing thing since this time and continues until the end. It is now added to the second curse which begins in 2003 and goes to 2009.

Lev 26:18-20 And if in spite of this you will not listen to me, then I will discipline you again sevenfold for your sins, and I will break the pride of your power, and I will make your heavens like iron and your earth like bronze. And your strength shall be spent in vain, for your land shall not yield its increase, and the trees of the land shall not yield their fruit.

During this time period of 2003 -2009 were some of the hottest years on record. Here they are in the order of just how hot they were. 2003, 2006, 2007, 2009, and 2005. And they remain amongst the hottest on records. But 2010, 2012, 2013, 2014, 2016 are all in the next curse cycle and they are hotter still. And even now in this the 4th Sabbatical cycle 2017 comes in as one the hottest years ever.

But since then things have gotten hotter. [Watch this video from NASA](#). We had some of

the worst hurricanes to ever hit the USA at this time and they continue to come now and are worst still again. Australia and California have suffered some of their worst droughts in history. This then brings wildfires and then mudslides. All of which have been on the nightly news for some time. But everyone says it is Global warming which is what the UN and the Great Whore want you to think. It is Yehovah who is sending these things because we will not obey Him. The UN wants you to think it is Global warming so that it does not acknowledge Yehovah and so that it can tax you and rape your income from you.

Look at the chart in this next link.

The world in 2017 saw some of the highest average surface temperatures ever recorded, surprising scientists who had expected sharper retreat from recent record years.

Scientists at NASA on Thursday ranked last year as the second-warmest year since reliable record-keeping began in 1880, trailing only 2016. The National Oceanic and Atmospheric Administration, which uses a different analytical method, ranked it third, behind 2016 and 2015.

What made the numbers unexpected was that last year had no El Niño, a shift in tropical Pacific weather patterns that is usually linked to record-setting heat and that contributed to record highs the previous two years. In fact, last year should have benefited from a weak version of the opposite phenomenon, La Niña, which is generally associated with lower atmospheric temperatures.

“This is the new normal,”

The 3rd section is the section I have called the curse of epidemics. It is the years 2010 to 2016 and is marked green on the chart.

Lev 26:21-22 “Then if you walk contrary to me and will not listen to me, I will continue striking you, sevenfold for your sins. And I will let loose the wild beasts against you, which shall bereave you of your children and destroy your livestock and make you few in number, so that your roads shall be deserted.

We have had swine flu, bird flu, with its many forms and today as I write this in January 2018 The Flu is breaking out again across North America and is called a Pandemic for 2018-2019. This is one hundred years after the Spanish flu outbreak in 1917.

You will also see that we have blood moons for the year 2014, 2015, and 2016 marked in dark red in the chart below warning us of the coming sword.

The fourth curse I have marked in black and it is the curse of the sword,

Lev 26:23-26 “And if by this discipline you are not turned to me but walk contrary to me, then I also will walk contrary to you, and I myself will strike you sevenfold for your sins. And I will bring a sword upon you, that shall execute vengeance for the covenant. And if you gather within your cities, I will send pestilence among you, and you shall be delivered into the hand of the enemy. When I break your supply of bread, ten women shall bake your bread in a single oven and shall dole out your bread again by weight, and you shall eat and not be satisfied.

Now in 2017 Donald Trump was elected as President of the USA and is going to drain the swamp in Washington. He has rejected the Paris treaty as mentioned above. The British have begun the BREXIT divorce from the Great whore of the EU. President Trump was about to go head to head with North Korea in a nuclear attack by both sides. President Trump has threatened to leave NATO and now the EU is going to create their own army. Russia and China have become good allies which is what Revelation says they would do and that they would attack and destroy the EU.

President Trump has promised to move the US embassy to Jerusalem and VP Pence just announced it would take place in about one years' time. Former Secretary of State Kerry is telling the Palestinians to hold on and not to agree with or work with the Trump administration on any of the Middle East Peace talks undermining the authority of the President.

Former President Obama and Secretary of State Hillary Clinton are being found in collusion with creating the Russian lie about Trump and now the FBI is also coming under this collusion against a duly elected President of the USA by the people of the USA.

The Palestinians have asked the EU to recognize Jerusalem as the capital of the PA. The UN is being ruled by pro-Arab and ant Israeli gov. Ambassador Nikki Halley is withdrawing USA support from the UN as well as is the state of Israel. The EU is the Great whore that will attack Israel and the USA and UK.

And this is only after 2017, we have just begun 2018.

But there is yet a fifth curse.

Lev 26:27-39 "But if in spite of this you will not listen to me, but walk contrary to me, then I will walk contrary to you in fury, and I myself will discipline you sevenfold for your sins. You shall eat the flesh of your sons, and you shall eat the flesh of your daughters. And I will destroy your high places and cut down your incense altars and cast your dead bodies upon the dead bodies of your idols, and my soul will abhor you. And I will lay your cities waste and will make your sanctuaries desolate, and I will not smell your pleasing aromas. And I myself will devastate the land, so that your enemies who settle in it shall be appalled at it. And I will scatter you among the nations, and I will unsheathe the sword after you, and your land shall be a desolation, and your cities shall be a waste.

"Then the land shall enjoy its Sabbaths as long as it lies desolate, while you are in your enemies' land; then the land shall rest, and enjoy its Sabbaths. As long as it lies desolate it shall have rest, the rest that it did not have on your Sabbaths when you were dwelling in it. And as for those of you who are left, I will send faintness into their hearts in the lands of their enemies. The sound of a driven leaf shall put them to flight, and they shall flee as one flees from the sword, and they shall fall when none pursues. They shall stumble over one another, as if to escape a sword, though none pursues. And you shall have no power to stand before your enemies. And you shall perish among the nations, and the land of your enemies shall eat you up. And those of you who are left shall rot away in your enemies' lands because of their iniquity, and also because of the iniquities of their fathers they shall rot away like them.

In the chart above I have the year 2020 marked in yellow and in the second chart I have it marked in red. The red one to represent the blood moons that come at that time at Passover and Sukkot again warning of war. The yellow one represents the middle of this Jubilee Cycle.

In our book, **The 2300 Days of Hell** we go into exorbitant detail to explain to you the Daniel 9:24-27 prophecy.

“Seventy weeks are decreed about your people and your holy city, to finish the transgression, to put an end to sin, and to atone for iniquity, to bring in everlasting righteousness, to seal both vision and prophet, and to anoint a most holy place. Know therefore and understand that from the going out of the word to restore and build Jerusalem to the coming of an anointed one, a prince, there shall be seven weeks. Then for sixty-two weeks it shall be built again with squares and moat, but in a troubled time. And after the sixty-two weeks, an anointed one shall be cut off and shall have nothing. And the people of the prince who is to come shall destroy the city and the sanctuary. Its end shall come with a flood, and to the end there shall be war. Desolations are decreed. And he shall make a strong covenant with many for one week, and for half of the week he shall put an end to sacrifice and offering. And on the wing of abominations shall come one who makes desolate, until the decreed end is poured out on the desolator.”

In the chart about the Exodus when Israel crossed the Red Sea we said the following.

When the Israelites crossed the Red Sea they became a Nation that day. This is now the 51st Jubilee cycle and 50 Jubilee cycles have now passed. Again look at the chart. The Exodus takes place in the year 1379 BC. There are blood moons at Passover and Sukkot for the year 1384 BC, 1383 BC, 1382 BC. and 1381 BC.

In Daniel 9:24-27 is the section about the 70 weeks. Those 70 weeks are 70 Feast of Weeks. Look it up. That is 70 X 49 or 70 X 49 Jubilee cycles. Those 70 weeks begin with this 51st Jubilee cycle.

Daniel says the following. Know therefore and understand that from the going out of the word to restore and build Jerusalem

That command to go and get His people was when Yehovah told Moses in Exodus chapter 3 and 4 multiple times to go and get his people from Egypt.

Exodus 3:10 Come, I will send you to Pharaoh that you may bring my people, the children of Israel, out of Egypt.”

:12 He said, “But I will be with you, and this shall be the sign for you, that I have sent you:

:16 Go and gather the elders of Israel together and say to them,

Exodus 4:12 Now therefore go, and I will be with your mouth and teach you what you shall speak.”

This 51st Jubilee cycle is then the 1st of those 70 X 49 or 70 Jubilee cycles. Now you must count the Jubilee cycles to see when the 70th one is.

This was the start of the 70 weeks. Then in the very next chart just 7 Jubilee cycles later we have the birth of David the anointed prince. We wrote the following about this there.

In the chart above we showed you that the calling of Daniel 9 was the 51st Jubilee cycle with the Exodus. When we read the second part it will then confirm all that I have been showing you up until this point.

Daniel 9:25 Know therefore and understand that from the going out of the word to restore and build Jerusalem to the coming of an anointed one, a prince, there shall be seven weeks.

This is telling you that 7 Jubilee cycle will be completed and then the Prince will come. $7 \times 49 = 343$ years. 2451 is the start of the 51st Jubilee cycle. That year is 2451 AC. $2451 + 343 = 2794$

When we look at the year 2794 AC. it is the start of the 58th Jubilee cycle. In that 58th Jubilee cycle, we see that King David became King and ruler over Judah in -1010 B.C and he began to rule when he was 30 years old.

2 Samuel 5:4 David was thirty years old when he began to reign, and he reigned forty years. At Hebron he reigned over Judah seven years and six months, and at Jerusalem he reigned over all Israel and Judah thirty-three years.

David reigned over all of Israel after -1003 B.C. When you subtract 30 from -1010 BC. you get -1040 BC as his birth which is 2797 AC on the right-hand side of the charts. This is when the Prince that is to come shows up in the 58th Sabbatical cycle.

But now if you keep reading the prophecy in Daniel you are told that after those 7 Jubilee cycles or 7 weeks would be another 62 Jubilee cycles or 62 weeks. So now go back to the Jubilee cycle in which Moses went to get the Israelites and they became a nation. Count out the 7 Jubilee cycles until you come to the birth of King David. Now count from there 62 more and you will come to the year 1996. 1996 is the completion of the 69 weeks or 69 Jubilee cycles for the Nations of Israel. Now in the 70th week or in that 70th Jubilee cycle, Israel would be cut off. Israel is the anointed being spoken of here not he Messiah Yehshua.

The anointed Israel would be cut off after the 69th week. But when?

After this covenant made with many is made it lasts for just one week. Or just one jubilee period or one 49 year period. The covenant is the UNEP mentioned above created in June 1972. It is now the Paris Treaty on the Environment and is nothing but a money grab by the EU and UN from the rich nations. This money is not being given to the poor ones as it is supposed to be.

One Jubilee cycle from 1972 brings you to the middle of this 70th week or 70th Jubilee cycle which is the year 2020.

And in the midst of the week. Or in the middle of this Jubilee cycle, he will cause the end of sacrifice and offerings. Again the middle of this Jubilee cycle is 2020.

Then we read in Daniel 8 the follow

Daniel 8:13 Then I heard a holy one speaking, and another holy one said to the one who spoke, "For how long is the vision concerning the regular burnt offering, the transgression that makes desolate, and the giving over of the sanctuary and host to be trampled underfoot?" And he said to me, "For 2,300 evenings and mornings. Then the sanctuary shall be restored to its rightful state."

The word sanctuary is not what Daniel was being told. It is not the sanctuary but the SAINTS that are going to be trampled for 2300 Days or for 6 1/4 years starting at Shavuot in 2020.

Who's going to do this?

As we have shown you repeatedly, Assyria the one who breaks in pieces and the one who is in Daniels dream of the four beasts, the one Empire that tramples in pieces the whole world. This is the same blessing Isaac gave to Esau that he would trample or have dominion over the earth. And in the last few years, you have seen how Islam has invaded Germany and even the leader of the Ultra-Right party in the German Reichstag has converted to Islam. That ultra right-wing party is like the NAZI party of WW II infamy.

We have this prophecy in Daniel 2:41-43;

And as you saw the feet and toes, partly of potter's clay and partly of iron, it shall be a divided kingdom, but some of the firmness of iron shall be in it, just as you saw iron mixed with the soft clay. And as the toes of the feet were partly iron and partly clay, so the kingdom shall be partly strong and partly brittle. As you saw the iron mixed with soft clay, so they will mix with one another in marriage, but they will not hold together, just as iron does not mix with clay.

The word for clay here is Arab. Germany is the Iron and the Islamic hordes streaming into Germany and Europe today are the clay. Islam does not integrate into any society. They do not blend in or mix in. And this is taking place before your very eyes.

Germany through the EU and the UN is going to attack and destroy us and the world and as the prophecy in Daniel 9 says and Israel shall have nothing. This means that Israel will be as if they never were. It is a genocide of all the DNA descendants of Jacob except for a small remnant.

We also told you in the above charts to look closely at the timing of the 7 years of plenty and the 7 years of famine in Josephs time. Here next is the actual Jubilee cycle that we are talking about.

| Sabbath | 6th Cycle | 5th Cycle | 4th Cycle | 3rd Cycle | 2nd Cycle | 1st Cycle |
|---------|-----------|-----------|-----------|-----------|-----------|-----------|
| -1583 | -1590 | -1597 | -1604 | -1611 | -1618 | -1625 |
| -1584 | -1591 | -1598 | -1605 | -1612 | -1619 | -1626 |
| -1585 | -1592 | -1599 | -1606 | -1613 | -1620 | -1627 |
| -1586 | -1593 | -1600 | -1607 | -1614 | -1621 | -1628 |
| -1587 | -1594 | -1601 | -1608 | -1615 | -1622 | -1629 |
| -1588 | -1595 | -1602 | -1609 | -1616 | -1623 | -1630 |
| -1589 | -1596 | -1603 | -1610 | -1617 | -1624 | -1631 |

When you compare this Jubilee cycle to our Jubilee Cycle today the 70th Jubilee cycle since Moses and the Exodus, then you will see that the 7 years of plenty begin at the same time in the middle of the Jubilee cycle. I am just comparing 2020 in the chart above with the year 1607 in Joseph Jubilee cycle. They are both in the middle of the cycle.

In Josephs day it was Egypt that was given the 7 years of plenty. Today that same adulterous Egypt is now called the EU and is the Great Babylonian Whore spoken of in Revelation. She is going to profit for 7 years and it begins with the downfall of the 12 tribes of Israel starting in 2020 when the covenant made with many ends. The EU is about to rape and plunder the USA and UK, Canada, Australia and New Zealand and many other nations.

The 7 years of plenty end in the year-1601 in the green section in the chart above. When we compare that to our time now that corresponding year is 2026. When you count out 2300 Days spoken of in Daniel 8 starting at Shavuot you end up at Trumpets 2026. Trumpets 2026 is when the two witnesses are to begin their work. They work for 3 1/2 years.

Now when we look at the year -1600 BC in the chart above in red, this is the start of the 7 years of famine. Now that the 7 years of plenty are over for Egypt or today that is the EU whore going from the start of the 2300 Days of Hell until they end in the year 2026 CE, the next curse

of the two witnesses starts at the same time as does this 7 years of famine. And the two witnesses cause it not to rain for 3 1/2 years. They are then killed in the year 2030 CE at Passover. After 2030 are the 3 1/2 years of The Great Tribulation. Now both the tribulation and the time of the two witnesses matches the time of Joseph's 7 years of famine.

The other thing to take note of is that the time of Lot and Sodom and Gomorrah and the time of Noah both ends at this same time when the 7 years of famine end at the end of the tribulation.

They all match the year of 2033 CE.

So we are talking about the end times. How do the Fall Holy Days line up with these events? What I did was make the 8th Day Feast line up with the Jubilee Year of 2045. The 7th Day of Sukkot was then the year 2044. The first day of Sukkot then would be 2038. There are 5 days from the start of Sukkot to the Day of Atonement. So from 2038 counting back 5 years is 2033.

This is the Year that represents the year when Satan is to be locked away. It is also the year that matches the time when Noah's flood took place and the time when Sodom and Gomorrah were destroyed. All of these huge events matched the same time of year in the 6th Sabbatical cycle.

During the Ten Days of Awe between the Feast of Trumpets and the Day of Atonement, there is always one Sabbath Known as Shabbat Shuva or the Sabbath of return. This matches the

Sabbatical year of 2030 and it is the year when the Two Witnesses will have completed their job of gathering all the remnant of Israel that has survived. They will all be brought back to the land of Israel in order to stop the severe drought the two witnesses have called on the entire earth.

Shabbat Shuva is the Sabbath of return. So this is the year when all of Israel will return to the land. Read the Torah portion for Shabbat Shuva.

Hosea 14:2-10; Micah 7:18-20; Joel 2:15-27

Hosea 14

2 Return, O Israel, to the Lord your God, For you have fallen because of your sin.

3 Take words with you And return to the Lord.

Say to Him:

“Forgive all guilt

And accept what is good;

Instead of bulls we will pay

[The offering of] our lips.

4 Assyria shall not save us,

No more will we ride on steeds;

Nor ever again will we call

Our handiwork our god,

Since in You alone orphans find pity!”

5 I will heal their affliction,

Generously will I take them back in love;

For My anger has turned away from them.

6 I will be to Israel like dew;

He shall blossom like the lily,

He shall strike root like a Lebanon tree.

7 His boughs shall spread out far,

His beauty shall be like the olive trees, His

fragrance like that of Lebanon.

8 They who sit in his shade shall be revived:

They shall bring to life new grain,

They shall blossom like the vine;

His scent shall be like the wine of Lebanon.

9 Ephraim [shall say]:

“What more have I to do with idols?

When I respond and look to Him,

I become like a verdant cypress.”

Your fruit is provided by Me.

10 He who is wise will consider these words, He who is prudent will take note of them.

For the paths of the Lord are smooth;
The righteous can walk on them,
While sinners stumble on them.

Micah 7

18 Who is a God like You,
Forgiving iniquity
And remitting transgression;
Who has not maintained His wrath forever
Against the remnant of His own people,
Because He loves graciousness!

19 He will take us back in love; He will cover up our iniquities,
You will hurl all our sins
Into the depths of the sea.

20 You will keep faith with Jacob,
Loyalty to Abraham,
As You promised on oath to our fathers
In days gone by.

Sephardim end here Joel

2

15 Blow a horn in Zion,
Solemnize a fast,
Proclaim an assembly!

16 Gather the people,
Bid the congregation purify themselves.
Bring together the old,
Gather the babes
And the sucklings at the breast;
Let the bridegroom come out of his chamber,
The bride from her canopied couch.

17 Between the portico and the altar, Let the priests, the Lord's ministers, weep And say:

"Oh, spare Your people, Lord! Let not Your
possession become a mockery, To be
taunted by nations!

Let not the peoples say,
'Where is their God?'"

18 Then the Lord was roused
On behalf of His land
And had compassion
Upon His people.

19 In response to His people The Lord declared:

"I will grant you the new grain,

The new wine, and the new oil,
And you shall have them in abundance.
Nevermore will I let you be
A mockery among the nations.
20 I will drive the northerner far from you,
I will thrust it into a parched and desolate land —
Its van to the Eastern Sea
And its rear to the Western Sea;
And the stench of it shall go up,
And the foul smell rise.”

For [the Lord] shall work great deeds.
21 Fear not, O soil, rejoice and be glad;
For the Lord has wrought great deeds.

22 Fear not, O beasts of the field,
For the pastures in the wilderness
Are clothed with grass.

The trees have borne their fruit;
Fig tree and vine
Have yielded their strength.

23 O children of Zion, be glad,
Rejoice in the Lord your God.
For He has given you the early rain in [His] kindness,
Now He makes the rain fall [as] formerly —
The early rain and the late —

24 And threshing floors shall be piled with grain, And vats shall overflow with new wine and
oil.

25 “I will repay you for the years
Consumed by swarms and hoppers,
By grubs and locusts,
The great army I let loose against you.

26 And you shall eat your fill
And praise the name of the Lord your God
Who dealt so wondrously with you —
My people shall be shamed no more.

27 And you shall know
That I am in the midst of Israel:
That I the Lord am your God
And there is no other.
And My people shall be shamed no more.”

Shabbat Shuva takes place in the 7th year of the 5th Sabbatical cycle. When we look at the time of Jacob we will see in the chart below that Jacob worked for 7 years to have Rachel and at the end of that time he was deceived. What this is showing us is that when we are brought back to

Israel by the work of the Two Witnesses we are to be aware of the deception that is going to take place, because this is not yet the end.

Luke 21:10-19 Then he said to them, “Nation will rise against nation, and kingdom against kingdom. There will be great earthquakes, and in various places famines and pestilences. And there will be terrors and great signs from heaven. But before all this they will lay their hands on you and persecute you, delivering you up to the synagogues and prisons, and you will be brought before kings and governors for my name’s sake. This will be your opportunity to bear witness. Settle it therefore in your minds not to meditate beforehand how to answer, for I will give you a mouth and wisdom, which none of your adversaries will be able to withstand or contradict. You will be delivered up even by parents and brothers and relatives and friends, and some of you they will put to death. You will be hated by all for my name’s sake. But not a hair of your head will perish. By your endurance you will gain your lives.

Luke 21:20 “But when you see Jerusalem surrounded by armies, then know that its desolation has come near. Then let those who are in Judea flee to the mountains, and let those who are inside the city depart, and let not those who are out in the country enter it, for these are days of vengeance, to fulfill all that is written. Alas for women who are pregnant and for those who are nursing infants in those days! For there will be great distress upon the earth and wrath against this people. They will fall by the edge of the sword and be led captive among all nations, and Jerusalem will be trampled underfoot by the Gentiles, until the times of the Gentiles are fulfilled.

We are to flee from Jerusalem to Moab and in Isaiah Moab is told the following.

Isaiah 16:1-5 Send ye the lambs for the ruler of the land from Selah to the wilderness, unto the mount of the daughter of Zion. For it shall be that, as wandering birds, as a scattered nest, so shall the daughters of Moab be at the fords of the Arnon. Give counsel, execute justice; make thy shade as the night in the midst of the noonday; hide the outcasts; betray not the fugitive. Let mine outcasts dwell with thee; as for Moab, be thou a covert to him from the face of the destroyer. For the extortioner is brought to nought, destruction ceaseth, the oppressors are consumed out of the land. And a throne shall be established in lovingkindness; and one shall sit thereon in truth, in the tent of David, judging, and seeking justice, and swift to do righteousness.

Moab is not to turn us over to Satan who seeks to destroy us as we are told in Revelation.

Rev 12:12-17 Therefore rejoice, O heavens, and ye that dwell in them. Woe for the earth and for the sea: because the devil is gone down unto you, having great wrath, knowing that he hath but a short time.

And when the dragon saw that he was cast down to the earth, he persecuted the woman that brought forth the man child. And there were given to the woman the two wings of the great eagle, that she might fly into the wilderness unto her place, where she is nourished for a time, and times, and half a time, from the face of the serpent. And the serpent cast out of his mouth after the woman water as a river, that he might cause her to be carried away by the stream. And the earth helped the woman, and the earth opened her mouth and swallowed up the river which the dragon cast out of his mouth. And the dragon waxed wroth with the woman, and went away to make war with the rest of her seed, that keep the commandments of God, and hold the testimony of Jesus:

When you are brought back to Jerusalem you will see the armies surrounding it in order to once and for all kill all those who keep the Torah. But you flee and it is Passover. The Feast you have rehearsed all these years eating your Passover meal in haste with your shoes.

Exodus 12:11 In this manner you shall eat it: with your belt fastened, your sandals on your feet, and your staff in your hand. And you shall eat it in haste. It is the Lord's Passover.

You are preparing to flee once again. All of these years you have been practicing this. So you flee into Moab where you are hidden and the earth opens up to swallow the army that comes after you.

But... have you forgotten what you just read in Revelation.

And the dragon waxed wroth with the woman, and went away to make war with the rest of her seed, that keep the commandments of God, and hold the testimony of Jesus:

Why did these Saints not flee with the women into the wilderness? I suggest to you they are on the Hillel Calendar and not the Crescent moon one. In 2030 there is a mandatory leap year according to the Metonic 19-year cycle. Those keeping the Hebrew Calendar will be keeping Passover 30 days after those on the Crescent moon calendar who fled before the slaughter began.

It is only when you have done an accurate and complete chronology from Adam to the Exodus that you can understand that the Exodus took place after the 50th Jubilee cycle was completed. Only then does the prophecy of Daniel 9 make sense of the 70 weeks being 70 Jubilee cycle and that we are now in that 70th Jubilee cycle which is also the 120th Jubilee cycle. The end of the 6th Millennial day.

Both charts below are the same. One uses the counting method of Gregorian years and the other uses just the Jubilee cycles.

There is this strange law of purity that I have always thought was curious. But it makes sense now when I look at the Millennial years.

Number 19:11-13“Whoever touches the dead body of any person shall be unclean seven days. He shall cleanse himself with the water on the third day and on the seventh day, and so be clean. But if he does not cleanse himself on the third day and on the seventh day, he will not become clean. Whoever touches a dead person, the body of anyone who has died, and does not cleanse himself, defiles the tabernacle of the Lord, and that person shall be cut off from Israel; because the water for impurity was not thrown on him, he shall be unclean. His uncleanness is still on him.

When you look at the days of the week as millennial days then you can see that the years when Yehovah made the covenant of life with Abraham and Israel, it was on the third Millennial day. When Yehovah renews that covenant of life it will be in the 7th Millennium. Yehovah did not create death, Satan and sin did. On the third millennial day and again on the 7th Yehovah is asking us to choose life.

Getting back to the theme of this article. What time is Mr Wolf? We are very near the end of this 6th millennial day. We are entering the time when men will be more scarce than the fine

gold of Ophir. We are entering that time when unless these days are shortened, no flesh would be saved alive.

Something else we can see in these charts is that in the 4th Millennium the temple is being used. It was actually created at the very end of the 3rd Millennium. Yehshua is also known as the temple and He was killed on the 4th day of the week. The Temple too was destroyed on the 4th Millennial day in 70 AD. Israel was also destroyed on the 4th Millennial day in 723 BC and Judah too was destroyed the first time in 586 BC.

What this is also showing you is that Yehshua was in the grave for 3 days and 3 nights. If we count from the 4th Millennial day 3 more Millennial days, then Yehshua will not be coming back until the end of the 7th Millennial day. And this matches what the scriptures say. It is Christianity that says he will be back any time now which is not true.
