Shabbat Shalom family,

## **Where is God?**

A large bridge collapses in Genoa Italy this week and at least 39 have now died. Where was God? Why did He not stop the storm or save the bridge?

Wild Fires are decimating California and British Columbia. Last month a wildfire raced across Greece and burnt 79 people alive. Many tried to drive away from the fires in their cars only to run into other cars that were abandoned on the road. This is where they raced to the sea. Some were burnt in their cars others were burnt trying to run and then still more drowned in the sea.

Thousands are being displaced from their homes. Where is God? Why does He not sent the rain? Why does He send the lightning instead?

So many praying for their houses to be spared many others pray for the dead and the victims, but He does not hear their prayers. Why?

As Elijah said to the priest of Baal, maybe the god they are praying to is busy having a dump. Maybe that is what god is doing or maybe he is asleep.

Why is Australia again in the worst drought in 400 years?

COONABARABRAN , NEW SOUTH WALES – JUNE 20: The Jerry family farm 'Marlborough', 40 km outside Coonabarabran. The New South Wales State government recently approved an emergency drought relief package of A\$600m, of which at least A\$250m is allocated for low interest loans to assist eligible farm businesses to recover. The package has been welcomed, though in the words of a local farmer "it barely touches the sides". Now with the real prospect of a dry El-Nino weather pattern hitting the state in Spring, the longer term outlook for rain here is dire. June 20, 2018 in Coonabarabran, Australia. Yes, that must be it. god is too busy to come and help because he is having a royal dump. Elijah is right.

Maybe all these self-righteous Christians that keep writing to me should pray harder and pray louder. I know maybe they should get more people to pray and have huge prayer chains going. Maybe then god will wake up and hear.

Oh yes, there were over 400 Christians slaughtered in Nigeria this month by the Muslims. God must have been busy looking for the millions of Christians who used to be in Iraq and Syria just a few years ago who are nowhere on this earth to be found because they too were slaughtered by ISIS. I guess god did not know they were in trouble.

No, they were not raptured. If they were then god forgot the rest of you and us. I guess those Christians did not have the right get out of jail card like many of you think you have.

The Anglo Saxon nations of the UK Canada, the USA, Australia and New Zealand have all been Christian nations for the past 300 years or so. Oh and I do not want to forget the Philippines too. They too have been a Christian nation and yet they have had Typhoons after typhoon and earthquakes and mudslides. Where was god in all of this?

Like President Duterte said, the god of the Christians is a stupid god. And I must agree!

Your god can't stop any of these things. Your Grace keeps going to war and disasters keep coming upon your lands. And you are called a Christian nation.

I call SKUBALA the exact same way the Apostle Paul did on those calling themselves Christian. I will let you look up the word in Greek.

Yes, I said **SKUBALA**. All of you who call yourself Christian you are full of **SKUBALA**!

If the god you are praying to was a real god then he would have loved you enough to stop all of these disasters.

Oops. I forgot, most of those who claim to be Christian have never read the bible from front to back. They only study the last half of the bible. They are clueless as to how to solve these problems.

Many roll their eyes at the notion that Yehovah controls the weather. Instead, they blame Mother Nature or weather systems, global warming, climate change or just bad luck. They deny any Bible-based understanding of why natural disasters occur. But they are not natural at all, they are Yehovah sent.

But what about those who do believe and pray for an end to droughts and other natural disasters? Yehovah does not and will not hear their prayers if they continue to sin.

Hosea 4:6 My people are destroyed for lack of knowledge; because you have rejected knowledge, I reject you from being a priest to me. And since you have forgotten the law of your God, I also will forget your children.

Can these Christians of these nations answer the deep questions? Does Yehovah listen? And why would a loving god allow these things to happen in the first place?

No Christians are not able to answer these questions because they have rejected the only one from whom they can get the answers.

When Eastern Australia roasts, Western Australia is flooding, why does this happen in a Christian Nation? In similar fashion, the U.S. suffers hurricanes and deluges on one side and terrible fires on the other. Again why is this happening in a Christian nation? There is an answer.

But because it is in the “OLD TESTAMENT” the Christian will not consider it nor do they understand it. Until we do understand it and then begin to obey, Yehovah says these unnatural disasters will continue. Welcome to the new normal.

Yehovah warned that He would inflict many of these disasters on us if we will not obey. On the other side of the coin, Yehovah also promises fertile lands and bumper crops.

Yehovah promised us in Leviticus 26:3

“If you walk in my statutes and observe my commandments and do them, then I will give you your rains in their season, and the land shall yield its increase, and the trees of the field shall yield their fruit. Your threshing shall last to the time of the grape harvest, and the grape harvest shall last to the time for sowing. And you shall eat your bread to the full and dwell in your land securely. I will give peace in the land, and you shall lie down, and none shall make you afraid.

So why are we receiving so many disasters after one after another? Disaster after disaster and not the blessings?

We are reaping the fruits of our actions. But, wonderful blessings could be at our fingertips if we were just to obey!

Can Yehovah say it any plainer? Obey me, and I'll make sure you never suffer drought or any other natural disaster! This obedience requires repenting of our former way—the way that brought on these curses. Imagine the impact on the Earth if mankind heeded in repentance and obedience!

Now notice what Yehovah says will happen as a result of not keeping His law.

Lev 26:14 “But if you will not listen to me and will not do all these commandments, if you spurn my statutes, and if your soul abhors my rules, so that you will not do all my commandments, but break my covenant, then I will do this to you: I will visit you with panic, with wasting disease and fever that consume the eyes and make the heart ache. And you shall sow your seed in vain, for your enemies shall eat it. I will set my face against you, and you shall be struck down before your enemies. Those who hate you shall rule over you, and you shall flee when none pursues you. And if in spite of this you will not listen to me, then I will discipline you again sevenfold for your sins, and I will break the pride of your power, and I will make your heavens like iron and your earth like bronze. And your strength shall be spent in vain, for your land shall not yield its increase, and the trees of the land shall not yield their fruit.

Yehovah is very direct. Break my laws, and I will send drought so bad it will seem like the sky is made of iron. A sky of iron and earth of brass sums up the parched Australian interior or the wildfires of Western USA and Canada.

Leviticus 26 has the answer to stop the wildfires. Lev 26 has the answers to stop the drought. To end these unnatural disasters all we have to do is repent. Repent and obey Yehovah's law!

Proverbs 28:9 If one turns away his ear from hearing the law,  
even his prayer is an abomination.

Proverbs 1:22 “How long, O simple ones, will you love being simple?  
How long will scoffers delight in their scoffing and fools hate  
knowledge? If you turn at my reproof,  
behold, I will pour out my spirit to you; I  
will make my words known to you.  
Because I have called and you refused to listen,  
have stretched out my hand and no one has heeded,  
because you have ignored all my counsel and  
would have none of my reproof, I also will laugh at  
your calamity; I will mock when terror strikes you,  
when terror strikes you like a storm and your

calamity comes like a whirlwind, when distress and anguish come upon you. Then they will call upon me, but I will not answer; they will seek me diligently but will not find me. Because they hated knowledge and did not choose the fear of the Lord, would have none of my counsel and despised all my reproof, therefore they shall eat the fruit of their way, and have their fill of their own devices. For the simple are killed by their turning away, and the complacency of fools destroys them; but whoever listens to me will dwell secure and will be at ease, without dread of disaster.”

How many goodie two-shoed Christian says as long as they don't bother me then it is ok when talking about LGBT or Pride. How many Christian LGBT fellowships are there now? Christian LGBT Priests seems like an oxymoron, a contradiction of words in the same sentence.

First, consider this proverb.

Proverbs 28:4 Those who forsake the law praise the wicked,

In the Marikina district of Manila in 2018 they held their pride parade. Yes, this is a Christian nation. I am fully aware that Israel and even Jerusalem also have Pride Parades and Yah calls Jerusalem Sodom.

Ezekiel 16:46 And your elder sister is Samaria, who lived with her daughters to the north of you; and your younger sister, who lived to the south of you, is Sodom with her daughters. Not only did you walk in their ways and do according to their abominations; within a very little time you were more corrupt than they in all your ways. As I live, declares the Lord God, your sister Sodom and her daughters have not done as you and your daughters have done. Behold, this was the guilt of your sister Sodom: she and her daughters had pride, excess of food, and prosperous ease, but did not aid the poor and needy. They were haughty and did an abomination before me. So I removed them, when I saw it. Samaria has not committed half your sins. You have committed more abominations than they, and have made your sisters appear righteous by all the abominations that you have committed.

Rev 11:8 And when they have finished their testimony, the beast that rises from the bottomless pit will make war on them and conquer them and kill them, and their dead bodies will lie in the street of the great city that symbolically is called Sodom and Egypt, where their Lord was crucified.

Here is the caption under these pictures for this year's 2018 Pride parade using 2017 pictures.

Currently on its 24th year, this year's Metro Manila Pride March will be following the theme #RiseUpTogether. If last year's #HereTogether was about spreading the love and support in the community, this year's campaign is marked by a heightened awareness of the inequality that LGBTQIA+ people have to face every day. In response, Metro Manila Pride calls for the community to come together and learn from each other in order to become better advocates and create meaningful, longterm change.

Now do not forget the Philippines is the most Christian nation in all of Asia.

But this is what Proverbs says about tolerance of evil.

Proverbs 28:4 Those who forsake the law praise the wicked,

Christians who do not keep the law praise those who are evil.

Now this year's Pride parade took place July 13, 2018.

Then in August 11, 2018, one month later. Yehovah responded.

Tropical Storm Karding exited the Philippine area of responsibility (PAR) on Saturday afternoon, but it spawned the southwest monsoon rains over most parts of the main island of Luzon, including Metro Manila, according to the Philippine Atmospheric, Geophysical and Astronomical Services Administration.

The continuous rainfall has caused flooding in many parts of Metro Manila.

Particularly hard hit was Marikina, where the river swelled to a level of at least 20 meters Saturday evening.

As rainfall continued on Sunday, many of those areas remained flooded.

Proverb 16:18 PRIDE goes before destruction, and  
a haughty spirit before a fall.

HMMMMMM

But what do I know?

I could have just as easily shown PRIDE parades in the USA and then shown you the wildfires they are having after their parades and the same for Canada.

He may have saved his house this time but next month there are going to be mudslides now that the brush is all gone.

Yehovah is pleading with all of us right now. But few are listening. The 4th curse is about to begin and that curse is war. You can read in the comments section after many News Letters from the scoffers and fools delighting in the downfall of this ministry. They are praying for it.

Proverbs 1:22 “How long, O simple ones, will you love being simple? How long will scoffers delight in their scoffing and fools hate knowledge? If you turn at my reproof, behold, I will pour out my spirit to you; I will make my words known to you.

Because I have called and you refused to listen, have stretched out my hand and no one has heeded, because you have ignored all my counsel and would have none of my reproof, I also will laugh at your calamity; I will mock when terror strikes you, when terror strikes you like a storm and your calamity comes like a whirlwind, when distress and anguish come upon you. Then they will call upon me, but I will not answer; they will seek me diligently but will not find me. Because they hated knowledge and did not choose the fear of the Lord, would have none of my counsel and despised all my reproof, therefore they shall eat the fruit of their way, and have their fill of their own devices. For the simple are killed by their turning away, and the complacency of fools destroys them; but whoever listens to me will dwell secure and will be at ease, without dread of disaster.”

The longer we do not keep the commandments, the Sabbath, the Holy Days of Lev 23, and the Sabbatical and Jubilee years the worse this drought and wildfires and flooding and mudslides and earthquakes will get. These cattle

are swarming the water truck because they are dying from no water. Once this source of food goes then what will you do?

Christians, as President Duterte said the god you worship a stupid god. It is time for you to repent and learn about the one true Yehovah who is able to send the rains so that they are a blessing and not a curse so that the land and the animals are blessed and not flooded or destroyed. That God is the God we at Sightedmoon.com pray to and teach about and obey. Will you be able to say the same thing?

We are about to go into Romans and expound on the grace that Paul talks about there. But I want to point out something that many of you will have just right over.

Proverbs 1:22 “How long, O simple ones, will you love being simple? How long will scoffers delight in their scoffing and fools hate knowledge? If you turn at my reproof, behold, I will pour out my spirit to you; I will make my words known to you.

Yehovah is pouring out His Spirit on all flesh in these last days. Some of you have answered that call by obeying the commandments. You are now being saved by His grace. Christianity wants the grace, they want and claim to have the Holy Spirit that is being poured out but they have missed something.

Romans 7:14 For we know that the law is spiritual,

Yehovah’s spirit in you keeps the law and teaches you to keep the law. If the spirit in you is telling you the law is done away with then you have the wrong spirit. You have Satan’s Spirit who deceives the whole world and even you.

You see this was not a get out jail card as you assumed. It was a get out of my kingdom I do not know you, card. And it is going to be given to many who do great works in the name of Jesus. It will be given to many who cast out demons and who write great prophecies. It will be given to many who have done away with the law

Mat 7:21 “Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven, but the one who does the will of my Father who is in heaven. On that day many will say to me, ‘Lord, Lord, did we not prophesy in your name, and cast out demons in your name, and do many mighty works in your name?’ And then will I declare to them, ‘I never knew you; depart from me, you workers of lawlessness.’”

How do you get to know the Father? By the keeping the commandments.

John 14:20 In that day you will know that I am in my Father, and you in me, and I in you. Whoever has my commandments and keeps them, he it is who loves me. And he who loves me will be loved by my Father, and I will love him and manifest myself to him.”

Many Christians assume they are going to be married to Yehshua and that they have the invitation to the wedding. Again read what you are being told about the 5 foolish virgins.

Mat 25:10 And while they were going to buy, the bridegroom came, and those who were ready went in with him to the marriage feast, and the door was shut. Afterward, the other virgins came also, saying, Lord, lord, open to us.’ But he answered, ‘Truly, I say to you, I do not know you.’”

Again we read about the wedding in Mat 22

### The Parable of the Wedding Feast

And again Jesus spoke to them in parables, saying, “The kingdom of heaven may be compared to a king who gave a wedding feast for his son, and sent his servants to call those who were invited to the wedding feast, but they would not come. Again he sent other servants, saying, ‘Tell those who are invited, “See, I have prepared my dinner, my oxen and my fat calves have been slaughtered, and everything is ready. Come to the wedding feast.”’ But they paid no attention and went off, one to his farm, another to his business, while the rest seized his servants, treated them shamefully, and killed them. The king was angry, and he sent his troops and destroyed those murderers and burned their city.

All of the prophets have been killed by those to whom they were sent. Read the comments from the Christians on our News Letters.

Then he said to his servants, ‘The wedding feast is ready, but those invited were not worthy. Go therefore to the main roads and invite to the wedding feast as many as you find.’ And those servants went out into the roads and gathered all whom they found, both bad and good. So the wedding hall was filled with guests.

“But when the king came in to look at the guests, he saw there a man who had no wedding garment. And he said to him, Friend, how did you get in here without a wedding garment?’ And he was speechless. Then the king said to the attendants, ‘Bind him hand and foot and cast him into the outer darkness. In that place there will be weeping and gnashing of teeth.’ For many are called, but few are chosen.”

And what is the wedding garment that you are to have on? Remember what Romans 7:14 says about the spirit that is to be in you.

Romans 7:14 For we know that the law is spiritual,

Now add to this Psalm 119:172

Let my tongue sing of thy word; For all thy commandments are righteousness.

The commandments are the very thing you have to put on, in order to be righteous. The law is what you must have in you in order to be spiritual.

Heb 10:16 “This is the covenant that I will make with them after those days, declares the Lord: I will put my laws on their hearts, and write them on their minds,”

And again in Heb 8:10

For this is the covenant that I will make with the house of Israel after those days, declares the Lord: I will put my laws into their minds, and write them on their hearts, and I will be their God, and they shall be my people.

And it is this law that Christians will not keep and say is done away that Yehovah is going to write upon our hearts. The same law He told Jeremiah He would write on our hearts at the end of this age.

Jer 31:32 For this is the covenant that I will make with the house of Israel after those days, declares the Lord: I will put my law within them, and I will write it on their hearts. And I will be their God, and they shall be my people.

That law that Christian refuse to do is what Yehovah is going to write on our hearts. That law that they say is done away is the Holy Spirit that is to dwell in us. This Awesome law that frees us from the penalties of death as we obey it is our righteousness. And it the grace of Yehovah that any of us at all have been blessed to understand these things.

Many are called and few are chosen.

## News From the Philippines

Last week I spoke with Matt Samario who came to the Philippines from the USA and has been assisting Bro Aike and teaching in Davao City up until last week. He is now leaving heading home to take care of personal business. We hope he can come back again soon.

In one of the topics, we discussed about the Feast of Trumpets and Shavuot and the Last Trump was the year that these things begin. Just in discussing them with him it was like a wake-up call to me just how little time is left.

We are now just about to begin the Fall Feast Season as found in Lev 23. It is the year 2018. Shavuot 2020 is just over 1 1/2 years away. "D-Day" for the middle of this 70th Jubilee cycle since Moses spoke with Yehovah at the burning bush. Let that sink in. Just over 1 1/2 years from now!!!

Trumpets 2024 and the start of the 10 years of Awe when Yehovah punishes the whole earth is but a mere 6 years away.

Shabbat Shuva is the year 2030 when we will be taken back to the land of Israel and The Two Witnesses are killed at Passover is just 12 and 1/2 years from now.

This is the start of the Great Tribulation on the entire earth. It ends with the locking away of Satan on the Day of Atonement in 2033. Again just over 16 years from now.

The Jubilee year of 2045 is also 26 1/2 years from now. This is the start of the 7th Millennium of rest. 26 years ago I was just about to leave the World Wide Church of God. I was about to begin my company and stop working away from home. 26 years ago my kids were not yet teens.

Brethren time sure does fly past us. Are you doing all you can right now to learn and to obey? Are you warning others so no blood will not be found on your hands?

My Brother Aike Macias has come to understand this and is working with us to reach out to the people of the Philippines. I would like to share his latest update about the things that have been going on since we were there at Passover this year.

Many times we think the things we do or say do not add up to anything. We often look at what others are doing and think we have no part in it. But we all do. Your comments and thoughts do influence me and when I share a message some of those things are passed on. And I do not think I am of any importance and yet the things I have shared have been passed on and continue to be shared. But you just never know who it is that Yehovah is using and how He is using you to do His will.

On our trip to the Philippines at Sukkot in 2015, Bro Aike introduced me to Atty. Jeremiah Belgica on our very first day there. Atty Jeremiah was fighting against the SOGI laws his government was about to pass. I was there to talk about Baal Peor and how the LGBT movement was the same as when the Israelites were introduced to Baal Peor just before they entered the promised land. We were saying the very same thing and we became friends at that time.

I later would speak at the Yacht Club with the leading Bishops of Manila where I would meet Jeremiah's father Bishop Butch Belgica wearing the hat.

It was during this trip as well that Bro Aike had me speak in front of members and staff that worked at the House of representatives.

You never know who is listening and who is not. But you do the job in front of you and you share the message Yehovah has given you to share. After this meeting, a few days later Aike got a phone call to come back to the House of Representatives. They had heard me speak about the Holy Days and wanted to draft them into the Philippines and make them the law of the land.

They asked us to help them with the draft of the Bill and we did what we could. On my last day in the Philippines on this 2015 tour, Attorney Jeremiah Belgica would come to say goodbye and help with the legal wording of the bill. The lady on the left above is Carmen Jimenez who will be speaking on August 21, 2018, at MLTC.

The Bill would pass first and second reading before it died on the floor of the House of Representatives due to the election in 2016 of President Duterte. You never know what will come from the words you speak on behalf of Yehovah.

John 15:5 “I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing. If anyone does not abide in Me, he is cast out as a branch and is withered; and they gather them and throw them into the fire, and they are burned. If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you. By this My Father is glorified, that you bear much fruit; so you will be My disciples.

Mat 5:13 “You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men.

“You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lampstand, and it gives light to all who are in the house. Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

Isaiah 55:8 “For My thoughts are not your thoughts,  
Nor are your ways My ways,” says the Lord.

“For as the heavens are higher than the earth,  
So are My ways higher than your ways,  
And My thoughts than your thoughts.

“For as the rain comes down, and the snow from heaven,  
And do not return there,

But water the earth,

And make it bring forth and bud,

That it may give seed to the sower

And bread to the eater,

So shall My word be that goes forth from My mouth;

It shall not return to Me void,

But it shall accomplish what I please,

And it shall prosper in the thing for which I sent it.

“For you shall go out with joy,

And be led out with peace;

The mountains and the hills

Shall break forth into singing before you,

And all the trees of the field shall clap their hands.

Attorney Jeremiah has recently been speaking to leaders of the Philippines about The Historical and Biblical Foundations of Federalism.

R-L: PDDS Manila President Francis Villegas, PDDS National President Greco Belgica, Senator Manny Pacquiao, partially hidden Mariano Villafuerte, PDDS National Chairman Atty Doy Bringas, Atty Jeremiah Belgica (PDDS- Manila Chairman), 1Pacman Nominee Sir Nick Enciso, and Uncle of Ms. Jinkee Pacquiao Pastor Raul Moralizon.

After meeting us in 2015, Attorney Jeremiah would run for Mayor of one of the districts of Manila but did not win.

In 2018 I was given the distinct honour of giving the opening blessing for the dedication ceremonies for his daughter Victoria here with his wife Eunice. This was a whose who in Manila meeting.

At this meeting, I would meet other Christian leaders who work in the Senate, like Senator Win Gatchalian, a born-again Christian.

**So shall My word be that goes forth from My mouth;  
It shall not return to Me void,**

On August 21, 2018, Bro Aike will be hosting a meeting at MLTC in Manila and sharing about Bill 6312 and the things that have been happening in the Philippines. We at Sightedmoon are promoting the ad campaign for this effort.

August 10, 2018

Shalom Dearest Sightedmoon brethren,

Once again, brother Aike Macias here updating you with current trends in the Torah movement in the Philippine Islands. As you know me and Joseph Dumond are good friends, not only that, Joseph and I are partners in bringing Torah revival in the Land of the Philippines, where I'm called to be a Torah ambassador of Yeshua. Since 2006 when I personally discovered the Torah through a messianic Jew based in Israel, I have no doubts in my mind that following the Torah is the will of YHVH.

If you can just surgically open my heart, every beat of my heart it's just Torah, Torah and Torah, I can't help it, it's there. YHVH had put this in my heart, It is He who had caused this, just as it is written in Jeremiah 31:31 " In the final days, I will write the Torah in your hearts...so that everyone shall know YHVH...". I know most of you who are reading sightedmoon newsletter had somehow the same revelation and passion for Torah, just like Yeshua our master is the living Torah.

I must admit to you, many times in my life spreading the Torah by teaching it to others can be somewhat stressful and had even come to a point of being kinda frustrating. But I have come to learn to overcome those obstacles over the course of time. This is a new refreshing time of revival because after 12 years of doing this work right here in the Philippines, somehow we are seeing the fruits of our labor, just as it is written, " our labor is not without fruit in the LORD," ( 1 Cor. 15:58).

The work of spreading Torah is unstoppable because its YHVH's work. This is bigger than all of us can think about, just as it written, Isa 11:9-11 " They shall not hurt nor destroy in all My holy mountain; for the earth shall be full of the

knowledge of Yehovah, as the waters cover the sea. (10) And in that day there shall be the Root of Jesse standing for a banner of the people; to Him the nations shall seek; and His resting place shall be glorious. (11) And it shall be in that day, the Lord shall again set His hand, the second time, to recover the remnant of His people that remains, from Assyria and from Egypt, and from Pathros, and from Ethiopia, and from Persia, and from Shinar, and from Hamath, and from the Islands of the sea.”

You see, prophetically between now and the future millennial kingdom, the Torah knowledge will cover the earth. In fact, the Torah will be the constitution of YHVH’s people in the millennial kingdom. So we are in the right movement! Our labor then will not be in vain. We are doing something that will last forever. So it’s all going to be worth it. As Joseph Dumond taught us last time he was in the Philippines Last Passover day celebration conference on 2018, he taught us the Philippines has a big role to play in the end times. That the Islands are waiting for the Torah as prophesied by prophet Isaiah thousands of years ago. By the way, the Philippines is composed of something like 7000 islands.

Isa 42:12 Give glory to Jehovah and declare His praise in the islands.

**Isa 42:4** He shall not fail nor be discouraged until He has set judgment in the earth; and the islands shall wait for His LawTorah.

All the signs are here to prove this is so true. Latest news from the Philippine house of Senate.

Where in fact we also have a pending bill at the house of Congress house bill 6312 declaring the 7 feasts of Leviticus a national holidays in the Philippines for the unity of all believers. Where in the world this is happening? So it’s more fun doing Torah in the Philippines.

#### EXPLANATORY NOTE

The Philippines remains the bastion of Christianity in Asia and despite the various denominations of the Christian faith in our country, it has adhered to the teachings of the Holy Scriptures, the Bible. The Holy Bible (Old and New Testaments) is accepted as the inspired, infallible and revealed word of the Almighty God.

The Holy Bible tells us in the Book of Leviticus, Chapter 23 to celebrate the Feasts of the Lord. These Feasts are not Jewish Feasts, but as clearly stated in the Scriptures, they are set apart as the Lord's Feasts, His appointed times. The Almighty God called His Feasts, holy convocations which are to be observed in all generations. These Feasts are: 1) Feast of the Passover, 2) Feast of Unleavened Bread, 3) Feast of First Fruits or Resurrection, 4) Feast of Pentecost, 5) Feast of Trumpets, 6) Feast of Atonement, and 7) Feast of Tabernacles.

These appointed times were designed by the Almighty God as a way of making His redemptive plan known to mankind. Each of these holy convocations conveys a profound message pointing to the death, burial, resurrection and the second coming of our Lord Jesus, our Messiah.

Our nation is already observing the first three Feasts namely, Passover, Unleavened Bread and First Fruits or Resurrection during the Lenten Season although the date of celebration does not exactly coincide with the date these Feasts are celebrated on the Biblical calendar. This bill seeks to align the celebration of these first three Feasts with the date they occurred in the Bible. As all of these Feasts are ordained in the Holy Scriptures, the recognition of the remaining four Feasts, namely: Feast of Pentecost; Feast of Trumpets; Feast of Atonement; and the Feast of Tabernacles as national holiday would be in complete reverence and obedience to the words of our Almighty God.

The Feast of Pentecost commemorates the giving of the Ten Commandments at Mt. Sinai (Exodus 24) and the day of the outpouring of the Holy Spirit to the believers of the Messiah in the Book of Acts Chapter 2;

The Feast of Trumpets can be found in the Book of Leviticus, 23:24 where the blowing of the trumpets was ordained to commemorate the creation of the universe, the earth and of all mankind by the Almighty God as the King and Creator.

The Feast of Atonement is a national day of repentance that is observed thru confession of sins, fasting and prayer (Leviticus 23:26); and

The Feast of Tabernacles celebrates God's faithfulness and compassion for His people. It is observed by building a tent or sukkah, a reminder of God's provision and care, a symbol that we are temporary dwellers here on earth (Leviticus 23:42);

The Almighty God promises blessings to those who are careful to observe His commandments and the observance of these Feasts is a humble expression of our obedience and submission to the will of our Almighty God which will strengthen our faith in Him.

The celebration of these Feasts shall be in accordance with the Biblical calendar as follows: Feast of Passover on the 14<sup>th</sup> day of the First Month; the Feast of Unleavened Bread on the 15<sup>th</sup> and 22<sup>nd</sup> days of the First Month; Feast of First Fruits on the 16<sup>th</sup> day of the First Month; Feast of Pentecost on the 6<sup>th</sup> day of the Third month; Feast of Trumpets on the 1<sup>st</sup> day of the Seventh month; Feast of Atonement on the 10<sup>th</sup> day of the Seventh month; and the Feast of Tabernacles on the 15<sup>th</sup> and 22<sup>nd</sup> days of the Seventh month of the Biblical calendar.

This bill also seeks to enhance our awareness of the Judeo-Christian contribution in national development.

In view of the foregoing, the approval of this bill is most earnestly requested.

Our brethren at the Philippine House of Congress are still fighting for it. Our ministry is fighting for it by spreading the awareness of it among the Torah communities as well as among the different Christian groups around the country, especially in the greater Manila area.

In fact, on August 21, we are conducting a seminar for the public in the Manila area regarding this campaign for house bill 6312. Right now Joseph Dumond is helping us for the ads campaign in Facebook for this event, so we can gather more people to respond.

Since last year 2017 till now we are constantly on the advancing mode non-stop praying and working for the materialization of this vision, that is to proclaim the torah among the filipino people who live across the islands.

There are three major islands in the Philippines, Luzon, Visayas and Mindanao. Since 2006 to 2015 our ministry was just focusing on Islands of Luzon more particularly in the cities Manila Laguna, cavite and nueva ecija such as Cabanatuan.

To date, we have like 18 congregational partners in several cities in southern and northern Luzon. These congregations are our friends and brothers, Keeping the biblical 7<sup>th</sup> day sabbath and the annual 7 festivals of YHVH. Our God is great. Joseph Dumond had witnessed the commissioning of the pastors leaders last Pesach 2018 conference who from a formerly Pentecostal Sunday keeping background but now are into the torah. In the said conference we all agree that Joseph Dumond of sightedmoon.com will be our official prophecy expert consultant, that means we follow his teachings on the sabbatical and jubilee year cycle and its implication in end times prophecies.

Since the l

om.

Our father YHVH led me to bring brother Joseph Dumond in Mindanao for the first time. Now the torah work has begun there. I remember that time when Joseph Dumond was teaching about the curses for disobeying the sabbatical years, there was an earthquake as he spoke that hit Davao at that time. A confirmation from YHVH? <http://news.abs-cbn.com/news/04/05/18/magnitude-60-quake-strikes-off-davao-oriental>

Apostle Paul taught us a principle,

1Co 3:6 I have planted, Apollos watered, but God gave the increase.

1Co 3:7 So then neither is he who plants anything, nor he who waters, but God who gives the increase.

1Co 3:8 So he planting, and he watering, are one, and each one shall receive *his* own reward according to *his* own labor.

1Co 3:9 For of God we are fellow-workers, a field of God, and you are a building of God.

1Co 3:10 According to the grace of God which is given to me, as a wise master builder, I have laid the foundation, and another builds *on it*. But let every man be careful how he builds *on it*.

1Co 3:11 For any other foundation can no one lay than the *one* being laid, who is Jesus Christ.

1Co 3:12 And if anyone builds on this foundation gold, silver, precious stones, wood, hay, stubble,

1Co 3:13 each one's work shall be revealed. For the Day shall declare *it*, because it shall be revealed by fire; and the fire shall try each one's work as to what kind it is.

1Co 3:14 If anyone's work which he built remains, he shall receive a reward.

The above verses are self-explanatory, Joseph Dumond help us planted the seed there in Davao with the hungry people for the truth, I watered it by following up on them with more teachings, I have two trips already in Mindanao but it's all worth it. Some of you reading now have supported sightedmoon financially by donating and sightedmoon in return supported the expenses that was incurred during these torah missions trips in Mindanao as well as Visayas Islands.

Last feast of Pentecost the event was successful, hundreds of souls from different Christian groups had celebrated the feast of Shavuot for the first time in their lives. Please see the Philippine feast of Shavuot report below;

#### How All of Us Can Serve

In my recent 3 week torah mission trips just these month of July, we covered the area of Bohol Islands, notice the brethren there are kneeling down after they heard the message of the seven (7) feast of YHVH.

A group of Seventh day Adventist believers wanting to learn about Joseph Dumond teachings on his book the sabbatical years. After the whole day seminar, they had decided they are going to keep the coming fall feast in September according to the sightedmoon calendar. HalleluYah ! YHVH never let us down. He is always encouraging us that there are people in the islands in the Philippine just waiting for the truth of torah to reach to them. And I in partnership with Joseph Dumond and sightedmoon, we will be bring the torah to them. If we don't do this, YHVH will call somebody else. So, indeed this is indeed the purpose why YHVH had called us, for such as a time like this, together we can make this happen for the will of the Father to be accomplish in this part of the globe. It's not about me or Joseph but It's about Him YHVH who had given us the task of this wonderful work of bringing the torah in this final days. It seems YHVH is in a hurry. I can sense it, really.

We also covered the tribal Christians mountain tribes of Bukidnon not far from Cagayan De Oro city.

<https://www.youtube.com/watch?v=ZKrf80BW7M>

We've also touch based with the greater ministerial pastoral groups there in Bukidnon.

In fact just yesterday I received a confirmation from Pastor Bernard of Bukidnon that the ministerial leaders have approved me as the guest bible lecturer for their September 11 thanksgiving celebration which happens to be the time of the feast of Trumpets. So I'm carefully planning my next trip now. I can foresee that for the first time in my life, I have to be absent from my home congregation MLTC during the coming fall feasts, be away for the sake of teaching other groups to celebrate the

appointed times of YHVH which a crucial point in our desire to teach torah to the masses of filipino believers. That's okay

Thus, we can see the hand of YHVH working behind the scenes to accomplished His will upon the filipino people so that our country will one day be declared by Yeshua in His second coming.... A sheep nation , an obedient one, obeying the holy appointed feasts of Leviticus 23. HalleluYah !

Mat 25:31 But when the Son of Man comes in His glory, and all the holy angels with Him, then He shall sit on the throne of His glory.

Mat 25:32 And all nations shall be gathered before Him. And He shall separate them from one another, as a shepherd divides the sheep from the goats.

**Mat 25:33** And indeed *He* shall set the sheep on His right hand, but the goats off the left.

Mat 25:34 Then the King shall say to those on His right *hand*, Come, blessed of My Father, inherit the kingdom prepared for you from *the* foundation of *the* world.

This is the mission that is not impossible. Amen !

P.S . I encourage you to continually support sightedmoon.com ministry financially by your heartfelt & willful donations. Sightedmoon has been supporting this work in the Philippines bringing about the torah to the masses of filipino believers. There are over 20 million born again believers in the Philippines. Doing torah missions costs money, plane tickets, hotel accommodations, venues and food for the participants, etc. You can understand that. We are volunteers here for YHVH. Please do pray for us as we pray for you as well. YHVH bless us all ! YHVH IS GREAT ! GADOL ADONAI !
