Shabbat Shalom to The Royal Family of Yehovah,

The 70 years Lie

We are getting reports of certain people teaching you about the 70 Years of Daniel and telling you it is the 70 years from the UN declaration of the nation of Israel in 1947. Let us look at some facts first.

In 1947 on November 29, the UN created the Partition Plan for Palestine.

The British administration was formalized by the League of Nations under the Palestine Mandate in 1923, as part of the Partitioning of the Ottoman Empire following World War I. The Mandate reaffirmed the 1917 British commitment to the Balfour Declaration, for the establishment in Palestine of a “National Home” for the Jewish people, with the prerogative to carry it out.

The Partition Plan, a four-part document attached to the resolution, provided for the termination of the Mandate, the progressive withdrawal of British armed forces and the delineation of boundaries between the two States and Jerusalem. Part I of the Plan stipulated that the Mandate would be terminated as soon as possible and the United Kingdom would withdraw no later than 1 August 1948. The new states would come into existence two months after the withdrawal, but no later than 1 October 1948. The Plan sought to address the conflicting objectives and claims of two competing movements, Palestinian nationalism and Jewish nationalism, or Zionism.

Immediately after adoption of the Resolution by the General Assembly, a civil war broke out and the plan was not implemented

The 1947–48 Civil War in Mandatory Palestine was the first phase of the 1948 Palestine war. It broke out after the General Assembly of the United Nations adopted a resolution on 29 November 1947 recommending the adoption of the Partition Plan for Palestine.

During the civil war, the Jewish and Arab communities of Palestine clashed (the latter supported by the Arab Liberation Army) while the British, who had the obligation to maintain order, organized their withdrawal and intervened only on an occasional basis.

When the British Mandate of Palestine expired on 14 May 1948, and with the Declaration of the Establishment of the State of Israel, the surrounding Arab states, Egypt, Transjordan, Iraq and Syria invaded what had just ceased to be Mandatory Palestine, and immediately attacked Israeli forces and several Jewish settlements. The conflict then turned into the 1948 Arab–Israeli War.

So here are the facts.

The infamous Balfour Declaration of 1917. Those putting fourth this lie use this declaration as one of their proofs.

Then we have the partition of 1947. Trouble is it is never implemented yet they count this date because it fits their theory.

In the Daniel Time line Lie has been around since about 2001. It is easily proven false and yet there are many who still hang on to it. You can watch it and see for yourself. I have personally spoken with those who created this teaching and they rejected what I presented to them one on one for 8 hours all in favor of their own teaching which is now proven false.

For those of you who may not yet know how to prove this teaching false, first read the 2016 book. We have one short chapter in there about this very thing.

The Daniel timeline uses the Balfour Declaration of 1917 and then they add 50 years or one Jubilee cycle to get 1967 and the six day war. As you all now know one Jubilee cycle is not 50 years. It is 49 years with the 50th year being the first year in the next count. It is the exact some way you do the counting of the Omer. Count 7 Sabbath and the 50th day is the day after the 49th day or the 7th Sabbath. And this day is Sunday, the 1st day of the week.

The Jubilee years are done the same way. Counting 7 Sabbatical years for a total of 49 and the year after the 7th Sabbatical year is the 50th year and it too is the first year in the next count to 50.

We show you in the book how to prove this beyond all doubts. And I am pleased to know many of you now know this.

In the Daniel Timeline lie they then add another 50 years to the 1967 war and they arrive at 2017 as the next Jubilee year. Then by divine utterance they declare that 2017 is the start of the 7th Millennium. And they prove this by saying "that it just has to be".

Now to this rhetoric they now add the following; from the Partition of the UN on November 29, 1947, if you then add the 70 years of Daniel for a generation, this brings you to 2017. They have assumed a generation to be 70 years. Many Rapture theorist used to believe a generation was 40 years and expected the rapture to take place in 1988, which is 40 years after 1948 when Israel Independence was declared. They were wrong then and they are wrong now again.

But facts and being wrong never stopped a good teaching about when the Messiah would come.

These same teachers used to teach that the 7 years of tribulation began in 2010. They also said that the first 3 1/2 years were going to be not too bad but the last 3 1/2 years was the Great Tribulation. When that time came in 2014, I was out there shouting out what they had said then showing them to be wrong. Have you enjoyed these last 3 1/2 years of The Great Tribulation. Well actually there hasn't been one.

Then they changed their positions to the 7 years of tribulation begin in the 7th millennium which begins in 2017. But that did not fit with their teaching on the 70 years when they applied it to when Israel became a Nation in 1948. So now the 7th Millennium begins in 2018.

All of you who have read the Remembering the Sabbatical year of 2016, can easily prove these people as false teachers. Even those who have watched the curses video just one time can prove these people as false teachers. Each of you knows of about 31 historical and biblical facts that prove when each and every Sabbatical and Jubilee year was throughout history. Each of you can now prove that. You do not need me to tell you. If you cannot do this then get the book now.

To add insult to all of this, these teachers claim that 2017 is the Jubilee year. Let's just say they are right. Why were not one of them telling people to keep the 49th year, which according to their own logic would have been 2016; why did they not keep it holy? They want to keep 2017 as the Jubilee year but they will not keep the 49th year holy before it. Again they are false teachers and you should not be listening to anything they say. If you are, then no wonder you're all mixed up now. Stop listening to them.

Johnathan Cahn claimed that the Shemitah year was from Rosh Hashanah 2015 to Rosh Hashanah 2016. Nothing happened. No stock market crash as he claimed. He has also said and I get confused by the various and different things he now says, that from the Day of Atonement in the year 2016 to the Day of Atonement 2017 is the Jubilee year. Others are saying this fall begins the Jubilee year. Again they are all guessing and grasping at straws having never sat down and looked at the facts. The same facts that all of you have at your disposal.

But did any of these leaders keep the Year of Rest for the 49th year or the 50th year as they all claim 2015-2016-2017 to be? Did any of them tell you to let the land rest? Did any of them blow the shofar across the land on the Day of Atonement in the Jubilee year? Did any of them forgive the debts or tell you to forgive the debts? Did any of them look after the widows and the orphans in the 6th year? Did any of them tell you to read the Torah at Sukkot in 2015 or 2016 or 2017 depending on what theory they are clinging to? Not one of them has said any of these things. No they just cooked up the hype recipe to get you all wound up. They did not do this to get you to obey Yehovah.

OK so they are the Messianic and Hebrew Roots teachers.

Now take a look at what the Rapture people are teaching. And they will not obey Yehovah, not keep His Sabbaths of Holy Days of Sabbatical years, but they will reckon them in their theories.

Many are getting hyped up on what is taking place with Jupiter in the constellation of Virgo starting in November 23, 2016 going until Sept 23 2017. Indeed it is very interesting. This video below was made in 2013. I do not know who the maker is, but he is a believer in the Rapture lie. Watch this video. It has some very interesting things.

**Daniel's Timeline! The Tribulation has Begun...**

Is the election of Donald Trump on November 8, 2016 connected to the planet Jupiter enter the womb of Virgo? Is the gestation period of 42 weeks later on Sept 23, 2017 and Rosh Hashanah have any significance at all? What is the barley is early and the fall Holy Days are a month early? Does this mean the event predicted in a premature birth? Are you able to see through this one?

Mat 24:24 For false Christs and false prophets will arise and show great signs and wonders; so much so that, if *it were* possible, they would deceive even the elect. 25 Behold, I have told you beforehand.

Brethren you have been warned by Yehshua Himself. You must understand and be able to prove the Sabbatical and Jubilee years in order to know and show these false teachers the lies they are spewing out. Otherwise you too will be if possible deceived as well as them.

Here is something to remember.

2017 is the start of the 4th curse of Lev 26. The curse of the war, famine and pestilence. We have the Temple Mount people getting ready to start sacrificing again. We have a new President who could start a war soon with all his rhetoric.

We are saying that indeed the USA will be at war by 2020 and will lose that war. We are saying that because of the proper understanding of Daniel's 70 weeks or 70 Jubilee cycles that in the

middle of the 70th one which is 2020, that then the 2300 days of Hell begin when the saints will be slaughtered for 6 1/4 years.

So here is the danger to all of these Daniel Timeline lies. When the wars do begin in 2020, when Europe invades the Middle East in 2019, then these people will think they are about to be raptured and the great tribulation begins. If they survive until the end of that 3 1/2 years which for them would be 2023 and they are still being hunted and killed and the Messiah has not come and they are not raptured ..... then what will they do? They most likely will lose all faith altogether.

Luk 18:8 I say to you that He will avenge them speedily. Yet when the Son of Man comes, shall He find faith on the earth?

Brethren, do not believe anything I tell you. But instead prove everything I say to be true or false. Prove the Sabbatical and Jubilee years so that when you hear teachings like the Daniel Timeline and those who continue to push it, you can know they are false teachers. Prove these things so that when those who are hurt by these teachings seek counsel, you will be able to explain it to them from what you have learned.

Satan is not going to be locked away until the end of the 3 1/2 years of tribulation. That only comes after the two witnesses are killed. Do any of these teachers tell you where those two witnesses are now? They have to do a work for 3 1/2 years before the tribulation. So where are they? Oops did we forget about them in all of this hoopla and balderdash?

The two Witnesses do not begin to work until the end of the 2300 Days or 6 1/4 years during which the 12 tribes are hunted and killed until there is just a remnant left. Those 2300 Days begin when the Covenant made with many ends in the middle of the 70th Jubilee. The one we are in right now. That middle is 2020, just 3 years from now.

So in 4 years you will know whether or not I am a false teacher. Trouble is you need to make some life or death decisions before that time. If you have not proven these things, then you have already made your decision on life for you and your family.
