Shabbat Shalom Family,

Announcements

We again remind you that for Sukkot we will be traveling to Manila, Philippines to teach this great subject on the Sabbatical and Jubilee years.

This is going to be different than any other teaching I have done. Arrangements have already been made for us to teach this to Parliamentarians, Celebrities, Senator and Military personnel. This is on top of teaching these things to the Brethren. What is going on in the Philippines is unbelievable.

It reminds me of the parable in Matthew of the invitation to the wedding being taken from Israel and given to others who value it more than Israel did. They hunger for these truths, do you?

Keep us in your prayers. You can get the daily Typhoon reports at this link. <http://weather.com.ph/news/weatherphilippines-daily-graphical-satellite-analysis-from-4pm-sep-08-until-4pm-sep-09-2015>

We have not heard anymore from Africa for December, and are wondering if this is going to happen or not.

But we are also considering hosting our own event in Toronto, Canada this November. If this is of interest to you then please write us so we can get an idea on how many are interested in coming. Thank you.

Myerstown, PA.

Last weekend we traveled to Myerstown, PA to share our message. James Relf traveled with me and Mitch & Krista Houston came from Kansas to join us along with Greg Cronkite. We had also many other good friends come and listen to our teachings.

We also did a special radio broadcast that was to air this week on Lamb Radio and Hebrew Nations Radio. But both stations failed to enter the show in our time slot. Disappointing, to say the least.

There were many things that took place at the meeting itself. I again want to thank Margaret & Larry Umble and Susan Loose for all the work that went into preparing this event and arranging for us to come. Why, Susan, why?

Margaret has written a report of this weekend. As odd as this may sound to some, it is not unfamiliar to us to hear. The opposition to this message is very strong and we see it many times in many ways.

So let me share with you what Margaret has to say about this weekend and our message. Before I arrived she struggled to understand it. So Friday night I sat with her one-on-one and she now understands it and sees the importance of everyone hearing this message. So get the DVDs and watch them and read the books to learn the details.

The weekend that we were working on and looking forward to for so long is over. It was an amazing weekend of learning new things and deep conviction. I know our fellowship is going to need to do some evaluating of some of our practices. We have, for the sake of comfort, and probably out of pure laziness, simply followed the Jewish calendar for the feast days without making the effort to explore where they get their dates and why. There are some very good reasons for the 'why', but everything we do must, in the end, be evaluated by Torah. We do not want to get mixed up in the constant calendar controversies, but being aware of Yehovah's instructions is incredibly important and must be followed. It is kind of strange that I even zero in on this issue since that was not the major theme of Joseph Dumond's teaching for the weekend! Just proof that if the teacher is in tune with Yehovah, the hearers will hear what Yehovah is saying, no matter what he thinks he is saying.

Preparing for this weekend in our community was a rough road for me. I knew Joe had wanted to come for a number of years, and I just never felt the time was right or had the time and energy to facilitate it. A few months ago I felt strongly urged by Yehovah that this is the time. My life seemed to have room in it to do the work required to make it happen. Let me just say that, while I strongly encourage everyone to allow this brother to come and give the message Yehovah has given him, it is spiritually a dangerous thing to do. I cannot tell you the number of times I felt under attack in my spirit. I went through periods of feeling overwhelmed, discouraged, depressed and an enormous desire to cancel and give up. EVERY time I determined that in the morning I will message Joe and tell him it is just not going to work, I would get up in the morning and there would be something that would clearly be a message from Yehovah that this MUST go on. One of those times, Joe had made mention of the

conference on Facebook. I saw it, and right on that post I admitted that I just did not see how this was going to happen. We had just sold our business property and I was totally overwhelmed by the work that needed to be done to totally get moved out of that property. VERY soon, a dear sister also posted and said "I'll help! Just tell me what you need!" I KNEW Father was talking! So I contacted her and dumped all the things that had been overwhelming me on her. She immediately went to work and within days, the mountains I could not cross were finished. Discouragement did not end there. Registrations were slow coming in, which, having been part of organizing other conferences, I knew was normal, but HaSatan used it as a form of discouragement. In the lowest times, I would get up in the morning and there was either a phone call or email message from people wanting to register. None of this in itself is unusual, but I was very aware of a war going on. Yehovah was passionate about seeing this conference happen and HaSatan was equally passionate to see it stopped. Because we trust the actions of Yehovah, it was not stopped and we saw great things happen.

In our Fellowship and Torah Bible Studies we have some women whose spouses are not on board with their walk at all. This is very difficult and is a constant prayer issue for us. Saturday night after the sessions of the day were over and we were relaxing in the living room, I got messages from two of these women within minutes of each other. Both of them had been able to share a few things from the day with their husbands and both husbands expressed an interest in coming the next day. This was unheard of! I was totally amazed. The next morning neither of them actually came. One stayed home to read the books. That was fine. Just the fact that they listened and expressed interest showed us that Yehovah was indeed working miracles in this weekend.

I do believe the message the Father has given Joe is urgent. I urge others to follow the Father's leading to bring Joe into your community. If that is not what you can or should do, at least share the books and videos with everyone you can. The church is being strongly encouraged to watch for the rapture right now. When the actions of judgement are poured out around them, they will be very disillusioned and will lose trust in their pastors. Share the truth with those around you.

Our Mail this week

Here are a number of emails that have come in this week.

Joseph,

I have been listening to your message for a couple of years now. Though I didn't always agree with everything you said, I appreciated your getting the information out about the Sabbatical and Jubilee years. My family and I will indeed be keeping Shemittah from Aviv 2016 to Aviv 2017.

However, in view of the content of your recent newsletter, (in your own words below) I feel I cannot listen to you anymore, as you are going down a wrong road and teaching others to follow you there.

You said in your newsletter The Wall Street Waltz, Aug. 22, 2015: *In preparations for this event, we feel strongly the need to set up headquarters in Jerusalem. We need to get going on this*

right away. We have a few widows and others sending in what they can from time to time, but we do not have all of you doing this week in and week out while we now have the time to do so.

We need people and financial support to do this. A building large enough to house people and businesses of this end time message will be in the millions. We need help to do this.

... We intend to do the same in this building project. If you do not invest in the future of your family such as a headquarters in Jerusalem then how could you expect to go there when you need to escape what is coming. It is time to think about the real facts that we present to you week in and week out. Weigh what we say and consider how much could be done with the many of you versus individually doing it by yourself.

The Jews bought the land from the Arabs starting in 1840 up to 1948. Is Ephraim going to do the same or think only of themselves like prophecy says they do, spending all their inheritance on false gods.

Help us invest in a headquarters in Jerusalem. Invest in a work that is working for the Kingdom of Yehovah.

No! This is being done in the spirit of Hagar! When Abraham took matters into his own hands to get himself an heir instead of waiting for YHWH to move according to His promise. You are trying to get Ephraim to “get to Israel” under their own power instead of waiting for YHWH to gather us and bring us to the land.

Eze_36:24 For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land.

Eze_37:21 And say unto them, Thus saith YHWH Elohim; Behold, I will take the children of Israel from among the heathen, whither they be gone, and will gather them on every side, and bring them into their own land:

This is not for us to do under our own power as other “Zionist” pushers like Monte Judah would tell us, as the abominable new temple is about to go up. We should not do this without it being the work of Messiah. What you are doing is furthering hasatan’s agenda, not YHWH’s. To see you in this camp is so disappointing. It hurts to admit it, but you are after all just another false teacher.

Sincerely,

Gina Schubbe

Our desire to have a headquarters in Jerusalem in which the brethren could stay and tour the land has not changed. We have now asked twice for this. We will not ask again. In the years that are coming, I have no idea what most of you are going to do. I do know what I am going to be doing.

You are commanded to go up to Jerusalem three times a year. Where do you stay? You spend your money on a hotel that you could have used to help support our own place. You

need to be in Jerusalem to be protected from what is coming. You need to be in Jerusalem to flee from Jerusalem into the wilderness. The Torah tells you what to do. Christian lies and misunderstandings keep us from doing anything to build the Kingdom. Sorry, I am not going to wait to be captured and tortured. I will do as Torah says to do.

Hello,

I am new to your site. I was researching some scripture and came across your website, which appears to be very thorough and informative.

However, I am a Christian. My lineage is Jewish (non-practicing) on my mother's side but I've always been very interested in learning more and more about this part of my history and about faith in general.

I must say that your site appears to assume a great deal of hate is aimed at Jews by Christians and, worse yet, the sentiment seems like it is being reciprocated, per the many hateful comments toward and about Christians on your site.

Why do you, personally, hate Christians?

Why do you assume all Christians hate all Jews?

Why do you assume all Jews hate all Christians?

Although we differ on the Messiah (somewhat), most of my beliefs are very similar to yours. And even if you disagree with me and even if it all comes to pass in a way that NO ONE RELIGION got completely right, I do know that Jesus taught LOVE, ACCEPTANCE, TOLERANCE and FAITH.

That is what I practice as a Christian woman. I am humble enough to know I do not have all the answers. And perhaps, just perhaps... neither do you.

Admitting I do not have all the answers does not alter or impede my faith – but it does make me more loving and tolerant of all people, regardless of their beliefs.

I cannot believe that our God is a hateful entity who would accept your dissemination of more hatred and intolerance, no matter how small. I've listened to John Hagee – he doesn't "hate" Jews. He doesn't believe that Jews are going to be "destroyed" after the Rapture. He is very INCLUSIONARY and GRATEFUL to Jews and the Jewish Faith.

Even beyond Christians and Jews, we are all brothers and sisters and we were ALL created by God. Some have come a little farther, spiritually speaking, than others and persecuting Jews (or any person) for their faith will NOT (I believe) get you into the Rapture club.

Perhaps you feel that your hate isn't on the same level as the Muslim extremists who are intent on wiping all Jews (and Christians and just about everyone on Earth except themselves) out, but hate is hate. Intolerance is intolerance. Fear is fear. And none of these are what I believe God intended for us to live with, in or on.

Just one reader's feedback: Love more. Forgive more than that. And fear ONLY God, not the beliefs of your fellow brothers and sisters on planet Earth.

Stephanie Spomergot

There is not much I can say to this, although I tried. Some people really need to read what I say and not what they think I say.

I got a bone to pick with you over your newsletter. You say women just don't understand how men are wired. I say vice versa. As head of house as Yah ordained, the man is responsible for setting up a happy environment where his woman feels loved and nurtured and not controlled or abused in any way, including verbally. If a man uplifts his woman all the time and she feels appreciated and treasured, then she will respond and he will get just about all the sex he wants. It does not work the other way Joe, that a woman gives her man his sex and then she will get all she wants from him. Just the mere fact that the man is head of the house and the spiritual leader attests to this. It is HIS responsibility to see that his house is healthy and happy.

BH

Last weeks News Letter was from one point only. That point is from a man's perspective. It comes as result of conversations I had with people the week before. I was not writing about women, but I was writing about men and how they think in an effort to help women understand men. When I figure out women, I will write about them. After 58 years, I have not got it figured out yet, at least not well enough to write about it.

I just read your transcribed teaching about sex addiction. Thank you for this very frank and well presented testimony of your own personal story. I am very interested to see that you came by way of sexaholics anonymous. I too have had some dealings with ACOA or ACA, which is the children of alcoholics. I personally was not the child of an alcoholic but as the wording of the program declares, if you identify with the problem, you are in the right place. I was depressed, isolated, feared men and was definitely suicidal. This was many years ago. This wonderful program and the few people who gathered to talk openly about their personal stories and history were the reason I was able to even get “to square one” from which I was able to look more closely at “Christianity” and move on from there. I had a sad history of death, neglect and betrayal. After the death of my mother (when I was 16), my father married a Catholic who hated me and I was rejected from the love and care of my family. I carved my own path in the world from then on. There were times that I sold my body to pay my way. Being arty and an outside the box thinker, morality was not my top priority! I did not experience the worst depravities, but I saw it in other people’s lives, in which drugs began to play a part. I watched from close up how some were ruled by addictions and pimps. I am forever grateful that by the grace of God, I never turned to drugs. I appreciate your talk so much, because I too have always hated the “squeaky clean denial” mode of the average Christian. I was only able to tolerate “the church” at all, after the wonderful experience of the ACOA group and it’s mutual confession sessions. If only this openness could make it’s way into “the church.” (Ah, it actually HAS... in your teaching! But as a regular thing!) It is a sad reality that many men are hardly more than ravening wolves. I have often wondered about the secrets that they may be hiding, when talking to a preacher or church brother, My experience tells me that only those who are very VERY forthright about their sexual challenges are the ones who are truly trustworthy in a dark ally. I have a definite allergy to men who have secrets, who won’t address the issues. Once you have seen something of the dark side of life, one develops an instinct about people. And lets not forget, many women have secrets too. We may not have the problem to the same extent as men, but we are not immune to habitual sexual sin! When you read this teaching transcript, it is wonderful to see how you, our wonderful brother, have brought forthrightness and openness to a pulpit, and as you mention, the teaching has been read by so many. I can understand how this would offend many. Sadly, probably the same people who probably need to see it, hear it and take a long hard look at themselves. Anyhow, I really just wanted to voice my own gratitude for your bravery and openness. Thank you brother! I do hope to meet you someday!

FBM

Thank you. This article has helped many abused and sexually addicted people come to face their own demons and to take action on them. Teshuvah, return to Yehovah.

Rosh Hashanah and The Rapture

This Sabbath according to the sighted moon, it is the 27th day of Elul. There is a great deal of hype about the 29th of Elul which according to the Hebrew calendar is tomorrow Sunday Sept 13.

Sept 13 is the solar eclipse. You can view the details of it [at this link](#). This solar eclipse is only visible from South Africa.

But many will be saying this is taking place on Rosh Hashanah the first day of the Jewish year which will begin that evening at sunset.

Elul 29 for us on the crescent moon calendar is going to be on Monday evening Sept 14 or Tuesday day Sept 15. Monday evening the crescent has a very high degree of difficulty of being seen. It will be easily seen on Tuesday evening.

So which day is going to be the first day of the 7th month? Is it going to be Monday night and Tuesday day, or Tuesday night and Wednesday day? We just do not know.

Mat 24:36 But of that day and hour no one knows, no, not the angels of Heaven, but only My Father.

The day Yeshua is to come on is the same day He was born on. It is the day no one can know, the Day, Yom, of Shouting, Teruah. Yom Teruah, The Feast of Trumpets.

This day is celebrated for two days. Do you know why? Read this from Judaism 101.

Rosh Hashanah is celebrated as two days everywhere (in Israel and outside Israel), because it occurs on the first day of a month. Messengers were not dispatched on the holiday, so even people in Israel.

did not know whether a new moon had been observed,

and everybody celebrated two days. The practice was also maintained as a custom after the mathematical calendar was adopted.

That mathematical calendar began in 352 with Hillel.

Elul 29 is Sunday on the Hebrew Calendar.

Many say the Jubilee year now begins but they also say the Jubilee year is 2017 based on the Daniel Timeline. How can this be? Illogical.

Along with this group of people who only casually study the bible are those christian groups who do not and will not obey the Creator of the bible they say they study from. And it is this group that is saying the Rapture is going to take place on Sept 13, the day of Feast of Yom Teruah. The Feast they will not obey and keep. How ironic. What hypocrisy. It makes me sick.

They truly expect to be taken out before the blood moon on Sept 28, when they suppose the Jews are going to be attacked and destroyed at the start of Sukkot. And this blood moon is supposed to be a super nova blood moon. Oooohhhh, I am shaking in my boots.

To all those who are expecting to be Raptured this Sunday, if you truly do believe this, then please send me your money via Paypal right now before you go. You won't need it and I am not going with you and could sure use it to warn the rest of those left behind that you left

already. So please send it all to me tonight before you go or is your faith so shallow that you're going to hang on to it because you do not believe in your own false teachings?

If on the other hand you are still here on Tuesday and then want to begin to learn the truth and have had enough lies from your pastor, then read our News Letter and books and watch the videos. You will be shocked at what you're about to learn.

The Great Invasion of Prophetic History

The following is the NBC News report of the drowned little boy who's boat capsized off the Greek coast after fleeing Turkey.

But the truth of this story is not one who is escaping ISIS and running for their lives. No, the truth is that this family was seeking to come to Europe for economic gains and they drowned in the sea. It is still sad but it is not based on the notion that they were fleeing ISIS.

<http://dailycaller.com/2015/09/07/story-begins-to-unravel-about-drowned-syrian-boy/>

Now as we write, and for the past few months, the influx of Islamic so-called refugees has gone epidemic. Those places who at first wanted to help are now being attacked and have riots as more and more refugees flood those countries who are not able to deal with so many at one time.

Now Europe is opening wide the gates to these people, especially Germany and France. North America too is wanting to accept more and more. All of this because of the picture of a dead boy on the beach who died because His family tried to cheat and jump the line on immigration in an illegal way.

Where was the world last year? Where were their bleeding hearts and cries for justice and mercy and for extending help to the over 4,000 Yazidi women captured and systematically raped every day? Where was the outcry as girls as young as 9 were being raped over and over, and then had their vaginas reconstructed and sold again as virgins like cattle in some slave market? Where is the outcry for this?

No, the world did not come to the rescue of these women. But instead the world is going to stand up and be courageous and take in tens of thousands of these supposedly refugees who seem to be hell bent on making the nations they go to just as much a waste land as the lands from which they have come.

Many of the videos I see of these immigrants have one thing in common. The complete lack of women. Most of the videos have only men refugees. Where are all the women and children? It seems very strange. But not at all.

I have seen the pictures of an ISIS jihadist on one side and then the same person as a refugee claiming to be the victim, yet our liberal bleeding heart society does not get it.

We are witnessing the invasion of Europe on a mass scale.

Ask yourself some simple questions. Why are these people not fleeing to Muslim countries like the Gulf States? [The answer is here.](#)

Why have no Syrians fled to Russia? [Actually 182](#) of them did go through Russia on their way to Europe. Where are the long line-ups for these refugees to get into China?

Between 10 and 12 million Syrians have been displaced by the bloody civil war raging in their country. Most still remain within Syria's borders, but around four million have fled over the borders into neighboring countries, mostly Turkey, Jordan and Lebanon, and beyond.

Lebanon, which has 1.1 million Syrian refugees, shut her borders to the Syrians in June of last year. Jordan, host to another 630,000, followed suit in August last year, preventing more Syrians from abandoning their country.

□

By early August 2015, European states had received nearly 350,000 asylum applications from Syrians, nearly a third of whom applied to Germany for asylum. Another 65,000 have applied Sweden and 50,000 in Serbia. Hungary and Austria have received close to 19,000 applications each although that figure is likely to rise, while the UK is processing 7,030 applications, according to the United Nations Refugee Agency (UNHCR).

Yet amidst cries for Europe to do more, it has transpired that of the five wealthiest countries on the Arabian Peninsula, that is, Saudi Arabia, UAE, Qatar, Kuwait and Bahrain, not one has taken in a single refugee from Syria. Instead, they have argued that accepting large numbers of Syrians is a threat to their safety, as terrorists could be hiding within an influx of people. Sherif Elsayid-Ali, Amnesty International's Head of Refugee and Migrants' Rights, has slammed their inaction as "shameful".

What is going on in all of this?

Also note the Syrian war is not in Libya, nor any other North African country, and yet the boats are packed as they sail from Libya to Italy.

Germany just spent 6.6 Million to take in over 800,000 refugees by the end of 2015.

Since 2005 we have been speaking about this. In our News letters in 2009 we wrote about it. In *The Prophecies of Abraham* on pages 90-112 we again warn you of the awakening of Islam.

Gen 27:38 And Esau said to his father, Have you but one blessing, my father? Bless me, me also, my father. And Esau lifted up his voice and wept. 39 And Isaac his father answered and said to him, Behold! Your dwelling shall be of the fatness of the earth and of the dew of heaven from above. 40 And by your sword you shall live, and shall serve your brother. And it shall be when you shall have the dominion, you shall break his yoke from off your neck. 41 And Esau hated Jacob because of the blessing with which his father had blessed him. And Esau said in his heart, The days of mourning *for* my father are at hand. Then I will kill my brother Jacob.

We published *The Prophecies of Abraham* in March 2010. In February 2011 the Arab Spring

began across Africa and Middle East. Leaders loyal to the west fell and those loyal to the Muslim cause rose up to take their place.

We have repeatedly warned you of the words of Daniel.

Dan 11:36 And the king shall do according to his will. And he shall exalt and magnify himself above every god, and shall speak marvelous things against the God of gods, and shall prosper until the fury is fulfilled. For that which is decreed shall be done. 37 He will not regard the God of his fathers, nor the desire of women, nor regard any god. For he shall magnify himself above all. 38 But in his place he shall honor the god of forces; and a god whom his fathers did not know, he shall honor with gold and silver, and with precious stones and desirable things. 39 So he shall act in the fortresses of *the* strongholds with a strange god, whom he shall acknowledge. He shall multiply in glory, and he shall cause them to rule over many, and shall divide the land for a price. 40 And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships. 41 And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon. 42 And he shall stretch out his hand on the lands. And the land of Egypt shall not escape. 43 But he shall have power over the treasures of gold and silver, and over all the precious things of Egypt. And the Libyans and the Ethiopians *shall be* at his steps.

The god of forces is Mary and the god his fathers never knew is Islam.

This butting from the King of the South has not happened as of this writing. We are told of it in more detail in Daniel 8. Read it. Once this butting happens then the King of the North will attack him like a whirlwind.

Now that Germany has all these immigrants, its connections to the Middle East are growing stronger every day.

We also have told you about the prophecy of Joseph when he was in prison with the baker and cup bearer. The Cup bearer is The Catholic Church, and Baker is Al Baker the head of ISIS. We expect Baker to attack Rome and then reap the wrath of Europe and his execution. See our article, [The Pope and ISIS in Prophecy](#).

We have seen what Germany can do to the world twice now. We have seen the hatred they have for the Jews and now those who hate the Jews have joined with them and are being welcomed with open arms.

We remind you all once again of the prophecy found in Psalm 83.

Psa 83:1 *A Song. A Psalm of Asaph.* Keep not silence, O God; do not be speechless, and be not still, O God. 2 For lo, Your enemies roar; and those who hate You have lifted up their head. 3 They take shrewd counsel against Your people, and plot against Your hidden ones. 4 They have said, Come, and let us cut them off from *being* a nation, so that the name Israel may be remembered no more. 5 For with one heart they have plotted together; they have made a covenant against You— 6 the tents of Edom, and the Ishmaelites; of Moab, and the Hagarites; 7 Gebal, and Ammon, and Amalek; the Philistines with the people of Tyre 8 and Assyria has joined with them; they have helped the sons of Lot. Selah.

All of those mentioned are plainly Arab nations today. The one that stands out and the one that is not Arab at all is Assyria. We have gone into great detail to show you in a court of law that the modern nation of Assyria today is known as Germany. Watch our [video on Assyria](#) and learn more about where we are in these exciting and terrifying times.

More and more people are writing to me to tell me that I was right in everything I have been saying. The nightly news just keeps proving these teachings on the Sabbatical years true. That may be true, but it really does not matter. What matters is that you return to Yehovah and begin to obey Him by keeping the Sabbath and the Holy Days at the proper time, as well as the Sabbatical year again at the proper time. If you do not obey Him, then your worship is in vain and your family is going to be killed.

I know that is not the Christian way of grace, but it is the facts of your bible, nonetheless.

Look at the following list of hoopla Christianity is focusing on in expectation of the return of Jesus.

They are focused on;

- o ;the World Day of Prayer announced by the Pope Sept 1, 2015.
- o ;the anniversary of Sept 11 on Friday, 14 years after 9/11 and the last trading day before Rabbi Cahn's prediction.
- o ;the Prediction of Rabbi Cahn on Sept 13, Elul 29, the supposedly end of the Shmetah and the crash of the stock market.
- o ;Sept 13 a partial solar eclipse on The Jewish Feast day of Yom Teruah.
- o ;Sept 14th the markets open after Shmetah and Sept 15th the 70th Session of the UN General Assembly convenes.
- o ;Sept 17th is the Deadline on the Iran Nuclear Deal.
- o ;Sept 21 the Hajj to Mecca begins & UN National Day of Peace. (Peace Peace when there is no peace.)
- o ;Fall Equinox on Sept 23, also Yom Kippur on Jewish calendar. Pope to speak at

White House.

- o ;Pope address Joint Session of Congress Sept 24
- o ;Sept 25, Pope address United Nations and holds mass Madison Square Gardens.
- o ; Sept 28 is the final Super Blood Moon and the Feast of Tabernacles.
- o But while the Christian world watches and does nothing, you will all be keeping each of the Holy Days of Lev 23 at the proper time according to the sighted moon which will be reported this Monday or Tuesday Sept 14 or 15. Remember no man can know the day or the hour, so we patiently wait.
- o None of these things affect the prophecies Yehovah has revealed to you through the understanding of the Sabbatical and Jubilee years. You still have time to warn people about what is coming and to explain to them why. Do it each day during the Holy Day season. Make a point to share with someone or some group each day. Give them all time to get ready by Aviv 1, 2016. Send them to the videos. Sit with them and watch the videos together.
- o Time is no longer on our side. The Hunters are gathering, and soon they will begin the slaughter as Daniel 8 and Daniel 9 warn us about in the middle of the 120th Jubilee cycle and it lasts for 2,300 days. Are you ready? Have you repented before Yehovah? Is your name going to be found in the Book Of Life?

If you scroll down on my Facebook page you will see many videos about this mass immigration, and the beating and assaulting on women who are not Islamic. I will not post them here. It is time we all got educated in the real facts of life.
