Gen 3	Josh 8-9	Ps 4-6	Mat 5
--------------	-----------------	---------------	--------------

In Genesis 3 I find this so amazing. We have already been talking about this chapter in the previous studies. In particular last week where we compared the way Yahshua handled Satan's lies versus how Eve did. And even at Nehemiah's study in the park this subject came up. So I am pleased to share what I have come to understand on this subject.

I would like to share a study I did about the serpent at News letters 5843-021 The Serpent of the Garden of Eden and Witchcraft https://sightedmoon.com/sightedmoon_2015/?page_id=167

Joshua 8 He destroys Ai and the inhabitants of Bethel.

Joshua 9 He is tricked into making a covenant with the inhabitants of Gibeon

Mathew 5 beatitudes. There is so much that could be written on just this one subject and I have not had the time to do that this week. But again in our conversations with various people this subject did come up. So I would also like to share a study I have done on what it means to be meeked and to be a peacemaker. https://sightedmoon.com/sightedmoon_2015/?page_id=80
