Shabbat Shalom Brethren,

### WEEKLY UPDATES

This past weekend we went to visit one of the Church of God groups in Toronto. I was going to go to one of two possible places and was not sure which one I was going to get to. Circumstances prevailed and I was at the one Yehovah wanted me to attend this day.

They were having a meeting about Sukkot so I sat and listened while they organized for this. One of the things they wanted to do was develop a theme. After they had settled on

evangelizing they asked for any other comments before wrapping up. I felt my hand going up even as I told myself to be quiet and sit down. It was too late.

So I rebuked them for not evangelizing before, and how Mr. Armstrong (the founder) had worried about the 150,000 that had left and not the 150,000 that had stayed. (I have since been told that there are only 20,000 in all the various Churches of God now. Stunning, to say the least.) I told them how each person was to be doing this and not just the pastor. I told them they had to be willing to talk about the things everyone wants answers to and not to shy away from the prickly topics.

I then sat down, but the Pastor stood up and asked me to tell them more. I said I was a guest, but they asked and so I did. I explained to them where those 150,000 former members had gone and why; how my site alone was getting over 300 hits per day. Our stats are stunning when you consider how small we are. Last month for January we had over 181,000 hits or views. In fact we are now in the process of again expanding our web site to handle the increased traffic which has now caused the site to start to crash.

You can see our stats to your right on this page.

I told them a few more things and sat down.

The pastor then spoke on Evangelism and he was repeating the very things I had said except he was reading them from his notes. So today was a Ruach led day. After the sermon the pastor said we must talk, and then he went into some meetings.

The lady in front of me turned around and shrieked when she saw me. I was the very person she had been thinking about all week and she wanted to talk to me about the crescent moon and other things. And then there I was, she could not believe it.

Others kept coming up and telling me how much they are enjoying the things they are learning on my web site. They were doing this when the Pastor came out of his meetings and he heard them exclaiming the web site to others and talking about my books which I had now given to some of them. The pastor said can we meet and we agreed to meet on the Sunday the next day.

Another family was there from UCG, another church of God group and they too learned a number of things but are not allowed to talk about them at their group or they will be thrown out. WHAT A SHAME TO UCG. So I gave them the 2016 book to help them find the answers to the questions they had.

The meeting the next day was awesome. The Pastor was interested in the Sabbatical years, the Blood moons and the Crescent moon. He was impressed at the amount of information I had on all of this and the charts of the Sabbatical and Jubilee years. I also explained to him 2 Kings 19:29 and Daniel 9:24-27. And he sat back with stunned silence as he considered the facts that we are that generation that was to go through the tribulation and see the 7th Millennium come in.

There are many more things I would like to say but I cannot at this time. Each of you has a job to do, the same as I do. It is not all up to me. Each of you needs to once again talk to your Church of God brethren, your former Baptist or SDA and other denominational groups and let them know the things you understand. Buy them a copy of the book or DVD or get them to download the eBooks. You, YOU must let them know how close things are and how dangerous it is about to become. YOU must warn them of the coming sword. YOU MUST DO THIS. You are commanded to do this. Are you aware of this?

**Lev 5:1**And if a soul sins and hears the voice of swearing, and *is* a witness, and he has seen or known, if he does not tell it, then he shall bear his iniquity.

Lev 19:17You shall not hate your brother in your heart. You shall always rebuke your neighbor, and not allow sin on him.

1Jn 3:13Do not marvel, my brothers, if the world hates you. 14 We know that we have passed from death to life, because we love the brothers. He who does not love *his* brother abides in death. 15 Everyone hating his brother is a murderer. And you know that no murderer has everlasting life abiding in him. 16 By this we have known the love *of God*, because He laid down His life for us. And we ought to lay down *our* lives for the brothers.

Brethren if you see your brethren sinning you are commanded to speak up and let them know they are sinning. If they continue to sin then they will die. But their blood will be required at your expense because you witnessed it and you kept silent. By keeping silent you are showing that you HATE your brother and are guilty of murdering him even though you did not physically kill him.

Mat 5:20For I say to you that unless your righteousness shall exceed *that* of the scribes and Pharisees, you shall in no case enter into the kingdom of Heaven. 21You have heard that it was said to the ancients, “You shall not kill” –and, “Whoever shall kill shall be liable to the judgment.” 22But I say to you that whoever is angry with his brother without a cause shall be liable to the judgment. And whoever shall say to his brother, Raca, shall be liable to the Sanhedrin; but whoever shall say, Fool! shall be liable *to be thrown* into the fire of hell. 23 Therefore if you offer your gift on the altar, and there remember that your brother has anything against you, 24leave your gift there before the altar and go. First be reconciled to your brother, and then come and offer your gift.

Now in this present Sabbatical Cycle, Yehovah is removing the veil to many, many more people and brethren every day. People who just a few years ago were fighting against you.

As you watch these teachings on the Aleph Tav you will see Eric say how the curse on the house of Israel was removed after the 390 X 7 expired in 2010. That just so happened to be the start of this current Sabbatical cycle. We have said this same thing before in our teachings.

I have shared with you what just happened to me. And there is much more I want to say but cannot. This could lead us to share this message on TV to the world and to the leaders of the nations. It depends on you and your prayers and the efforts you put forth to share with other

COG or SDA or 7th Day Baptists and other denominations. What are you praying for? Please pray that our brethren who are dead asleep will soon wake up in time to prepare for the coming Sabbatical year and to understand the crescent moon and the timing of the Holy Days.

The Jews kept the Sabbath the same as many of you. These same Jews before and after WW II kept the Holy Days according to the Hebrew Calendar, the same as many of you do today. Why did Yehovah not protect them at that time, and why will He again not protect those of you keeping the same mistake they did? That is not keeping the Sabbatical year and not keeping the Holy Days at the appointed times according to the Barley being aviv and the crescent moon to begin the month.

It is time to wake them up. The sword is coming, and more and more are now seeing it. Speak up and warn your brethren. Give them the books and DVDs if you have to, but speak up and warn them. Otherwise they will die but you will be guilty of murdering them.

## **ERIKTOLOGY - ALEPH/BEYT**

gba

Yehovah is giving you the contents of the house. Last week we talked to you about the dreams Yehovah had for you. g is the transferring of those gifts. But these gifts go with blessings and curses. As you have done so it will be done to you. As you bless you will be blessed. As you curse you will be cursed.

What is coming out of your mouth? What do you do on a daily basis? Do you attack people and criticize them? Do you help people and bless them?

**Gal 6:7** Do not be deceived, God is not mocked. For whatever a man sows, that he also will reap.

Tares do not produce wheat, nor does wheat produce tares. Which one are you?

Pro 1:26I also will laugh at your trouble; I will mock when your fear comes; 27 when your fear comes as a wasting away, and your ruin comes like a tempest when trouble and pain come upon you. 28 Then they shall call upon me, and I will not answer; they shall seek me early, but they shall not find me; 29 instead they hated knowledge and did not choose the fear of Jehovah. 30 They would have none of my counsel; they despised all my correction, 31 and they shall eat the fruit of their own way, and be filled with their own desires. 32 For the turning away of the simple kills them, and the ease of fools destroys them. 33 But whoever listens to me shall dwell safely, and shall be quiet from fear of evil.

Pro 6:12A worthless person, a wicked man walks with a crooked mouth, 13 winking with his eyes, speaking with his feet, teaching with his fingers; 14 perversity *is* in his heart; he *is* always planning mischief; he causes fighting. 15 Therefore his calamity shall come suddenly; he is quickly broken, and there is no healing.

**Job 4:8**As I have seen, the ones who plow iniquity and sow wickedness reap the same.

**Hos 8:7**For they sow the wind, and they reap the whirlwind. It has no stalk; the bud shall yield no meal; if it does yield, strangers shall swallow it up.

**Hos 10:12**Sow to yourselves in righteousness, reap in mercy; break up your fallow ground. For *it is* time to seek Jehovah, until He comes and rains righteousness on you. 13 You have plowed wickedness; you have reaped iniquity; you have eaten the fruit of lies, because you trusted in your way, in the multitude of your mighty men.

Rom 2:4Or do you despise the riches of His kindness, and the forbearance and long-suffering, not knowing that the kindness of God leads you to repentance?

**Rom 2:5**But according to your hardness and your impenitent heart, do you treasure up wrath for yourself in a day of wrath and revelation of the righteous judgment of God, 6 who will render to each according to his works; 7 indeed to those who with patience *in* good work *are* seeking for glory, and honor, and incorruptibility, everlasting life. 8 But to those who indeed disobeying the truth *out* of self-seeking, and obeying unrighteousness, *will be* anger and wrath, 9 tribulation and anguish upon every soul of man who has worked out evil; of the Jew first, and also of the Greek. 10 But He *will give* glory, honor and peace to every man who works good, to *the* Jew first and also to *the* Greek.

**2Co 9:6**But *I say* this, He who sows sparingly shall also reap sparingly, and he who sows bountifully shall also reap bountifully.

A prophet is a Gimel g a sent one. Telling you to return to the a and to His b. The Gimel g gives you a choice. You can either return and reap blessings or continue down the path to your own destruction. Again you get to choose, this way or that way.

**Jer 2:14**“Is Israel a slave, or was he born a servant? Why then has he become plunder?”

Jer 2:16Also, people from Memphis and Tahpanhes have broken your skull. **17** Have you not brought this on yourself, in that you have forsaken Jehovah your God, when He led you by the way? **18** And now what is for you toward the way of Egypt, to drink the waters of Sihor? Or what for you toward Assyria, to drink the waters of the River? **19** Your own evil shall correct you, and your backslidings shall reprove you, therefore know and see that *it is* an evil and bitter *thing* that you have forsaken Jehovah your God, and that My fear *is* not in you, says the Lord Jehovah of Hosts.

**Jer 2:21**I planted you myself as a choice vine, from the very best seed. How did you turn against me into a degenerate and foreign vine?

Gimel g to repeat over and over. To learn in season and out of season. Either learning the pain of punishment or learning the blessing of obeying. Ever wonder why Judah has suffered pogroms and holocausts all these many times? Israel, the Ten Tribes are about to suffer their holocaust. You do not have to be a part of that. Again you get to choose.

It was Albert Einstein who gave us this quote on Insanity: doing the same thing over and over again and expecting different results.

We just had the Jewish Memorial of the Holocaust. The Jews kept the Sabbath each week from sunset to sunset. They also kept the Holy Days according to the Hebrew Calendar. They did not keep the Sabbatical years. And many of you do the exact same thing. You keep the Sabbath and Holy Days according to the Hebrew calendar and many of you also do not keep the Sabbatical years, exactly the same as they did.

So why did Yehovah not protect them? And why is He not going to protect you, or is He? Are you in danger of being destroyed as those Jewish people were? Is the fact that you know Yehshua the difference?

Be forewarned, (I am gimmelizing this message to you) if you do not keep the Moadim at the right time according to the Crescent moon calendar and if you do not keep the Sabbatical year in 2016, then you can expect the same things that happened to the Jews in WW II to happen to you.

## MY NOTES

The past few weeks I have been trying to convey to you the importance and great significance of the 22 Hebrew Letters, and how they can unlock many things of which we currently have little understanding.

For the past few weeks I was looking for this teaching about the resonance of each Hebrew letter and how when the letter was spoken, the sound waves would create the actual letter on a plate of sand through vibration.

Well, I have finally found the video done by Rico Cortes and I will share this ten minute video with you now.

[https://www.youtube.com/watch?v=BSguOxsh6\\_w](https://www.youtube.com/watch?v=BSguOxsh6_w)

In my research I have also come across the harp, which has 22 strings and each string resonates with one of the 22 letters of Hebrew Alpeh Tav. You can listen to this at this link here.

From time immemorial, the letters of the Hebrew alphabet (aleph-bet) were known to be more than just a means of communication. They show us sound and vibrations, they show us Chemistry, Physics, Your DNA, the chromosomes and Mathematics. Each letter itself represents deep significance, showing us the very essence of creation itself.

The format of Psalm 119 is an alphabetic acrostic, meaning that the first letters of each line in Hebrew follow through the alphabet, 8 lines per letter, thus 8 lines x 22 letters in Hebrew = 176 lines. One message of this psalm is that we are to live a lifestyle that demonstrates obedience to Jehovah, who is a God of order (hence the acrostic structure), not of chaos.

Israeli Olive Wood - Golden Brown wood with one of a kind grain patterns running through the wood. Built from very ancient trees, most are over 250 - 500 years old.

This is the longest chapter in the bible. I can only imagine what this psalm would have sounded like played on the 22 string harp.

There is a secret code within the Psalm. Some of the code is revealed in the Paleo words of the structure which you [can read here](#).

But to unravel that code you must understand the Sabbatical and Jubilee cycles.

Each letter of the Hebrew Aleph Tav is used for the start of each line 8 times per letter. It is my opinion that every 7th line is to be taken out and placed in separate section. You do this

with each letter as though you were counting the Sabbatical Years. I am still working on this. And have been able to glean some but not all that is contained and revealed by using the Sabbatical and Jubilee understanding to reveal the secret message.
