Shabbat Shalom Brethren,

ERIKTOLOGY - ALEPH/BEYT

The way you treat my Torah will be the way I treat you.

We brutalized the Aleph-Tav, we crucified the word, Yehshua and now we are going to be zayined, ravished and destroyed ourselves. The Zayin is right before the Chxet which is the door to the Tabernacle. This is much like the Cherubim standing at the gate to the Garden of Eden.

To behold the Aleph-Tav is to behold Yehovah's face.

Eric speaks of the Iron Chariots in section 2.

Jdg 1:19 And Jehovah was with Judah. And he took possession of the mountain. But he could not drive out those who lived in the valley, because they had chariots of iron.

lzrb which is the word for Iron or Brazil.

lZR from the red dictionary means mysteriously cheapen and disregarded and wasted. And the word for Chariots is bkr which means timid and to extinguish.

Eric wants you to notice the patterns

2Ch 28:22 And in the time of his distress he trespassed even more against Jehovah, this King Ahaz.

These kings are blessed and then the challenge comes. What is in their heart? Whatever is in their heart is going to come upon them in the test. Look what Ahaz did.

2Ch 28:23 For he sacrificed to the gods of Damascus who struck him. And he said, Because the gods of the kings of Syria helped them, I will sacrifice to them so that they may help me. But they were the ruin of him and of all Israel.

Yehovah blesses them and then He watches to see what they do next. Ahaz turned to other gods and this is after Yehovah had already blessed them.

These are zayin events outside the fence to test us. What will we do?

This same thing is coming now just before we get into the land. ISIS is coming and ISIS is the zayin. Will we turn to worship the god of Islam or remain faithful to Yehovah? That is the coming test here. That is the Zayin. It is the pattern.

What will you do? Will you cheapen your beliefs and cave into this mystery religion, disregarding the Torah and extinguishing the holy Spirit in you?

Pay close attention to this teaching. It is very profound.

The z is our weapon against our enemies. It is the 7th letter and it represents the Sabbath. By keeping the Sabbath, by keeping the Holy Days and the Sabbatical years, by resting on these days, they become our weapon against our enemies. The Sabbath is our sign with Yehovah. And He will destroy them.

The Aleph Tav is our Zayin. taz
