### ERIKTOLOGY - ALEPH/BEYT

This week we are looking at the letter Tet – f –the 9th letter of the Aleph Tav. It is also the first letter inside the Mishkan. With the way you use the Aleph Tav, with the way you use the words given to you, is how you will be blessed or cursed.

This shield and sword inside and the Zayin weapon outside the Curtain should cause you to stop and ponder

this deeply. Do you want your basket full, or are you going get bitten for the evil you have done and do? You get to choose. You always get to choose and you can choose to get off the endless circle of misery by turning back to Yehovah and repenting. You choose.

This week's teaching can be found [in part one](#) and here [in part two](#).
