## ERIKTOLOGY - ALEPH/BEYT

This week we are looking at the letter Yod –y -the 10th letter of the Aleph Tav.

This week's teaching can be found [in part one](#) and here [in part two](#).

I would like to point out the following to all those sacred namers. YHVH is the name of Yehovah. I say His name this way for a reason.

Jeremiah means Yehovah has uplifted. Notice the YE at the beginning of the name.

Jehoiakim-Yehovah has established.

Joseph- Yehovah will add to

When the yod- y- is at the beginning of the name it is pronounced YE. When the yod is at the end of a name as in Hallelujah, it is pronounce YA.
