Shabbat Shalom,

In just a couple of weeks it will be the start of Passover and the Days of Unleavened Bread. Are you ready? Have you begun your house cleaning, the cleaning of your car and places of work to remove the leaven? Leaven represents sin, and it is by doing this in real life that we learn how difficult it is to remove sin from *our* lives. It is work and it takes time. Once you remove that sin you do not bring it back into your life; nor do you bring the leavened products back into your home after the Days of Unleavened Bread are over. We must remove sin and *keep* it out.

We also wait for the announcement from Israel whether the new crescent moon has been seen or not. This year is going to be a very difficult sighting to do, as explained to us by Nehemiah Gordon in his latest posting. There are three possible dates for Passover – because of this I have not told you when the Holy Days will be, although many have written and asked. We just do not know yet. But, now we do know that the Barley is going to be Aviv in time for Passover, which is what we need in order to do the wave offering on the 1st Day.

Once again the words of Yeshua echo in our minds:

Mat 24:36 But of that day and hour no one knows, no, not the angels of Heaven, but only My Father.

Because of the many variables involved in determining the New Year (such as the barley, and now the actual sighting of the crescent moon for the first month, and then again we must sight the moon for the seventh month) it is impossible to know for certain when the Messiah is to come. But this, we who keep His Torah, do know: The Messiah is going to come as a thief in

the night on the 1st day of the seventh month, on the Feast of Trumpets, Yom Teruah, the day He was born on and the same day He will come again in the very near future.

The Blood Moons

There has been a great deal of talk generated about the Blood Moons that will be seen on the Holy Days of Passover and Sukkot in both 2014 and 2015. There is also a Solar Eclipse on Nisan 1 and a partial Eclipse on Tishri 1 in 2015.

Blood Moon Picture Date

We first began writing about these back in 2008 and our message regarding these is still correct. But there is more that you are not being told. Are you even aware of the fact that there are two more blood moons in 2016? As I was preparing for my upcoming speaking engagement in Ohio this coming Shavuot, I learned this truth but had to know if in fact these blood moons in 2014 actually fell on the High Holy Days of the sighted moon calendar, which I now know they do. On March 23, 2016 at Passover there will be a blood moon if the barley is ripe. And then there will be another blood moon on September 16, 2016 again, using this same calendar – a sighted crescent moon – which is the one we use.

These blood moons in 2016 are potentially there, depending on “**IF**” the Barley is ripe early in 2016. There is a high probability it will be. Nisan 14 (Passover) can fall on March 23, but the Jewish calendar sets Nisan 14 at April 22nd in 2016. How do we know this? Because the Jewish year 5776 (the Spring months of 2016 fall within the Jewish year 5776) happens to be the 19th year of the 19-year calendar cycle and is then, by Judaic definition, a leap year (the 13th month **must** be added). This forces the first month to begin one month later than it normally would. By using Yehovah’s calendar, we watch the barley to see if it is ripe enough to be ready to make the wave offering on the first day after the weekly Sabbath during the Day of Unleavened Bread.

But wait there is even more!!!

There is also a solar Eclipse on March 9, 2016 which would be Nisan 1 and again, another Solar Eclipse September 1, 2016 which will be Yom Teruah, the Feast of Trumpets.

We have been told over and over how rare a “tetrad” (a group of four) of blood moons are. And, in case you do not know, there have been just 7 tetrads since Yehshua’s time. But here now we have 6 blood moons on the High Holy Days in 2014, 2015 *and* 2016. And we have four solar eclipses as well. How rare is that?

You can check out the solar eclipses at [NASA](#). You can also check out the lunar blood moons at [NASA](#)

But now let us look at where these events will be seen, starting at the beginning at Passover 2014. The first of six – a [Lunar Eclipse on April 15](#) (Passover 2014) – will take place over most of North and South America. The areas shaded dark will not see it.

Then on October 8 is the second of six [Lunar](#)

Saros April 14 2016

[Eclipses](#) which occurs during Sukkot in 2014 and will take place over North America and Australia as well as parts of eastern Asia.

Then, on March 20, 2015 we have the first of

Saros Oct 8 2014

four [solar eclipses](#) that will occur just north of England and North Western Europe. This is then followed by the third Lunar Eclipse on April 4, 2015 which again, will be seen in North America, Australia and Eastern Asia.

This is then followed by our 2nd of 4 [Solar](#)

Saros APRIL 4 2015

[Eclipses](#) on September 13, 2015 which is over South Africa. Then on the heels of this Eclipse is our 4th Lunar Eclipse on September 28, 2015. This one is visible over North & South America as well as England and Western Europe and, for the first time, the land of Israel.

Saros Sept 28 2015

That was the Tetrad that Mark Biltz discovered; then John Hagee copied his work and wrote his own book about them, which has sold even more than Biltz’ book has. Both speculate that this could be the sign of the coming of the Messiah. For Christians, the Rapture occurs after 2015, then the Jews are going to be attacked and destroyed by the Russian army they call Gog and Magog.

The Messianic people who still are holding on to the Daniel Timeline lie believe this part to be the last 3-1/2 years. We have shown repeatedly in our teachings on the Sabbatical and Jubilee Cycles that both the rapture and the Daniel timeline are false teachings. So here we have Hagee, who does not follow nor obey Yehovah by keeping the Holy Days, the 7th day Sabbath nor the Sabbatical Years – and also we have Biltz, who does not keep the Sabbatical Year nor use the Aviv barley and sighted crescent moon calendar, but instead follows the Hebrew Calendar based on a calculated moon. Neither of them know what all these signs mean, nor that there are four more of them in 2016 – something we are about to show you.

Our third total Solar Eclipse on March 9, 2016 is over the Pacific, from Hawaii to Malaysia. This could be the start of the Sabbatical Year, when we *let the land rest* in 2016. If in fact, the barley is ripe and this is the first month of 2016, then Passover would fall on March 23, 2016. Again, the blood moon will be visible over North & South America as well as Australia, much of Asia and Russia. However, once again, the State of Israel will not see it.

This is followed by the 4th Solar Eclipse of

Saros March 23 2016

September 1, 2016 where it will again be over

South Africa. This would also be the Feast

of Trumpets once again; the first day of the 7th month. Sukkot would then begin on September 16, 2016, when we have our sixth Lunar Eclipse. This one will not be visible over North America but will be over Israel and Asia and Europe and Russia.

The Hebrew Calendar that Mark Biltz and Judah

Saros Sept 16 2016

use today is the one that only recently began to be used. It only came into wide use after the

11th century when Rabbi Maimonides, also known as the Rambam, wrote his *Mishneh* and all of Judah began to keep the Holy Days by “calculation” uniformly. Calculation is a form of determining far in advance when the Feasts would be scheduled, rather than waiting on the sighting of the New Crescent Moon to determine the months and thus, the Feasts of Yehovah. Using the sighted moon is the method that was used since creation and is documented throughout the Talmud, which was written in the 200’s C.E.

Later, in the 20th century, when groups began to return to Torah and began keeping the Holy Days, they just followed the Jewish example and used the calculated Hebrew calendar which Hillel wrote out around 352 B.C., which did not come into vogue again until Rabbi Maimonides stated so in the 11th Century.

However, the fact of the matter is that the *sighted crescent moon* has always been the method used. It requires two witnesses to begin the month and the barley to be almost ripe to begin the year. The calculations used by the Sanhedrin were there to double-check and cross reference the two witnesses that came to report they had definitely *sighted the new crescent moon*. The Talmud, the Mishneh and the Gemera all talk about the *sighting of the moon* to begin the month.

On top of this confusion, which began in the 11th century as far as the calendar is concerned, is the hatred towards the Jews by much of the Christians who claim over and over that “THE LAW WAS NAILED TO THE TREE AND WE NO LONGER HAVE TO KEEP IT.” Yet each and every time they want to understand prophecy they must go back to that same law they reject and consult it to try and figure out what is going on. The exact same way Pastor John Hagee and his followers have done, taking note that these blood moons fall on the “Jewish holy days” of Lev 23.

The Christians suspect and believe and even hope that these blood moons mean the “Rapture” is at hand and that it is the *Jews* who are about to be attacked and killed. In our newest book we show you, in great painstaking detail, how the 70 weeks and the 2300 days shows us and **proves beyond a doubt** that it is going to be the **Christians** who will be slaughtered and all but wiped out; and oh yes, many of the Jewish brethren as well. You need to get the book “The 2300 Days of Hell” and understand how we can say this with so much certainty.

These 6 blood moons and 4 solar eclipses that all occur on the High Holy Days found in Lev 23 are telling us something. But what are they truly telling us? They are NOT saying that the “rapture” is at hand; nor is it that the Daniel Timeline has finally, after many wrong dates, come true and the end is now really near.

We read in Lev 23 the following:

Lev 23:2 Speak to the sons of Israel and say to them, The feasts of Jehovah, which you shall proclaim, holy convocations, even these are My appointed feasts. 3 Six days shall work be done, but the seventh day *is* the sabbath of rest, a holy convocation. You shall not do any work. It *is* a sabbath to Jehovah in all your dwellings.

Lev 23:4 These *are* the appointed feasts of Jehovah, holy convocations which you shall proclaim in their appointed seasons.

They are not the “Jewish” Feasts or the “Messianic” Feasts. They are **Yehovah’s** Feasts! They belong to the Creator of the Universe and **He** is telling You to keep them **at their appointed seasons**. This word “seasons” is:

H4150 ????? ??? ????? mo??e?d mo??e?d mo??a?da?h *mo-ade’, mo-ade’, mo-awdaw’*

From H3259; properly an *appointment*, that is, a fixed *time* or season; specifically a *festival*; conventionally a *year*; by implication, an *assembly* (as convened for a definite purpose); technically the *congregation*; by extension, the *place of meeting*; also a *signal* (as appointed beforehand): – appointed (sign, time), (place of, solemn) assembly, congregation, (set, solemn) feast, (appointed, due) season, solemn (-ity), synagogue, (set) time (appointed).

Take a look at the H3259 word;

H3259 ??? ya??ad yaw-ad'

A primitive root; to *fix* upon (by agreement or appointment); by implication to *meet* (at a stated time), to *summon* (to trial), to *direct* (in a certain quarter or position), to *engage* (for marriage): – agree, (make an) appoint (-ment, a time), assemble (selves), betroth, gather (selves, together), meet (together), set (a time).

We are to meet for an appointment with Yehovah on these Holy Days, in their proper season, in the exact same way you cancel work for a doctor or dentist appointment. For Yehovah's appointed times, you are to cancel everything you have going on and make sure you attend that meeting, that appointment with the Creator of all things – Yehovah. And do not be late! The very first appointment Yehovah invites you to is the weekly Sabbath, and by keeping it, you learn about the 7th Millennial day of rest from the evil of Satan. It is the first one we are invited to keep. Christians talk about the 7th millennium and how it is the one of rest, yet the very thing that teaches them this, the weekly Saturday Sabbath, they will not keep.

Lev 23 goes on to list all the appointed times Yehovah instructs us to observe:

Lev 23:5 In the fourteenth *day* of the first month, between the evenings, is Jehovah's Passover, 6 and on the fifteenth day of the same month *is* the Feast of Unleavened *Bread* to Jehovah. You must eat unleavened *bread* seven days.

8 but you shall offer a fire offering to Jehovah seven days. In the seventh day *is* a holy convocation. You shall do no work of labor.

On the 14th day of the first month (the 14th having begun the evening before) Yehshua was killed at 3 PM – the exact same time the Passover lambs are killed. Why did Yehovah cause this to happen during His Holy Days? It was on the 15th day, at the Exodus, that the Death Angel "Passed Over" the Israelite homes, sparing them and killing all the firstborn of Egypt.

It was on the last day of Unleavened Bread that the Israelites crossed the Red Sea and the Egyptian army was destroyed. Again, why does Yehovah tell us to keep these appointed times and then we see *huge events* take place on them?

We are then told:

Lev 23:10 Speak to the sons of Israel and say to them, When you have come into the land which I give to you, and shall reap the harvest of it, then you shall bring a sheaf of the firstfruits of your harvest to the priest. 11 And he shall wave the sheaf before Jehovah to be received for you. On the next day after the sabbath the priest shall wave it.14 And you shall eat neither bread, nor parched grain, nor green ears, until the same day, until you have brought an offering to your God.

It shall be a statute forever throughout your generations in all your dwellings.

This is the first of two wave offerings. Why is Yehovah telling us to do this at a very specific time? It is because on this 1st day of the week, after the weekly Sabbath, after Yehshua had been in the grave for 3 days and 3 nights and then rose at the end of the Sabbath. He then

ascended to heaven at 9AM which was the time of this offering. He then took with Him those saints who had died in the faith up until this time. These are those who are part of the first resurrection that rose from the dead when Yehshua came back to life as Mathew says here:

Mat 27:51 And, behold! The veil of the temple was torn in two from top to bottom. And the earth quaked, and the rocks were sheared, 52 and the tombs were opened, and many bodies of the saints who had fallen asleep arose, 53 and coming out of the tomb after His resurrection *they* went into the holy city and appeared to many.

Once again a huge event took place on the very same day we are told to do something specific in Lev 23. We are told to keep these days Holy and to come together to worship Yehovah and learn about them. Those who do not keep them will not know what is going on and will be outside the loop when they do take place. All those who call themselves “Christian” and that feel they do not have to keep the law are going to be outside the loop and will, instead, be told:

Mat 7:22 Many will say to Me in that day, Lord! Lord! Did we not prophesy in Your name, and through Your name throw out demons, and through Your name do many wonderful works? 23 And then I will say to them I never knew you! Depart from Me, those working lawlessness! 24 Therefore whoever hears these sayings of Mine, and does them, I will liken him to a wise man who built his house on a rock.

It also says the same thing about the foolish virgins – that He never knew them. If you do not keep these appointments Yehovah says that *He does not know you!*

Mat 25:11 Afterwards the other virgins came also, saying, Lord, Lord, open to us. 12 But he answered and said, Truly I say to you, I do not know you.

We next read in Lev 23 of the command to keep Shavuot (Pentecost) and how to figure when it falls on the calendar:

Lev 23:15 And you shall count to you from the next day after the sabbath, from the day that you brought the sheaf of the wave offering; seven Sabbaths shall be complete. 16 To the next day after the seventh sabbath you shall number fifty days. And you shall offer a new food offering to Jehovah.

It was on the day of Pentecost that the Ten Commandments were given to Moses and the 12 tribes of Israel. It was given to all those who would choose to obey Yehovah. These are the rules that you must live by if you seek to live in His Kingdom. And it was on this very same Holy Day, *after* Yehshua had already been dead and resurrected; the very same Holy Day that Christians say was “nailed to the tree” when Jesus was killed; when, 50 days after the death of Yehshua, the Holy Spirit was given to the Apostles.

Once again we have Yehovah acting on His Holy Days that He has told us to keep. **If** they were nailed to the tree then why would the Apostles have kept them? **If** they had missed this

meeting they would have missed out on this miracle. But there is still more that is about to happen on this very special day. And if **you** do not keep it you will miss out on it.

Lev 23:17 You shall bring out of your homes two wave loaves of two-tenth parts. They shall be of fine flour. They shall be baked with leaven, firstfruits to Jehovah. 18 And you shall offer with the bread seven lambs without blemish of the first year, and one young bull, and two rams. They shall be *for* a burnt offering to Jehovah, with their food offering, and their drink offerings, a fire offering of sweet savor to Jehovah. 19 Then you shall sacrifice one he-goat for a sin offering, and two lambs of the first year for a sacrifice of peace offerings. 20 And the priest shall wave them with the bread of the firstfruits, a wave offering before Jehovah, with the two lambs. They shall be holy to Jehovah for the priest.

When Yehshua rose out of the grave at the first wave offering, He led those who had died in the faith of Yehovah with Him to heaven, including the thief on the tree who died alongside Him. This Feast of Pentecost represents the time when all of those who have died in the faith since this first wave offering will then be made to come alive and ascend to meet the Messiah in the clouds as Paul says.

1Co 15:50 And I say this, brothers, that flesh and blood cannot inherit *the* kingdom of God, nor does corruption inherit incorruption. 51 Behold, I speak a mystery to you; we shall not all fall asleep, but we shall all be changed; 52 in a moment, in a glance of an eye, at the last trumpet. For a trumpet shall sound, and the dead shall be raised incorruptible, and we shall all be changed. 53 For this corruptible must put on incorruption, and this mortal *must* put on immortality. 54 But when this corruptible shall put on incorruption, and when this mortal shall put on immortality, then will take place the word that is written, “Death is swallowed up in victory. 55 O death, where *is* your sting? O grave, where *is* your victory?” 56 The sting of death *is* sin, and the strength of sin *is* the Law.

This is the “rapture” that the Christians are looking for, but because they do not keep the Holy Days they will not take part in this rapture when it finally does take place. Pre, Mid or late? Again, all you have to do is keep the Holy Days to understand when. No, I am not going to tell you at this time. I have told you many times previously. Only those who keep the Holy Days can understand this. It is pointless trying to do so when you *do not* and *will not* keep these appointed times Yehovah has commanded you to keep.

Our next Holy Day on the calendar is the Feast of Trumpets, also known as the Feast of Yom Teruah – the Feast of Shouting. It is on this day, Sept 11 in 3 B.C., that Yehshua was born. On this day the Messiah came – thus, the command to **shout for joy!**

Lev 23:23 And Jehovah spoke to Moses, saying, 24 Speak to the sons of Israel saying: In the seventh month, in the first *day* of the month, you shall have a sabbath, a memorial summons, a holy convocation. 25 You shall do no work of labor but you shall offer a fire offering to Jehovah.

The word “summons,” in relation to a Holy Convocation is;

H8643 ?????? t^ˈru??a?h ter-oo-aw'

From H7321; *clamor*, that is, *acclamation* of joy or a *battle cry*; especially *clangor* of trumpets, as an *alarum*: – alarm, blow (-ing) (of, the) (trumpets), joy, jubile, loud noise, rejoicing, shout (-ing), (high, joyful) sound (-ing).

This is the birthday of the Messiah, but because most do not keep this day, they miss the importance of it. Keep this day – because on this day, in the near future, He is coming back again. And when He does, there is going to be an epic war with those of this world deluded and deceived into aiding Satan to fight against Him. But Yehovah will prevail; and on the Day of Atonement Satan is locked away. This day is very solemn and it has much more meaning for us when, for 10 years starting very soon, we will be hunted down, killed and afflicted until Satan is stopped.

Lev 23:26 And Jehovah spoke to Moses, saying, 27 Also, on the tenth of this seventh month, this is a day of atonement. *It shall be* a holy convocation to you. And you shall afflict your souls and offer a fire offering to Jehovah. 28 And you shall do no work in that same day, for it *is* a day of atonement, in order to make an atonement for you before Jehovah your God. 29 For any soul who is not humbled in that same day, he shall be cut off from among his people. 30 And any soul who does any work in that same day, the same soul will I destroy from among his people. 31 You shall do no kind of work. *It shall be* a statute forever throughout your generations in all your dwellings. 32 *It shall be* to you a sabbath of rest, and you shall humble your souls. In the ninth of the month at evening, from evening to evening, you shall keep your sabbath.

Once Satan is locked away, then we are to get ready for the wedding banquet with our Creator. The whole Bible tells of this event; of this amazing love story between Yehovah and Israel. Yehovah, in this next Holy Day, is telling you to take 8 days each year to have a party and celebrate, to be happy and be joyful! It is the wedding party! Then, at the end of the 7th Millennium comes the great white throne judgment. This is the “8th Day” Holy Day.

Lev 23:33 And Jehovah spoke to Moses saying, 34 Speak to the sons of Israel, saying, The fifteenth day of this seventh month *shall be* the Feast of Tabernacles for seven days to Jehovah. 35 On the first day *shall be* a holy convocation. You shall do no work of labor. 36 Seven days you shall offer a fire offering to Jehovah. On the eighth day shall be a holy convocation to you. And you shall offer a fire offering to Jehovah. *It is* a solemn assembly. And you shall do no work of labor.

I tell you all of these appointments with Yehovah so I can now show you another verse in Gen chapter 1:

Gen 1:14 And God said, Let there be lights in the expanse of the heavens to divide between the day and the night. And let them be for signs, and for seasons, and for days and years.

That same word used here in Genesis for “seasons” is used in Lev 23 for those appointed times. The sun and the moon are to be used to determine those festival seasons. In order to

use them you must be able to see them. A conjunction moon is not seen. It is the “no moon” stage of the moon’s cycle.

H4150 ????? ??? ??? mo??e?d mo??e?d mo??a?da?h *mo-ade’,mo-ade’,mo-aw-daw’*

From H3259; properly an *appointment*, that is, a fixed *time* or season; specifically a *festival*; conventionally a *year*; by implication, an *assembly* (as convened for a definite purpose); technically the *congregation*; by extension, the *place of meeting*; also a *signal* (as appointed beforehand): – appointed (sign, time), (place of, solemn) assembly, congregation, (set, solemn) feast, (appointed, due) season, solemn (-ity), synagogue, (set) time (appointed).

Another word to keep in mind here is the word for “signs.” It is:

H226 ??? ‘o?th *oth*

Probably from H225 (in the sense of *appearing*); a *signal* (literally or figuratively), as a *flag*, *beacon*, *monument*, *omen*, *prodigy*, *evidence*, etc.: – mark, miracle, (en-) sign, token.

Again, a “flag, signal or beacon” is something that is seen; a crescent moon is seen. A conjunction moon is not.

So if these Holy Days are abolished, as Christianity says they are, then what will they use for “signs” from Yehovah? The fact of the matter is, they are not abolished. They are still the same signs for us today – so the fact that we have the possibility of 6 Blood Moons *in a row* on the High Holy Days, along with 4 Solar Eclipses, is something to pay attention to. The fact that people like John Hagee are telling you about these blood moons and how they come on the High Holy Days of Lev 23, is proof that they were never “nailed to the cross.” Adam Clarke’s commentary says the following:

And let them be for signs – ????? leothoth. Let them ever be considered as continual tokens of God’s tender care for man, and as standing proofs of his continual miraculous interference; for so the word ?? oth is often used. And is it not the almighty energy of God that upholds them in being? The sun and moon also serve as signs of the different changes which take place in the atmosphere, and which are so essential for all purposes of agriculture, commerce, etc.

For seasons – ?????? moadim; For the determination of the times on which the sacred festivals should be held. In this sense the word frequently occurs; and it was right that at the very opening of his revelation God should inform man that there were certain festivals which should be annually celebrated to his glory. Some think we should understand the original word as signifying months, for which purpose we know the moon essentially serves through all the revolutions of time.

We read in Zechariah a very interesting prophecy. It is this prophecy that Christians use to justify the coming destruction of the Jews.

Zec 14:1 Behold, the day of Jehovah comes, and your spoil shall be divided in your midst. 2 For I will gather all nations to battle against Jerusalem; and the city shall be taken, and the houses plundered, and the women raped. And half of the city shall go into exile, and the rest of the people shall not be cut off from the city.

It is the Day of the Lord, and this is yet a future day at the coming of the Messiah. But notice what it says next. **Those who do not keep the Feast of Tabernacles will not get any rain.** So tell me, does this look like they were “nailed to the cross?” Not at all! Christians want to quote the first part of Zechariah where the Jews are being attacked and yet they refuse to acknowledge this part which says the Feast of Tabernacles will *still be kept* in the Day of the Lord. What hypocrisy!

Zec 14:16 And it shall be, everyone who is left of all the nations which came up against Jerusalem shall go up from year to year to worship the King, Jehovah of Hosts, and to keep the Feast of Tabernacles. 17 And it shall be, whoever will not come up from all the families of the earth to Jerusalem to worship the King, Jehovah of Hosts, even on them shall be no rain.

We have now explained when the rapture is to take place via the Holy Days. We have also shown you that the sun and the moon are going to tell you when the Appointed Times of Yehovah are. We also told you how these Holy Days have been used by Yehovah to perform His great events throughout history and what will happen on those dates in the future also! You now know when the blood moons are, along with there being two additional ones – something no one else has revealed to you. There are also two more solar eclipses that they do not tell you about in 2016.

Mark Biltz and John Hagee tell you about some of the Tetrads that have come down to our time now. When you look at them you see that there have only been 8 since the time of Yehshua, counting the tetrad in 2014-2015. This makes this event very rare as you can see, in the last 2000 years this has only happened 8 times.

#1 162-163 AD

#2 795-796 AD

#3 842-843 AD

#4 860-861 AD

#5 1493-1494 AD

#6 1949-1950 AD

#7 1967-1968 AD

#8 2014-2015 AD

Both Mark Biltz and John Hagee then try to tell you that these blood moons are an “omen” of something that is about to happen. They use the 1493-1494 blood moons as one example,

saying this was when the Jews were kicked out of Spain in the inquisition. Trouble is, the inquisition began in 1478 and went up to 1501 C.E. So the blood moons of 1493-1494 could not have been an omen. They come after the fact.

The next tetrad came in 1949-1950 and they get very excited about this one claiming that this is when Israel became a state. Well Israel was granted Statehood by the UN in 1947 and became a nation in 1948. The blood moons in this case again came after the fact. They were not an omen to anything. It is the same as closing the gate after the horse has fled the pen. It is too late.

The next tetrad is in 1967-1968 and this one they say is when the six day war took place. That war took place on the day of Atonement which is 5 days before Sukkot. So just one blood moon would have appeared at Passover in 1967, but the rest came after the war was over. So again this tetrad is after the fact.

And the first 4 tetrads they could not find anything in history to link them to so they do not mention them.

Again the blood moons are there for a reason. If 4 of them in row on the High Holy Days is rare, then having 6 of them on each of the Holy Days of Passover and Sukkot in 2014, 2015 & 2016 – 3 years in a row is extremely rare, and then to have lunar eclipses on the first of Aviv and the first of the 7th month in 2015 & 2016 is even more rare.

Blood moon

So What do they mean?

In the whole Bible we have just two verses telling us of these blood moons.

Joe 2:31 The sun shall be turned into darkness, and the moon into blood, before the coming of the great and awesome day of Jehovah.

Rev 6:12 And when He had opened the sixth seal, I looked, and behold, there was a great earthquake. And the sun became black as sackcloth of hair, and the moon became like blood.

We know the sun and the moon are for signs and seasons. The Bible does not tell us what these blood moons mean except that they come at very bad times, according to the books of Joel and Revelation.

When we go to the Talmud, we can read of what they thought a blood moon means:

Talmud Succah 29a It was taught: R. Meir said, Whenever the luminaries are in eclipse, it is a bad omen for Israel since they are inured to blows. This may be compared to a school teacher who comes to school with a strap in his hand. Who becomes apprehensive? He who is accustomed to be daily punished.

Our Rabbis taught, When the sun is in eclipse it is a bad omen for idolaters; when Lavanah (Moon) is in eclipse, it is a bad omen for Israel, since Israel reckons by Lavanah (Moon) and idolaters by the sun.

If it is in eclipse in the east, it is a bad omen for those who dwell in the east; if in the west, it is a bad omen for those who dwell in the west; if in the midst of heaven it is bad omen for the whole world. If its face is red as blood, [it is a sign that] the sword is coming to the world; if it is like sack-cloth, the arrows of famine are coming to the world; if it resembles both, the sword and the arrows of famine are coming to the world. If the eclipse is at sunset calamity will tarry in its coming; if at dawn, it hastens on its way: but some say the order is to be reversed.

And there is no nation which is smitten that its gods are not smitten together with it, as it is said, And against all the gods of Egypt I will execute judgments. But when Israel fulfill the will of the Omnipresent, they need have no fear of all these [omens] as it is said, Thus saith the L-RD[2], 'Learn not the way of the nations, and be not dismayed at the signs of heaven, for the nations are dismayed at them, the idolaters will be dismayed, but Israel will not be dismayed.

So first of all, these 10 eclipses – the 6 Blood Moons and 4 Solar Eclipses – are a bad omen for Israel. Keep in mind that *Israel* is all 12 tribes and not just the tribe of Judah, otherwise known as the Jews. Judah is but one of the 12 tribes.

The Talmud says that when the sun is in eclipse, it is a bad omen for the idolaters – that is, those who worship the sun. So that covers almost everyone who does not keep the Torah. That would include the Christians. When we look at the four solar eclipses we see that one was over England and Northwest Europe. Two were over South Africa and one was over the Pacific, from Hawaii to Malaysia.

Each of the blood moons, as we have shown you, have all been over the Nations that have come to make up the Ten Lost Tribes of Israel. Go back up and look at them again. The blood moons come 5 times over the USA, 5 times over Australia, 3 times over England and two times over the State of Israel.

The Talmud goes on to say:

If it is in eclipse in the east, it is a bad omen for those who dwell in the east; if in the west, it is a bad omen for those who dwell in the west; if in the midst of heaven it is bad omen for the whole world.

You need to stop and think about this. If it is in the East, that means that the eclipse is east of Jerusalem. If it is in the West it is west of Jerusalem. The first 5 of the eclipses are West of

Jerusalem – over North America. The last one is over India and it is east of Jerusalem. But these are not total Lunar eclipses. The reason these blood moons are so red is because they are passing through the Penumbra; that means that the shadow of the sun's light is reflected so that only the red light shines on the moon.

The Talmud then goes on to say "If its face is red as blood, [it is a sign that] the sword is coming to the world."

Each of the blood moons is a bad omen over the Nations of the *Tribes of Israel*. Then we are warned that a sword is coming on the *world*. **Is this not the very same thing we have been telling you all these years in so many various ways?**

Current Jubilee Cycle

Lev 26:23 And if you will not be reformed by Me by these things, but will still walk contrary to Me, 24 then I will walk contrary to you and will punish you seven *times more* for your sins. 25 And I will bring a sword on you that shall execute the vengeance of the covenant. And when you are gathered inside your cities, I will send the plague among you. And you shall be delivered into the hand of the enemy.

The fourth curse lines up with the 4th Sabbatical cycle in black above. It goes from 2017 to 2023. These 10 *signs in the sky* on the High Holy Days for this year of 2014, as well as the next 2 years, 2015 & 2016, are all a warning of a coming sword to the Israelite Nations today. That is: the USA, United Kingdom, Australia, Canada as well as the State of Israel will be attacked and defeated by this coming sword!

What we show you in our book *The 2300 Days of Hell* is that the Daniel 9:24-27 prophecy is showing you that *the people of these Nations are going to be destroyed so that only a remnant survives*. **Only** 10% survive, to be exact. This same prophecy tells you precisely when: in the middle of this 120th Jubilee Cycle which is the same as the 70th Jubilee cycle. (We explain this in our book *The 2300 Days of Hell*) You need to get this book from our website and read it. It is only available at this time as an eBook.

But there is yet more.....

If it is like sack-cloth, the arrows of famine are coming to the world; if it resembles both, the sword and the arrows of famine are coming to the world.

Now let's go again to Lev 26 and read about the famine that is coming:

Lev 26:25 And I will bring a sword on you that shall execute the vengeance of the covenant. And when you are gathered inside your cities, I will send the plague among you. And you shall be delivered into the hand of the enemy. 26 When I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver *you* your bread again by weight. And you shall eat and not be satisfied. 27 And if you will not for all of this listen to Me, but will walk contrary to Me, 28 then I will walk contrary to you also in fury. And I, even I, will chastise you seven times for your sins. 29 And you shall eat the flesh of your sons, and the flesh of your daughters you shall eat. 30 And I will destroy your high places and cut down your images, and throw your carcasses on the carcasses of your idols, and My soul shall despise you. 31 And I will make your cities waste and cause your sanctuaries to be deserted. And I will not smell the savor of your sweet odors. 32 And I will turn the land into wasteland. And your enemies who dwell in it shall be astonished at it. 33 And I will scatter you among the nations, and will draw out a sword after you. And your land shall be waste, and your cities waste. 34 Then shall the land enjoy its sabbaths, as long as it lies waste, and *you are* in your enemies' land; then shall the land rest and enjoy its sabbaths. 35 As long as it lies waste it shall rest, because it did not rest in your sabbaths when you lived on it. 36 And on those of you that are left I will send a faintness into their hearts in the lands of their enemies. And the sound of a driven leaf shall chase them, and they shall flee as if fleeing from a sword. And they shall fall when none pursues. 37 And they shall fall on one another, as if it were before a sword, when none pursues. And you shall have no power to stand before your enemies. 38 And you shall perish among the nations, and the land of your enemies shall eat you up. 39 And they that are left of you shall putrefy in their iniquity in the lands of your enemies. And also they shall putrefy with them in the iniquities of their fathers.

Unless you keep the commandments, both this famine and this war is going to come to you; it will kill you and your family. Those who will not obey Yehovah, those who say the laws are done away, those who say they no longer need to keep the law and that they are saved by grace, are the very same ones that will suffer this famine and this sword.

Eze 14:12 The Word of Jehovah came again to me, saying, 13 Son of man, when a land sins against Me by traitorous betraying, then I will stretch out My hand on it, and will break the staff of its bread, and will send famine on it, and will cut off man and beast from it. 14 And *though* these three men, Noah, Daniel, and Job, were in it, they should deliver *only* their own souls by their righteousness, says the Lord Jehovah.

Righteousness is what we all need to be doing. It is what we are to become. You need to know what righteousness is and we are told in Psalms exactly what it is:

Psa 119:172 My tongue shall speak Your Word, for all Your Commandments *are* righteousness.

You need to keep the commandments if you want to have **any** hope of surviving this coming sword and famine.

This is what the blood moons mean! They are a warning us of the coming *famine* and *sword* to North America, the United Kingdom and Australian people. They will lose this coming war and

those who survive will be placed into slave labor and sex camps for the victors. **You, your spouse, your sons and daughters, grandchildren, sisters and brothers will all be war booty!** At least those who are not slain or beheaded before being taken prisoners of war. Yehovah is warning you **now** to repent and begin to obey! You have **10 signs over the next three years**; the last three years of this current Sabbatical cycle before the 4th Sabbatical cycle of war is to start after 2017.

If you're still reading this, **then Yehovah is calling you!** How will you answer? Your words may not matter but your actions do! Will you keep the 7th day Sabbath Holy this coming week? Will you also keep the Passover and the rest of the Holy Days mentioned in Lev 23 without adding to them or taking away from them? Will you also keep the Sabbatical year in 2016 when it arrives? Your actions will show Yehovah whether or not you will. You get to decide. But you must decide soon.

The last verse of the Prophet Malachi is very revealing.

Mal 4:6 And he shall turn the heart of the fathers to the sons, and the heart of the sons to their fathers, that I not come and strike the earth *with* utter destruction.

The word destruction is also translated as a curse, which is what Lev 26 is telling you will happen if you will not obey. The curse of war is about to come. Read what else this word destruction means.

H2764 ??? ??? che?rem cherem *khay'-rem, kheh'-rem*

From H2763; physically (as *shutting in*) a *net* (either literally or figuratively); usually a *doomed* object; abstractly *extermination*: – (ac-)curse (-d, -d thing), dedicated thing, things which should have been utterly destroyed, (appointed to) utter destruction, devoted (thing), net.

Unless you repent and begin to keep the dedicated times of Yehovah, YEHOVAH is going to utterly destroy you and your family with these 5 curses of Lev 26. The curse of war and famine are due to start after 2017. The last Sabbatical year before this curse begins in 2017 is the Sabbatical year that starts at Aviv in 2016. Are you going to keep it? Are you going to keep the Holy Days this year, and the next, and from now on? Are you going to keep the Saturday Sabbath this week and show Yehovah you are repenting and trying to learn His way? What are you going to do?

Joh 14:15 If you love Me, keep My commandments.

Joh 14:21 He who has My commandments and keeps them, he it is who loves Me. And he who loves Me shall be loved by My Father, and I will love him and will reveal Myself to him.

Joh 14:23 Jesus answered and said to him, If a man loves Me, he will keep My Word. And My Father will love him, and We will come to him and make Our abode with him. 24 He who does not love Me does not keep My Words, and the Word which you hear is not Mine, but the Father who sent Me.

1Jn 2:3 And by this we know that we have known Him, if we keep His commandments. 4 He who says, I have known Him, and does not keep His commandments, is a liar, and the truth is not in him. 5 But whoever keeps His Word, truly in this one the love of God is perfected. By this we know that we are in Him. 6 He who says he abides in Him ought himself also to walk even as He walked.

1Jn 3:4 Everyone who practices sin also practices lawlessness, for sin is lawlessness. 5 And you know that He was revealed that He might take away our sins, and in Him is no sin. 6 Everyone who abides in Him does not sin. Everyone who sins has not seen Him nor known Him. 7 Little children, let no one deceive you. He who does righteousness is righteous, even as that *One* is righteous. 8 He who practices sin is of the Devil, for the Devil sins from the beginning. For this purpose the Son of God was revealed, that He might undo the works of the Devil. 9 Everyone who has been born of God does not commit sin, because His seed remains in him, and he cannot sin, because he has been born of God. 10 In this the children of God are revealed, and the children of the Devil: everyone not practicing righteousness is not of God, also he who does not love his brother.

If you are not keeping the commandments, you are not righteous.

If you are not keeping the commandments then you are lawless and a sinner.

If you will not keep the Saturday Sabbath from sunset Friday to sunset Saturday holy, then you are lawless and not righteous, a sinner and as John has just said, of the devil.

If you will not keep the Holy Days of Lev 23 and not add any other days to them, then once again you are being lawless and a sinner and of the devil.

And if you will not keep the 4th commandment of these ten commandments which also includes the keeping of the Sabbatical year, then you are not being righteous.

Pro 28:9 Whoso is turning his ear from hearing the law, Even his prayer *is* an abomination.

You need to begin to obey today in order for your prayers to be heard. You need to repent and begin to obey Yehovah today. These blood moons are your warning of the sword and famine that is to come to those who will not obey. The thing is, you get to choose which one you will receive and which one your family will receive.

Deu 30:15 Behold! I have set before you today life and good, and death and evil, 16 in that I command you today to love Jehovah your God, to walk in His ways, and to keep His commandments and His statutes and His judgments, so that you may live and multiply. And Jehovah your God shall bless you in the land where you go to possess it. 17 But if you turn away your heart, so that you will not hear, but shall be drawn away and worship other gods and serve them, 18 I declare to you today that you shall surely perish; you shall not prolong *your* days on the land where you pass over Jordan to go to possess it. 19 I call Heaven and earth to record today against you. I have set before you life and death,

blessing and cursing. Therefore, choose life, so that both you and your seed may live,

20 so that you may love Jehovah your God, *and* that you may obey His voice, and that you may cling to Him. For He is your life and the length of your days, so that you may dwell in the land which Jehovah swore to your fathers, to Abraham, to Isaac, and to Jacob, to give it to them.
