Shabbat Shalom Brethren,

Do you realize brethren that in the year of 1377 BC, at the end of the third month of that year that Moses sent out a man from each tribe of all of Israel; A leader from each tribe to spy out the land. It was during this time of the year, right now in the summer months, that they are actually out there looking at the land, only 3,386 years ago. They would have left on the 29th day of the 3rd month. Numbers 13

40 days later on the 9th of Av, the fifth month, they returned and all but Joshua and Caleb gave an evil report which caused Yahweh to curse that whole generation for 40 years. All of them over the age of 20 died, except Caleb and Joshua.

It was also on the 9th of Av that the first Temple was destroyed by the Babylonians, and it was also on the 9th of Av that the Romans destroyed the Temple that Herod built.

A Brother once wrote me a letter on fasting. It is recorded on his web site I urge you to go and read it there at:

[http://www.yahuyahweh.org/iah/pdf/MED\\_Unity\\_Fasting\\_Derived\\_Humility\\_Ministry.pdf](http://www.yahuyahweh.org/iah/pdf/MED_Unity_Fasting_Derived_Humility_Ministry.pdf)

Over the past month I have been showing you how beautiful this land of Israel is. I have told you how Yahweh is calling you back to this land with over 700 scriptures. I have also told you how each time I have gone over there, something miraculous happens.

It is an awesome land.

What I have not told you is how we are not welcome to come back to the land to live by those who now live there, unless you are Jewish. And if you are Jewish and believe in Yahshua you are not welcome. I can understand this because of all the harm done by those who are of the Christian faith as they try to convert Jews to Christianity. This ought not to be done and we will show you in the next few weeks why the Christians are wrong in both the way they read the scriptures and the way they practice their walk. It is of extreme hypocrisy for anyone to call themselves a Christian and to not obey the bible at all. After all, that person they follow, named Jesus was a Jew and He never sinned, which means He kept all that is written in the bible.

This is why I posted the News Letter 5844-026 7395 Christian, Jew or Notzrim, What does the Bible and History say about them? You can read it at [https://sightedmoon.com/sightedmoon\\_2015/?page\\_id=273](https://sightedmoon.com/sightedmoon_2015/?page_id=273)  
This is why I call myself a Nazarene.

But before we get down this road I want to tell you that we have been busy working on finding a way for those who are of the House of Ephraim to prepare to return to Israel. Others have also been working on this and we are actively seeking contacts. But there is no approval from the Israeli government at this time.

If you're a Messianic believer and or teacher of this way of life (i.e. Torah centered) and would like to add your support to this cause, now is the time to stand up and be counted. We are working on another web site with a forum and a halacha that is not a part of any one leaders' teachings. We are hoping that it will represent ALL Ephraimites. We have some huge obstacles to overcome, and to be honest, the giants of the land do look to be too big for us. But.....You know who can remove them and you know who can move mountains and stop the rivers so that we can go across on dry ground. You know who can change the hearts of those who are working to prevent this from happening. You know who can cause the right people to come along at the right time. You know what to do. You can begin to pray for this unification to take place.

It is time we all began to act as one body with many parts, as one group, as one Ephraim and as one Israel. Well you now begin to do so?

Come and take your place in the resurrected Body that belongs to Yahshua, the King. For Zechariah says "And they of Ephraim shall be like a mighty man, and their heart shall rejoice as through wine" (Zech 10:7).
