Shabbat Shalom Brethren,

On Saturday, January 11, 2014 Ariel Sharon died, as you all know. He had been in a comatose state for the past 8 years and was the former Prime Minister of Israel.

You can read more about him and his death at this [BBC article](#).

I am writing to you this week not about Ariel Sharon, although there is much I could write about him. However, I do have one thing to say because of a few posts I have read. One of the posts that keeps popping up is that Prime Minister Sharon is going to be remembered as the butcher of Lebanon. This I must address. Here is what the BBC said in regards to this:

“As prime minister, Mr. Sharon presided over some of the most turbulent times in Israeli Palestinian history, a Palestinian uprising that erupted in 2000 and a subsequent tough Israeli military response.

To many Israelis, he was a heroic warrior, having led decisive campaigns in the 1967 and 1973 wars.

Known as Arik, Mr. Sharon entered politics after the 1973 war but he became defense minister in 1981 and took charge of the invasion of Lebanon the following year, in an attempt to remove Palestine Liberation Organization (PLO) fighters who had carried out attacks across Israel’s northern border.

It led to a massacre of civilians carried out by Christian Phalangist militia in Beirut’s Sabra and Shatila refugee camps. Ariel Sharon was found personally responsible by an Israeli inquiry for failing to prevent the massacre.”

Brethren, in light of what is coming and the Scriptures I am reading, you need to figure out which side of the fence you are going to stand on.

We read in Numbers of an incident that you need to be aware of.

Num 31:6 And Moses sent them to the war, a thousand of *every* tribe. He sent them and Phinehas the son of Eleazar the priest, to the war, with the holy instruments and the trumpets to blow in his hand. 7 And *they* warred against the Midianites, as Jehovah commanded Moses. And *they* killed all the males. 8 And they killed the kings of Midian, besides the rest of their slain: Evi, and Rekem, and Zur, and Hur, and Reba, five kings of Midian. They also killed Balaam the son of Beor with the sword. 9 And the sons of Israel took *all* the women of Midian captive, and their little ones, and the spoil of all their cattle, and all their flocks, and all their goods. 10 And they burned with fire all their cities, their homes, and all their towers. 11 And they took all the spoil and all the prey of men and animals. 12 And they brought the captives, and the prey, and the spoil, to Moses and to Eleazar the priest, and to the congregation of the sons of Israel, to the camp at the plains of Moab, which *are* beside Jordan, *at* Jericho. 13 And Moses and Eleazar the priest, and all the rulers of the congregation, went forth to meet them outside the camp. 14 And Moses was angry with the officers of the army, the captains over thousands and captains over hundreds, who came from the battle. 15 And Moses said to them, Have you saved all the women alive? 16 Behold, these caused the sons of Israel, through the counsel of Balaam, to commit sin against Jehovah in the matter of Peor, and the plague was on the congregation of Jehovah. 17 And now kill every male among the little ones, and kill every woman that has known man by lying with him. 18 But all the female children that have not known a man by lying with him, keep alive for yourselves. 19 And stay outside the camp seven days. Whosoever has killed any person, and whoever has touched any dead one, purify yourselves and your captives on the third day and on the seventh day.

Moses ordered the slaughter of prisoners of war including women and children, even infant children; only the virgins were to be kept alive as war booty. We could go on about the many thousands David had killed, as well as Samson and others. I have wanted to mention this for some time. You can read of the genocide of the Palestinians in Zephaniah 2, along with the Jordanians and Assyrians. Again you can read of the genocide of inhabitants of Gaza, the Philistines or Palestinians today in Isaiah 14:29-32.

If King David is a man after Yehovah's own heart and can do these things; if Moses, just before his death, did the things he did; if, in these last days, you will see Israel reduced to just 10% and other peoples or nations completely wiped out, we need to be careful whom we call a butcher and whom we call a hero.

I could write much on this but this is not what I had wanted to point out.

Ariel Sharon has died and the reason for this article is to point out to you what Rabbi Kaduri had said. Rabbi Kaduri had said that after Ariel Sharon died then the Messiah would come. This is the famous and greatly renown Rabbi in Israel who died at the age of 108 years and claimed to have met the Messiah and taught his Yehshiva disciples that the Messiah's name was YehShua.

Before his death, Kaduri had said that he expected the Jewish Messiah to arrive soon, and that he had met him a year earlier. It has been alleged that he left a hand-written note to his followers and they were reportedly instructed to only open the note after Rabbi Kaduri had

been dead for one year. After this time period had passed, the note was opened by these followers and was found to read, “???? ??? ?????? ?????? ?????? ??????” (translated as “he will raise the people and confirm that his word and law are standing”), which by acronym, suggested the name “Yehoshua.”. “Yehoshua” is the Hebrew version of “Joshua” or “Jesus”.

Rabbi Kaduri’s Prophecy

Before his death Rabbi Kaduri wrote down two hints about the Messiah (Mashiach):

First, that **Messiah would appear after the death of Ariel Sharon.**

Second, that **the Messiah’s name is Yehoshua, Yeshua, Yahusha ...** Yep, you got it; the one that most English speaking moderns call “**Jesus.**”

Very interesting ... AND 2006 is the same year Ariel Sharon was declared to be incapacitated: serious medical problems began in January, *the very month Rabbi Kaduri died.*

News Flash, January 28, 2013: *An MRI brain scan has shown “significant brain activity” in Ariel Sharon. His medical crisis has now lasted for seven years. Is his condition about ready to change?*

News Flash, January 1, 2014: *Reports now say, Ariel Sharon is suffering kidney damage, and his condition has worsened.*

Could Rabbi Kaduri’s Prophecy be True?

Yes, there is big controversy over this—many claiming that it is all an invention of Christians, and others saying it is a sign that the end of the world as we know it is imminent.

I have here two videos of those students of Rabbi Kaduri who are telling us that Rabbi Kaduri did teach Yehshua was the Messiah.

So why am I sharing these things with you?

Ariel Sharon went into a coma after suffering a stroke on January 5, 2006. 8 years later on January 11, 2014, Ariel Sharon died. The significance of this is that the Messiah will come in the 8th millennium shortly after it begins. The Messiah that is coming at the beginning of the 7th millennium is not going to be Jesus as most of the world expects. It is going to be a resurrected King David.

But this prophecy of Rabbis Kaduri is causing many people to think the Messiah’s return is imminent.

Well, we also have the blood moons this Passover, 2014, and this coming Sukkot. Then once again we have the blood moons coming in 2015 for both Passover and Sukkot: Blood Moons on the High Holy Days four times in a row. This, of course, is the teaching of Mark Biltz; and

now John Hagee has also come out and written a book for the Christian followers about these blood moons and that soon the Messiah is going to come. Wow, this is very amazing!

Add to all of this that 2013 or 2014, depending on who you listen to, that this is now the last 3 1/2 years of the Tribulation. And in 2017 is the next Jubilee year when the Messiah comes. This, of course, is the Daniel Timeline teaching. (You can watch the entire 2 hour teaching at that link.)

I have been asked to make a video teaching on the blood moons but, thus far, we have not had time to do so. I was going to do one at Shavuot. Then this past week I was sent a video that someone has done on the blood moon teaching and I was ecstatic! Finally! So here is the link and you can watch this for the next 12 minutes and find out why the blood moons teaching is misleading: http://www.youtube.com/watch?feature=youtube_gdata_player&v=-kA2-5z2zl&desktop_uri=%2Fwatch%3Fv%3D-kA2-5z2zl%26feature%3Dyoutube_gdata_player&app=desktopl

Brethren, the hype is building – everyone is still on the Harold Camping bandwagon and have forgotten much of Scripture in favour of getting this so called tribulation over with and just having Him show up. Never mind being obedient and keeping the Torah. Forget that! Let's just get to heaven and get our harps going, right?

2Th 2:1 Now we beseech you, my brothers, with regard to the coming of our Lord Jesus Christ and our gathering together to Him, 2 that you should not be soon shaken *in* mind or troubled, neither by spirit, nor by word or letter, as through us, as *if* the Day of Christ is at hand. 3 Let not anyone deceive you by any means. For *that Day shall not come* unless there first comes a falling away, and the man of sin shall be revealed, the son of perdition, 4 who opposes and exalts himself above all that is called God, or that is worshiped, so that he sits as God in the temple of God, setting himself forth, that he is God. 5 Do you not remember that I told you these things when I was still with you? 6 And now you know what holds back, for him to be revealed in his own time. 7 For the mystery of lawlessness is already working, only he *is* now holding back until it comes out of *the* midst. 8 And then the lawless one will be revealed, whom the Lord shall consume with the breath of His mouth and shall destroy with the brightness of His coming, 9 whose coming is according to the working of Satan with all power and signs and lying wonders, 10 and with all deceit of unrighteousness in those who perish, because they did not receive the love of the truth, so that they might be saved. 11 And for this cause God shall send them strong delusion, that they should believe a lie, 12 so that all those who do not believe the truth, but delight in unrighteousness, might be condemned. 13 But we are bound to give thanks always to God for you, brothers beloved of the Lord, because God has from the beginning chosen you to salvation through sanctification of *the* Spirit and belief of *the* truth, 14 to which He called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ. 15 Therefore, my brothers, stand fast and hold the teachings which you have been taught, whether by word or by our letter. 16 Now may our Lord Jesus Christ Himself, and God, even our Father, who has loved us and has given *us* everlasting consolation and good hope through grace, 17 comfort your hearts and establish you in every good word and work.

1Ti 4:1 But the Spirit expressly says that in the latter times some shall depart from the faith, giving heed to seducing spirits and teachings of demons, 2 speaking lies in hypocrisy, being seared in *their* own conscience,

Rev 12:9 And the great dragon was cast out, the old serpent called Devil, and Satan, who deceives the whole world. He was cast out into the earth, and his angels were cast out with him.

It is Satan who deceives the whole world and, by causing the world to expect the return of the Messiah according to Harold Camping, many have fallen away. Now he is doing the exact same thing through the Messianic world with everyone thinking we are about to go waltzing into the promised land holding hands with Judah before all those terrible events happen on all the bad people, whoever they are.

Mat 24:24 For false Christs and false prophets will arise and show great signs and wonders; so much so that, *if it were* possible, they would deceive even the elect.

Thousands of brethren are falling victim to this re-packaged rapture doctrine designed just for the Messianics. And when it does not come to pass, and it will not, then many will become callous and turn away from the faith and back to the world. Satan wins! We expect this falling away to come once the expectations of 2017 do not come to fruition.

Daniel's timeline, The Blood Moons in 2014 & 2015, the death of Ariel Sharon, and Rabbi Kaduri's prediction that the Messiah would come after his death. (Well he did get that one part right. Yehshua will come at some time in the future!) – but not one, **not one** of these teachers show you how all of this end-time stuff fits with the Sabbath and the Holy Days and most importantly, THE SABBATICAL & JUBILEE YEARS. Not one of them!

We have been showing you the video teachings we did at Sukkot and releasing them one each week as best we can. These teachings are just the tip of the iceberg of the book we are about to release which explains the 2300 days of Daniel 8, along with the Daniel 9:24-27 prophecy so many have misinterpreted up until this point. These things were sealed until the last days. They could not be understood until now. And they could not be understood until you understand the Sabbatical and Jubilee cycles.

Ask yourself these questions:

If 2017 is when the Messiah is to come, then where are the two witnesses?

Where is the “covenant made with many” for one 7-year period?

Where is the persecution of the Saints?

Where is the “woman” that “fled into the wilderness” to be “protected” for 3 1/2 years? She should already **be** there!

I implore you, Brethren! Do *not* get caught up in the hype and be deceived!

Our latest book, “The 2300 days of Hell/The Two Witnesses/Joseph's 7 Years of Plenty and 7 Years of Famine” will be released shortly. We were going to call it The 70 Shabua of Daniel. This book will show you what that “covenant made with many” is and when it began as well as when it ends. This coming book will explain the prophecy of Joseph's 7 years of plenty and 7 years of famine along with the 1260, 1290 and 1335 days of Daniel 12. This book will show you when those 2300 days begin and when they end and what is going to happen to you during those years.

All of prophecy is coming to a close and it is going to take 13 1/2 years for all of it to work out chronologically. But if you do not understand the Sabbatical and Jubilee Cycles and how they work and if you do not or **will** not keep them (the next one is from Aviv 1, 2016 to Aviv 1, 2017) then you cannot understand end-time prophecy. Once you know the Sabbatical and Jubilee year cycles then all of these prophecies come together logically and easily and make complete sense.

Those who saw the teachings at Sukkot got it for the most part. Those of you watching the video teachings now are learning them. And soon, they all will be available on podcast for you to download and listen to.
