Shabbat Shalom to our Family around the world,

## Updates from Burundi Africa

The following two reports come from Telesphore. Brethren this man has been so busy that I can hardly get him to stop and write me. But wait until you read below what has taken place this week.

Dear Joseph F. Dumond,

Shalom to you all. We are so glad to be visited by James. Since he arrived, he has been teaching to a different group of people such as Bishops, pastors, deacons, lay workers, students of University and government officers. They have seen the errors of what they were taught and been teaching.

We are taking this new truth in the Congo, Rwanda, United Republic of Tanzania as well as Burundi. We are building teams in those countries mentioned that will help us to strengthen this new truth to their respective countries. After hearing this new truth and read scriptures with deep understanding, they realized they have been lied to and they have been taught lies. Finally, they have repented.

We appreciate both the financial and material support for this new truth in DRC, Tanzania, Burundi, Rwanda, Uganda, and Kenya. Please be advised that our country of Burundi is the poorest country in the World. This country has been torn-up for many years due to the inter-conflict war.

James Relf is still here in Burundi keeping doing the teachings. I have featured the work he is doing in Burundi on this you-tube and some photos attached of the students attended.

Blessing you all

Bishop Telesphore Ntashimikiro Country  
of Burundi

This is

another group in Tanzania.

Shalom to you Joseph. This the is the brief report of James Relf's visit to Burundi.

## **REPORT FOR JAMES RELF'S STAY AND MINISTRY IN BURUNDI FOR THE TWO WEEKS.**

Relf's teachings

Venue: Transworld Radio Conference Hall

Number of participants: 67

Categories: Bishops, Pastors and government officers.

Keys points in the teachings:

Torah, the Tabernacle in the Wilderness, Sabbatical years and Jubilee Cycles, numbers, bread, Feasts of Yahweh etc...

To note: After the teaching of the day, participants gathered together in their categories to go through what was taught that day and think about the truth around it. They were given opportunity to ask questions where ever they did not understand or misunderstood the trainer. A majority of them accepted that they have taken away a part of the Bible, the Torah and have been misleading people.

The good news was that they accepted to consider the whole Word of Yahweh and will be reading and studying it and therefore will be teaching it in whole especially in mastering the Torah which is the cornerstone of the really Bible teaching.

Another praise report is that many welcomed the trainer after the teaching to go speak and teach in their churches which he accepted gladly.

They had great and valuable time together speaking on a variety of items. We leave him to talk about the visit when he returns home. James's teachings on Friday July 14<sup>th</sup>, 2017

Venue: Transworld Radio Conference Hall

Number of participants: 66

Categories: Bishops, Reverends, pastors, 2 priests and Government officers.

Keys points in the teachings:

Hebrew alphabet

The Tabernacle in the Wilderness, Feasts of Yahweh, Torah etc...

It is note that after the second day of teaching, participants made a pledge to be reading and studying the Whole Word of Yahweh and use the supportive materials to help them understand it better.

Relf's teaching on the Sabbath 15<sup>th</sup>, 2017

Venue: Church of Kinama/Bujumbura

Number of participants: around 82

Categories: Bishops, Reverends, Pastors, Evangelists, Teachers and Lay members.

Keys points: Torah, Blessings & curses, Sabbath and Messiah.

After the teachings, Bishop Telesphore took it as an opportunity to speak with the participants. It is to be noted that those who have already been indoctrinated with the Truth of considering the Torah, keeping the feasts and Sabbath as Yahweh instructs us in the Torah, many bishops, pastors and teachers are looking into having this be with their members.

Many have shown how they really value the Word of Yahweh in its fullness as they have been teaching part of it (mostly the New Testament) due to ignorance.

They all agree that much effort needs to be put in these teachings as they seek to reach many with this very Truth.

In general, many participants have been repented for being taught and taught heresies to their flocks.

### **PRAYER REQUEST**

1. We have the leading team which is trained by James and Telesphore which is able to teach in various churches here in Burundi as well as in DRC, Tanzania, Rwanda and Uganda. We need more prayers and support to reach the whole Africa with this valuable ministry that Yahweh has revealed us.

2. My dream is also in long term, we will need a Training Center equipped with all materials in the capital city of Bujumbura, Burundi so that many can come to visit our center and read the books with questions and answers. That Center could be called “ **TORAH'S TRANSLATION CENTER**”.

3. We have a problem of means of transport when we go to teach in countryside. To rent a vehicle is too expensive.

4. Last but not least, I have a team that is able to translate the main materials in Kirundi, Swahili, French, Kinyarwanda and Lingala for this Great Lakes Region. They need more prayers and support if there is any possibility.

## **CHALLENGES FACING OUR WORK**

Although, many church leaders are awakening from their ignorance of teaching the heresies. We have also negativists who still fight against to know the really Sabbath, Torah and food to eat. They don't like to leave their Sundays worship and keep the Feasts of the Lord. Curses are behind them.

## **REPPORT OF THE VISIT AND SEMINARS OUTSIDE OF THE CAPITAL CITY OF BUJUMBURA ABOUT 170 KM BY OUR TORAH TEAMAND FACILITATED JAMES OUR GUEST.**

On the 20<sup>th</sup> of July 2017, we rent a vehicle and left Bujumbura the Capital City towards to the Province of Ngozi about 170 km. We reached there in the afternoon. We stayed in Monastery where we rented rooms. We were a team of 7 people.

The teaching session started on Friday morning, where the teacher James revived many who were sleeping in the New Testament. Many questions have been raised about Christmas, Feasts, mark of the Beast, Passover, calendar; lows on food etc... all have been convinced by the answers from James. We continued the whole day to cover the New Moon and the start of the month.

Unfortunately, we did not finish with our guest James because he abruptly felt unwell in the afternoon and went back to the hotel for rest as he was teaching without resting. Our leading team continued to teach and receive many questions from the audience.

On the Sabbath, we went back in the morning without him and many repented and prayed after realizing that all we were taught them were the pure truth while before they were offering nothing to their flocks but heresy.

As James his health was becoming bad, we took him back as soon as possible back to Bujumbura in the evening for medical treatment. We were so much afraid for his health condition.

Key points :The Feasts of the Lord, Passover, unbelieved bread, Pentecost, Day of the Trumpets, Day of Atonement, Feasts of Tabernacle, the 8th Day, the Dietary laws, heresies, etc....

**APPRECIATION:** We appreciated very much the teacher James who really understands what he teaches and able to answer all questions. Everybody who got chance to hear and being taught this teaching is fond of continuing this teachings and the trained leading team is committed to continue with the teachings using the materials left behind by James. The leading team its mind is opened and are capable to do more research to go in deeper and deeper to understand Yahweh's word. Beyond that, the sighted moon website by Joseph F. Dumond is more helpful for those who visit it.

Bp. Telesphore**

A Huge Door being Opened

Rev 3:7-13 “And to the angel of the church in Philadelphia write,  
“These things says He who is holy, He who is true, ‘He who has the key of David, He who opens and no one shuts, and shuts and no one opens’”: “I know your works. See, I have set before you an open door, and no one can shut it; for you have a little strength, have kept My word, and have not denied My name. Indeed I will make those of the synagogue of Satan, who say they are Jews and are not, but lie—indeed I will make them come and worship before your feet, and to know that I have loved you. Because you have kept My command to persevere, I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the earth. Behold, I am coming quickly! Hold fast what you have, that no one may take your crown. He who overcomes, I will make him a pillar in the temple of My God, and he shall go out no more. I will write on him the name of My God and the name of the city of My God, the New Jerusalem, which comes down out of heaven from My God. And I will write on him My new name. “He who has an ear, let him hear what the Spirit says to the churches.” ’

Acts 14:27

When they arrived, they gathered the church together and reported all that God had done through them, and how He had opened the door of faith to the Gentiles.

Every day this past week I was being sent text messages by James almost like he was giving me a play by play of what was going on. He was making my head spin.

This week James was picked up by the Vice President of Burundi, Sindimwo Gaston. He was taken to the Hall they are going to use and by order of the President they want James, me and Telesphore to come back Sept 1 and Sept 2 to teach all day on both days. The day we arrive we will go and meet Pierre Nkurunziza President of Burundi, for a private meeting. His picture is the feature for this article.

Then on Friday and Saturday, they will have about 1000 people from all branches of Government there to hear what we have to say. They are also inviting Gov. Leaders from Rwanda, Tanzania, the District Republic of the Congo, Zambia, and Burundi. Tents will be set up outside for the overflow crowd. They will have simultaneous translators in French and Kirundi and Swahili, as well, and all of this will be a televised event and also sent out over the radio to all of those countries already mentioned.

In North America, I could only get between 20 and 150 people to come and hear this message. And now in Africa in one of the poorest nations on earth, Yehovah has called a Bishop to these truths through our books and teachings. He has in turn taught over 250 pastors and Bishops in Burundi alone and now plans to move out into the surrounding countries. And Telesphore has also reached the leadership of this one small nation and they are excited to hear what we have to say. And they are now organizing for us to come and share with them not just the doom and gloom, but how they can turn around their nations by obeying Yehovah. I have also been told that the Prime Minister will be including a portion of funding into the next budget to assist the Bishops and Pastors get the truth out to all Burundi and stop the curses that have been plaguing their country for decades. Impressive.

When you stop and think of all that has just happened, you have to go away and wonder why Yehovah is working with a ditch digger in one of the poorest nations on earth. What is He

doing? But you cannot deny Yehovah is doing a work here and I have no doubt it is about to shake all of Africa.

This is HUGE!!!! What other Torah teachers are speaking to the leaders of a nation as we did in the Philippines and now again Yehovah is opening this door in the Heart of Africa. Name just one. I am telling you Yehovah is doing something here through sightedmoon.com. We are the only ministry that teaches you to keep the Sabbatical year. We are the only ones that have kept the past two Sabbatical years as well as the Holy Days according to the crescent moon and the barley being Aviv.

We have been attacked and ridiculed and ostracized and we kept the faith. We stood alone when we had to. And now this door is being opened.

Brethren, we broke the bank to send James to Burundi this time and to get him home this coming week and we borrowed to get it done. I am once again calling on each of you to help raise the \$5000 US that we now need to fly both of us back to Burundi for this High-Level Meeting that is being set up. Would you, could you find a way to help sponsor this trip?

I recently saw a messianic ministry announce they had \$1.4 Million so they could buy this building. And they were asking their members for an additional \$1/2 million to renovate it. We at Sightedmoon have never had that kind of money. But with the \$20 and \$50 donations that some of you send in, we have been able to do a work that blows my mind. Just look at the reach we have had.

We are not buying buildings nor paying my mortgage. We are doing a work that is producing fruit. We are asking you to help us so that we can raise up still more fruit. Will you seriously consider joining us now at this time? Will you send in an additional donation and for many of you, your first donation to help us do our part to get to this important meeting in which we can reach the leadership of the heart of Africa? Please do pray about this and ask Yehovah to bless the words that are to come out of our mouths. To bless these people who have suffered from the curses for so long that they now want to obey and be blessed. And they are ready to do what they are told.

Indeed the very parable we have been saying for years is coming to pass. this message is going out to the nations and they are answering the call that Israel, the 12 tribes would not answer.

Mat 22:1 And Jesus answered and spoke to them again by parables and said: "The kingdom of heaven is like a certain king who arranged a marriage for his son, and sent out his servants to call those who were invited to the wedding; and they were not willing to come. Again, he sent out other servants, saying, 'Tell those who are invited, "See, I have prepared my dinner; my oxen and fatted cattle are killed, and all things are ready. Come to the wedding."' ' But they made light of it and went their ways, one to his own farm, another to his business. And the rest seized his servants, treated them spitefully, and killed them. But when the king heard about it, he was furious. And he sent out his armies, destroyed those murderers, and burned up their city. Then he said to his servants, 'The wedding is ready, but those who were invited were not worthy. Therefore go into the highways, and as many as you find, invite to the wedding.' So those servants went out into the highways and gathered together all whom they found, both bad and good. And the wedding hall was filled with guests.

“But when the king came in to see the guests, he saw a man there who did not have on a wedding garment. So he said to him, ‘Friend, how did you come in here without a wedding garment?’ And he was speechless. Then the king said to the servants, ‘Bind him hand and foot, take him away, and cast him into outer darkness; there will be weeping and gnashing of teeth.’

“For many are called, but few are chosen.”

We are asking you to be a part of this and help us.

You can make a donation on the web site. You can send a donation via email. Or you can send a money order or check to Joseph F Dumond
