Shabbat Shalom To the Royal Family,

Update on Kenya

Dear Brethren, you are about to read two emails from Kenya and Burundi. This past Winter Bishop Telesphore went to teach the people of Kenya about the Sabbatical and Jubilee years and the Holy Days and the weekly Sabbath in order to understand how close we are to the end of this age. The work is vast and the distances far. Telesphore appointed Bishop Eliphas

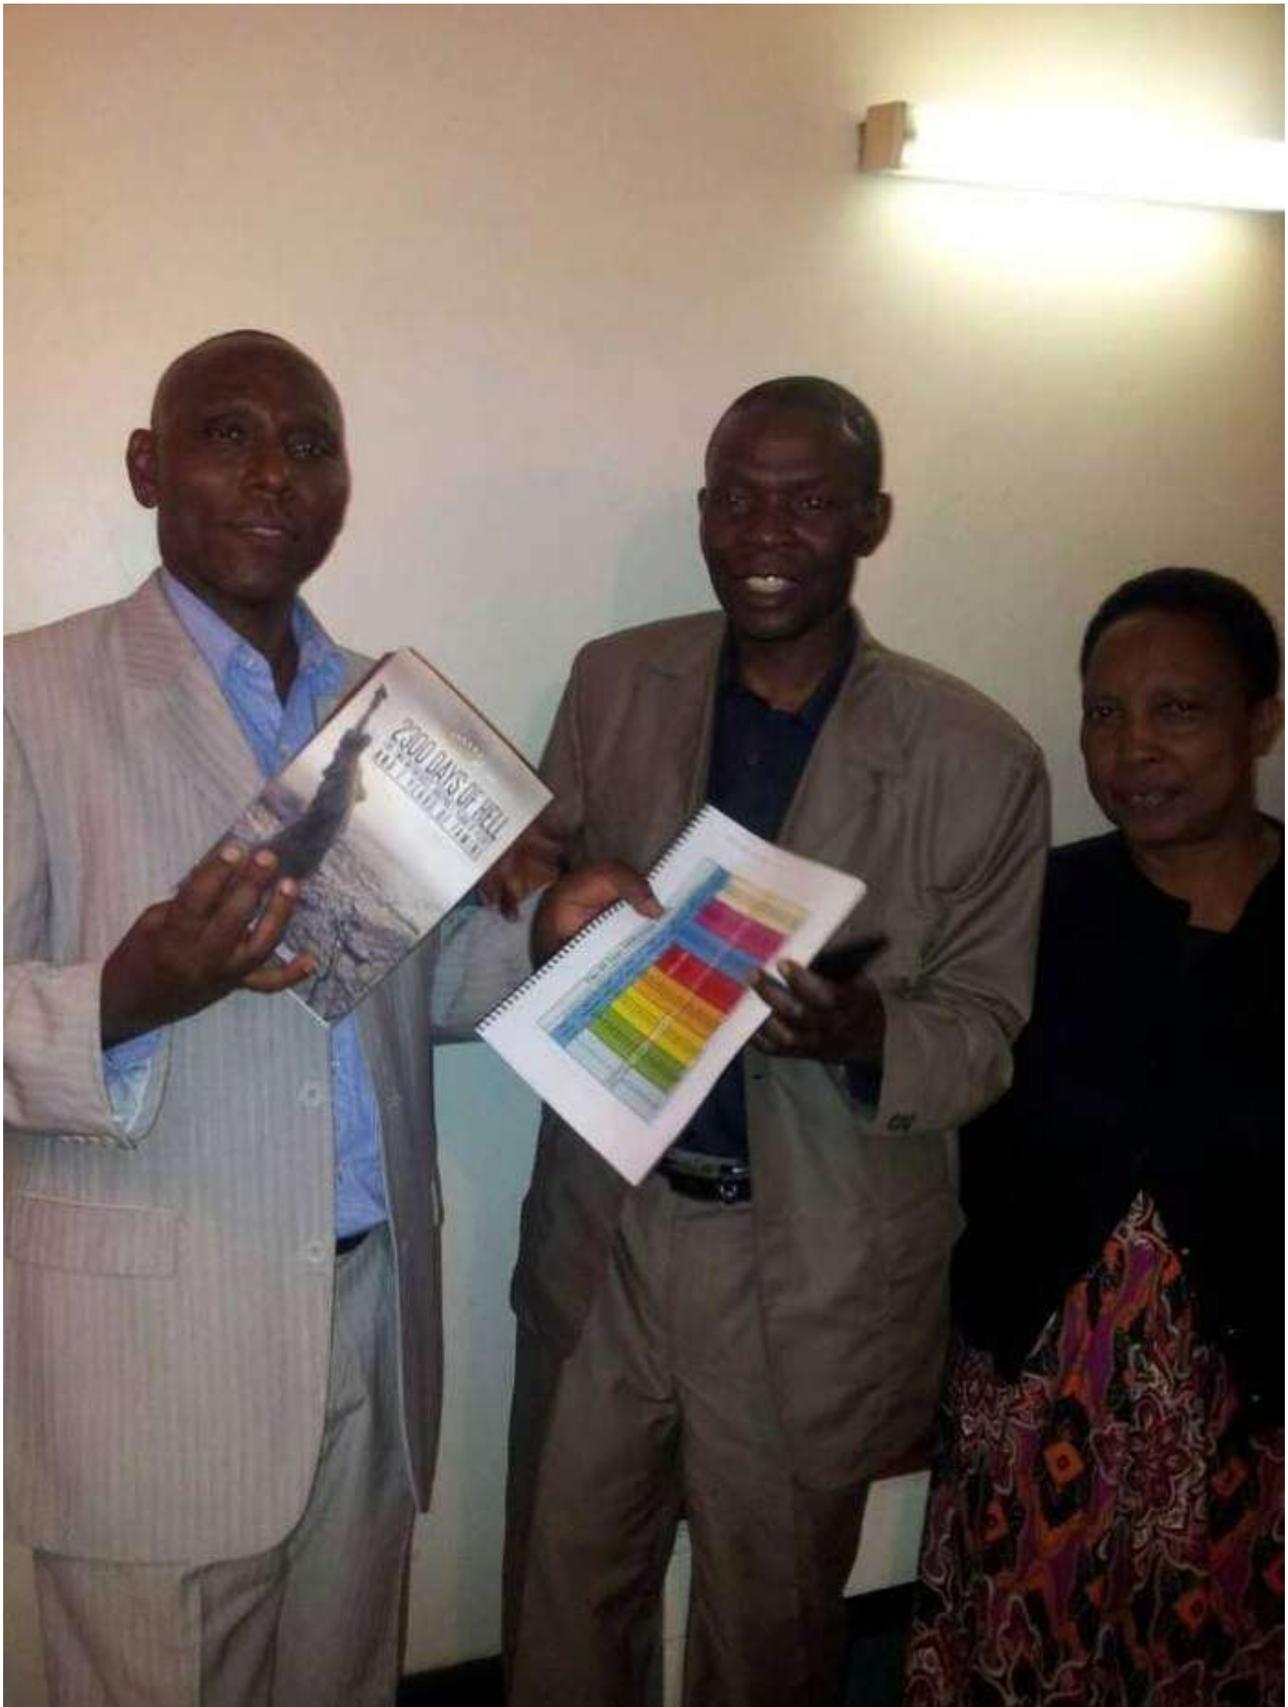

Mugao Mitugo to learn these truths and then to teach them to those around him, to help Telephone not have to travel so much back and forth.

As you know we have been supporting this work in Burundi and now it has spread to Kenya. And as you well know we have been supporting the work in the Philippines and have reported

to you last week and again this week just how well our recent visit to the Philippines has gone and how successful it has been. That has resulted in a request for us to go to Indonesia. And now our work in Burundi has developed a request for us to go to Kenya.

Here in this picture Bishop Telesphore is showing the Jubilee Cycles and the 2300 Days of Hell to Bishop Moses Masengo also of Kenya.

The Bishop has been learning and reading.

Dear Joseph Dumond,

Thanks for the teachings of the Revelation of the End times about Blessings and curses that we got through the teachings by Bishop Telesphore from Burundi!!

Now we are studying both old and New Testament and we are getting blessed!

It was good news to hear and read how it is important to keep the commandments and the Sabbath as a sign of Yahweh!! It was new to us to study sabbatical years and Jubilee cycles!

I received the book 2300 days of Hell and it very powerful.

Am following your news letters on your web-site-www.sightedmoon.com

I would love you to come and empower us to be able to teach this truth. We would love every single person including the government in Kenya to know this truth and keep so that we be blessed.!

Am in Contact with Bishop Télesphore.

Thanks and be blessed

Bishop Eliphaz Mugao Mitugo!!

Shalom to you James.

The message of Torah is growing in Burundi, Rwanda, DRC and Kenya. I was invited by Bishop Eliphaz Mitugo from Kenya to teach again this truth. I have spent two weeks in Kenya teaching and Bishop Eliphaz yesterday sent an email to Joseph Dumond asking him for a visit in the country of Kenya to emphasize and empower the Bishops, pastors and deacons who already have received the message of Torah. I have appointed Bishop Mitugo Eliphaz to coordinate this truth in the country of Kenya and to make a strong core team that will help him to reach in many provinces as well.

In Kenya, many people are hungry for this truth as there is many heresies there. I got many invitations in Kenya and I went with the Books of 2300 Days of Hell and leave with them. I have reported this to Joseph Dumond this morning. So I am going back tomorrow after 12 days in Kenya.

I was supposed to go to Brother Henry Mate to meet with his group but I didn't make it due to the financial means and long distance. I invited him to come to Nairobi to attend my training and one of his family was seriously sick so he didn't make it but I promised him to go to train his team in May but all depends on YHVH's direction. Brother Henry Mate was corresponding with Joseph Dumond.

May Yahweh bless and keep you

Telesphore

Brethren we have our donation [page set up so you can help us](#) by using PayPal in many different denominations. We have also set up a GOFUNDME account to help us raise the funds we need to organize this work, so that a group of people can do this full time in the Philippines or Burundi and anywhere else this work is needed to go. The fields are already ripe for the harvest but the labours are few. I can no longer afford to fund this work and as many of you know I work a full-time job digging ditches to do pay my bills and to help this work. This work is growing and I need help. If I continue to take time off of work to go and spend the weeks and or months in these places I will lose my job.

We also have a person who would like me to go to Surinam in South America.

We have people who have now volunteered to help in various jobs in this ministry and they are a great help. We have many of you who pray for me and this work daily and the miracles and the doors that are opened to us are unbelievable.

Now this work is requiring me to go for more than just a week or two at one of the Feasts. Now it is requiring me or James and Aike to go and spend weeks and even months there teaching full time, working with the Bishops and Pastors and brethren so they can understand the Holy Days and the Sabbath and the Sabbatical years. They do not always have access to the internet. Some do not have any access. So they require people on the ground in those places.

Many of you have already contributed. I am not asking for any more from you. I am asking for you all to pray for a miracle. We do need a large financial or corporate backing that is reliable and dependable to pay for our airfare and lodging and travel as well as to pay our bills that are ongoing at home while we are away. We are looking for long-term support to do this work in full strength.

We are not asking you to go into debt for this work. We are not asking you to risk your savings for this work. But we are asking all of you to do your part and support this work if you are not already doing so. It does not matter what country you are in, there is a way for you to help.

Find that way and help us share this work. Please.
