Shabbat Shalom to The Royal Family of Yehovah,

Mail

One of the things that always surprises me is just who it is that is reading those things I am posting and sharing. And the far flung remote places of the world that read and then write to

me. Much of it comes from individuals like you sharing our teachings with others or telling certain people they need to read this article from sightedmoon.com. To each of you that does this, thank you. Thank you very much.

Last week we received the following letter about our teaching on New Years. And we got this from someone I admire and greatly respect.

Wow Joe, what a great article. I have never heard any of this. Thank you for all your effort of research and assimilation to make a clear read of it. Also just read the bit on Joseph of Aramethia. I do not usually have time to read all your stuff, but I do appreciate what you give us all... I have some idea of the incredible task it is. Thanks so much. (I hope I have translated this correctly. If not I will hear about it.) kkrvy YVAREKAKA YHUh. Eric Bissell

### Come Out of Her My People

We shared a teaching a few weeks ago titled E=MC2. Since we posted that article I found two videos on sound waves and how sound is turned into light when it passes through certain mediums at a certain frequency. That was fascinating to me and it led me to another video that is speculating that some of the stars we are seeing are not stars at all but sound frequencies passing through a medium and the results are light, which we think are stars. There is so much more I would like to research on this subject when I have more time to dedicate to doing so. In the meantime the two videos have been added to the end of the E=MC2 article. Please go and watch them.

A few weeks ago, on November 18, 2016 we posted a News Letter titled Trump-Come Out Of Her My People . We are approaching 60,000 views for that post and 16,000 have engaged with the article. 362 liked it while 135 shared it to their Facebook page and 135 people commented on it. I want each of you to understand the power we have to share this teaching when each of you shares, comments and likes our postings at our Facebook site sightedmoon.com. Yes, your comments do matter and help the posts to be shared with others. Please do come and like and follow us on Facebook and Twitter and help us to share our end time message.

You may not be able to send us a donation, but each of you can find the time to write a positive review on Amazon and Barnes & Noble for each of our three books that can be found there. We currently have no reviews at Barnes and Noble. Please help us to do this. Those of you in Good Reads can also write up a review that will help others want to get these books and learn about the Sabbath, Holy Days and Sabbatical years as well as end time prophecy. Many say they want to help then never do. Here is your chance to help and it does not cost you anything except a few moments of your time.

In that article we explained how the UN is the Great Whore of Revelation, and we told you how we are involved in her by being a part of the UN.

On the campaign trail, Donald Trump said he was going to withdraw funding to the UN and from NATO, and that he was going to tear up the UN sponsored Paris Agreement.

Since 2005 I have been saying in all of our teachings and books that the UN is the Great Beast of Daniel and Babylon, and it sent me through the roof to see prophecy once again coming to life. Real life in our time, right now on the nightly news. So I posted the above picture and ad to Facebook and Twitter.

Last week on Friday the USA abstained from voting on a UN bill aimed directly at the State of Israel. But nothing was said or done about Syria or ISIS.

The UN Security Council is voting on Friday on a resolution demanding an end to Israeli settlements, a day after Egypt withdrew the measure under pressure from Israel and US president-elect Donald Trump.

New Zealand, Malaysia, Venezuela and Senegal, who were co-sponsors of the draft resolution, have requested the vote which diplomats said was to take place at 1900GMT.

The 15-member council had been due to vote on Thursday and western officials said the United States would allow the draft resolution to be adopted, which would be a major reversal of US practice of protecting Israel from action.

#### Egypt: Trump convinced Sisi to withdraw UN resolution

The US intention to abstain sparked criticism from the government of Israeli Prime Minister Benjamin Netanyahu, who has had an acrimonious relationship with President Barack Obama.

Netanyahu and Trump had both called for the United States to veto the draft resolution.

Trump spokesman Sean Spicer said the Republican president-elect spoke with Netanyahu and Egyptian President Abdel Fattah el-Sisi about the proposed Security Council action on Thursday.

Israel's ambassador to the United Nations, Danny Danon, called on Washington to "stand by" Israel.

In one of the harshest personal attacks by Netanyahu's government, a senior Israeli official said Obama and Secretary of State John Kerry pushed a "shameful" draft anti-settlement resolution at the UN Security Council.

The White House declined to comment.

"President Obama and Secretary Kerry are behind this shameful move against Israel at the UN," the official said, speaking on condition of anonymity because he was discussing behind-the-scenes diplomatic activity.

"The US administration secretly cooked up with the Palestinians an extreme anti-Israeli resolution behind Israel's back."

He called it "an abandonment of Israel, which breaks decades of US policy of protecting Israel at the UN".

The United Nations (U.N.) is using President Obama's betrayal of Israel – allowing a dangerous anti-Israel resolution – to unleash a new round of Boycott, Divestment, and Sanctions (BDS) in an effort to further delegitimize the State of Israel. It has created a new blacklist of companies that support or do business with Israel in Judea, Samaria, and eastern Jerusalem.

As Israel National News reports:

The UN General Assembly approved the funding of \$138,700 towards the creation of a database of companies which do business in Jewish communities in Judea, Samaria, and eastern Jerusalem.

The sum was approved on the same day that the Security Council approved the resolution, not vetoed by the Obama government, condemning all Jewish presence over the 1949 armistice lines, the Human Right Voices NGO reported.

The database would serve as a blacklist to help BDS organizations seeking to foster boycotts of the State of Israel.

The UN Human Rights Council (HRC) approved the creation of the database in March, but lacked the authority to fund the action. The General Assembly decision grants the project the necessary funding.

Make no mistake – President Obama has empowered Israel's enemies. His Administration has emboldened terrorists.

Israel is under vicious assault.

This action by the Obama administration as they leave the White House is shameful. But look what came out of it. President Obama signed the Paris Treaty Sept 3, once they knew Trump won the Presidential race and was not going to be a part of the Paris Treaty. By signing it Sept 3, 2016, President Obama forced the Treaty upon the US, which is binding for 4 years. That means Trump is not able to get out of it until 2020. This year comes up over and over in all our teachings.

The international law requirements are somewhat complicated. One of the reasons Obama helped usher the deal into force early this year is because that meant that any country that was a party to the agreement couldn't leave until it completed a four-year withdrawal process.

Michael Wara, an environmental law professor at the Stanford Law School, said Trump could use his office to issue an executive communication removing the United States from Paris, but even if he did that, the United States would still be a party for four years and could be subject to its legally binding procedural commitments.

If the United States failed to meet its obligations, which are being negotiated starting now at the U.N. climate conference underway in Marrakech, Morocco, it would be breaking international law.

The United States could take a shortcut and exit the UNFCCC, a move that could be likely, given Trump's criticisms of the U.N. body. That could be done in one year rather than four and would result in leaving Paris, as well. Or Trump's administration could send observers to monitor negotiations but not participate in them and refuse to carry through on Obama's nationally determined contribution pledge to cut carbon dioxide emissions 26 to 28 percent compared with 2005 levels by 2025.

After Obama told his representative to abstain on the UN Friday December 23, 2016, on Sabbath December 24th, 2016 Netanyahu said the following in a speech.

What Netanyahu said lines up perfectly with what Trump has been saying by withholding and withdrawing funding from the UN. This is HISTORIC and so amazing. It is straight out of your bible.

Rev 18:4 And I heard another voice from Heaven, saying, Come out of her, My people, that you may not be partakers of her sins, and that you may not receive of her plagues.

We have been telling you for years who Israel is and who Judah is. They are the two main tribes of Israel and today they are known as the USA, UK and the State of Israel. The UK made the BREXIT this July. I said it was to be expected back then, but I had not considered just how huge this move was and I am only now understanding the immensity of the situation. The BREXIT vote by the UK people, followed by the Trump comments during the campaign about the UN, NATO and the Paris Treaty, along with the comments this week from Netanyahu about withholding funding from the UN are BIBLICAL and astounding.

Now Trump will do the same after January 20, 2017. This past week the State of Israel spoke up. They are all sick and tired of the hateful rhetoric coming against them from the UN as they fund it all the while.

The week between Christmas and News Years also saw Sarah Palin and Ted Cruz both calling for the withholding of funds from the UN.

On December 23, 2016 at its 70th session, the UN submitted its budget for the year 20162017. It is a staggering \$5.4 Billion for a body that has no nation and is not elected by any citizens of any country. It is a self appointed bureaucraZy. Yes, I intentionally spelled that with a Crazy at the end.

I am scratching my head trying to think of one conflict the UN prevented. Just one. They may get in to peacekeeping after the two warring parties come to some agreement, but has the UN ever prevented a war from happening? Why have they not solved Syria? Yet this week they pass a resolution condemning Israel for building houses on the very lands that Israel won back from the Jordanians who captured it in the war in 1948 and kicked out the Jews then.

### Who contributes the most to the regular UN budget?

As expected, United States of America contributes the highest with a share of 22%. USA's GNP is approximately 27% of the total GNP of all the member countries of the UN and thus its highest share of contribution is justified.

Japan contributes the second highest with 9.68%, followed by China (7.921%), Germany (6.389%), France (4.859%) and UK (4.463%) in the top five. Brazil contributes about 3.823% and is 6th in this list. Italy (3.748%) Russia ( 3.088%) and Canada (2.921%)

18 Countries contribute more than 1% each to the UN regular budget. 135 countries contribute less than 0.1% each including India's neighbours Pakistan, Bangladesh and Nepal.

The top 20 countries contribute 83.78% of the budget while 173 other nations of the world contribute a measly 16.22%.

So the US is giving 22% of the \$5,400,000,000,000 (5.4 Billion), which is \$1,188,000,000,000. That is \$1,188 Billion given to the UN each year by the USA alone.

We are looking at just three things here. We have now shown you the cost for the USA to be in the UN alone. Next I am going to show you the cost of the Paris Treaty and then the cost of NATO.

This is what the Paris Climate deal is going to do. This is what Obama just signed on for and we can't get out of for 4 years. This was the agreement that was agreed to December 2015 and signed into law Sept 2016.

(CNSNews.com) – The draft of the international agreement to deal with climate change, which is being considered today in Paris by representatives from 195 countries, calls for the developed nations of the world (which include the United States) to transfer wealth to developing nations, including through “public funds.”

“Developed country Parties shall provide financial resources to assist developing country Parties with respect to both mitigation and adaptation in continuation of their existing obligations under the Convention,” says Article 9 of the draft agreement.

“As part of a global effort, developed country Parties should continue to take the lead in mobilizing climate finance from a wide variety of sources, instruments and channels, noting the significant role of public funds,” says the draft.

The draft agreement sets a goal for developed countries to dole out at least \$100 billion per year by 2020.

You now have the USA giving \$1.188 Billion just to run the UN.

Now they have agreed to give another 100 Billion a year to fund the Paris Treaty.

When we look at the cost of being involved in NATO the facts are alarming again. NATO is made up of many nations who agree to defend each other and supply military equipment and armed personnel for that purpose. But when we look at the facts and the numbers, many of the

nations in NATO expect the US to defend them from an aggressor but have not put up near enough funding to support it. Just look at the chart and see who is paying for what.

Data has revealed the NATO countries who are not spending enough on defense to warrant Donald Trump using US forces to protect them from an attack.

The President elect caused alarm during his election campaign by suggesting Washington would think twice about coming to the aid of an endangered NATO ally if it had not paid its dues.

The alliance has set a target for its members of spending 2 per cent of GDP on defense – but the likes of France, Germany and Canada are among more than 20 members not meeting the objective, figures show.

## NATO'S DEFENCE SPENDING

I am not ignoring the shameful support my own country of Canada, but I do want you to look at Germany the heart of Europe and the economic leader of the European Union. Germany is the third largest exporter of armaments in the world, behind only the US and Russia. Think about this fact in all we are sharing here and yet they are #16 out of 27 NATO countries with only five pulling their weight.

The USA give 3.6% of GDP to NATO each year. So how much is that?

The USA GDP for 2016 was \$17.947 Trillion and by 2020 it is forecast to be up to \$20.243 Trillion. So for math sake lets just say \$20 Trillion.

That is  $20,000,000,000,000 \times 3.6 / 100 = 720,000,000,000$ .

That is 720 Billion each year.

All totaled this is \$821.188 Billion that the USA gives to the UN and its operations each year. This is the whore that we have become involved with. This is the whore of Rev 18 that we are to come out of. You all can do the math for the UK and Israel as to how much they give this harlot each year.

So to see the UK, the USA and Israel all coming out of UN at the same time is amazing and WOW!!!. To see it happening just as we come towards the middle of the 70th week as Daniel foretold, again is stunning. But then to understand what is about to come....TERRIFYING beyond words.

In the article published on Wed December 28, 2016 stated the following things;

The majority of Germans surveyed want Brussels to have a “very large” or “rather large” influence in wars and conflict around the world, according to YouGov.

Now Germany and France have grabbed the bull by the horns and set about creating a joint military headquarters.

In the first few months of 2017, concrete projects for a billion-dollar defensive fund will be discussed in order to jointly allocate armament contracts.

These projects are in line with the results of the YouGov survey at the end of September, which showed the Germans wanted a better European defense network.

This revelation will be music to Jean-Claude Juncker's ears, given the Luxemburger has campaigned for an EU army since his election as Commission President.

Mr. Juncker said in November: "The Americans, to whom we owe a lot...will not provide the security of the Europeans in the long run.

"We have to do that ourselves. That is why we need a new start in the field of European defense, even as far as having the goal of setting up a European army."

Donald Trump's election as US President has heightened concerns that the European Union should have its own defense network as the Republican is seen as potentially volatile.

## The EU Army could actually promote world peace, according to the Germans

Despite Brexit and growing nationalist sentiment in France and Italy, the European Union is more popular among its member states than it was a year ago.

A YouGov poll submitted in the wake of Brexit showed the remaining 27 nations advocated a closer union and "more Europe".

Let us once again read what Lev 26 says. Do not turn your heads away. Read it all.

Lev 26:23 And if you will not be reformed by Me by these things, but will still walk contrary to Me, 24 then I will walk contrary to you and will punish you seven times more for your sins. 25 And I will bring a sword on you that shall execute the vengeance of the covenant. And when you are gathered inside your cities, I will send the plague among you. And you shall be delivered into the hand of the enemy. 26 When I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver you your bread again by weight. And you shall eat and not be satisfied. 27 And if you will not for all of this listen to Me, but will walk contrary to Me, 28 then I will walk contrary to you also in fury. And I, even I, will chastise you seven times for your sins. 29 And you shall eat the flesh of your sons, and the flesh of your daughters you shall eat. 30 And I will destroy your high places and cut down your images, and throw your carcasses on the carcasses of your idols, and My soul shall despise you. 31 And I will make your cities waste and cause your sanctuaries to be deserted. And I will not smell the savor of your sweet odors. 32 And I will turn the land into wasteland. And your enemies who dwell in it shall be astonished at it. 33 And I will scatter you among the nations, and will draw out a sword after you. And your land shall be waste, and your cities waste. 34 Then shall the land enjoy its sabbaths, as long as it lies waste, and you are in your enemies' land; then shall the land rest and enjoy its sabbaths. 35 As long as it lies waste it shall rest, because it did not rest in your sabbaths when you lived on it. 36 And on those of you that are left I will send a faintness into their hearts in the lands of their enemies. And the sound of a driven leaf shall chase them, and they shall flee as if fleeing from a sword. And they shall fall when none pursues. 37 And they shall fall on one another, as if it were before a sword, when none pursues. And you shall have no power to stand before your enemies. 38 And you shall perish among the nations, and the land of your enemies shall eat you up. 39 And they that are left of you shall putrefy in their iniquity in the lands of your enemies.

And also they shall putrefy with them in the iniquities of their fathers.

Do you all see what is going on here? Biblical Prophecy is happening right in front of everyone and no one sees it. DO YOU? DO YOU????

If you do then you should be screaming at the top of your lungs. PLEASE TAKE ANY OF THE PICTURES I HAVE SHARED ABOVE AND POST THEM TO YOUR OWN FACEBOOK PAGES WITH LINKS TO THIS ARTICLE. Please share this article at least a million times over.

Again, do you get it?

LOOK WHAT THE GERMANS SAID.

## The EU Army could actually promote world peace, according to the Germans

Dan 8:27 And I Daniel fainted, and was sick *for* days. Afterward I rose up, and did the king's business. And I was amazed at the vision, but there was no understanding.

It made Daniel sick to see what was happening to the Saints as described in Daniel chapter 8. We described this in detail in our book *The 2300 Days of Hell*. It is the Saints, the brethren

who keep the Torah according to the sightedmoon and those who keep it according to the Hebrew Calendar. The Saints, those who also do not keep the Torah at all but are DNA descendants from the 12 tribes. These people by the hundreds of millions are going to be slaughtered and hunted and raped and tortured and enslaved. All of this is to begin after 2020 and in large part will be completed before the next Sabbatical year in 2023.

So while you sit on your fat butt twiddling your thumbs, prophecy is marching on. The longer you bury your head in the sand and deny it and do nothing, the more lives who could have been rescued will be lost. The more you do nothing the more that will die. And they include your own families and your own flesh and blood.

Jeremiah said there would be peace, peace when there is no peace. LOOK WHO THE WORLD PEACEMAKERS ARE.

So let us look at Prophecy and this time understand it. The Prophet Daniel was revealed the meaning of this great statue that the King had in a dream in Daniel Ch 2. Then Daniel was also revealed what each of the parts of the statue meant. You can read this chapter and the ones to follow on your own.

IChapter 7 Daniel had a vision of 4 beasts coming out of the sea and what they meant was also revealed to

him.

## The Four Beasts in Daniel 7

	<p><b>1</b></p> <ul style="list-style-type: none"> <li>• Like a Lion</li> <li>• With eagle's wings</li> <li>• Wings plucked later</li> <li>• Lifted up from earth</li> <li>• Man's heart given</li> </ul> <p>Babylonian Empire (605-539 BC) Nebuchadnezzar</p>		<p><b>2</b></p> <ul style="list-style-type: none"> <li>• Like a Bear</li> <li>• Raised up on its side</li> <li>• Had 3 ribs in its mouth</li> <li>• Was told to arise and devour much flesh</li> </ul> <p>Medo-Persian Empire (539-331 BC) King Darius</p>
	<p><b>3</b></p> <ul style="list-style-type: none"> <li>• Like a Leopard</li> <li>• With 4 fowl's wings</li> <li>• Had 4 heads</li> <li>• Given dominion</li> </ul> <p>Grecian Empire (331-146 BC) Alexander the Great</p>		<p><b>4</b></p> <ul style="list-style-type: none"> <li>• Exceedingly dreadful, terrible beast</li> <li>• Iron teeth, brass nails</li> <li>• Had 10 horns</li> <li>• A little horn, which plucked 3 horns</li> </ul> <p>Roman Empire (146 BC-1453 AD) Emperor Nero</p>

The four Beasts of Daniel also matched up with and were identical to the various parts of the Statue from Chapter 2.

Now lets just stop here for a second and look at the land that each of these empires had under its control.

The Babylonian Empire. The head of Gold and the Lion with wings.

Next was the Arms and Shoulder of Silver and it was represented as a great Bear. Please notice that the Persian Empire encompasses and all of the Babylonian Empire and then some.

After this was the hips of the statue made from Brass and it is represented as a 4 headed leopard. Once again notice that the Greek Empire takes all the land of both Persia and Babylon.

The 4th Empire is represented by the legs. The beast for this empire has many heads signifying it is going to keep coming up. Notice again how the Roman Empire overlaps much of the previous three empires, although not all of it.

The legs of the statue are symbolic that the empire would be divided. Most people today assume this to be Rome of the west and Constantinople of the East but Prophecy never speaks of an East and West Empire. But it does talk of a north and a south empire and that they would push at each other in the last days.

Here is a map of the Islamic Empire. This is also what Daniel refers to as the King of the South that would push (war) with the King of the North.

This King of the North was to invade and conquer the lands of the King of the South. That is, the Holy Roman Empire would rise up in the last days and conquer the Kings of the South and also the Holy Land. See Daniel 11.

Now look at the Islamic Nations that occupy those former Empires, then look at the Christian Europe, the King of the North that is going to invade them and conquer them.

As you're looking also remember what was said of the feet of Iron and Clay. The word for clay is Arab and it means mixture. Islam is mixed among the nations and for the past couple of years, you have watched a huge invasion of Islamic people into Europe. But just as Iron does not mix with clay neither will these people mix. The Iron is representative of the Iron Fist of Germany, the heart of Europe, the number three exporter of armaments in the world today.

Some other information for you to consider: The Roman Empire was headed up by a list of

Holy Roman Emperors. You can read this [list here of who ruled and when](#). When you go there, I want you all to pay attention to the family crest they all bear. Here is the crest for one of the Holy Roman Emperors and almost all of them are like this one, with minor variations.

This is the Royal Coat of Arms for the Nation of Germany. It is also the same emblem for the Hittites and Assyrians. We show you this in our video below.

If you have not then please do watch our video on the Assyrians. Who they are and why they remain the enemies of Israel to this day and prophecy says they will in the last days. The land mass for the Assyrian Empire covers all of modern day Turkey and much of the Middle East. Again watch the video. but Daniel started his visions with Babylon and not Assyria. Babylon was the head of Gold.

Daniel was shown the 4th beast which was made up of the previous three and yet was perverse and more terrible than those that preceded it. In Prophecy this beast is known as the one that the woman rides as we are told of in Revelation. As terrifying as this beast is, in mythology it is always portrayed as something not that fearful. Daniel is showing us the true nature of the beast to stomp and destroy all nations and people around her.

Over and over, mythology tells us who this woman that rides the beast is. Even though the evidence is there and overwhelming, most in America and in the Bible belt are ignorant and choose to remain so in order to follow their own pet opinions. Some say the Prince of England is the beast and others say America is the beast. And even though I am about to show you overwhelming evidence to the contrary, many will write these proofs off and cling to the lies they have been taught. Yet even the Beast itself does not deny who it is.

The newspapers of Europe do not deny who they are. They are the woman that rides the beast. Here, two well known pictures of this from 1992 when the Euro was created.

4 390700 705005 22

Handys, Hightech und Reformen

## Guten Morgen, Europa!

Wie der alte Kontinent  
die Wirtschaftsmacht  
USA attackiert

Here is a picture of the Euro that began with the European Union in 1992.

Even in front of the European parliament is this same depiction of a woman that is riding the beast.

The mythographers tell that Zeus was enamored of Europa and decided to seduce or ravish her, the two being near-equivalent in Greek myth. He transformed himself into a tame white bull and mixed in with her father's herds. While Europa and her helpers were gathering flowers, she saw the bull, caressed his flanks, and eventually got onto his back. Zeus took that opportunity and ran to the sea and swam, with her on his back, to the island of Crete. He then revealed his true identity, and Europa became the first queen of Crete. Zeus gave her a necklace made by Hephaestus[27] and three additional gifts: Talos, Laelaps and a javelin that never missed. Zeus later re-created the shape of the white bull in the stars, which is now known as the constellation Taurus. Some readers interpret as manifestations of this same bull the Cretan beast that was encountered by Heracles, the Marathonian Bull slain by Theseus (and that fathered the Minotaur).

Hercules is none other than Shem who took the Bull which is the government and Nimrod at the same time and had them executed and cut up and sent to all parts of the known world at that time. This is also the story of Mithra.

Now when we read in Bible Prophecy in Revelation about the woman that rides the beast we know it is speaking of Europa and Europe. She is also the one who has murdered the Saints and is about to do so again, even to some of you.

The Government that she rules over and uses to do her bidding is the UN, The EU, NATO and the Paris Treaty which is the most modern form of the UNEP created in June 1972. Daniel warns us that this covenant made with many (The UNEP has now finally been signed by all 197 nations of the world under the Paris Treaty) would only last one Jubilee cycle. When you start in 1972, and add 49 years to that it brings you to 2020.

Even the EU is built to represent the tower of Babel that was never finished due to the languages being confused.

Rev 18:4 And I heard another voice from Heaven, saying, Come out of her, My people, that you may not be partakers of her sins, and that you may not receive of her plagues.

We are being told to come out of her so as not to receive her plagues.

You are witnessing the UK and the USA and the State of Israel all coming out of the UN at the same time. This is profound beyond words. You are witnessing prophecy happen right in front of you.

This coming out of the UN will force it to get its own army ASAP. And it will be that army that is going to destroy the USA and UK starting in 2020. 2020 is the middle of this Jubilee cycle. 2020 is the end of the covenant made with many.

And because the 12 tribes of Israel as a whole do not keep the Sabbath, the Holy Days and the Sabbatical years, and the rest of the commandments, they will be destroyed by Yehovah. Those of you who do obey He is going to protect. Some of you, He is going to allow to be martyred. Are you ready for what is about to start?

You are commanded to pray that your flight not be on the Sabbath nor in Winter. Winter begins on the 1st day of the 7th Month. Will you have to flee during the fall Feast days? In any case you will have to flee at some time.

Do you now see the significance of the world news this past week and past few months?

Then you owe it to those who not yet know, to warn them and explain it to them or get my books or videos into their hands so they can read about this. It is your job. Few if any of you

tithe or donate or give anything to this ministry for us to shout this warning out. We operate on less than \$2,000 a month.

But now you have all the facts. Now you can tell others and warn them from your own resources. So get to it before time runs out for them and for us.

You must also now watch our teaching on the Blood Moons and pay attention to the section on the 4 horses of Revelation and then think about what is being shared.

I post these News Letters Thursday Evenings so that they can be read in Asia just as the Sabbath is starting. But as I go to post CNN has just come out with a report that the Republicans have voted to begin withdrawing funding from the UN until the vote is changed.

The lead paragraph reads as follows;

Congressional Republicans are prepping legislation to slash US funding to the United Nations, saying it's the right response following last month's Security Council vote condemning Israeli settlements.

The conservative House Freedom Caucus will meet Monday to discuss whether to move forward with efforts to reduce funding to the world body or to require Congress to reauthorize the spending every two years or it will cease.

I would urge all of you to call your Government leader no matter what country you are in and tell them to stop funding the UN altogether. Just stop it. Yehovah help us.
