Shabbat Shalom To the Royal Family,

Confused are You?

A few weeks ago I gave you the assignment to prove why so many were looking for the Messiah around 4 BC. You were not to use the New Testament to prove your answer yet many did.

Some of you wrote me to tell me the comment section was not working. I checked and it was working. But what I did not notice was that many of the comments were being held back. I have now gone in and approved them all and deleted those ones that you posted a few times trying to get it to work. My Apologizes for this mistake on my part.

You can now read the many more comments in that article [at this link](#). Just scroll down to the comment section.

Now from the many comments I got, I see many of you struggled to prove that the Messiah was expected. I gave you the date of 4 BC so you could not use any of the New Testament for your answers. Some of you did anyway. If this a High School course I would have given those of you that cheated an "F" for not searching as directed.

But many of you said how challenged you were in doing this assignment. And that greatly pleased me. Because that is how challenged the Apostles were at some point. But for all of you to actually do this assignment is "A+".

There is a reason I am doing this. That is making you work to find the answers before I give them to you. So that you Know. Not so you can say so and so said. No, this is so you can know and prove it yourself. So do not give up. You're learning how much more you need to read and study. And for some of you your learning just how much time you wasted on conspiracy theories.

You all know from the Sabbatical and Jubilee studies that we are fast approaching the middle of this 70th Jubilee which is also the 120th Jubilee. You know we are approaching the end of this 6th Millennial day of man. There are a lot of horrible things about to come. So let me take this verse that Paul said and use it slightly out of context or maybe I am not out of context at all.

2 Thess 2:1-4 Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come. Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God.

This section of the verse I am focusing on is “Let no one deceive you by any means; for that Day will not come unless the falling away comes first”

It actually reads “Let no one deceive you by any means; For unless the falling away comes first,”

The Falling away comes first. What does this mean to us today? What is the Falling away? Here is what the Greek words mean.

G646 apostasia *ap-os-tas-ee'-ah*

Feminine of the same as G647; *defection* from truth (properly the state), (“apostasy”): – falling away, forsake.

G647 apostasion *ap-os-tas'-ee-on*

Neuter of a (presumed) adjective from a derivative of G868; properly something *separative*, that is, (specifically) *divorce*: – (writing of) divorcement.

G868 aphiste?mi *af-is'-tay-mee*

From G575 and G2476; to *remove*, that is, (actively) *instigate* to revolt; usually (reflexively) to *desist*, *desert*, etc.: – depart, draw (fall) away, refrain, withdraw self.

An Apostle leads you to the Truth. An apostate leads you away from the truth.

The more I look at the arguments that have been going on and are now provoking this series of News Letters, I can now see how some are falling away. They apostasion on the Messiah and you are witnessing it now. It becomes imperative that you prove each of the things I throw at you. I am doing it to teach you how to stay with the **Netzar that Apostles** you back to the tree of Life. And yes you can look up that expression. The Netzar is the Branch and is why Yehshua was called a Netzarene. He was not from Nazareth.

Now, many of you already know what I am about to teach on Chanukah and this week’s teaching is for the many new people who are now reading this News Letter. And for all of you, it could be a review.

In the exact same way that some take the Chanukah lie and make a great long theological discourse about it to prove the conception of the Messiah took place on this day is a false teaching, so are those who take the Messiah ben Joseph and Messiah ben David theology and make it into something holy. It is really a way for the Jews for Jesus to try and win more Jews

to this Christ. You have now got God the Father, God the son that died and God the other son that is going to reign. And without even knowing it you have acknowledged the idea of God being a trinity.

Both the Chanukah and the two Messiah teachings are deceptions that lead you away from the truth. They blind you from seeing the facts. The reason we are doing this series was at first because of the man who has come out and denied that the New Testament is real and valued, and then because he has also denied the Messiah ever came. He is now ranting against other leaders. And I can now see where he is getting his information from. Others who have become anti Missionaries. We will be addressing all of this over the coming weeks.

Some of you want me to condemn him for doing this. And yet many of you cannot prove any of the things he is saying are false and by that, you prove his statements true. So we are going to walk through each one and cause you to learn the truth. Some of you have said you are becoming confused. Great! At least you're thinking. Are you able to prove everything you believe if we take away the New Testament? Is your faith based on faith alone or can you produce facts that support why you believe what you believe? Proving all things!!

Once we can do this then we can speak with confidence to those naysayers. The fact that some of you are confused is because you are not confident enough in the Old Testament, to be able to defend your belief and you have accepted some teachings such as Messiah ben Joseph as factual which only muddies the waters when you go to prove your position. It is not found in the Torah so stop being lied to and let's keep getting the facts. You do not want to be part of the Apostasion, the falling away, now that we are so close to the end.

I do have another homework assignment. In my opening email last week, I asked the two questions for you to research. But not all of you saw this as I did not put it in the News Letter. So let me again ask the questions and you can post your answers below in the comment section. If they do not appear then drop me an email and I can check the spam box to see if your comments got sent there.

Question one; Where are the scriptures that tell us God was going to come in the flesh?

Question two; Where are the scriptures that say God will die for your sins?

Question three; Where are we told that the Messiah would be killed?

Again you are only using the Old Testament. My Friend says there is no such scripture anyplace in the Tanach.

So in the comments below show the world where it says the Messiah is to be killed. Don't just quote a scripture. Ch & verse. Write the whole thing out so we all can read it.

One man wrote in and has done so each week in many places so others could see what he was suggesting, is hinting that I too am denying the Messiah as well. This has caused many of you to also wonder where I stand. The subtleness of Satan at work spreading and causing doubt.

Because of the questions, I am asking which are the exact same ones the Anti-Missionaries bate you with, but, because I was doing the same thing, some are saying I am leading you all astray. And this really got my goat because it was multiple times he had said something to that effect.

We have been writing this News Letter since 2007. Passover 2007 to be specific. This is about 50 weeks per year for the past 10 years. Our Dashboard says there are 795 articles posted here with 40 more I have been working on but not yet published as of today. We have been teaching about the Sabbatical and Jubilee years since 2005. I have traveled across the USA and to cities around this world speaking on this subject and published 4 books to help explain it. I have been walking this walk since 1982. And doing it all with little to no help while raising my family and working a full-time job in construction. Many times the guys at work are easier to teach than those of you who are called "Brethren". We have taught the Crucifixion and the 3 days and 3 nights and the birth of Yehshua being Trumpets. And yet, in spite of all of this and my past record, I am still accused by some which was not done according to Mathew 18.

Next week you will read about the serious dangers that both Telesphore and Aike are dealing with in Africa and in the Philippines. These are real men doing a real work to spread the truth of the Gospels and the Jubilee years. Some people who think they are brethren do not do any work at all nor support those who are doing a work. Instead, they are the tares that grow up amongst the wheat, believing they are the wheat when in fact they have no produce to show. They have no meat or kernel to harvest. They do no work at all, but are just taking up space. Taking up my time wasting it on frivolous arguments.

Do you want to be found as a wheat at the final harvest, then start to do a real work. You can be a part of this work in many different ways. You can join me in helping to support both Aike in the Philippines and Telesphore in East Africa. Again more next week.

Now, if you do not know where I stand, then you have not looked at any of my writings. I am not going to be goaded into your delusional arguments. Nor make a declaration just because you want me to make one. Grow up. The following proverb applies to people on both sides of this issue. Those sowing lies and discord amongst the brethren. Let's search the scriptures and find the truth no matter where it leads us.

The Wicked Man

Proverbs 6:12-19 A worthless person, a wicked man,

Walks with a perverse mouth;

He winks with his eyes,

He shuffles his feet,

He points with his fingers;

Perversity is in his heart,

He devises evil

continually, He sows

discord.

Therefore his calamity shall come suddenly;

Suddenly he shall be broken without remedy.

These six things the Lord hates,

Yes, seven are an abomination to Him:

A proud look,

A lying tongue,

Hands that shed innocent blood,

A heart that devises wicked plans,

Feet that are swift in running to evil,

A false witness who speaks lies,

And one who sows discord among brethren.

Why are some of you so quick to condemn someone who once believed in Jesus and now no longer does? Yet these same people that want to throw stones are the very same ones who take on a Jewish name, and kippah and beard and start to talk in broken Hebrew and English. They are acting and looking like a Jew. And yet the Jews deny Jesus as well but you do not condemn them. Nor do you condemn the Chinese who believe in Buddha or the Muslims who believe in Mohamed. You have a double standard and are quick to condemn your brother rather than reason with him.

Let Yehovah be his judge and you be about Yehovah's will and let others know the truth of the Torah.

This series of articles we are working on addresses each of the concerns some have raised and yet many of you could not answer. We are doing this to help those of you who want to learn how to be prepared for when the Anti-Missionary comes after you to challenge your faith. I see them on Facebook all the time and as soon as you give them the typical Christian answer, I laugh because I know that person can't argue with them properly and they are going to be eaten up by those anti-missionaries.

This is why I am telling you not to use the New Testament to prove your answer. Get it from the Torah and you can't go wrong.

If you are not comfortable with me teaching you then unsubscribe. We have had about 10 Million hits to our sites. When no one is reading then I can stop. But if you do not trust me then please find someone you can trust and learn from them. But if you cannot answer the questions I am presenting to you from the Old Testament then you will not be able to defend your faith when the pressure comes because they will not accept the New Testament as fact.

As always you get to choose what you will do. I am not forcing you to stay and read. Either you can prove it or you can't. Our motto here from the very beginning has been to "PROVE ALL THINGS".

Many do not like the facts. This week's Newsletter once again presents the facts. And when that is done this lie about Chanukah falls apart and is exposed. So if I am trampling on your sacred ground and traditions and you do not like it then prove me wrong with the scriptural facts. The same way I am proving some of you wrong for believing the lies you have inherited.

We have already proven that a Messiah was expected in the 4th Millennium. We have already proven that Eve and Adam expected a Messiah since the beginning of time. We have already proven my friend to be false on these two points alone. There is a lot more to come and we will cover them one at a time to make sure you get it. Hang in there.
