News Letter 5845-052

22nd day of the Tenth month 5845 years after creation

The Tenth Month in the Sabbatical Year

The Second Sabbatical Year of the 119th Jubilee Cycle

January 9, 2010

Shabbat Shalom Brethren,

First of all Brethren, I want to apologize to all of you and especially to Avi Ben Mordechai. Last week I took my daughter to the airport and she has left to work in Korea for at least one year. My heart was breaking, and because I am the Dad, I have to hold it together in order to get people where they have to go on time. I was on the edge of tears for some time, and I made a number of mistakes in last week's News Letter.

I was distracted and quickly did a Google search for Avi's web site. Without checking, I copied and pasted a URL to a group that hates Yahweh and this Messianic life style, and has taken direct aim at Avi. I completely screwed up and I sincerely apologize for not being more careful before sending out last week's Newsletter. The other mistakes were minor, but that one I sincerely regret. I was able to correct things on the web site fairly quickly, but still the error was sent out.

It was a week of being very high after conversing with David Rohl, The Philadelphia Church of God, some other groups, as well as with Avi. There were also extreme lows after saying goodbye to my daughter whom I love very much and will miss very much.

Let me say again that you have an opportunity to join many people from many different groups on a tour with Avi Ben Mordchai. You may join us for all or for part of the tour. You can watch what this tour is all about at: <http://www.imagenet.tv/04/tours04.htm>

On this tour will be world-renowned international author, lecturer, and Egyptologist David Rohl who will be teaching us about the Kings of Egypt during the Exodus and the Armana letters, which prove that King David and Saul and Solomon were real figures in history.

<http://www.davidrohl.com/>

You can watch a number of David Rohl's videos about Joseph and the Armana letters at:

<http://www.youtube.com/watch?v=F7DNXeiphZo>

Also on this tour of the most amazing group of teachers will be Dr. Lennart Moller, who wrote the book 'The Exodus Case'. We will be with him at Nuweiba, where Israel crossed the Red Sea. Dr. Moller has documented the many artifacts at the bottom of the Red Sea which prove

the destruction of the Egyptian army at this place. You can learn more about his work at:
<http://www.messianic-literary.com/chariots.htm> & <http://www.exodusconspiracy.com/>

We will also have Jim & Penny Caldwell, who will share with us their travels to the Mountain of Moses in Saudi Arabia. This is the actual Mountain that Yahweh rested upon while talking with Israel. We will not be able to go to Saudi at this time.

http://splitrockresearch.org/content/123/Our_Story/Caldwell_Biography

If you have any interest in this tour, you need to act quickly. Events must be booked very soon and will be booked based on the number of people who sign up by January 15, 2010. If there is not enough interest, the speakers will go elsewhere, so act quickly. Consider just how great an opportunity this is, to see the places we are to visit and to have the speakers that are currently scheduled.

To this end, I share this letter I have received from Avi and Dina:

Dear Joseph,

Due to the lack of time to market the ambitious programs that we wanted to offer, we are being forced to consider modifying the program that we are offering this year. As you know the condition of the global economy is also working against us; people do not have enough disposable income to be able to afford most of these programs. We have already been in contact with David Rohl and David is giving us until January 15th to decide if we are going to commit to the program with him or not. I am not optimistic that this can be done, given everything that is working against us. So far, only you and one other man have signed up for the full tour including Cairo and Luxor (Then again, if YHWH wants it, He will make it come to pass).

In the meantime, we have recalculated the costs for bringing in just Dr. Lennart Moller for the Nuweiba program only, and they are much more reasonable. We will need just thirty people to come, rather than the sixty that we needed with our previous idea, and we estimate that we can offer the following four program options:

- 1. Nuweiba only March 24-28 \$ 1265 per person*
- 2. Nuweiba through hol Hamoed Pesach March 24-April 2 \$ 2691 per person*
- 3. Nuweiba through end of Pesach \$ 3766 per person*
- 4. Pesach only March 30-April 8 \$1880 per person*

If things get better in the economy, or if we are simply able to have more time, we hope to be able to do the full program as proposed, with all the guest speakers coming in. Please promptly give us your feedback. Shalom,

Dina

Last week we showed you some long forgotten history regarding our Scottish Ancestry. I was pleasantly surprised at the amount of positive feedback we received about this branch of the family tree. This week I want to show you some more history, so we are going to look at our Irish Ancestry, particularly our Northern Irish history. To do this I would like you to begin

reading these two short links on the Red Hand of the Ulster Flag:

<http://jahtruth.net/uflag.htm>

I would also like to share with you this link about Jeremiah, which explains the Hieroglyphs at the tomb of Jeremiah: **<http://jahtruth.net/jere.htm>**

I am very pleased to do this, as one of my branches comes from nearby in Armagh, Ireland. The next article is again about the Red Hand. I do not agree with all that these articles say, but I want you to glean those things that pertain to the ancestry of our people:

<http://www.ensignmessage.com/archives/redhand.html>

As I do the research and writing for this and next week's News Letters, I have just realized that my ancestors come from Northern Ireland, from both Armagh and Antrim counties. I had never until this moment thought anything of it. I never thought of Northern Ireland when I talked of my Irish side, but only of Ireland. Northern Ireland has a very special history, as you are about to read. It was because of my Grandmother, whose families came from Northern Ireland, that I began my research into the family tree. This led me into the search of the Celtic peoples and then to learn about the connections with the Israelites later on. Yahweh has had His hand in this all along and I just clued in. Read about the Red Hand in the articles above. Wow, the Line of Zerah...who would have thought...but I digress.

This week, I am also sharing with you a book written by my friend Stephen Spykerman, titled 'Who are you, America?' If you want to buy this book please drop him a note at his email address listed on the title page of his booklet. You may find this week's article at

www.sightedmoon.com/files/WhoRUAmerica.pdf

You can purchase a kindle version from Amazon here:

<https://www.amazon.com/Who-Are-You-America-Prophetic-ebook/dp/B00LKLNWLM>

You can see clips of Glen Beck and Stephen's comments on the HebrewNations' site here:

<http://hebrewnations.com/articles/biblical-proof/ba/beck.html>

<http://hebrewnations.com/articles/biblical-proof/ba/beck/beck2.html>

I had the distinct pleasure of having Stephen read one of my teachings at Sukkot in Israel this year. Although I had read my notes many times and knew what I was teaching, Stephen brought even me to tears as he read those exact same notes, bringing them to life with his strong British accent, hand gestures and oscillating voice. If only you could hear him deliver this presentation which he has written here for you, it would be as if Lord Admiral Nelson was inspiring his men just before The Battle of Trafalgar. Stephen will be speaking in Holland and Belgium later this winter, so if you have the opportunity to listen to him, by all means go. I am most fortunate to be able to call him a friend. A friend who has seen the message of the

Prophecies of Abraham and how important they are, and is now teaching them to those Assemblies he is visiting.

For those of you who are new and have many questions about how to keep the Sabbath, I have not been very good at explaining this to you. I would like to offer you this link to a Brother who is explaining this for those of you who are just learning and want to become obedient:

<http://ministerdavid.podbean.com/2009/08/14/my-first-sabbath-a-how-to-guide/>

I am not going to argue about those things I do not agree with him about, but I am in agreement with much of what he has to share, so I welcome his teaching for you. Please listen to his words and make the Sabbath a blessing to you and your family. You have no idea how much I wish I had someone like this to teach me 28 years ago when I was first learning how to keep the Sabbath. I made so many huge blunders.

We also have received a reply from someone who ordered the Sabbatical and Jubilee Charts. With them, they are able to know when the Sabbatical Years are and then they are able to be obedient to Yahweh. Have you ordered yours yet?

'Thank you so much for the Sabbatical calendar. We have been so confused with the Sabbath year issue because not all of the assemblies are using the same year as the Sabbath year. One assembly says it's this year and another says it started last year, so we are totally confused. I don't understand why Yahweh didn't make that part more clear in the bible for us to understand so that ALL the believers could be on the same page regarding the Sabbath and jubilee years.'

Thanks again and may Yahweh bless you!!!

Exodus 12:2 says the year begins in the month of Aviv, the Passover month, not the Fall. It is the same for the Sabbatical year. It does not change. Now, just by looking at the Charts you will know for sure which years are Sabbatical and Jubilee and which are not. You can order your charts at: **https://sightedmoon.com/sightedmoon_2015/?page_id=509**

We continue to receive emails from those in India. There is something happening and I hope you all can see it. I have said it before, maybe in the book, and I will say it again here now. When the wedding invitations were sent out in Matthew 22 those who do not come are Israel. In Verse 7 the King was furious. That King is Yahweh. Compare this word 'furious' with Lev 26:28 when Yahweh unleashes his last curse 'in fury'. In Mathew 22:7 Yahweh sends his armies to destroy those who did not accept His invitation, and killed those who brought the invitation to the wedding. Then we read in verse 8-10 how the invitations were sent to anyone and everyone else to come, and they came.

Brethren, this is what is going on right now. So many have been shown the truths and asked to join the wedding party, which as the Sabbatical and Jubilee years shows you is to take place from 2038-2044, just 28 years from now. But because so many will not accept that invitation and soon will turn and kill those messengers who brought it, Yahweh is going to invite anyone and everyone else to fill those seats. Those of you who have the charts and understand the

prophecies of Abraham, and the Sabbatical and Jubilee years teachings, understand and know that the messengers are to be killed before the wars.

I can see this taking place right now. I still get so many hate emails from North Americans – Israelites – and then I get a few each week from people like this man in India who want to join the wedding party. *dear minister Joseph,*

Sabbath Shalom

it's wonderful to know about your ministry, yes i was a deacon in worldwide Church of God, after the split we have a small congregation in south India. sometimes you must visit us.

thanks. dear minister Joseph shalom

it's wonderful to hear from you , so instant, thanks, yes we can translate many of the truths in the local language and spread the real news, let me know the texts you recommend which has to be translated to begin with, well we need some support for printing, can you help sir minister. thanks. we can reach out to many especially the grass root level brethren who are unreached and in great multitudes. thanks in fraternity

Brethren, we need your help. We need more troops on the ground doing the will of Yahweh and spreading the truth. There are still too many of you with bum prints on the top of your hands. Get off your duff and start telling people about what you have learned. Stop waiting to be fed each week, turn off the TV, and go and study every subject there is in the bible. Become authorities on every subject You can only do that by doing it; studying scripture and not watching TV. Too many of you are authorities about the football or baseball or hockey games. You can quote each player on every team, what number they wear and their stats, but you do not know your bible. Turn off the game. When the tribulation is starting it will not matter who won the World Series four years ago. It will matter that you studied and learned the will of Yahweh and His Torah, and taught it to those who are still asleep.

Many of you have also let your temple fall into complete ruins. Now you have to wear an oxygen mask and take a hundred pills just to stay alive. You have done it your way all your life and now you are sick, so as Dr. Phil says, ' How's that working for you, doing it your own way?'

We all have to clean up our lives and we have to do it now. Not tomorrow. Things are shaping up and you must be ready to do His will. Right now, I see so many fat, out of shape and obese brethren who cannot walk up a hill without crying for oxygen. Believe me; in Jerusalem there are only hills to climb, no matter which way you go.

Brethren, get ready for the wedding and get your house, your Temple in which dwells the Holy Spirit- get it cleaned up and lose the weight. Get in shape and get strong. Take the doughnut out of your mouth and put Yahweh's words in it.

I really don't care if you do not like me right now. Passover is coming and when we are told to leave you must be ready.

For those of you who are doing the math and thinking you have 28 years to the wedding supper, remember: Yahweh sent His armies before the wedding to kill those who would not come. According to the Sabbatical Cycles, I have been telling you that the next Curse of the Sword begins in 2017 for America and in 2012-2013 for the state of Israel.

Each day you waste, either arguing or in denial, is one more day wasted and not being ready. If I am wrong, then you're ready anyway. If I am right, then you will thank me later. Above, we read in Lev 26 about when Yahweh was furious. This is the fifth curse and is to start after the year 2024. The martyrdoms will take place before this, before 2017, if I understand correctly. Are you ready for what is about to come? Are you really ready?

Help us to finish the invitations to Israel now while we can and then help us to invite the rest of the world, which is already taking place.

I want to thank those of you who have been praying about the book 'The Prophecies of Abraham'. I received word this week that the book is now in the final leg of production. It seems to me that at every turn it has been held back for this or that reason, which has frustrated me to no end. I am not in the habit of writing and selling books, but in this case it is the best way to explain the many details to The Prophecies of Abraham, so that you can understand them and their relation to the Sabbatical and Jubilee year teachings explained on the DVD at https://sightedmoon.com/sightedmoon_2015/?page_id=251

I have one man who saw the DVD for the first time this past week. I also have another response from someone who has now begun to read the book.

*Shalom my brother in Yahshua. I want to thank you from the bottom of my heart for finding me, befriending me, and for the amazing DVD on the Jubilee cycle. I just finished it and I am near tears. I am terrified, yet calmed by the Ruach HaQodesh that dwells within me. That was an amazing presentation and I am left in awe at the amount of study it must have taken to come up with that. After watching it, I tried to figure out how to save it to my computer and I couldn't. I would like to have that so I can send it to my family and friends. I am saddened that none of my family has yielded to Yahweh's call. I desperately pray that their eyes will be opened to Him and His word. Please send me that link again and please pray for my worldly family.
B'shem Yahshua,*

J. Oh, P.S. I loved the part where you said you are not jewish and not trying to be jewish by wearing your tallit. I also have a tallit and am not jewish. It is for everyone like you said. Yah's ways are not our ways and we are to learn and adopt them. I don't even know you and yet I feel a very close kinship with you. May Yahweh bless you and shine His face upon you my brother. J

I also received this email this week:

Shalom Joseph,

You are Yoseph truly with an abundance of grain. I got the book and was so thrilled. Now I will serialize it and show it to the fellowship, together with the Jubilee DVD they will understand

well. Thank you so much, I treasure it. It is fabulous and my mother and I are enjoying it, mother even though she is 83! It is her blessing to be able to know this at her age.

Bless you. Will try to send some money to your account for the book.

Love from all of us to you.

Sir Lanka

Brethren, some of the most knowledgeable people in Chronology and History, as well as teachers in Judaism Studies and other very respected teachers, are now looking at the Prophecies of Abraham and the Sabbatical and Jubilee Chronology. I have been explaining it to you for some time now. I do hope you are coming to understand it. 2010 is going to be an important year based on these understandings.
