Shabbat Shalom to Brethren,

Brethren I have been asked to share a web site from friends I met when I first met this Messianic lifestyle back in 2005. I have been asked to talk about this subject before and have only once mentioned it.

But the time I did talk about it, I received emails from those who had aborted a child a number of years ago.

For those of you right now who are struggling with a decision as to whether or not you are going to keep the child that is now un-expectantly growing in you or those who have made the wrong choice before, then please take the time right now to go to the web site and consider the words of those of us who care. GO to <http://www.lovetheunbornbabies.name>

The above item just came to me moments before I send out this week's News Letter. Interesting, Prince George could have been aborted but he was not by his parents. Your Prince or Princess that is not yet born is going to change this world in ways you never imagined. Give them the chance to prove it to you.

It's a boy!

It's A Boy! UK's Kate Gives Birth To Royal Heir

If you do not know why this birth was so important then you do not understand your bible. There are evil people out there saying this child is the anti-christ. They are doing the work on behalf of Satan.

This is an heir of King David just as Yehovah has promised.

2Ch 7:17 And you, if you will walk before me, as David your father walked, and do according to all that I have commanded you, and shall observe My statutes and My judgments,

2Ch 7:18 then I will make the throne of your kingdom sure, as I have covenanted with David your father, saying, There shall not fail you a man to be ruler in Israel.

You can trace the line from David unbroken down to the Queen and now down to this new Prince of England, A new Prince of Israel.

But do not blaspheme the name of Yehovah by saying this child is of the anti-christ nor his parents nor his grandparents. Those who do this are ignorant of the scriptures and history and work on behalf of Satan.

1 Chron 16:21-22 NKJV

He permitted no man to do them wrong; Yes, He rebuked kings for their sakes, Saying, "Do not touch My anointed ones, and do My prophets no harm.

This child is the anointed of Yehovah and is third in line to be King. When you speak evil of him you speak evil against the Holy One of Israel as well. This is why King David never spoke evil of Saul nor would he kill Saul when he had the chance. Saul was Yehovah's Anointed. You do not speak evil of those Yehovah has anointed to offices which He has placed them. It could get you killed for doing so.

Check out what I have shared above and prove it for yourselves. Stop going back and forth like leaves in the wind. Prove it.

After posting this on fb, I then was on Hebrew Nations Radio on Tuesday morning. I have had a number of comments but this one struck a cord with me.

Mr. Dumond, I just listened to you on Hebrew National Radio, it cut out quite a bit so it was a struggle to get is all listened to and I am sure I missed some of it. Thank you very much for your input and hard work. The L-rd has really opened up my heart this year to observe Torah. I have much, much to learn. It is really interesting how the L-rd made sure I heard that, I was just about to not pay attention to what you had taught about the Royal Birth, in all honesty I thought well I just don't need that and was about to defriend you. Then I saw what someone had posted on some of the timelines and with the Star of David in the heavenlies. Then I thought what if there is really something to all of this. I often hear our Rabbi (Messianic) put down people about the moon things. I consider it Yahweh that put that thought in my spirit and then I saw your posting about being on Hebrew National Radio and went right there. I know my Abba wanted me tuned in to this, and I thank Him that His Hand is upon me to teach me, I feel so humbled through this. I have such a burden for even those that believe in Torah that I feel are straddling the fence and going to Shabbat worship and to Sunday also, I just don't think you can mix the two of them, yesterday I had a battle within me because I had confronted a Jewish believer on this, so somehow I felt comforted because of the deep burden you have also with the time so short. I know I am talking to you like you are my best friend, but I just wanted to send you a few thoughts. I am looking into ordering your books and will be telling others about you. Hope they down load that interview on Hebrew National Radio!-Shalom

I would like to bring you an update from my friend Stephen Spykerman and how Yehovah is moving him this past year. Stephen is the one who told me I must publish the Prophecies of Abraham and then endorsed the back of the book. He also would agree with me whole heartedly about what I just wrote above.

MOUNT EPHRAIM NEWSLETTER

"For there shall be a day when the watchmen will cry on Mount Ephraim, 'Arise, and let us go up to Zion, to the LORD our God.'" Jeremiah 31:6

After spending two wonderful years in the heartlands of Israel, we sadly had to return back to England in August 2012. I found comfort in the unanimous opinion of my Orthodox Jewish friends, who said that I was clearly being 'sent out' to do a certain job. This somewhat eased the acute pain of having to leave the Land of my fathers. Soon after our move in September, I was asked to speak at a Messianic Synagogue in London for two consecutive Sabbaths in

order to explain the truth about the Two Houses of Israel. It proved an interesting experience, as in my second teaching I was accused of being an Anti-Christ and a Mason. However, after the fourth teaching the entire congregation was onside and fired up about the new revelation. It was nothing short of a miracle and all credit goes to Our Father Above.

Before this I had been booked to speak at a conference in America. The following week after speaking in London I flew firstly to Toronto in Canada, where over a five day period, I addressed Messianic groups spoke in several places there. From there, with the generous assistance of my hosts Harry and Connie Lim, who acted as my health guru, chauffeur and bodyguards, we ended up in Lancaster Bible School, which is located in Pennsylvania. We were there at the invitation of Mary Nygaard after she had read my book; *Christians & Jews – the Two Faces of Israel*. She had already invited Batya Wootton and Steve Collins, and I was to be number three. As fate would have it both Batya and Steve became too ill to attend this meant I had three assignments, including doing Steve Collin's talk. The event was an unqualified success and we sold around 410 books on the day. I then spoke at a Pentecostal church in Pennsylvania the following day, where not a single book was sold, although I gave a free copy to the pastor. They were very gracious, but I think my talk was a bridge too far for them.

The amazing thing is that I had mentioned to Mary Nygaard that I had written another book called "The Covenant with Death," which was still in manuscript form and as yet unpublished. Mary begged me if she might read it, and having done so she begged me to leave the manuscript behind. Another lady at the conference begged me if she might read it too after Mary had finished with it and I gave her permission. That same lady subsequently saw an advertisement or article about a publisher looking for original works. She took the details to her friend and Mary decided then and there that she would ring the number and talk with the publisher. Again, by special design she got right through to the President of the company on her first call. She told him he simply HAD to publish this book in her usual highly authoritative way, and proceeded to tell him all about the conference and the content of the book. He then said to her; "Send me the manuscript and all of Mr Spykerman's published works!" It was only then that I heard about it from Mary, as she told me what she had done. Thus early in 2013, the publisher approached me to say he was interested in publishing my latest book 'The Covenant with Death.' The publication date was the 4th July, by God's grace and by His design and I went to Salt Lake City to speak about the book at a special Glen Beck "Man in the Moon" Conference. It was awesome that God would choose the 4th July, America's Independence Day, to publish this book, which warns of the end of America's Independence, if the nation fails to turn around from its present course and repent.

Many have asked me for a report on our latest trip. Sorry to have kept you hanging about all this time. I got home from the U.S. after a grueling two flights from Salt Lake City via JFK New York to London, which meant 26 hours without sleep. On the same day I heard the sad news that my younger brother had died in Holland and Virginia and I went to the funeral and returned late evening on the 16th July.

Regarding the “Man in the Moon” conference in Salt Lake City. Personally, I was not too happy about my speech on the day, but it seems the audience was really excited about it. They stood in a long and slow moving queue for over an hour waiting for me to sign the copies of the Covenant with Death books they had purchased. I recon we may have sold around 4/500 books during the conference alone, and according to my publisher, it is selling well at Amazon, etc. Boyd said that after my speech I had a 100% conversion rate, as, the audience consisted mainly of couples, over half of them stood in line immediately after the event to get their copies of the book. Some bought as many as four copies to give to their friends.

As the book covers such a wide sweep of history from ancient to modern, I decided to major on the meaning of the heraldry of the United States, as portrayed on the Great and the Presidential Seals. People were genuinely astonished to discover that every single symbol points directly to the nations origins in ancient Israel. This was especially the case when I explained the image of the “Pillar of Cloud” and the “Pillar of Fire” encompassing 13 stars in the shape of the “Star of David.” Once explained from the visual evidence on the full color slide of the Great Seal of America, everybody straight away, not only “SAW IT” – they also “GOT IT!” The proverbial penny had dropped! After this everybody just ‘had’ to get the book! Personally, I am amazed that no one ever noticed these things, which are so in your face when you look at them. Throughout the conference I don’t think I met a single person who had ever noticed those emblems, when to me, an out and out total foreigner it is, by God’s Grace; “Elementary my dear Watson!”

Throughout the conference I was praying and hoping for a personal encounter with Glen Beck. The guy is surrounded with security and all sorts of aids to protect him against silly little nuisances like me. Thus I decided on another strategy. I assembled three A4 size full color prints of the Great Seal and the Presidential Seal, plus the Royal Coat-of-Arms of Great Britain, plus a copy of my “WHO ARE YOU, AMERICA? booklet, and enclosed it all in a neat purple folder. My publisher was due to have an end of conference meeting with the great man, and I asked him to pass it on to Glen, knowing that they would only have a few minutes. As it turned out Boyd had a long and animated discussion with Glen, who was very interested, so much so that he said that it should go to the whole nation.

My publisher summed it up by saying: “Stephen, you have lit a fuse here that I see burning at an ever increasing pace... not sure when it hits the bomb but the fuse is lit, of that there is no doubt...”

He has since sent me another contract, this time on the “WHO ARE YOU, AMERICA? – Time to Lift your Prophetic Veil!” We are both agreed that this will become a bestseller! The first little print run will go out as a special bundle with the Covenant of Death book, plus a few others in a special 40% discount offer on Glen Beck’s The Blaze program.

The next thing I hear is that, although Glen’s instinct was to go with my stuff straight away, he restrained himself and thought he better have someone check me out first. One of the speakers at the conference is a personal friend of his. This man is a well-known and much loved rabbi, who has authored many books. Soon after this I heard through OvadYah at Kol Ha

Tor that they had been approached by this gentleman asking rabbi Avraham Feld if I was a Christian or a Jew? Well, how do you answer a question like that??? He said, that he had been told that I was a Messianic Jew and that he did not know what that meant!

Anyway, I have no doubt that YHVH, Avenu will work things out, as I believe it is now His purpose that this vital message goes out to His people in America. The truth is that He has opened every door thus far and I expect that He will continue to do so.

Finally, during the conference I was invited to speak at the COVENANT-AMERICA conference in Branson, Missouri, my co-speakers are Glen Beck; Rabbi Jonathan Cahn, Steward Rhodes, & Bill Norton. This was finally confirmed only yesterday and I believe it is a very big event with as many as 5000 delegates participating. The dates are from the 13th to the 15th September, I will be speaking on the 15th, as it is Yom Kippur on the 14th. There is also talk of doing T.V. and or Radio stuff with Glen, but so far it's only talk.

All I can say is that all the credit belongs to My Father, the Holy One of Israel.

I will try to keep you informed of progress to the best of my ability.

With love and blessing,

Stephen – July, 19th 2013

We have now shown you the Covenant made with many and how it is worldwide today. We then showed you in that covenant the Human Rights agenda and Agenda 21 and how they are in the west geared toward the rights of Homosexual parts of our society.

We then showed you how the curses of Balaam was strong in our society in the form of adultery and porn. This was then followed last week by showing you the threat of Islam.

I am showing you these things because most have no clue just how far down that road to destruction we are and why our nations must be destroyed and soon will be by Yehovah. We have shown you just how mammoth in size this thing is and how prophecy told you it would be.

This week we want to again show more of just how Peaceful the religion of Islam really is.

Yes we do understand that not all Islamics or Muslims are Terrorist. And yet at the same time the vast majority of Terrorist are Muslims.

We have also shown you in past Newsletters that another nation that is known as Terror is also to be considered in all we are showing you.

News Letter 5843-053 2455 The King of the North and the South Unified in Satan

The founding father of Germany was named Heth and his name means Terror.

It is with this in mind that Psalm 83 takes on a new life of its own once you understand Lev 26 which we have been telling you about since 2005.

It is told to you in the very first curse of Lev 26. Read it again and make note of the word Terror that Yehovah is going to send. Yehovah is going to send Terror to you the house of Israel. To you the USA and Canada, to you Australia and New Zealand and to you England and the British Commonwealth and to you the State of Israel.

Lev 26:14 But if you will not listen to Me, and will not do all these commandments, 15 and if you shall despise My statutes, or if your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant; 16 I will also do this to you: I will even appoint terror over you, consumption, and burning fever, consuming the eyes and causing sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it.

Knowing that Germany used to be called Assyria in ancient times and in your bible and then reading Psalm 83 should scare you considerably; Especially how they will be united with those nations who are today throughout the Middle East and are for the most part of the Islamic religions.

Psa 83:1 A Song. A Psalm of Asaph. Keep not silence, O God; do not be speechless, and be not still, O God. 2 For lo, Your enemies roar; and those who hate You have lifted up their head. 3 They take shrewd counsel against Your people, and plot against Your hidden ones. 4 They have said, Come, and let us cut them off from being a nation, so that the name Israel may be remembered no more. 5 For with one heart they have plotted together; they have made a covenant against You— 6 the tents of Edom, and the Ishmaelites; of Moab, and the Hagarites; 7 Gebal, and Ammon, and Amalek; the Philistines with the people of Tyre; 8 and Assyria has joined with them; they have helped the sons of Lot. Selah. 9 Do to them as to Midian, as to Sisera, as to Jabin at the torrent Kishon; 10 who perished at Endor; they became as dung for the earth. 11 Make their nobles like Oreb, and like Zeeb; yea, all their princes like Zebah, and like Zalmunna; 12 who said, Let us take possession for ourselves of the houses of God. 13 O my God, make them like a wheel; like the stubble before the wind. 14 As the fire burns a forest, and as the flame sets the mountains on fire, 15 so pursue them with Your tempest, and make them afraid with Your storm. 16 Fill their faces with shame, that they may seek Your name, O Yehovah. 17 Let them be ashamed and troubled forever; yea, let them be put to shame, and

lost; 18 so that men may know that Your name is JEHOVAH, that You alone are the Most High over all the earth.

This is the Terror Yehovah is sending. A German led united army made up of Muslim

Jihadists. But know and understand that Israel to which Psalm 83 is referring is in fact the nations that inherited the name of Israel and they are the USA and UK. The State of Israel is in fact the tribe of Judah today. So it is the State of Israel and the USA and the UK that these Arab nations and Germany are going to plan secretly to destroy. They want to destroy the great satan and the little satan.

Last week we showed you how the prophecy of Daniel warned us that this European powerhouse would convert from a Mary Worshiping Christian faith to a Muslim one, the religion his fathers never knew. And you can see this in German newspapers today and in the United Nations as Islamic countries take key positions at the UN.

When we read of the ten toes made up of miry clay again in another prophecy of Daniel we know that the word Arab means mixture. The Iron is representative of the Iron fist of Germany. And the UN Charter on the Environment, which we also told you about a few weeks ago, and Agenda 21 has in the opening address the whole world divided into, and Make note of this, 10 Areas or nations that will be ruled from The UN. Even in the book of Revelation you read about not harming the trees or the grass a couple of times. This is the covenant made with many spoken of in Daniel.

Week after week we have been trying to get you the brethren to understand just how bad things are soon going to be. This past week I even asked that question to our fb group to see if they understood how bad things are going to be and for how long.

Some had an idea and others not so much.

We wrote in an article titled The Hunter and the Fishers; The Hunters Cometh!

https://sightedmoon.com/sightedmoon_2015/?page_id=608 about this time when you would be hunted for what you believe and from the pages of your bible showed you who the hunters were and will be. Maybe I should repost this article next week.

Last week I shared with you what Islam is doing as the precursor to the coming war. They do this to terrorize the city or nation they are attacking turning the suburbs or city and then the state into a Sharia zone within the host country.

Before we get to Islam let's look at how rape is another tool to be used during war.

http://en.wikipedia.org/wiki/War_rape

War rapes are rapes committed by soldiers, other combatants or civilians during armed conflict or war, or during military occupation. It is distinguished from sexual assaults and rape committed amongst troops in military service.[1][2][3] It also covers the situation where girls and women are forced into prostitution or sexual slavery by an occupying power, as in the case of the Japanese during World War II.

During war and armed conflict, rape is frequently used as a means of psychological warfare in order to humiliate the enemy. War rape is often systematic and thorough, and military leaders may actually encourage their soldiers to rape civilians. War rape may occur in a variety of situations, including institutionalized sexual slavery, war rapes associated with specific battles or massacres, and individual or isolated acts of sexual violence. War rape may also include gang rape and rape with objects.

When part of a widespread and systematic practice, rape and sexual slavery are now recognized under the Geneva Convention as crimes against humanity and war crimes.[4] Rape is also now recognized as an element of the crime of genocide when committed with the intent to destroy, in whole or in part, a targeted group; however, rape remains widespread in conflict zones.

“To the victor go the spoils” has been a war cry for centuries, and women are classed as part of the spoils of war.

Male and female civilians may be subject to torture, but many studies show that war rape is more frequently perpetrated on women than men.[7][8] This may be due to the reluctance of men to come forward with accusations of being raped, and also an institutional bias amongst NGOs, who frequently focus resources on female victims.[9] A 2010 Journal of the American Medical Association survey found that 22% of men and 30% of women in Eastern Congo had reported sexual violence connected to warfare.[9] Perpetrators of sexual violence against women and children “commonly include not only enemy civilians and troops but also allied and national civilians and even comrades in arms.”[7]

Prior to the 17th Century, It is suggested that one reason for the prevalence of war rape was that at the time, military circles supported the notion that all persons, including unarmed women and children, were still the enemy, with the belligerent having conquering rights over them.[10] In the late Middle Ages, the laws of war even considered war rape as an indication of a man’s success in the battlefield and “opportunities to rape and loot were among the few advantages open to... soldiers, who were paid with great irregularity by their leaders... triumph over women by rape became a way to measure victory, part of a soldier’s proof of masculinity and success, a tangible reward for services rendered... an actual reward of war”. [13] During this period in history, war rape took place not necessarily as a conscious effort of war to terrorize the enemy, but rather as earned compensation for winning a war.

Coming forward to our time now...

An estimated 500,000 women were raped during the 1994 Rwandan Genocide.[35]

According to Amnesty International rape is now used as deliberate military strategy rather than opportunistic rape and pillage of previous centuries.[49] As a military strategy war rape is reportedly used for the purpose of conquering territory by expelling the population therefrom, decimating remaining civilians by destroying their links of affiliations, by the spread of AIDS, and by eliminating cultural and religious traditions. War rape may be described as “weapon of war” or a “means of combat” in the media.

Rapes were committed by Wehrmacht forces on Jewish women and girls during the Invasion of Poland in September 1939;^[85] they were also committed against Polish women and girls during mass executions carried out primarily by the Selbstschutz units, which were accompanied by Wehrmacht soldiers and on territory under the administration of the German military; the rapes were carried out before shooting female captives.

Jewish women were particularly vulnerable to rape during the Holocaust.

Rapes were also committed by German forces on Eastern Front, where they were largely unpunished (as opposed to rapes committed in Western Europe); the overall number of rapes is difficult to establish due to lack prosecution of the crime by German courts.^{[89][90]}

Wehrmacht also established a system of military brothels, in which young women and girls from occupied territories were forced into prostitution in harsh conditions.^[87] In Soviet Union women were kidnapped by German forces for prostitution as well; one report by International Military Tribunal writes “in the city of Smolensk the German Command opened a brothel for officers in one of the hotels into which hundreds of women and girls were driven; they were mercilessly dragged down the street by their arms and hair”.^[91]

Evidence of the magnitude of rape in Bosnia and Herzegovina prompted the International Criminal Tribunal for the former Yugoslavia (ICTY) to deal openly with these abuses.^[19] Reports of sexual violence during the Bosnian War (1992–95) and Kosovo War (1996–99), part of the Yugoslav wars, a series of conflicts from 1991 to 1999, have been described as “especially alarming”.^[115] Since the entry of the NATO in the Kosovo War, rapes of Albanian, and Roma women were committed by ethnic Serbs.^[116]

It has been estimated that during the Bosnian War between 20,000 and 50,000 women were raped. The majority of the rape victims were Muslim women raped by Serbian soldiers. Although men also became victim of sexual violence, war rape was disproportionately directed against women who were (gang) raped in the streets, in their homes and/or in front of family members. Sexual violence occurred in a multiple ways, including rape with objects, such as broken glass bottles, guns and truncheons.^[115] War rape occurred as a matter of official orders as part of ethnic cleansing, to displace the targeted ethnic group out of the region.^[117] During the Bosnian War the existence of deliberately created “rape camps” was reported. The reported aim of these camps was to impregnate the Muslim and Croatian women held captive. It has been reported that often women were kept in confinement until the late stage of their pregnancy. This occurred in the context of a patrilineal society, in which children inherit their father’s ethnicity, hence the “rape camps” aimed at the birth of a new generation of Serb children. According to the Women’s Group Tresnjevka more than 35,000 women and children were held in such Serb-run “rape camps”.^{[118][119][120]}

During the Kosovo War thousands of Kosovo Albanian women and girls became victims of sexual violence. War rape was used as a weapon of war and an instrument of systematic ethnic cleansing; rape was used to terrorize the civilian population, extort money from families, and force people to flee their homes. According to a 2000 Human Rights Watch report war rape in the Kosovo War can generally be subdivided into three categories: rapes in women’s homes, rapes during fighting, and rapes in detention. The majority of the perpetrators were

Serbian paramilitaries, but they also included Serbian special police or Yugoslav army soldiers. Most rapes were gang rapes involving at least two perpetrators. Rapes occurred frequently in the presence, and with the acquiescence, of military officers. Soldiers, police, and paramilitaries often raped their victims in the full view of numerous witnesses.[117]

Brethren in every war that I have read about rape was a major behind the scenes event that took place. It used to be a part of the booty of war. We can read of this in the bible. Today it is used as a means to terrorize the population.

When we look at what is going on today with the war in Syria and the attitude of the Islamic leadership we have the following headline.

Islamic cleric decrees it OK for Syrian rebels to rape women

An Islamic cleric has cleared the path for rebels in Syria, who are trying to oust President Bashar Assad, to rape women, so long as they're non-Sunni.

Salafi Sheikh Yasir al-Ajlawni, who hails from Jordan but who lived in Damascus for 17 years, sent a message via YouTube: It's a "legitimate fatwa" for Muslims waging war against Mr. Assad and trying to put in place a Sharia government to "capture and have sex with" Alawites and other non-Sunni, non-Muslim women, Human Events reports. Mr. Assad is part of the Alawites sect.

In the video, the cleric called non-Muslim women by their Arabic term, "melk al-yamin," Human Events reports. The term is from the Koran and refers to non-Muslim sex slaves, Human Events says.

This isn't the first time Islamists have called for the raping of women.

A preacher in Saudi Arabi, Muhammad al-Arifi, sent forth a fatwa a few months ago giving jihadi fighters the right to have "intercourse marriage" with Syrian women they caught, and for that act to take enough time "to give each fighter a turn," Human Events reports.

I am not going to list all the scriptures of the Koran here that justify the rape and sexual slavery of non-muslims. You can go to this site to read more on this.

But I do want to post to you one story about the Jews of Medinah who were conquered by Mohammed.

Massacre of the Banu -Qurayza

Date: April-May 627 A.D.

Place: Medinah

Victims: The Last Jewish Tribe left in Medinah The Banu-Qurayza.

By this time, Mohammed had murdered or driven out all of the Jewish Tribes of Medinah, except the Banu Qurayza. It was time to eliminate this last thorn in his flesh. The Banu

Qurayza had been reluctant in helping Mohammed against the Quraysh. Conveniently once again, Mohammed claimed that he had divine knowledge about a conspiracy by the Banu Qurayza to kill him. He besieged their fortress for Twenty-Five days. When the starving Tribe surrendered, Mohammed forced an old man from their own Tribe to pronounce Mohammed's sentence. The sentence was death to every male member of the Tribe, Slavery for every woman and child and Plunder of all their property.

The Prophet had an immense trench dug around the main market of Medinah. The men of the Banu Qurayza were rounded up & their hands twisted tightly behind them. Then one by one, they were shoved to the edge of the trench and forced to kneel. They were offered a last chance to convert to "The True Faith" and if they refused, had their heads chopped off. As soon as one head would roll off, the corpse would be kicked into the ditch, and so it went. By the time Dawn had colored the sky red in Medinah, hundreds of corpses piled up in a heap in a tangled cesspool of blood, hair and shreds of flesh. Despite the horrific end in front of their eyes, none of the Jews chose to convert to Islam and faced death valiantly. The blood of 900 innocent Jews stained Mohammed's hands on that black day.

Their only crime was that they chose to retain their fundamental human right, of choosing their own God and the religion of their ancestors. Hysterical women & children screamed as they watched their fathers, husbands & sons die. The majority of them were raped savagely and then bundled off to be sold as "used goods". The Prophet had the husband of the Jewess Raihana Bint Amr hacked to pieces before her very eyes, hours after he had murdered her father. No doubt this was the Prophet's perverted version of a wedding present, because after these atrocities he raped the mortified girl and tried to force her to convert to Islam.

Muslim historians still describe the savage rape of Raihana Bint Amr as her "willing submission to Islam and wifehood to the Prophet"

Apparently according to them it is very natural to imagine that a woman who has just seen her husband, father, brothers and Tribe slaughtered violently before her very eyes, would CHOOSE to convert to the religion of the murderer and marry him! In actual fact Raihana REFUSED to convert to Islam and also refused to marry Mohammed the murderer of her family. He kept her as a lowly concubine all his life. So much for the "Apostle of Peace" and his unbounded RESPECT for women. Mohammed was nothing but a serial rapist, who acquired his victims by killing their families first.

Allah as usual has provided yet another timeless Divine revelation which gives his Prophet the Right to rape and torture women of other religions.

Brethren go once again and read the scriptures that tell you about the Saints who were beheaded. Go and read them and think about what we are sharing with you.

Now Brethren why have I shared this information thus far?

Because of the Headline News that is not reported; because of threats from Muslim extremist to those who do report it. Be forewarned the following information is sickening. We are already at war and most do not know it.

Today in Sweden Rape crimes are disproportionately committed by Muslim men.

Sweden: A 5% Muslim population commit 77.6% of all rapes in Sweden

On July 20, 2013 this following article was reported but did not get the national news.

Norwegian woman who reported being raped in Dubai is jailed for 16 months

A young Norwegian woman has been sentenced to 16 months in jail after she reported a rape in Dubai.

The 25-year-old was in the United Arab Emirates on a business trip when she was raped and reported the assault to the local police.

Dubai police did not believe her, and instead took her passport and jailed her on suspicion of having had sex outside marriage.

The young Norwegian woman's story is not unique.

Earlier this year Australian Alicia Gali, 27, spoke of how she was thrown in a Dubai jail for eight months after she reported a rape.

Miss Gali was working at hotel chain Starwood when her drink was spiked in the staff bar.

She awoke to find that three colleagues had raped her, but when she went to a hospital for help, they turned her over to the police and she was charged with illicit sex outside marriage.

Under UAE law, rapists can only be convicted if either the perpetrator confesses or if four adult Muslim males witness the crime.

Under the Sharia-influenced laws, sex before marriage is completely forbidden and an unmarried couple holding hands in public can be jailed.

Foreigners jailed in Dubai are deported immediately after completing their sentences.

As I researched for this article I also saw a video of women who had fled their places of employment in Dubai. Women who had been hired to work as house staff. They were constantly accosted by the male owner and when they refused to submit to his advances their pay was withheld leaving them broke and with no way of leaving the country. If they report this abuse they are jailed and once in jail the guards then rape them on a regular basis.

Norway: 90% of all violent rapes in Oslo committed by Muslims

NORWAY: 90% OF ALL VIOLENT RAPES IN OSLO COMMITTED BY MUSLIMS

Watch the video here and note the comment the rapist stated to the victim of how his religion said he had the right to do so. Unless you wear the head covering you can be raped without the perp being prosecuted.

Here is another short video from Paris showing the problem is growing there and how political correctness is hiding the problem. <http://www.youtube.com/watch?v=pDQrvObop3E>

I want you all to understand the danger of chrislam let alone the danger from Islam itself. This thought of compromise is coming and once it gets here then it changes to a totalitarian society which will then be sharia law imposed. You will have no rights. Last week we showed you the video on how the peaceful religion is only peaceful when it is a very small minority. But as their numbers grow its belligerence and demands for sharia law also grow. That white horse in Revelation is not about the Messiah, no that white horse is the false religion that is forced on you, it conquers and forces its way until it subdues everyone and then it fights amongst itself.

So many think they are just going to walk hand in hand with Judah into the promised land singing Kumbyah when the truth is; this is not going to happen at all. The Christian mindset of the west is so far removed from the reality of what is coming and already being practiced.

We have been warning you of the Muslim view on raping anyone who is not Muslim and how they can justify it by Sharia law and the Koran. I understand this is not politically correct to state these things. Here is another subject and a related subject to the sexual enslavement of women.

It has been going on ever since Islam became a way of life in the Middle East and Africa. Many have stated how bad the black slave trade was from Africa to the Americas during the 300 years it took place. But no one talks of the 1400 years that the Arabs took slaves and how they were treated.

The majority of the slaves that came to the Americas now have descendants that are alive and well. They are known today as Afro Americans. In the Middle East multiple millions of blacks Africans have been taken there, multiple Millions and how many descendants are there left from these former slaves in the Middle East. There are NONE alive today from those taken there to be slaves. Watch the following two videos on this subject and rethink what you thought you knew. And yet the fast growing ethnicity that is converting to Islam is the Afro American. They are being used and will one day see this.

We are warned of the coming slave trade in Revelation.

Rev 18:9 And the kings of the earth who have committed fornication and lived in luxury with her will weep for her, and will wail over her when they see the smoke of her burning; 10 standing afar off for fear of her torment, saying, Woe! Woe to the great city, Babylon, that strong city! For in one hour your judgment came. 11 And the merchants of the earth will weep and mourn over her, for no one buys their cargo anymore; 12 the cargo of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and every ivory vessel, and every vessel of very precious wood, and of bronze, and of iron, and of marble, 13 and cinnamon, and incenses, and ointment, and frankincense, and wine, and oil, and fine flour and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.

According to Anti-Slavery International,

(<http://www.infoplease.com/spot/slavery1.html#ixzz2E2mVDIzJ>) the world's oldest human rights organization, there are currently over 20 million people in bondage.

It seems that Egypt pops up in the news-AGAIN. This time the issue is slavery. The sharia constitution the Muslim Brotherhood is writing in this draft has dropped the ban on slavery. Read this from Jihad Watch via the AP—(<http://www.jihadwatch.org/2012/11/egypt-newconstitution-denies-freedom-of-speech-and-equality-of-rights-for-women-but-omits-ban-on-sl.html>)

Egypt: New constitution denies freedom of speech and equality of rights for women, omits ban on slavery

“CAIRO (AP) — An Islamist-dominated panel is voting on Egypt's draft constitution, the country's first charter after the uprising that toppled Hosni Mubarak. The draft largely reflects the conservative vision of the Islamists, with articles that rights activists, liberals and Christians fear will lead to restrictions on the rights of women and minorities and civil liberties in general. Omissions of certain articles, such as bans on slavery or promises to adhere to international rights treaties, were equally worrying to critics of the new draft, who pulled out from the panel before the vote.”

You will recall from the video you just watched, that 2/3 of the slaves that went to the Middle East were women and they were used as sex slaves and considered perfectly legal by the Arab men. Know and understand that you Israel, You USA and Canada and the UK and Australia are going to go into captivity. And your blonde headed daughters and wives will be the sex slaves of those who are going to conquer you. Get this through your head and stop playing religion and start to obey Yehovah.

Jer 33:7 And I will cause the captivity of Judah and the captivity of Israel to return, and will build them, as at the first.

When in history has the captivity of Israel and Judah happened a second time? Zec 10:9 And I will sow them among the peoples, and they shall remember Me in the distances; and they shall live with their sons and return. 10 I will return them out of the land of Egypt, and I will gather them out of Assyria; and I will bring them into the land of Gilead and Lebanon; for room shall not be found for them.

Your going to be taken to be sold as sex slaves in Egypt and in Germany (Assyria). Why are you so stubborn? Why do you wait until all of these atrocities take place before you repent of the evil position you now hold to?

Jer 30:3 For, lo, the days come, says Jehovah, that I will bring again the captivity of My people Israel and Judah, says Jehovah. And I will cause them to return to the land that I gave their fathers, and they shall possess it.

When in history have Israel and Judah gone into captivity together? It has never happened so this prophecy is yet future. And yet Yehovah says HE is going to cause it to come AGAIN. Those days are less than 10 year from now.

Jer 50:33 So says Jehovah of Hosts: The sons of Israel and the sons of Judah were oppressed together. And all who captured them held them fast; they refused to let them go.

Hos 5:5 And the pride of Israel testifies to his face. So Israel and Ephraim shall fall in their iniquity; Judah also shall fall with them.

Deu 28:63 And it shall be, as Jehovah rejoiced over you to do you good and to multiply you, so Jehovah will rejoice over you to destroy you and to bring you to nothing. And you shall be plucked from off the land where you go to possess it. 64 And Jehovah shall scatter you among all people, from the one end of the earth even to the other, and you shall serve other gods there, which neither you nor your fathers have known, wood and stone. 65 And among these nations you shall find no ease, neither shall the sole of your foot have rest. But Jehovah shall give you there a trembling heart and failing of eyes and sorrow of mind. 66 And your life shall hang in doubt before you, and you shall fear day and night, and shall have no assurance of your life. 67 In the morning you shall say, Oh that it were evening! And at evening you shall say, Oh that it were morning, for the fear of your heart with which you shall fear, and for the sight of your eyes which you shall see. 68 And Jehovah shall bring you into Egypt again with ships, by the way of which I said to you, You shall see it no more again. And there you shall be sold to your enemies for men-slaves and women-slaves, and no man shall buy you.

That expression “bring your naught” has the same meaning as we are told in Daniel 9. That is you will be so cut down and destroyed that it will be as if there was no trace you ever existed there.

Unless you repent and begin to keep Torah you your spouse and your children will be killed or die while in transit to the slave markets where the surviving females will be used as sex slaves and the young boys too. Look at your sons right now and think about what Yehovah is saying. Your young sons will be used as prostitutes.

Joe 3:3 And they have cast lots for My people, and have given a boy for a prostitute, and sold a girl for wine, so that they might drink.

The vision given to Daniel in chapter 8 tells us that the people, the saints or Israel will be plundered and killed and enslaved for 2300 days. It is not speaking of the sanctuary. The word there is Saints. The descendants of the 10 lost tribes and of Judah. The Saints will be trampled underfoot for 6 ¼ years. They will be killed in war, which is the next Sabbatical cycle to begin in 2017 and in the middle of this war cycle, which is the middle of the last Jubilee cycle Israel will be cut off and utterly destroyed.

And this is why Daniel was so sick to his stomach for three weeks afterwards. He could not bare the thought of seeing his people, our people, you and I and our relations killed and murdered and starved and enslaved and brutalized and our sons and daughters raped repeatedly for years.

Read Daniel 8 now and know it is the Brethren that are going to be trampled underfoot and not the sanctuary.

Luk 23:28 But turning to them, Jesus said, Daughters of Jerusalem, do not weep for Me, but weep for yourselves and for your children. 29 For behold, the days are coming in which they shall say, Blessed are the barren, and the wombs that never bore, and the breasts which did not suckle. 30 And they shall begin to say to the mountains, Fall on us! And to the hills, Cover us!

Jer 16:14 So, behold, the days come, says Jehovah, that it shall no more be said, As Jehovah lives, who brought up the sons of Israel out of the land of Egypt; 15 but, As Jehovah lives, who brought up the sons of Israel from the land of the north, and from all the lands where He had driven them. And I will bring them again into their lands that I gave to their fathers. 16 Behold, I will send for many fishermen, says Jehovah, and they will fish them. And afterwards I will send for many hunters, and they will hunt them from every mountain and from every hill, and out of the holes of the rocks. 17 For My eyes are on all their ways; they are not hidden from My face, nor is their iniquity hidden from My eyes. 18 And first I will twice repay their iniquity and their sin, because they have defiled My land, they have filled My inheritance with the dead bodies of their abominable things.

Right now this newsletter and this message I am giving to you is from one that is fishing for you to turn back to Torah. Soon the hunters spoken of will come and they do not let you choose how you will live and where. They just take and they search you out from the hiding places you think you have safety in. They will send out the drones to search you out and they will find you.

Yes the drones. Hesbolah sent a drone into Israel last year and it was shot down right over top of us as we were in the vineyard. They already have drone technology and are using it. It does not matter how much food you have stored up for that time ahead. It does not matter how many bullets you have stored. It does not matter how well concealed your secret hideaway is, you will be found and either killed or abused or sold into slavery.

It is time now while you have time to get on your knees to Yehovah and repent and begin to obey the laws of the coming Kingdom. Not the Sharia laws but Yehovah's Torah!

You have them in your bible and can read them now. The Torah was never done away except by Satan and those who work for him. And those who work for him come dressed as good Christians teaching only about grace. Time to get the truth and begin to protect your family from what is coming. And that is only by obeying and keeping the Torah.

You like me have a duty to perform. Once you see the danger you are now responsible to let others know. To warn them of the danger so they too can repent and return to Yehovah. If you do not then when they are killed their blood will be on your hands.

You can help by praying for me to get this job done. You can help by going out and teaching the Sabbatical and Jubilee year cycles to others. You can tell them on fb or any of the social media you are in. You can tell them in chat rooms and on bulletin boards. You can support us in the TV series we are working on right now. \$5 dollars is just as valuable as \$500.

Some of you have contacts to radio and TV shows, you can use them to bring this message to those audiences. Each of you has an ability to do something. You are part of the body and need to step up to help protect those other parts of the body yet to be called as you were.

Please begin to do so now in whatever capacity you can. But do not go before our Father and tell Him you did nothing because you were afraid. IN other words you buried your talent in the sand and did nothing.

The time to act and to keep on speaking out is now. NOW not later.
