## **Sighted Moon News Letter 5843-053 2455**

**15th Day of the twelfth Month 5843 years after the creation of Adam**

**February 23, 2008**

Shabbat Shalom Family,

We have now covered many different points on the King of the North and the King of the south. Last week we went down a rabbit trail and I did not get to the point that I am going to go straight to today.

This News Letter has been a hard one to write. I have had to wrestle with my own preconceived teachings, and read the scriptures over and over to see if I was seeing what I thought I was seeing. Having now explained so much history, it is all making sense to me. I hope it does to you as well.

Let's begin in Daniel 11:37 where we first began in News Letter 5843-047 seven weeks ago. But keep in mind what Paul has said in 1 Corinthians 13:12 For now we see through a glass darkly,

So although I think I have it right, we are in fact talking about prophecy. It could change as more is revealed in the future. So always be watching.

Daniel 11:37 He shall regard neither the God of his fathers nor the desire of women, nor regard any god; for he shall exalt himself above them all.

[ Here as in the past the rulers of the Empire will consider themselves Emperors and will have themselves worshiped as gods]

38 But in their place he shall honor a god of fortresses;

[We have now shown this god of fortresses as Ishtar, the Queen of Heaven, now called the Blessed Virgin Mary of the Catholic faith]

and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things.

[ This is the most peculiar verse. A god they did not know. They have known the god of fortresses since Nimrod. We have seen that. Who is this god that their fathers never knew? Let's read the next verse and then I will begin to answer this.]

39 Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain.

Once again we are told of this foreign god. This king of this 4th empire which has now come back to life seven times. He is going to advance the glorification of this foreign god.

Right now for me a number of things are happening. As I write this News Letter back in January of 08 I have for the first time heard some saying that the Beast is Islam. Nazarene Israel attempted to say as much but could not prove it. Abrahamic faith has a book out claiming the beast is Islam. I have not read it, to find out how he can claim such a thing.

After all that we have now covered, Is Islam the beast? You should be able to say no with confidence. We have shown you that the beast of Revelation is the same as Daniel and is in fact the King of the North.

But, before you go running to your neighbors with this news read the rest of this News Letter. There are a few more twist and turns.

In the book I have strongly suggested you all buy called the Great German Nation, Mr. White provides a number of documents showing how Hitler was planning to destroy the Catholic church, as he felt it was becoming a problem to his empire.

When I read that in his book I found that strange as that is what it says in Revelation 17:16 And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. 17 For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of God are fulfilled. 18 And the woman whom you saw is that great city which reigns over the kings of the earth.”

Verse 12 tells us who the ten horns are 12 The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast.

It is the Beast who will give these Kings their authority with him. These kings do not have authority until this last Emperor is on his throne. Who is he? In verse 11 And the beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition.

When we see the seventh Empire take hold of Europe. This is the King of the North as we have already explained in detail. When we see this empire set up, know that an eighth one is about to form. When that eighth one forms we are told that those ten kings who come after a while, will destroy the Whore who was the religious organization that controlled much of the world.

In Isaiah 13 we are told of a prophesy against Babylon. We have already seen that this Babylon is a religious system, and not a place. In verse 6 and 9 we are told that it is when the day of the Lord is at hand. Verse 10 is the same wording as Joel, when the lights in the sky will be darkened. Verse 14 through 22 of Isaiah 13 Yahweh calls the Medes to rise up and go against them and kill man woman and child. The devastation will be so bad that it will never be inhabited again. Is this a nuclear attack. Will Iran have the bomb? I think so.

Far too many confuse the City of Babylon with the religion and people of Babylon. Those Chaldean people who upheld the Chaldean Mystery religion are the same ones today who are most Chaldean. They are the most Catholic. The Italians. And just as the first Chaldean Babylon was destroyed by the Medes and Persians, so will the this one be destroyed by Iran.

In the same way as Assyria invaded and captured Israel, the northern ten tribes, so will Germany invade the modern Israel, England and the USA. The same as Babylon (Chaldeans) invaded Judah and took it so will Rome invade the state of Israel. And just as Babylon was destroyed by the Medes so it will happen again.

As bible students we all know why this happens. But in the real world of Politics and intrigue, why would this event take place. It will be a huge event as Revelation 18 goes on to describe how sad the world will be. Why?

We have read in previous News letters how the German people could not be trusted to keep their word. If the agreement was beneficial to them they kept it, until it was no longer beneficial. Mr. White explains how Germany under the Franks took control of the empire and only used the church to help it do so. Otherwise they had no use for the Church.

Mr. White says, "The Franks were the first barbaric tribe to embrace Catholicism, but it was for political gain, not religious. Mostly of Germanic origin, the Franks used the church to support their expansionist policies, while the church relied on Frankish rulers for protection. It was a union based on politics alone. Germany is going to use the church until it is no longer profitable."

Having said that, I know I will upset many who are reading this in Germany. But read Isaiah 10: 5 "Woe to Assyria, the rod of My anger And the staff in whose hand is My indignation. 6 I will send him against an ungodly nation, And against the people of My wrath I will give him charge, To seize the spoil, to take the prey, And to tread them down like the mire of the streets. 7 Yet he does not mean so, Nor does his heart think so; But it is in his heart to destroy, And cut off not a few nations.

Assyria, we now know who that is today. Germany. They are the rod that Yahweh will use. Remember the rod of Thor and of Chus or Janus. The ungodly nation is none other than Israel.

In our last series of News letters we showed you who Israel is today. England, Canada and New Zealand are Ephraim. Australia, and the USA are Manasseh. These are those of Yahweh's wrath. Again we see the treading down and breaking in pieces as the beast does, as Assyria has always done and as Chus did. This rod is to be broken in the land of Israel. Isaiah 14:25. This is where Assyria is to be destroyed. When they invade the State of Israel.

But notice the last part. Yet he, Assyria, Germany, does not mean so, Nor does his heart think so. Germany is a highly sophisticated society. Highly civilized. They would never think to do such a thing. Yet his past has always done so. It is in his heart to destroy and not just a few, but many, many, many.

Getting back to Daniel 11: 39 Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge and advance its glory; and he shall cause them to rule over many and divide the land for gain.

This verse only now makes sense, when we know who this King of the North is, Germany. But it has something to do with the whore being destroyed, as the legend of Europa says. And we now know how, by the ten kings. In particular the Medes-Iran. But why this happens, has bothered me for many years.

How many times have I read this verse. Notice what it says in Psalm 83:2-8 Assyria is in league with the Arabs. Psalm 83 contains an intriguing prophecy of many Middle Eastern nations that appears to be as yet unfulfilled and to possibly tie in with end-time events. If so, it foretells a confederation of Arab nations that are determined to eliminate Israel.

“They have taken crafty counsel against Your people, and consulted together against Your sheltered ones. They have said, ‘Come, and let us cut them off from being a nation, that the name of Israel may be remembered no more.’ For they have consulted together with one consent; they form a confederacy against You: The tents of Edom and the Ishmaelites; Moab and the Hagrites; Gebal, Ammon and Amalek; Philistia with the inhabitants of Tyre; Assyria also has joined with them” (verses 3-8).

These biblical names are significant when we understand the areas and peoples to which this prophecy refers. Edom includes the Palestinians and some of the Turks. The Ishmaelites, descendants of Ishmael, are many of the Arab peoples throughout the Middle East and North Africa. [King of the South] Moab is the area of central Jordan. The Hagrites appears to refer to other descendants of Hagar, mother of Ishmael.

Gebal, meaning “mountain” or “boundary,” is commonly equated with the Phoenician city of Byblos, modern Jubayl in Lebanon. Ammon refers to northern Jordan around Amman, the capital (which gets its name from Ammon). Amalek appears to refer to a branch of Edomite Palestinians. Philistia is the area around what is today known as the Gaza Strip. Anciently Tyre was a major city-state in southern Lebanon along the Mediterranean coast. The children of Lot refers to Moab and Ammon, again, regions of modern-day Jordan.

Arab unity has long been elusive, but slowly a common purpose is bringing the mixture of different peoples of the Arab world together. This common purpose is the desire to destroy the nation of Israel and its chief backer, the United States of America, along with the West’s liberal culture, long perceived as a threat to the Muslim way of life. The Great Dragon.

Having said that I must share with you what one reader sent me. In Daniel 2:41-43 we are told of the great image that Nebuchadnezzar saw and in particular we are told how the feet will be mixed with clay and iron and how that clay and iron does not mix. Again this was part of the prophecy I had not really understood. But when you consider all that I have put forward and the conclusions drawn, this mixture is most profound.

We have just read how Germany will become partners with these Arab states. You could mix all the Arab nations told us and they would all seem similar to us. But when you throw in the blonde hair and pale skins of Germany, they do not seem to mix. As Iron Germany and clay the Arab states do not adhere to each other.

What this one reader shared with was this. The word mix written here in Daniel is the word 6151, and it comes from the word 6148 and it means to intermix and to commingle. The word for this mixture of people is the word ARAB. Do you think Yahweh is giving us a loud hint.

Daniel 7:7 After this I saw in the night visions, and behold, a fourth beast, dreadful and terrible, exceedingly strong. It had huge iron teeth; it was devouring, breaking in pieces, and trampling the residue with its feet. It was different from all the beasts that were before it, and it had ten horns. 8 I was considering the horns, and there was another horn, a little one, coming up among them, before whom three of the first horns were plucked out by the roots. And there, in this horn, were eyes like the eyes of a man, and a mouth speaking pompous words.

Once again we are talking of the fourth Empire. With the ten kings. Three of whom are thrown down. Is this what happens when the King of the North swoops down and attacks Egypt, Ethiopia and Libya? Are these those three kings who fall? Later we see that this little horn exalts himself to the position of an internationally powerful religious leader (verses 24-25), even commanding a false religious system that persecutes the true followers of Yahweh.

A friend shared this verse with me as I worked on this. Ecclesiastes 1: 9 That which has been is what will be, That which is done is what will be done, And there is nothing new under the sun. 10 Is there anything of which it may be said, "See, this is new"? It has already been in ancient times before us. 11 There is no remembrance of former things,

Assyria Germany is going to make an alliance with these Arab countries. It is going to do so in order to defeat Israel, England and the USA. Europe has the largest military defense budget next to the USA, and it has combined forces deployed across more theaters of conflict than any other nation in Peace Keeping modes. It can very easily re-deploy this vast army to other duties. Such as war.

But the Achilles heel of Europe is oil. The North sea is drying up. Most other shipments come through Russia. Which Europe found out just a few year ago that this route was very risky because Mr. Putin turned off the pipeline one day in the middle of a freezing winter.

In order to have a mobile army you need to have fuel for the planes, tanks, trucks and ships. Where is that oil? The Middle East. But who is currently controlling things in the middle East? The USA.

Germany has to take control of these oil fields for its own army. Prophecy is telling me that in order to do that, the soon to come Empire of Europe is going to come to power and see this weakness. In desperate moves it will destroy the catholic church and take on the god that it fathers never knew. Allah. An Alliance of the King of the North and the King of the South. The

King of the South may be made up of Ten Kingdoms. As we read in Daniel 7:7 three will be put down. Are those three Egypt Libya and Ethiopia? We must watch.

In Isaiah 13:14-20 Yahweh is telling me that the Medes will destroy Babylon. That is the Medes will destroy the Catholic headquarters, sparing none. The word bows representing a missile attack.

Daniel 11:42 implies that Egypt will be allied with the king of the south. This prophecy indicates that there would be a far-reaching change in Egyptian politics!

Then in verse 39 of Daniel 11 we are told that he will act against the strongest of strongholds and divide the land for gain. To me this is saying the USA is going to be divided up.

Ecclesiastes 1:9 Nothing new

Nimrod ruled over all. In the end The king of the north shall rule over all again. Do you remember what we said in the very first paragraph of this series.

Now, this Ninus, or "Son," borne in the arms of the Babylonian Madonna, is so described as very clearly to identify him with Nimrod. "Ninus, king of the Assyrians," \* says Trogus Pompeius, epitomised by Justin, "first of all changed the contented moderation of the ancient manners, incited by a new passion, the desire of conquest. He was the first who carried on war against his neighbors, and he conquered all nations from Assyria to Libya, as they were yet unacquainted with the arts of war."

From Assyria- Germany to Libya. That is both the King of the North and the South all under the god of Allah.

Remember also that the Chatti were both black and white. One group went with Assyria, the other ended up in the Cushite area of Pakistan. Punjab.

Now when we read in Leviticus 26 that Yahweh is going to send Terror on us for not keeping the laws and the Land rest, we now know who it is. Terror, utter terror as only the Chatti and Assyrian and German and Islamist know how to give.

Yahweh has told us in Lev 23 His Holy Days. In Lev. 25 we are told of the Sabbath years and Jubilee years. We are then told in chapter 26 what our punishment is if we disobey. Verse 16 Terror will come to us. In verse 19 Droughts, 21 pestilence which is about to start. And then in verse 23 of Chapter 26 we are told that Yahweh will bring a sword against us. Verse 25 says we will be delivered into the hand of our enemies. We shall become prisoners. This is to start in 2017 and if we still do not repent then by 2024 we will be sold into slavery starved and become cannibalistic due to extreme hunger and we will be killed for the sport of it Verse 33.

Is Islam the beast, no, well sort of. Is Germany or Europe the beast, sort of. They both are and in the end they both join together for world domination led by Germany. Just as Germany used the Catholic religion to give it power over Europe, it will do so again, until that deal is of no more use to it. Germany will then sell out the Catholic faith, in a deal with the Muslim nations.

The Medes will destroy Rome, which is never to be inhabited again. Isaiah 13:20. This new alliance with the Muslims gives Germany access to the oil it so desperately needs, and control over those Muslim nations, of Africa and parts of Asia.

Remember this sentence in News Letter 5843-050 Many scholars knew the Roman Empire was prophesied to be the fourth and final world empire. But beyond that, they tragically misinterpreted Bible prophecies. That is what led to so much violence and bloodshed during the Middle Ages.

People falsely assumed that the Antichrist would emerge on the world scene once the Roman Empire was extinguished. What the Bible actually says is that after the fourth empire passes from the scene, God's Kingdom would be set up (Daniel 2:44).

This also was misinterpreted because people during the Middle Ages assumed the Holy Roman Empire was God's Kingdom on Earth! That elevated their laws and aspirations for world rule above God's. Thus, the groundwork for the tragedy of the Middle Ages was laid, not upon a holy empire, but upon Satan-inspired, gross misinterpretations of God's Word.

Because so many are again misinterpreting the scriptures of Daniel, when the USA is attacked and defeated by Europe, they will believe that Europe is the Kingdom of Yahweh. The Anti-Christ will seem to them to be The Messiah. And will bring them to Israel and will save Israel. Many will believe this because they believe that the USA is Babylon. They have it wrong.

Another friend sent these two articles to me. You need to look at them. This was and is new to me. Most profound, having now gone through this series.

One other thing. If you have not yet seen the movie Obsession Radical Islam's War against the west, you need to do so ASAP. As you watch it keep in mind all that I have shared here with you. Watch the Muslim faith as it starts in Egypt with the brotherhood. Marching the goose step and giving one armed salutes is all too reminiscent of Nazi Germany. You need to watch this video.

And to many of you who are still playing religion. Who think this is something far off. This is real. It is as real as blood and guts. It is your wife or you daughter being used as a sex slave. It is you watching your sons or husband being beheaded, and those doing it laughing. It is watching your children starving and fighting over a crumb. It is going to take years for this to pass. Will you survive? How will you escape? Those foolish ones of you who think you are just going to leave the USA and go to Israel and join the two sticks together are very delusional. Study your bible. Read it as a real book and not some religious theology you have been taught from men.

This thing is real and it is coming. You now have just over 8 years before the wars begin. IF the message of the Jubilee is correct. If pestilence's begin in 2010, know for sure 2017 is

correct and war is imminent. If you have not read the main reason I have this web site up then go and read the Article Times Up! No More Excuses! The Land Rest and the Jubilee years are shadow pictures of Future events the same as the Holy Days are. In an Article by Yair Davidy from the book of Hosea he writes;  
<http://britam.org/hosea9.html#Article>

The following article is based on an excerpt first published in “Ephraim” by Yair Davidy (as I then spelled my name in English) in 1995.<> The Muslim Madness and Predicted Terror Attacks Against Ephraim

Did the Prophet Hosea predict a Muslim Terrorist attack against Britain or America who in Scripture are referred to as “Ephraim”?

Hosea chapter 9 in Hebrew explicitly mentions Machmad (Mohammed) as “the mad prophet”, an evil spiritual leader. Hosea speaks of terrorists assembling in Egypt and bringing disaster on Ephraim. Brit-Am has shown through Biblical Studies and research in secular fields such as history, linguistics, mythology, cultural patterns, and numerous other disciplines (in fact anywhere where any relevant evidence may be available) how determinative elements amongst peoples of Western Europe are descended from the Lost Ten Tribes of Israel. We have also shown how the peoples of the British Isles and their overseas offshoots descend especially from the Tribes of Joseph, Ephraim and Manasseh. Though Ephraim as a Tribe may be more dominant in Britain it is also present in North America. Apart from this, it is the way of Scripture to refer to the Lost Ten Tribes in general, or at least to the leading Israelite factor amongst them, as “Ephraim”.

Hosea 9:7 tells us, “The days of visitation have arrived, the days of payment have come, Israel shall know, the prophet is evil, the spiritual leader is mad because of your transgression there is great hatred.”

The Muslims are not rational. Anyone in the west who acted as Islam seems to require its adherents to think and act would not be considered normal.

On the other hand similar things could be said about the adherents of many religions in different contexts so it is perhaps best to concentrate upon our own houses rather than probe how others run theirs.

Nevertheless the relevant verses concerning Ephraim suffering at the hands of Muslim terrorists are there in the Book of Hosea and they do have a specific intention.

As we recalled in our work “Ephraim” (1995) chapter two:
