

Noah's Ark – Part 1: An Introduction to Ron Wyatt and the Ark

 sightedmoon.com/158/

By Joseph F. Dumond

Original Newsletter Title:

The 50th day of Pentecost. How Noah knew the end was when his father died.

Sighted Moon News Letter 5843-012

10th Day of the 3rd Month of the 5843 years After Creation

This is the 50th day of the Counting of the Omer

Pentecost

May 27, 2007

Shabbat Shalom Family,

We have covered the meaning and purpose of the Jubilee, the Eighth Day, and Pentecost in these past News Letters. It is on this day of Pentecost, that the Ten Commandments were given to Israel at Mount Sinai. Also called Jebel El Lawz, or Mountain of Moses, in Saudi Arabia.

It is on this day in the New testament that the Holy Spirit was given to the Apostles.

It is on this date in the future that the wheat will be harvested as the First Fruits and the completion of the wave offering is made, which began with the Barley offering 50 days back during the days of Unleavened bread.

It is on this day that Peter gave his stirring sermon to the thousands who repented and became baptized. They were immersed in water. Mikvahed . Just as Yahshua said to Nicodemus you must be reborn, so these many thousands were one hundred percent immersed in water so that the old man in them died and the new one was impregnated with the Holy Spirit.

This impregnation is just as small as a sperm. You cannot see it when it first begins. But over time you will begin to know the difference between the way of life and the way of death. If this Holy Spirit is not in you then it is hard to understand many of the things I am saying. Also, if you have allowed it to die or shrivel up.

Seek out someone who will immerse you and lay hands on you or rebaptize or mikvah.

Rekindle that life in you of the Holy Spirit, and let it lead you into all truth. As you learn the truth obey it. Your growth will be even faster.

This is what this day of Pentecost is about. I hope you will consider all that I have shared with you. Even that which was in yesterday's News Letter 5843-011.

This News Letter has been written in advance. As you are reading this Saturday evening in North America I will be keeping Pentecost Sunday and offering prayers to the Almighty Creator from the bow of the ship known as Noah's Ark in Eastern Turkey. Your prayers for our safety would be welcome.

In the past I have taken Yahweh at his word. In John 16:13 However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come.

I have asked Yahweh to keep His promise and guide me into all truth. The controversies of Noah's Ark were one thing I had asked about. Even before I knew of the truth I was intrigued with the picture of Noah's Ark that I saw in the Orangeville Library. It was the picture on the cover of Life magazine and showed a boat object in the mountains of Turkey. That picture was taken in 1960 and I was looking at this for the first time in the mid-1970s

In 1982 Yahweh called me into the World Wide Church of God. In 1994 I stopped attending with them as they returned to mainstream Christian thinking. During the next seven years on my own I learned of Ron Wyatt who had come across this boat shaped object in Turkey. I called Mr. Wyatt and talked to him on the phone. He seemed very nice and sincere. He also was a Seventh Day Adventist. One year later he died. That was 1998.

Then in 2001 I began to associate with the Brethren of the United Church of God. In 2006 they brought in a Pastor to talk about Noah's Ark and the Neanderthal Man. This man showed us that Neanderthal man was none other than those who had lived long lives before the flood. This information was of great value.

He also presented a Protestant view of Noah's Ark with all the same wrong information. When I questioned him about the Ron Wyatt site he brushed it off as irrelevant. Noah's Ark after all was on Mount Ararat. When I asked him if he had looked at the information he said no, and that he relied on scientific journals for his information.

In 2006, I was unable to go to see this boat shaped object myself.

My fascination with it, is that first of all it is possible to go and see and touch it. Second it is the oldest object in this age if I understand correctly. It is something directly proving that the Flood was a real thing. There by proving that Yahweh is real. His word in scripture is true.

I understand that much of the bible and most followers believe because of faith. That was good enough for me for some time. But when I think about it, I need more. I want real hard factual proof. I have the faith. I just want to back it up with facts. Hard evidence.

This site can, if it is Noah's Ark, help to add to this hard evidence.

Over the next few News Letters, I will lay out before you the pictures I take and the vast research I have accumulated, and you too can judge if this is in fact the site of Noah's Ark or not.

Again, you are to judge angels, so it should not be so hard a task as to judge this, once the facts are laid out before you.

In Matt 24: 37 But as the days of Noah were, so also will the coming of the Son of Man be. 38 For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, 39 and did not know until the flood came and took them all away, so also will the coming of the Son of Man be. 40 Then two men will be in the field: one will be taken and the other left. 41 Two women will be grinding at the mill: one will be taken and the other left. 42 Watch therefore, for you do not know what hour your Lord is coming. 43 But know this, that if the master of the house had known what hour the thief would come, he would have watched and not allowed his house to be broken into. 44 Therefore you also be ready, for the Son of Man is coming at an hour you do not expect. 45 "Who then is a faithful and wise servant, whom his master made ruler over his household, to give them food in due season?"

In searching out the truths of the bible and while I was also trying to understand if we are in the last days, I began to study Noah's Ark and those claims of Ron Wyatt. I did not believe all he said. I was skeptical of his many claims.

When I return this Wednesday, I will update you with the pictures and information I gather.

As for Now I will leave you the following. I do not know from whom I got it, but I found it interesting.

I often wonder how Yahweh communicates with us. In Daniel we have shown you where Daniel by books learned that the 70 years of exile was almost up.

The Ruachmah also gives an account of the Tribe of Ephraim trying to leave Egypt 30 years to early as they interpreted the 430 years of slavery wrong. That caused 30,000 to be killed that day.

Here is evidence of how Noah knew the time was near.

The names must be read in Hebrew in order to get the message!

Reading them in English is useless.

Adam comes from the word Man. (Strongs #120 Ruddy, a human being, man)

Seth comes from the word Appointed (Strongs # 8352 Substituted from #7896 apply appoint, array, bring, consider)

Eve said, "For God hath appointed me another seed instead of Abel, whom Cain slew."

Enos comes from the word mortal, frail, or miserable (Strongs # 583 from #605 frail, feeble, melancholy; desperately wicked, incurable, sick, woeful.) It is from the root anash, to be incurable, used of a wound, grief, woe, sickness, or wickedness

Cainan comes from the word sorrow (Strongs #7018 fixed 7064 chamber or dwelling 7077 a nest)

Mahalaleel comes from 2 words Mahalal which means blessed (Strongs #4111 praise of God) or praise and El, which is word that is translated as God. Thus, Mahalalel means the Blessed El or the Blessed God.

Jared comes from the word shall come down or shall descent (Strong's #3382 to descend, to bring down, cast down,)

Enoch comes from the word teaching (Strong's #2585 initiated 2596, discipline, train up, dedicate)

Methuselah comes from 2 words muth which means death (Strong's # 4968 man of a dart 4962 an adult, of full length 7971 to send away, 7973 missile of attack, spear) Shalach means to bring or to send forth. Methuselah means his death shall bring

Lamech means despairing (Strong's #3929 Unknown root)

Noah means comfort or rest (Strong's # 5146 quiet, rest)

Therefore, We now have

Hebrew English

Adam Man

Seth Appointed

Enos Mortal

Cainan Sorrow

Mahalaleel Blessed El or the Blessed God

Jared Shall come down or shall descent

Enoch Teaching

Methuselah his death shall bring

Lamech despairing

Noah comfort or rest

Here is the message is hidden in the old but revealed in the new.

Man is appointed mortal sorrow but the blessed el shall come down teaching that his death shall bring the despairing comfort or rest.

Shalom Brethren

Joseph F Dumond
