First Second & Now a Third

Does anyone remember the lead up to the ISIS crisis in 2014? It actually began in 2004.

ISIL gained global prominence in early 2014 when it drove Iraqi government forces out of key cities in its Western Iraq offensive,[82] followed by its capture of Mosul[83] and the Sinjar massacre.[84]

The group has been designated a terrorist organisation by the United Nations. ISIL is known for its videos of beheadings and other types of executions[85] of both soldiers and civilians, including journalists and aid workers, and its destruction of cultural heritage sites.

In Syria, the group conducted ground attacks on both government forces and opposition factions, and by December 2015, it held an area extending from western Iraq to eastern Syria, containing an estimated 8 to 12 million people,[47][48][94] where it enforced its interpretation of sharia law.

Since 2005 I have been telling you that ISIS in some form was going to come to North America. In 2005 I did not know it as ISIS. And I did not know how this was going to take place.

The European migrant crisis,^{[2][3][4][5][6]} also known as the refugee crisis,^{[7][8][9][10]} was a period characterized by high numbers of people arriving in the European Union (EU) overseas from across the Mediterranean Sea or overland through Southeast Europe. ^{[citation needed][11][12]} In March 2019, the European Commission declared the migrant crisis to be at an end.^[13]

The migrant crisis was part of a pattern of increased immigration to Europe from other continents which began in the mid-20th century.^[14] The United Nations High Commissioner for Refugees (UNHCR) observed that from January 2015 to March 2016, the top three nationalities among over one million refugees arriving from the Mediterranean Sea were Syrian (46.7%), Afghan (20.9%) and Iraqi (9.4%).^[15]

Many refugees that arrived in Italy and Greece came from countries where armed conflict was ongoing (Syrian civil war (2011–present), War in Afghanistan (2001–present), Iraqi conflict (2003–present)) or which otherwise were considered to be “refugee-producing” and for whom international protection is needed. However, a smaller proportion was from elsewhere, and for many of these individuals, the term “migrant” would be correct. Immigrants (a person from a non-EU country establishing his or her usual residence in the territory of an EU country for a period that is, or is expected to be, at least twelve months) included asylum seekers and economic migrants.^[16] Some research suggested that record population growth in Africa and the Middle East was one of the main reasons for the crisis,^[17] and it was suggested that global warming could increase migratory pressures in the future.^{[18][19][20]} In rare cases, immigration was used as a cover for Islamic State of Iraq and the Levant (ISIL) militants disguised as refugees or migrants.^{[21][22]}

Most of the migrants came from regions to the south and east of Europe, including the Greater Middle East and Africa.^[23] Of the migrants arriving in Europe by sea in 2015, 58% were males over 18 years of age (77% of adults), 17% were females over 18 (22% of adults) and the remaining 25% were under 18.^[24] By religious affiliation, the majority of entrants were Muslim, with a small component of non-Muslim minorities (including Yazidis, Assyrians and Mandeans).

The total number of refugees to arrive in Europe counting from 2013, when there was a noticeable increase until the end of 2019, is 5,722,345 people. During this time the USA and Canada took in tens of thousands of middle Eastern refugees.

Now in this year of 2020, the year that Daniel 9:27 warns us about.

Dan 9:27 And he shall confirm a covenant with many for one week. And in the midst of the week he shall cause the sacrifice and the offering to cease, and on a corner of the altar desolating abominations, even until the end. And that which was decreed shall be poured on the desolator.

The midst of the week is the middle of the Jubilee Cycle. The last Jubilee year was 1996 and the next Jubilee year is 2045. The Middle is 2020.

Today across the USA in city after city we have seen civil unrest since the killing George Floyd on May 25, 2020. These protests have grown around the world and they have been the excuse for mobs to burn buildings and destroy businesses. They have attacked the Police and journalist and bystanders. They have killed Police and those defending their businesses or those who opposed their views. They are shutting down highways and shooting at truckers delivering the supplies those cities need. In the lead up to the ISIS crisis, I can remember seeing videos of people in cars pulling up behind other vehicles and shooting all those in the car.

Last week I told you about Seattle giving up the downtown to the mob and pulling the police out and letting them take over. She did not send in the National Guard. She cowered in the face of anarchy. This past Friday, Minneapolis voted 12-0 in favour of disbanding the Police Department. They too have cowered to the mob. And Ilhan Omer is championing this defunding of the police.

This too reads like Iraq when the military and police all disappeared before ISIS rolled in to take over the area. They cowered in front of the terror that came at them. This week I am seeing video after video of whites being attacked and beaten in the streets of various cities. Whites being told they cannot travel down this road as it for blacks only. Gangs breaking into Gun stores and stealing all the rifles and ammo. And you are all witnessing the destruction of cultural heritage sites across the USA.

It was the same when ISIS began. They terrorized the Christians and the Yezidi people. Then they slaughtered them. They attacked and ransacked the army depots and collected firearms. And later they began a systematic destruction of ancient historical and irreplaceable artifacts.

So here we are. Today in 2020, we have armed thugs taking over parts of cities and policing them according to their rules. We have Sharia Police taking over areas and enforcing their rules in those areas. And no one has the balls to do anything about it.

On top of this, you have COVID 19 spreading faster than a wildfire in all these states that are reopening. And even some of you believe this to be fake and not real. And you will not wear a mask to help stop the spread because you believe it is fake. You have been victimized by someone else's propaganda and the USA nation is going down and will be destroyed.

For 15 years many have called me every name in the book for shouting out this warning that the USA was going to be destroyed starting in 2020. I even went so far as to say that this would begin on May 31st, 2020 using what I thought was going to be Shavuot this year. Here is what Wiki says about the George Floyd Protests.

The day following Floyd's death, peaceful protests began in Minneapolis. In perceived response to both the police commissioner and police union leaders not holding Chauvin accountable for the murder of George Floyd, protesters and police began to clash on the streets.[56] Protests also formed in other cities across the US,[57] with demonstrations increasing each day.[57] The unrest later escalated and the third precinct police station in Minneapolis was burned down on May 28. At this time, the Minneapolis police and the union, as well as various city officials had not arrested Chauvin for the murder of George Floyd. By June, protests had been held in all US states. Protest actions were also reported in some US immigration detention centers and prisons.[58][59]

By June 3, at least 200 cities had imposed curfews, and at least 27 states and Washington, D.C. activated over 62,000 National Guard personnel in response to a majority of peaceful protests.[60][22]

In Seattle, starting in early June, protesters occupied an area of several city blocks after the police vacated it, declaring it the Capitol Hill Autonomous Zone, where according to protesters "the police are forbidden, food is free and documentaries are screened at night". On June 10, President Trump challenged mayor Jenny Durkan and governor Jay Inslee to "take back your city," and implying, according to Durkan, the possibility of a military response.

You can all go and look at the news for May 31, 2020, under George Floyd protests.

And yet there are still those who will not admit that we have the end-time chronological order of prophecy correct. They will not admit we have the correct understanding of the Jubilee Cycles and when the Sabbatical Years are. They will not join us, nor support us and are in fact still fighting against our efforts to warn still more. And they insist we are false prophets or false teachers and they hold to their own end-time delusions.

Lev 26:23 And if you will not be reformed by Me by these things, but will still walk contrary to Me,

Lev 26:24 then I will walk contrary to you and will punish you seven times more for your sins.

Lev 26:25 And I will bring a sword on you that shall execute the vengeance of the covenant. And when you are gathered inside your cities, I will send the plague among you. And you shall be delivered into the hand of the enemy.

Lev 26:26 When I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver you your bread again by weight. And you shall eat and not be satisfied.

Lev 26:27 And if you will not for all of this listen to Me, but will walk contrary to Me,

Lev 26:28 then I will walk contrary to you also in fury. And I, even I, will chastise you seven times for your sins.

Lev 26:29 And you shall eat the flesh of your sons, and the flesh of your daughters you shall eat.

When people are killing others and beating them because of their race, that soon becomes ethnic cleansing. Yehovah has been telling us over and over and over how He is going to take Israel, all twelve tribes and wipe them out and destroy them from off the face of this earth. Except for a small remnant. And we have shown you in our videos exactly who those people are in these last days.

Watch Video At: https://youtu.be/EtXbzO4xl_c

It is not about race or one race being superior to another. It about Yehovah punishing a people who did not obey Him even though He blessed them above all others.

Isa 14:1 For Jehovah will have mercy on Jacob, and will yet choose Israel and set them in their own land; and the stranger shall be joined with them, and they shall cling to the house of Jacob.

Isaiah 56:6 Also the sons of the stranger, who join themselves to Jehovah to serve Him, and to love the name of Jehovah, to be His servants, everyone who keeps from defiling the Sabbath, and takes hold of My covenant;

7 even them I will bring to My holy mountain, and make them joyful in My house of prayer. Their burnt offerings and their sacrifices shall be accepted on My altar; for My house shall be called a house of prayer for all peoples,

8 says the Lord Jehovah who gathers the outcasts of Israel, Yet I will gather beside him his gathered ones.

Ephesians 2:12 and that at that time you were without Christ, being aliens from the commonwealth of Israel, and strangers from the covenants of promise, having no hope, and without God in the world.

13 But now in Christ Jesus you who were once afar off are made near by the blood of Christ.

14 For He is our peace, He making us both one, and He has broken down the middle wall of partition between us,

15 having abolished in His flesh the enmity (the Law of commandments contained in ordinances) so that in Himself He might make the two into one new man, making peace between them;

16 and so that He might reconcile both to God in one body by the cross, having slain the enmity in Himself.

17 And He came and preached peace to you who were afar off, and to those who were near.

18 For through Him we both have access by one Spirit to the Father.

19 Now therefore you are no longer strangers and foreigners, but fellow citizens with the saints, and of the household of God,

To be a part of Israel, all you have to do is obey. But these curses are coming upon the DNA descendants of the 12 tribes who would not obey. They are basically the Anglo-Saxon peoples. If the Black Hebrews are in fact the true Israelite tribes as they claim then I am all for it because these curses then will go and fall on them and not my race. And it will be the Blacks that will be wiped out, but I cannot say that because it is a lie.

The 12 tribes of Israel can be found in the nations that come from the United Kingdom. They are the ones that have been blessed more than any other in the history of the world which proves Yehovah has kept His promises to Abraham Isaac and Jacob. And it these same Anglo Saxon people who are now going to be destroyed for not obeying Yehovah.

Dan 9:24 Seventy weeks are decreed as to your people and as to your holy city, to finish the transgression and to make an end of sins, and to make atonement for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the Most Holy.

Dan 9:25 Know therefore and understand, that from the going out of the command to restore and to build Jerusalem, to Messiah the Prince, shall be seven weeks, and sixty-two weeks. The street shall be built again, and the wall, even in times of affliction.

Dan 9:26 And after sixty-two weeks Messiah shall be cut off, but not for Himself.

From the time that Moses was told to go and get the people of Israel when the 50th Jubilee Cycle had just ended, you are told to count 7 Jubilee Cycles. And after the 7th Jubilee cycle Messiah the Prince would arrive. This was the time when King David came on the world scene and was anointed by Samuel and then by Judah when they made him King and then by all of Israel 7 years later.

Then the prophecy says that after David arrives there would be 62 more Jubilee Cycles and this would bring you to the year 1996 which was the last Jubilee. That same sentence is telling you that King David is going to be brought back to life in this 70th Jubilee Cycle.

Know therefore and understand, that from the going out of the command to restore and to build Jerusalem, to Messiah the Prince, shall be seven weeks, and sixty-two weeks.

This whole sentence is speaking about King David. He is about to come again on Shavuot at the end of the Great Tribulation. Know and Understand!

Dan 9:26 And after sixty-two weeks Messiah shall be cut off, but not for Himself.

Now you got to think. Why would Yehovah bring David back to kill him again? He is not. What were these verses about?

Seventy weeks are decreed as to your people

The word Messiah in verse 26 again is anointed. It just means anointed the same as David was His anointed only this anointed in verse 26 is speaking to another anointed of Yehovah and that is all of Israel, the subject of these 4 verses. Israel is the anointed of Yehovah, the apple of His eye.

1Ch 16:14 He is Jehovah our God. His judgments are in all the earth.

1Ch 16:15 Be always mindful of His covenant, the Word He commanded to a thousand generations,

1Ch 16:16 which He made with Abraham, and of His oath to Isaac.

1Ch 16:17 And He has confirmed the saying to Jacob for a Law, to Israel for an everlasting covenant,

1Ch 16:18 saying, To you will I give the land of Canaan, the lot of your inheritance,

1Ch 16:19 when you were but few, even a few, and strangers in it,

1Ch 16:20 and they went from nation to nation, and from one kingdom to another people,

1Ch 16:21 He did not allow any man to do them wrong. Yea, He reprov'd kings for their sakes,

1Ch 16:22 saying, Touch not My anointed, and do My prophets no harm.

Psa 105:7 He is Jehovah our God; His judgments are in all the earth.

Psa 105:8 He has remembered His covenant forever, the Word which He commanded to a thousand generations;

Psa 105:9 the covenant which He made with Abraham, and His oath to Isaac;

Psa 105:10 and He confirmed it to Jacob for a Law, and to Israel for an everlasting covenant,

Psa 105:11 saying, To you I will give the land of Canaan, the lot of your inheritance;

Psa 105:12 when they were a few men in number; yea, very few, and strangers in it.

Psa 105:13 When they went from one nation to another, from a kingdom to another people,

Psa 105:14 He allowed no man to do them wrong; yea, He reprov'd kings for their sakes,

Psa 105:15 saying, Touch not my anointed, and do My prophets no harm.

It is Israel, all 12 tribes in these last days that is about to be cut off as you are told in,

| Dan 9:26 And after sixty-two weeks Messiah shall be cut off, but not for Himself.

When you read the Hebrew words for the expression “shall be cut off, but not for Himself.”, it is actually telling you that they will be as if they never were. That is how bad the cutting off is going to be. They will be utterly and totally annihilated. The apple of His eye is about to be completely destroyed except for a remnant.

Since 2005 we have been telling you this same story over and over. We have explained the Jubilee Cycles. We have given you the charts so you can see the Jubilee cycles. We have shown you that we are in the 120th Jubilee cycle and we have shown you in those charts how to count the 70 weeks to know and understand we are in that final 70th week now.

We have been rejected by those with large followings. We have been turned away by many of the major Christian news outlets and radio shows. We have been called false prophets by Christians and those who claim to be brethren alike. We have had to work a full-time job all these 15 years to pay for the cost of getting this message out to you. We have had some help along the way and more are helping now.

We have written books to explain these things in detail and sent those books to many religious leaders and even heads of countries, even the President and to all the first family. We have created videos and continue to do so in the hopes that the more we refine our message the greater the chance we can reach still more and help them to repent to return to Yehovah and His covenant.

We have now found 89 Sabbatical and Jubilee historical facts and artifacts that all collaborate and confirm when each and every Sabbatical and Jubilee years were throughout the 6 millennial days of men are. Those of you who have done your homework have also proven this to yourselves and it is now your teaching and not just mine.

I have suffered the abuses of Christians who would not listen. I have suffered the abuses of brethren who claim to follow Yehovah. I have suffered the abuses of those that called me a friend and I have suffered as many of you have the loss of my entire family all in order to bring you this warning that in 2020, it was going to begin and that it was going to last for 6 1/4 years before the annihilation was complete.

Then this year on the very day we kept Passover on March 10, 2020, the WHO declares a worldwide pandemic. People still would not believe us.

Then the week before our Shavuot on May 3, 2020, the UN warns us of Biblical sized famines of 135 million people in 3 months' time unless immediate action was taken. People still did not believe us.

Then that very same week North American food processing plants began to shut down due to the spread of COVID 19 and truckers are now called heroes for delivering food and supplies to the city. People still would not believe us.

On May 3rd, 2020 I presented a revised teaching on the 2300 Days of Hell. I still was waiting to see what would happen on May 31 but the numbers said something was potentially coming on July 5, 2020. As of this post that video had 1721 views.

On May 25, 2020, we hosted an interview with Cyrus Harding, a believer who goes by the Crescent moon who stunned us first of all with his lunar cycle predictions that came

true for COVID 19 and the OIL price crash that had taken place this past winter. Although not 100% correct in all things he was so close it was scary. He warned us on that broadcast what was about to come during the next month and into August 2020. He called it the crazy cycle. And he nailed it spot on. Cyrus also warned us of the July 5th date but was not sure what it was that was to happen. On July 5th, 2020 Israel is going to annex Samaria, or what the west calls the West bank. The EU is warning against it and Jordan is warning against it. Again as of this post, this video had 1620 views

Then After the death of George Floyd with the riots growing daily after May 25 and the date we said was May 31, 2020, the very day we have been warning you about since 2005, the world has become a scary place. Rioting looting and calls to defund the Police and thugs taking over parts of large cities. And brethren were ridiculing me saying where was the destruction of the USA? They mocked us and they still did not believe.

It is not me they are not believing. It is not me they are mocking. It is not me that they ridicule. It is Yehovah they mock.

2Pe 3:3 First, knowing this, that there will come in the last days scoffers walking according to their own lusts

2Pe 3:4 and saying, Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation.

They go about joking about us thinking they are saved by their own understanding. By their works you can see they do not do anything to further the kingdom but accuse those who are.

Rev 3:14 And to the angel of the church of the Laodicea write: The Amen, the faithful and true Witness, the Head of the creation of God, says these things:

Rev 3:15 I know your works, that you are neither cold nor hot. I would that you were cold or hot.

Rev 3:16 So because you are lukewarm, and neither cold nor hot, I will vomit you out of My mouth.

Rev 3:17 Because you say, I am rich and increased with goods and have need of nothing, and do not know that you are wretched and miserable and poor and blind and naked,

Rev 3:18 I counsel you to buy from Me gold purified by fire, so that you may be rich; and white clothing, so that you may be clothed, and so that the shame of your nakedness does not appear. And anoint your eyes with eye salve, so that you may see.

Rev 3:19 As many as I love, I rebuke and chasten; therefore be zealous and repent.

Rev 3:20 Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and will dine with him and he with Me.

Rev 3:21 To him who overcomes I will grant to sit with Me in My throne, even as I also overcame and have sat down with My Father in His throne.

Rev 3:22 He who has an ear, let him hear what the Spirit says to the churches.

This past week I heard Cyrus Harding had done a study on the lunar cycles once again and was stunned to discover that there was a super cycle starting this fall October 18, 2020, and going until Feb 14, 2021. And he said it was going to peak in November. Cyrus also said that the supercycle was very unusual because it started in the intensity of almost 70% whereas many others begin around 10% or 20% and grow to a peak, this one was already starting out full-on at 68.747%. We had Cyrus come on our broadcast on Monday evening and he told us that this super cycle was going to all the way in intensity to 88.996% by the end of November and start of December. Which really concerned him. He was not sure what it was about but speculated it could be about the stock market.

In our conversation with Cyrus, we discussed that the Paris Accord was being dissolved by the USA as of November. We also told him that BREXIT was complete on December 31, 2020. And we also said that they expected the COVID-19 second wave to be in full swing about that time. There is also the fact the US elections are on November 3rd and that with either a Biden or a Trump win there could war. But by the end of the broadcast, we did not know for sure what it was but that something big was coming. Something very big. This video has already received 600 views just 24 hours later.

Last week I had a lady call me in tears and almost hysteria, from South Africa. She was frantic to speak to me about her visions. Once I knew what she wanted to talk to me

about I rolled eyes, but could not get out of the call. She had just watched one of our Shabbat services and it was the one where one of the ladies described her dream she had about me being killed in the future. She too had had the same dream but did not know who I was or about the things I teach. After I calmed her down I told her she had to start keeping the Holy Days and the Sabbath and if she did that then Yehovah would take care of the rest, but she had to begin doing this as a minimum. She agreed.

As many of you know I loath those who claim they had a dream from Yehovah last night and they have a need to tell me all the intricate details. I do not give them the light of day. Having said that there have been a few people that have told me their dreams and they had merit. I also had a dream that I considered something to keep in mind. I have mentioned these in my books.

In the past, I have seen the brethren go gaga over those who claimed to have dreams and visions. Those videos would get thousand and hundreds of thousands of views, while our message which could be confirmed with the scriptures got only hundreds of views. This has always bothered me. People preferred things that you could not prove with the scripture over those things that you could. The tickling of the ears.

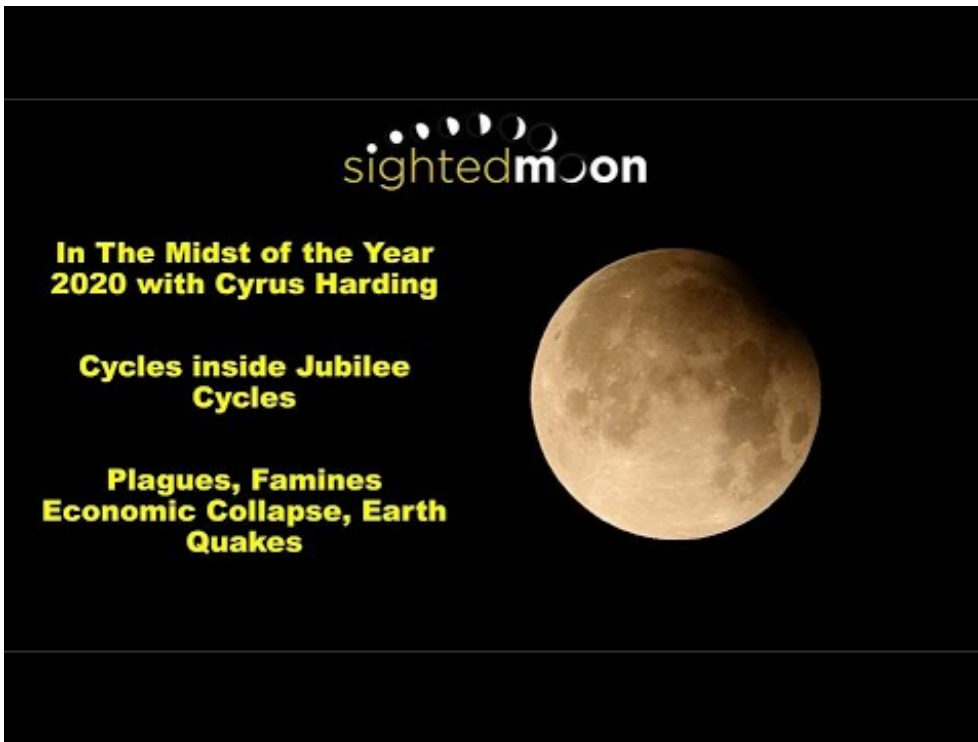

Tuesday, June 30, 2020, I was told to watch this video. I had been sent this same video and a transcript of it by a least two dozen people in the past five days since it came out. They all said to watch it. I deleted every single one. If you do not have time to explain why I need to watch it I do not have time waste on every silly idea that pops into people's brains. But once I learned this person had had a dream then I was for sure not wasting my time with it.

Then late Tuesday afternoon, just before I met with our team working on the Philippine Foundation, an old friend told me why I should watch it and that I should contact the person because I had the answers he was asking about. So I sat and watched it. I watched it with Cyrus's teaching in my head from the day before. I watched it with my own understanding of the time we are in and that I am currently waiting for Europe to invade the Middle East before or at the same time that the USA is attacked or invaded and this destruction of Israel, the USA and UK gets ramped up to a higher level, like what Cyrus was indicating.

I watched it and I was sobered.

If you have not watched our videos then I am about to stop this News letter and not make it a long one. I want you to watch the following two videos we did with Cyrus and then I want you to watch the dream video third. Even if you say you already saw them please review them and then watch the third one.

I did call this man after and I will write him at his request tomorrow.

In the 5 hours since I saw this video it has shot up from 305,000 to 380,000. No scriptures to confirm anything he has said and it comes from someone who is not keeping the Sabbath nor the Holy Days. Does Yehovah send message through those who are not obeying Him?

Shalom Joseph,

When I read your last question, I almost dismissed my concerns about this dream. Then, it occurred to me that the butler and the baker of pharaoh, pharaoh himself, and Nebuchadnezzar, were all given dreams concerning future events. None were obeying יהוה, at least, from what I read in the accounts. Interestingly, ALL did need an interpreter to understand those dreams. So, I would say, “Yes. Sometimes יהוה has given dreams, revealing what He would do, to those who are “not obeying Him”.

Shabbat shalom.

Yes, that does answer my questions as to why this guy. Good insight. Thank you

The “Chinese and Russian soldiers on the ground” do not match the King of the North and King of the South prophecies of Daniel.

They do match the UN peacekeepers that the EU/UN could send in as soon as a civil war breaks out in the USA or Israel or Iran attacks Israel. Russia and China are working with the Deep State and Europe. The Deep State stays hidden and blames it all of Trump as does the EU/UN. UN peacekeepers are not your friend. They do not do justly. They all work according to the agenda controlling them and that would be the UN (beast system) to bring down the innocent and law abiding people and to lift up the Russian arms of Antifa and BLM. Both are communist founded and funded. Now I’ve read of other communist organizations working here, every bit as violent as the two above. Just like Iran has proxies, so does Russia and China. So actually, the “Russian and Chinese soldiers” and the Iranian and Hamas soldiers are throughout the USA already and they are inside the Pentagon and work in every venue of gov’t, including the airlines. Pres Bush wanted to turn port security over to an Islamic nation. He didn’t expect the backlash. But, it is done anyway with the Islamic people in power in many states. In other words, our enemies are already in control, we just don’t realize the full scope yet.

I have learned much about “love” being the principal thing. Love covers many sins. I am seeing genuine healing from Christian pastors and from Hasidic Rabbi’s. This defies the very basis of the law it seems. Both of these extremes keep the commandments and even the 4th to the best of their knowledge. They love the Father with all their heart. But the law cannot save us. Many Jews keep Torah, yet are atheist. One can keep the law with no emotional component. We are then showed faith, charity, mercy, love are more important and without these things, we are clanging symbols of just noise. What I’m getting to, is people who legally seem to be not be trustwory in performing healings or prophetic dreams or whatever form of prophecy, may have LOVE and FAITH that is exactly what YHVH is looking for. We are in no position to judge who He heals, who heals them, or who He causes to have dreams, visions, or speak powerful words of prophecy. Even a donkey and a sorcerer were given prophetic wisdom. I was given great words from Him before I heard the word Torah. We become Torah terrorists when we make it all about The Law and forget the power of faith and love that covers sin. In this particular pastor, we have no idea of his character. He may indeed be an great example of LOVE and FAITH that covers his blindness to the Law until YHVH chooses to open his eyes to it.

J.D.'s query: "In the 5 hours since I saw this video it has shot up from 305,000 to 380,000. No scriptures to confirm anything he [Pastor Dana] has said and it comes from someone who is not keeping the Sabbath nor the Holy Days. Does Yehovah send message through those who are not obeying Him?"

Scripturally, occasionally yes, allowing for human messengers' imperfections! Think: 1/ Balaam's talking donkey, Numbers 22:28. 2/ YHVH condoning Shimei's curses of King David, 2Sam.16:11. 3/ pagan King Nebuchadnezzar's YHVH-honouring statements, Daniel 4. 4/ the independent preacher whom Y'shua endorsed outside His 12 apostles' party, Mark 9:39.

Even today there are Saviour-denying or skeptical [hence disobedient] Rabbinical and Karaite Jews who convey essentially-truthful messages to benefit Y'shua's true believers.

The principle for unearthing Truth is to 'play the ball not play the player'. Ie. being a 'respector of men' clouds objectivity, James 2:1-13. Seek isolationistic 'clarity' ahead of seeking the spiritual 'quicksand' of congenial 'consensus'. The myopic 'party-spirit' is endemic in fox-holed religious circles.... eg. 'I am of Paul or Apollos etc.' [1Cor.2:4].

Yes, Yehovah does speak through those who are not keeping His ways. As mentioned above, “play the ball not the player”. Having problems with the messenger says a lot more about the individual receiving the message than it does about the content of the message. I haven’t seen the videos but will view them with the understanding I’ve been graced with.

Balaam, a false prophet, gave the clearest, longest, prophesy concerning our Messiah in the Torah. Joseph had to interpret Pharaoh’s dream concerning the 7 years of plenty and those of the famine. Daniel had to interpret Nebuchadnezzar’s dream concerning the meaning of the statue and that of the tree that was cut down. Pilate’s wife warned her husband not to get involved with those seeking to put Messiah to death. She did not need an interpreter.

What happens during this Super Cycle that Cyrus Harding predicts that is to occur from October 18, 2020 to February 14, 2021? The presidential election in the USA and inauguration! Hmmm.....
