Shabbat Shalom to The Royal Family of Yehovah,

Human Rights Day

Today, December 10th, 2016 is Human Rights Day. Did you know that?

Have you seen this video put out by the United Nations?

The UN then posted the following with this video.

Stand up for someone's rights today!

Human Rights Day is observed every year on 10 December. It commemorates the day on which, in 1948, the United Nations General Assembly adopted the Universal Declaration of Human Rights. In 1950, the Assembly passed resolution 423 (V), inviting all States and interested organizations to observe 10 December of each year as Human Rights Day.

This year, Human Rights Day calls on everyone to stand up for someone's rights! Many of us are fearful about the way the world is heading. Disrespect for basic human rights continues to be wide-spread in all parts of the globe. Extremist movements subject people to horrific violence. Messages of intolerance and hatred prey on our fears. Humane values are under attack.

We must reaffirm our common humanity. Wherever we are, we can make a real difference. In the street, in school, at work, in public transport; in the voting booth, on social media.

The time for this is now. "We the peoples" can take a stand for rights. And together, we can take a stand for more humanity.

It starts with each of us. Step forward and defend the rights of a refugee or migrant, a person with disabilities, an LGBT person, a woman, a child, indigenous peoples, a minority group, or anyone else at risk of discrimination or violence.

We continue to teach you and warn you about the UN and how it is the one who has created the Covenant made with many and is known today as the Paris Agreement. Please watch our videos on The Great Enlightenment of Mankind part 1 and part 2. I know they are long, but most of you do not know your history so I had to educate you.

Please also review these videos and share them.

It all sounds so noble and so upright and so righteous a thing to do. Human Rights have been slipped into the UNEP from 1972, and then Gay rights were added in 2011. When your leaders go to other nations and they say they are pushing the Human Rights issues with that nation, rarely if ever is it for Christian or Jewish rights. Almost all the time it is for the encouragement of the LGBT rights in those other nations.

We wrote to you a few weeks ago about *Trump-Come out of Her My People*. All of us who fear Yehovah need to get out of anything and everything put out by the UN.

Again we encourage you to watch our other teaching on Baal Peor - parts 1 - 3.
