December 26, 2007

Sighted Moon News Letter 5843-011

9th Day of the 3rd Month of the 5843 years After Creation

This is the 49th day of the Counting of the Omer

May 26, 2007

Shabbat Shalom Family,

We will now bring the whole purpose of the these past seven News Letters to a conclusion. Starting with 5843-005 up to and including this one 5843-011 This is where the rubber meets the road. The whole purpose to this counting is to be found in the answer to this question:

So what does all this mean to you and me living today on this earth at this moment? And who cares?

In our last News Letter you learned who Israel is today in our modern world. To most who are reading this News Letter you are the descendants of the Lost Ten Tribes of Israel. As such you were chosen for a job. Because we who are Israel have not done that job we are going to reap the consequences.

Yahweh does nothing without first telling His prophets. Yahweh told his prophet Moses the following. In Leviticus 26: 14 'But if you do not obey Me, and do not observe all these commandments, 15 and if you despise My statutes, or if your soul abhors My judgments, so that you do not perform all My commandments, but break My covenant, 16 I also will do this to you: I will even appoint terror over you, wasting disease and fever which shall consume the eyes and cause sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it. 17 I will set My face against you, and you shall be defeated by your enemies. Those who hate you shall reign over you, and you shall flee when no one pursues you. 18 'And after all this, if you do not obey Me, then I will punish you seven times more for your sins. 19 I will break the pride of your power; I will make your heavens like iron and your earth like bronze. 20 And your strength shall be spent in vain; for your land shall not yield its produce, nor shall the trees of the land yield their fruit. 21 'Then, if you walk contrary to Me, and are not willing to obey Me, I will bring on you seven times more plagues, according to your sins. 22 I will also send wild beasts among you, which shall rob you of your children, destroy your livestock, and make you few in number; and your highways shall be desolate. 23 'And if by these things you are not reformed by Me, but walk contrary to Me, 24 then I also will walk contrary to you, and I will punish you yet seven times for your sins. 25 And I will bring a sword against you that will execute the vengeance of the covenant; when you are gathered together within your cities I will send pestilence among you; and you shall be delivered into the hand of the enemy. 26

When I have cut off your supply of bread, ten women shall bake your bread in one oven, and they shall bring back your bread by weight, and you shall eat and not be satisfied. 27 'And after all this, if you do not obey Me, but walk contrary to Me, 28 then I also will walk contrary to you in fury; and I, even I, will chastise you seven times for your sins. 29 You shall eat the flesh of your sons, and you shall eat the flesh of your daughters. 30 I will destroy your high places, cut down your incense altars, and cast your carcasses on the lifeless forms of your idols; and My soul shall abhor you. 31 I will lay your cities waste and bring your sanctuaries to desolation, and I will not smell the fragrance of your sweet aromas. 32 I will bring the land to desolation, and your enemies who dwell in it shall be astonished at it. 33 I will scatter you among the nations and draw out a sword after you; your land shall be desolate and your cities waste. 34 Then the land shall enjoy its Sabbaths as long as it lies desolate and you are in your enemies' land; then the land shall rest and enjoy its Sabbaths. 35 As long as it lies desolate it shall rest—for the time it did not rest on your Sabbaths when you dwelt in it. 36 'And as for those of you who are left, I will send faintness into their hearts in the lands of their enemies; the sound of a shaken leaf shall cause them to flee; they shall flee as though fleeing from a sword, and they shall fall when no one pursues. 37 They shall stumble over one another, as it were before a sword, when no one pursues; and you shall have no power to stand before your enemies. 38 You shall perish among the nations, and the land of your enemies shall eat you up. 39 And those of you who are left shall waste away in their iniquity in your enemies' lands; also in their fathers' iniquities, which are with them, they shall waste away.

In the Article Times Up! No More Excuse! https://sightedmoon.com/sightedmoon_2015/?page_id=53

I show you in great detail what this all means, and how these curses are happening to us right now. This article is being downloaded by the thousands each month by people around the world. Have you read it yet? If not why not?

To get a complete understanding of where we are in the prophetic time of Yahweh I cannot tell you strongly enough to read this article. If you need a hard copy print it off, or you can write me and as long as the funds are available I will send you a hard copy free. But even this hard copy has not all the information which has been shared in these past News Letters.

At this writing we are currently in the 5th year of the second cycle of Sabbatical years. That is we are in year 12 of the Jubilee cycle. The first seven years began in 1996. The second set of seven years began in 2002. The next seven year cycle begins in 2009 and the fourth seven year cycle begins in 2016.

OK so what does this mean to you?

In Leviticus which we read above are curses that are imposed every seven times. Verses 18, 21, 24, 28. These seven times are seven years. Just as we all know that times, time and half time, which we read in Daniel, is three and a half years so is seven times in Leviticus also seven years. It only makes sense, since the whole chapter is talking about Sabbatical years and the Jubilee.

These curses that are spoken of are each in duration of seven years. The next curse is then also seven years but the preceding one continues to overlap the second. Then when the third curse is running its course the two preceding ones also run congruently. This is the same for the fourth and fifth curses.

The First curse is applied, then when we do not learn the lesson and change, that is if we do not repent and begin to obey, the next curse is heaped upon the preceding one, and so on it goes until we are killed off the land. Then the land shall have its Sabbaths which it did not when we were on the land.

Brethren and Family and Friends, this is what is known as the land vomiting us out. This is exactly what is going on in our nations right now.

Look at the first curse. Terror. In 1996 Osama ben laden declared war on the USA. Since then we have had an escalating number of Terror incidents each year until we have it as routine on the nightly news. You can read about it in the Times Up article

<https://sightedmoon.com/archived-newsletters-by-category/times-up-no-more-excuses-the-jubilee-year-is-a-shadow-picture-of-future-events/>

An interesting point in this curse is the line that states that we will flee when no one is pursuing us. I did not know what that meant until I read during the Israel Lebanon war that 2 million Jews fled their homes in the north when the Hezbollah were firing their rockets all over Northern Israel. Yet no one was pursuing those fleeing for their lives. Will all of the Israelites tribes be attacked by rockets? I believe prophecy says yes we will be.

One other point of interest. When Osama ben Laden declared war on the USA. He did it in August of 1996. 1996 was the Jubilee year and the first year in the next seven year count. August corresponds with the Jewish month Av. The ninth of Av is the day the Jewish people fast in remembrance of the First and Second Temple being destroyed on this same date. As mentioned in a previous News Letter this was also the same date the Israelites refused to go into and take the promise land. That is when the 12 spies returned from spying out the land of Canaan. Whether or not this declaration by Osama was made on this exact date I cannot say at this moment. Perhaps someone can research this and let me know for sure.

I will not belabor the point. Terrorism is now a normal part of the nightly news. You can read about the many bombings and attacks that have occurred in the Times Up article.

The second curse begins seven years after the first. 2002. If you have seen Al Gores, An Inconvenient Truth, you will know that the world is heating up. It is called Global Warming by the News Media. Yahweh says He will make our skies like iron and our earth like brass. No rain! Along with Global Warming we have more and more severe weather storms. Hurricanes, Tornadoes, flash floods, major forest fires all over the land and many other severe weather abnormalities. Which will soon seem to be a normal weather pattern.

Hurricane Katrina was said on the news to be of Biblical proportions. It has not yet been cleaned up and this is going on two years. There are places in Florida from other Hurricanes that are still not cleaned up. The weekend of May 5th saw a Tornado in Kansas destroy an entire town. An entire town! There are not enough National Guard to help the victims of these tragedies. Some of you are waiting for that miraculous event to happen to you so that you might believe. Does a Tornado have to go through a major metropolitan area, like Toronto? How about a monstrous forest fire throughout Pennsylvania? Even this might not move some of you. What is it going to take for you to believe?

Today many are calling Al Gore's documentary a lie. They claim that these weather patterns have happened in the past. This may be partly true. As Israel disobeyed Yahweh over the centuries the curses as laid out in Leviticus 26 would have been carried out in the same manner we see them being enforced today. Each time would have culminated in the attack and defeat of Israel over the course of history. Attacks on its fringe territories then droughts and famines and wars resulting in the defeat and mass migration of the Israelite people to other lands. This is repeated over and over in history. Those who do not know their history are bound to repeat it.

Take a look at the Australian Drought. It is the worst in 1000 years. These are the Newspapers saying this. Prime Minister John Howard is beside himself. His country is being destroyed and he cannot stop it. Water reserves are being diverted from farms to the cities. The question is do we water animals or people? We cannot do both. Australia is beginning to see how serious this is, but will they obey? No not yet!

It is what is next that will determine if all those things I have said in each of these News Letters is true or not. Those things in News Letter 5843-005 up to 5843-011. IF I am correct in the understanding that I have put forward in each of these News Letters which I have sent, then we will know come the next curse. Because if the next curse comes on time and by the manner as described then we can no longer deny it.

The next curse is to be an attack on our children and families by wild animals. It is to begin in 2009 and runs until 2016 and beyond. It has already begun but is not yet a daily and nightly occurrence on the news.

Then if this pans out the next curse will begin 2016 and we are told by Yahweh that he will sent a sword through our land. War is coming to our land. Not another distant place but to our own shores and our own homes.

But we still will not repent because we are then told that the next curse which should come in 2023 is the one in which we are so hungry that we resort to cannibalism, eating our own children and fighting over their dead bodies to curb our hunger pains We will be starving and our land will then be invaded, and our cities destroyed and we who survive will be sent to other countries to be slaves, where we will be killed and beaten, sexually abused and again die.

In Ezekiel 20:34 I will bring you out from the peoples and gather you out of the countries where you are scattered, with a mighty hand, with an outstretched arm, and with fury poured out. 35 And I will bring you into the wilderness of the peoples, and there I will plead My case with you face to face. 36 Just as I pleaded My case with your fathers in the wilderness of the land of Egypt, so I will plead My case with you,” says the Lord God. 37 “I will make you pass under the rod, and I will bring you into the bond of the covenant; 38 I will purge the rebels from among you, and those who transgress against Me; I will bring them out of the country where they dwell, but they shall not enter the land of Israel. Then you will know that I am the Lord.

When you pass under the rod it is the method in counting out the tithe. Every tenth animal passed under the rod was selected. In this verse of Ezekiel only ten percent of Israel will survive.

Doing some math

England Population 60,000,000

Canada 30,000,000

Australia 21,000,000

USA 300,000,000

Norway 5,000,000

Finland 5,000,000

Sweden 9,000,000

France 63,000,000

South Africa 5,000,000

Denmark 5,000,000

Ireland 4,000,000

Scotland 5,000,000

New Zealand 4,000,000

Total 516,000,000

Ten percent of this is 51,600,000. That is after all these five curses have run their course then there will be only 51.5 Million people left .Can you begin to imagine how many are about to die. You yourself have a one in ten chance of survival. Your children could be eaten by you or others. In other words 464,400,000 people will be killed or starved or die of animal attacks or heat stroke or terrorism.

This is astounding, and yet many that read this won't believe it. Will you? For the sake of your children and grandchildren, will you believe this?

It is for the sake of my children and soon grandchildren that I push on and speak up on this message. It is not a glorious message to be speaking out on. Yet it must be done. Will you heed the warning and will you spread the message, sounding the Shofar. As the article I am speaking on is called times up so it is in reality, brethren. Time is Up! No more excuses as to why we cannot and will not obey our Father.

When you look at you children tonight or talk to your grandchildren and hug them, remember what is going to happen to them and others just like them in a couple of years, and then in nine years, and then again in sixteen years.

Will you now crack open your bible and read what Yahweh has to say? Will you pray to Him and Him alone? Will you repent? That is, change from not keeping all the commandments to a family that keeps the Commandments Of Yahweh with your heart and soul.

Time is Up!

I leave you with Amos 3: 6 If a trumpet is blown in a city, will not the people be afraid? If there is calamity in a city, will not the Lord have done it? 7 Surely the Lord God does nothing, Unless He reveals His secret to His servants the prophets. 8 A lion has roared! Who will not fear? The Lord God has spoken! Who can but prophesy?

Amos 9: 1 I saw the Lord standing by the altar, and He said: "Strike the doorposts, that the thresholds may shake, And break them on the heads of them all. I will slay the last of them with the sword. He who flees from them shall not get away, And he who escapes from them shall not be delivered. 2 "Though they dig into hell, From there my hand shall take them; Though they climb up to heaven, From there I will bring them down; 3 And though they hide themselves on top of Carmel, From there I will search and take them; Though they hide from My sight at the bottom of the sea, From there I will command the serpent, and it shall bite them; 4 Though they go into captivity before their enemies, From there I will command the sword, And it shall slay them. I will set My eyes on them for harm and not for good." 5 The Lord God of hosts, He who touches the earth and it melts, And all who dwell there mourn; All of it shall swell like the River, And subside like the River of Egypt. 6 He who builds His layers in the sky, And has founded His strata in the earth; Who calls for the waters of the sea, And pours them out on the face of the earth— The Lord is His name. 7 "Are you not like the people of Ethiopia to Me, O children of Israel?" says the Lord. "Did I not bring up Israel from the land of Egypt, The Philistines from Caphtor, And the Syrians from Kir? 8 "Behold, the eyes of the Lord God are on the sinful kingdom, And I will destroy it from the face of the earth; Yet I will not utterly destroy the house of Jacob," Says the Lord. 9 "For surely I will command, And will sift the house of Israel among all nations, As grain is sifted in a sieve; Yet not the smallest grain shall fall to the ground. 10 All the sinners of My people shall die by the sword, Who say, 'The calamity shall not overtake nor confront us.'

11 "On that day I will raise up The tabernacle of David, which has fallen down, And repair its damages; I will raise up its ruins, And rebuild it as in the days of old; 12 That they may possess the remnant of Edom, And all the Gentiles who are called by My name," Says the Lord who does this thing. 13 "Behold, the days are coming," says the Lord, "When the plowman shall overtake the reaper, And the treader of grapes him who sows seed; The mountains shall drip with sweet wine, And all the hills shall flow with it. 14 I will bring back the captives of My people Israel; They shall build the waste cities and inhabit them; They shall plant vineyards and drink wine from them; They shall also make gardens and eat fruit from

them. 15 I will plant them in their land, And no longer shall they be pulled up From the land I have given them," Says the Lord your God.

Shalom

Joseph F Dumond
