## News Letter 5848-019

**16th day of the 4th month 5848 years after the creation of Adam**

**The 4th Month in the Third year of the third Sabbatical Cycle**

**The Third Sabbatical Cycle of the 119th Jubilee Cycle**

**The Sabbatical Cycle of Earthquakes Famines, and Pestilences**

**This is also the end of the Fifteenth week of this the Third Tithe Year for the Levite, the alien, the fatherless and the widow Deuteronomy 26:12**

**July 7, 2012**

Shabbat Shalom Brethren,

As many of you are aware Colorado has been struck by devastating wild fires this year. I asked a brother I met in Israel whom I have come to admire to update us on what was happening there with the brethren. And as you all know Yehovah does not hear the prayers of those who do not keep His torah. So a greater responsibility falls upon those of you who do keep the commandments to pray as Yehovah will hear you.

Here is my Friend Beaus report.

Shalom Brother,

Thank you for your concern for the brothers you know and don't know in the area. While the Brothers that you know are on the east side of the highway, and at a minimum 5 miles from the affected area, others within our fellowship and much larger community are not as safe. Praise YHVH for keeping His people safe and out of harm's way, at least those that I know of, as the fires burn.

As of right now, 360+ structures have been damaged or destroyed (primarily destroyed) and more than 30,000 have been displaced by the fire and evacuations required. Ongoing updates can be obtained at the following site: <http://www.inciweb.org/incident/2929/> and a great time-lapse video of the first few days can be seen here that truly shows a good view of the fire: <https://www.youtube.com/watch?v=ZBA7eHY022k>

From those of us on the ground, it is both a blessing to see how a community can come together to help those in need, but there is also a secondary picture that all of these resources were available – but not accessible to those prior to the crisis. This tells me, the general population is still not in touch with what is going on around them completely, but the community is still blessed by those who are willing to share available resources. I currently work for the consulting side of a large Fortune 100 company and we have a number of

consultants in the area that are affected by this fire and several of them have been pulled back from their assigned sites so they could deal with the issues facing them at home – like mandatory/voluntary evacuations and asthmatic family members who are affected by the amount of smoke in the air; so the company has actually taken a revenue loss in pulling its employees off of paying projects, but has shown some care about its people and their families.

As for what I know of the Torah keeping community, a number of them have been burdened by a significant amount of smoke, but, to my knowledge, none have been displaced or directly affected by the fire. For the greater community, I personally know a several families that have lost their homes and everything in them. The greater community is looking for ways to support the affected families and the almost 1,300 personnel fighting the fires. At this point, prayer is the greatest weapon as these fires continue to burn and are only ¼ contained. We have had winds as high as 65 mph pushing these fires in all directions but over the last few days have had a much-needed light rain shower in the afternoon. These rains have allowed for the containment to go from 5% to over 25% all by the hand of the Creator, YHVH.

Please continue to pray for all those affected and that the Creator, YHVH, will be glorified in all things.

Beau Beamesderfer

If some of you are still on the fence about buying The Prophecies of Abraham may I suggest you go to Amazon and read the reviews that are there. Some good and others not so good. Here is the link [http://www.amazon.com/The-Prophecies-Abraham-Declaringbeginning/product-reviews/1449047521/ref=dp\\_top\\_cm\\_cr\\_acr\\_txt?ie=UTF8&showViewpoints=1](http://www.amazon.com/The-Prophecies-Abraham-Declaringbeginning/product-reviews/1449047521/ref=dp_top_cm_cr_acr_txt?ie=UTF8&showViewpoints=1)

I urge you all to buy the book because there are so many things happening in the world right now that I am not able to always keep up with them on this News Letter for you.

India was in floods as well as China last week. India was also in a drought and heat wave.

This week as many of you know the USA was in a severe heat wave. And then just for fun as many as 2 Million people lost their power due to the severe storm that passed through. And a week later many of them still do not have power because of so many trees that are down on the roads and line. This also caused many of them to lose the food in the fridge and freezers and the stores too were closed. So food was being trucked in for these folks.

And as I write thousands of records are being broken this week as temperatures soar.

This is just one of the things we have for so many years now been warning people about. It is not global warming. It is not mother nature having a bad hair day. Not at all. This is Yehovah the Creator of all things in the entire Universe sending you a message to repent and return to His Torah and to do it now and not to postpone it any longer, as the next curses will be even worse.

You can read of these curses in the order He is sending them in Lev 26 for not keeping the Sabbath and Holy Days of Lev 23 and not keeping the Sabbatical years. Read them yourself and know. Stop being ignorant of what is going on around you.

Lev 26:18 'And after all this, if you do not obey Me, then I shall punish you seven times more for your sins. 19 'And I shall break the pride of your power, and shall make your heavens like iron and your earth like bronze. 20 'And your strength shall be spent in vain and your land not yield its crops, nor the trees of the land yield their fruit.

This February we had temperatures in the 80 degrees F. Most of the buds began to grow on the Fruit trees. Then the winter came back for a few weeks and froze them off. Now we have no apples on our trees. Sure does look a lot like Lev 26 is coming true.

Get The Prophecies of Abraham and learn.

We almost finished the next book which will explain in detail all the questions about the Schmettah Year or the Sabbatical year and this will help you to be able to prove it. So stay tuned for the announcement coming soon.

## **Abraham darkest moments**

When Abraham made the covenant with Yehovah we read of a strange incident just before Yehovah made the deal final.

Gen 15:10 And he took all these to Him and cut them in the middle, and placed each half opposite the other, but he did not cut the birds. 11 And the birds of prey came down on the carcasses, and Abram drove them away. 12 And it came to be, when the sun was going down, and a deep sleep fell upon Abram, that see, a frightening great darkness fell upon him. 13 And He said to Abram, "Know for certain that your seed are to be sojourners in a land that is not theirs, and shall serve them, and they shall afflict them four hundred years. 14 "But the nation whom they serve I am going to judge, and afterward let them come out with great possessions.

After this then Yehovah confirmed the deal;

Gen 15:15 "Now as for you, you are to go to your fathers in peace, you are to be buried at a good old age. 16 "Then, in the fourth generation they shall return here, for the crookedness of the Amorites is not yet complete." 17 And it came to be, when the sun went down and it was dark, that see, a smoking oven and a burning torch passing between those pieces. 18 On the same day Yehovah made a covenant with Abram, saying, "I have given this land to your seed, from the river of Mitsrayim to the great river, the River Euphrates, 19 with the Q'ynite, and the Qenizzite, and the Qad'monite, 20 and the Hittite, and the Perizzite, and the Repha'im, 21 and the Amorite, and the Kena'anite, and the Girgashite, and the Yeb'usite."

Let's deal with the second part first.

Yehovah said 16 “Then, in the fourth generation they shall return here, for the crookedness of the Amorites is not yet complete.”

The word Generation here has another meaning.

H1755 ד דֹוֹר, dore

From H1752; properly a revolution of time, that is, an age or generation; also a dwelling: – age, X evermore, generation, [n-]ever, posterity.

A revolution of time then could also be a millennial day instead of a generation.

In The Prophecies of Abraham when you look at the charts at the back of the book you can see one chart with all the Jubilee years on it since Adam up to the end of the 7th Millennium. It is actually the last two pages of the book.

The Covenant was made with Abraham in the year 1809 BC or 2028 After the Creation of Adam. (AC) This is the 3rd millennial day since the creation of Adam.

Looking at the chart titled The 49 Year Millennial Week Gregorian Years You will see that the year 1809 BC is in the very first Jubilee cycle of the third millennial day. (-1828 A.C.)

In the chart titled The 49 Year Millennial Week the 3rd millennial day begins with the year 2009 AC. The Covenant was made in 2028 AC which is in this first Jubilee cycle of this 3rd millennial day.

Now count this third millennial day as day one which is what this prophecy in Gen 15:16 is talking about. Each of the 4 revolutions of time begins with this 3rd Millennium being the first revolution or the first millennial day.

It goes from 2009 AC up to 2940 AC.

The Second Millennial day is then from 2989 AC up to 3920 AC.

The Third Millennial day is then from 3969 AC up to 4900 AC.

The Fourth Millennial day that Yehovah was talking about with Abraham in verse 16 is then from the year 4849 AC up to 5880 AC.

I will now repeat this information using the Gregorian years.

In the chart titled The 49 Year Millennial Week Gregorian Years the 3rd millennial day begins with the year 1828 BC. The Covenant was made in 1809 BC which is in this first Jubilee cycle of this 3rd millennial day.

Now count this third millennial day as day one. It goes from 1828 BC up to 897 BC.

The Second Millennial day is then from 848 BC up to 84 CE. (Common Era)

The Third Millennial day is then from 133 CE up to 1064 CE.

The Fourth Millennial day that Yehovah was talking about with Abraham in verse 16 is then from the year 1113 CE up to 2044 CE.

And you should now realize that we are in the year 2012. This leaves 32 years until this millennial day is over and the 7th millennial day begins. But do not assume that you have 32 years. All of the prophecies must take place over this time that is left and it truly is as those who have read and understood The Prophecies of Abraham can attest to, a very short time.

After this Yehovah says;

17 And it came to be, when the sun went down and it was dark, that see, a smoking oven and a burning torch passing between those pieces. 18 On the same day Yehovah made a covenant with Abram, saying, "I have given this land to your seed, from the river of Mitsrayim to the great river, the River Euphrates,

This covenant was made just as the sun set and the new day began. Symbolic in my opinion of the covenant Yehovah will renew in our hearts just before the 7th Millennium begins.

Let us now jump back to the verse I want to address.

12 And it came to be, when the sun was going down, and a deep sleep fell upon Abram, that see, a frightening great darkness fell upon him. 13 And He said to Abram, "Know for certain that your seed are to be sojourners in a land that is not theirs, and shall serve them, and they shall afflict them four hundred years. 14 "But the nation whom they serve I am going to judge, and afterward let them come out with great possessions.

Again it was just as the sun was setting, signifying the end of this fourth day. In other words this is prophecy that is about to take place at the end of this fourth Millennial day. Four Millennial days after the covenant was made with Abraham.

Abraham's life was a prophetic prophecy to us in these last days of this age.

Let us now look deeper at this verse.

This deep sleep of Abraham is;

H8639

תַּרְדֵּמָה tardêmâh, tar-day-maw';

From H7290; a lethargy or (by implication) trance: – deep sleep.

When we look at the H7290 we get an even deeper meaning.

H7290

רָדַם râdam, raw-dam';

A primitive root; to stun, that is, stupefy (with sleep or death): – (be fast a-, be in a deep, cast into a dead, that) sleep (-er, -eth).

Abraham was going into such a deep sleep it was almost as if he was dead. So deep was this sleep you could not awake him; again as if he was dead.

The next word I would have you look at is the word afflict.

H6031

עָנָה 'ânâh, aw-naw';

A primitive root (possibly rather identical with H6030 through the idea of looking down or browbeating); to depress literally or figuratively, transitively or intransitively (in various applications). (sing is by mistake for H6030.): – abase self, afflict (-ion, self), answer [by mistake for H6030], chasten self, deal hardly with, defile, exercise, force, gentleness, humble (self), hurt, ravish, sing [by mistake for H6030], speak [by mistake for H6030], submit self, weaken, X in any wise.

I want you to focus on these meanings of this word;  
abase self, afflict; chasten self, deal hardly with, defile, exercise, force, gentleness, humble (self), hurt, ravish,.

In Abraham's loins at this time was Isaac and Jacob and the 12 sons and all the nations of Israel that were about to come out during these 4 millennial days, up until this very point in time in 2012 CE.

And yet at the very moment when Abraham was making the deal of a life time with the very Creator of the entire Universe, he falls into this death like sleep and is terrified.

Let us just look at this word before I continue. 'frightening'

H367

אִמָּה 'êymâh, ay-maw'; or (shortened) אִמָּה 'êmâh;

From the same as H366; fright; concretely an idol (as a bugbear): – dread. fear, horror, idol, terrible, terror.

H366

אִיֹּם 'âyôm, aw-yome';

From an unused root (meaning to frighten); frightful: – terrible.

Darkness

H2825

חֹשֶׁךְ chāshêkâh, khash-ay-kaw';

From H2821; darkness; figuratively misery: – darkness.

H2821

חַשַׁק châshak, khaw-shak';

A primitive root; to be dark (as withholding light); transitively to darken: – be black, be (make) dark, darken, cause darkness, be dim, hide.

You are being shown an awesome insight here. Do you see it?

Joh 1:4 In Him was life, and the life was the light of men. 5 And the light shines in the darkness, and the darkness has not overcome it.

Joh 8:12 Therefore Yeshua spoke to them again, saying, "I am the light of the world. He who follows Me shall by no means walk in darkness, but possess the light of life."

Joh 11:9 Yeshua answered, "Are there not twelve hours in the day? If anyone walks in the day, he does not stumble, because he sees the light of this world. 10 "But if anyone walks in the night, he stumbles, because the light is not in him."

Before the end of this current age; before the 7th millennium when the light of the world comes to rule over us, we will and are about to go into a great and terrifying darkness. This darkness is the ruler ship of Satan at the end of his 6th day; 6th millennial day; when his kingdom is about to be removed from him.

Let me now share some astronomy with you.

Each of the constellations represents one of the 12 tribes of Israel.

When you read them and know the names of the Stars in each constellation a story is told. King David wrote of this story in the heavens.

Psa 19:1 The heavens are proclaiming the esteem of El; And the expanse is declaring the work of His hand.

Psa 19:2 Day to day pours forth speech, And night to night reveals knowledge.

Psa 19:3 There is no speech, and there are no words, Their voice is not heard.

Psa 19:4 Their line has gone out through all the earth, And their words to the end of the world. In them He set up a tent for the sun,

Psa 19:5 And it is like a bridegroom coming out of his room, It rejoices like a strong man to run the path.

Psa 19:6 Its rising is from one end of the heavens, And its circuit to the other end; And naught is hidden from its heat.

When you understand that the two fish of Pisces represent Israel to the north and Judah to the south and that they are both caught by the band and attached to the great monster and serpent of the sea, Cetus, which is Satan and his governments, you can also see that the Ram

which is the Passover Lamb is the one to rescue them both as it reaches out to grab hold of the two bands that bind all the tribes of Israel to the beast. In Another constellation nearby is Perseus as a man and not a lamb and He comes to the rescue and cuts off the head of this beast (which is called Medusa) just as it was about to slaughter Israel who in this constellation is represented by Andromeda who sold all she had to give to the beast thinking it was her true love when in truth her love should have been given to Yehovah all the time and not this beast.

The fish to the north is Israel and it too is represented by Andromeda who is about to be killed. Judah the fish to the south may not be in as bad a shape as Israel, as it is not in the constellation of Andromeda.

Judah has had her holocaust but now it is the ten Northern tribes turn to suffer as Judah did in WW II.

There is so much more to explain so that you would understand all of this. But that is it in a nutshell. Sorry I do not have time to explain it all in detail.

We also add to these two understandings, that is the one coming from the Prophecy of Abraham and the other coming from our understanding of the constellations; the following parable.

Mat 22:1 And Yeshua responded and spoke to them again by parables and said, 2 “The reign of the heavens is like a man, a sovereign, who made a wedding feast for his son, 3 and sent out his servants to call those who were invited to the wedding feast. But they would not come. 4 “Again he sent out other servants, saying, ‘Say to those who are invited, “See, I have prepared my dinner. My oxen and fattened cattle are slaughtered, and all is ready. Come to the wedding feast.” ’ 5 “But they disregarded it and went their way – this one to his field, that one to his trade. 6 “And the rest, having seized his servants, insulted and killed them. 7 “But when the sovereign heard, he was wroth, and sent out his soldiers, destroyed those murderers, and set their city on fire.

When we combine all of the above understandings we arrive at the following conclusions.

Yehovah sends out people to invite them to the wedding but those who hear this invitation did not take it up. In fact they beat and killed those who came to invite them.

The children of Israel are so corrupted and so misled that they think the beast system is the one they are to worship and adore. Israel in this case is the USA and the UK countries. They are tied by treaties and laws to the beast and cannot get away from it.

This beast of Europe and the UN hate this woman that is in love with them and have her chained to the rock on the edge of the ocean. They have planned to kill Israel and have beaten and raped her and abused her. She has nothing left and is near the point of death. Abrahams deep sleep.

Just in the nick of time Yeshua will come to the rescue and cut off the head of this beast, Satan and destroy this government from off the earth.

To understand just how badly Israel, the USA and UK countries are to be destroyed all we have to do is examine the teachings of Daniels 70 weeks which most have gotten wrong. We have shown this to you a number of times in these News Letters and in the teachings we have been sharing with you on video.

Dan 9:26 “And after the sixty-two weeks Messiah shall be cut off and have naught

Be Cut off

H3772

  kâra<sup>th</sup>, kaw-rath’;

A primitive root; to cut (off, down or asunder); by implication to destroy or consume; specifically to covenant (that is, make an alliance or bargain, originally by cutting flesh and passing between the pieces): – be chewed, be con- [feder-] ate, covenant, cut (down, off), destroy, fail, feller, be freed, hew (down), make a league ([covenant]), X lose, perish, X utterly, X want.

Israel, all 12 tribes which include the State of Israel and the USA and UK and her commonwealth will be cut off, cut down, destroyed and consumed. And this same phrase refers us right back to the very covenant we made through Abraham when He cut the animal pieces and laid them out. That was when Yehovah went between them and made the covenant with Abraham. A blood covenant.

When you break a blood covenant you pay for breaking it with your very life. What you are in fact saying is this, “May I pay with my life if this covenant is broken,”

Only those who do repent are then covered by the blood of Yehshua. Those who do not repent will have to pay that blood covenant penalty.

Israel, all 12 tribes which include the State of Israel and the USA and UK and her commonwealth will be cut off, cut down, destroyed and consumed. And this same phrase refers us right back to the very covenant we made through Abraham when He cut the animal pieces and laid them out. That was when Yehovah went between them and made the covenant with Abraham. A blood covenant.

We read in Daniel the following prophecy;

Dan 9:26 “And after the sixty-two weeks Messiah shall be cut off and have naught. And the people of a coming prince shall destroy the city and the set-apart place. And the end of it is with a flood. And wastes are decreed, and fighting until the end.

But here is the meaning. Read it and shudder.

H369

  ‘ayin, ah'-yin;

As if from a primitive root meaning to be nothing or not exist; a non-entity; generally used as a negative particle: – else, except, fail [father-] less, be gone, in [-curable], neither, never, no (where), none, nor (any, thing), not, nothing, to nought, past, un [-searchable], well-nigh, without, Compare H370.

Israel (The USA and UK countries) is going to be cut off, cut down, destroyed and consumed and they will be as if they did not exist. They will be no more; they will be gone and not exist.

What you're reading is that the State of Israel, Along with the USA and the UK will be utterly destroyed so they will not exist. They will be gone!!!!

Back in the Parable in Mathew 22 we read Mat 22:7 "But when the sovereign heard, he was wroth, and sent out his soldiers, destroyed those murderers, and set their city on fire.

We are about to enter the 4th Sabbatical cycle of War. It is at this time that Yehovah sends His army; that is the Assyrians, who today are called the German nation and it is by them that he is going to utterly destroy Israel.

Now go back to the Prophecy of Abraham when he made the covenant. It was in the 5th year of the 3rd Sabbatical cycle. We are in the 3rd year of this Sabbatical cycle and that year is 2012. What we are being shown here is that in the 5th year you can expect persecution to begin and to increase until it results in the death of those who are inviting these Israelites to come to the wedding.

That year that this begins is 2014 at Passover. And this year of 2014 also will have the blood moons visible on the High Holy days of 2014 at both Passover and the Feast of Sukkot in both the year of 2014 and the year of 2015.

Having now explained all of this I want you to now look at the two videos that came to me last week.

**<http://www.youtube.com/watch?v=ysBJ5G4m67s>**

In five to seven years from when this video was made in 2008 is 2015; this video warns that in 5-7 years from then Islam will be the dominate religion of the world. The Prophecies of Abraham warn us that in 2014 persecution will be begin. Are you ready?

After I was sent that video I then received the following. **[https://www.youtube.com/watch?feature=player\\_embedded&v=vnJBW49afzq](https://www.youtube.com/watch?feature=player_embedded&v=vnJBW49afzq)**

It is in Dearborn Michigan; After President Obama is elected President, again 2008 or maybe in 2009. Not sure. I do not support the Jesus group going to the Muslim day events and blow horning the crowd. But look at what happens and at what the police do. Listen to the teens that do all the yelling and swearing and throwing of objects while the parents stand nearby.

It is hard to fight against a kid. This same mentality is used in Israel. The youth insight the violence while the parents stand nearby encouraging them.

But this is Detroit Michigan. Just across the border from me. It is not in a far off country. It is right here in our own land in our own back yards.

Having read the things I have presented, the darkness of Abrahams dream and the warning of the invitation to the wedding and of the constellations, and the actual meaning of the words in Daniel 9; now seeing this in Michigan, can it be so hard to imagine the persecution that is going to grip the USA and UK countries. Is it really that far away or is it truly possible that in 2014 we will begin to see the truth of this and then watch it escalate.
