Shabbat Shalom Family,

Do You Ignore Reality? From an article by Brad Macdonald | Columnist of TheTrumpet.com

It is easy today to look back on the 1930s and marvel at Britain's failure to take action to escape the calamity that was brewing in Europe. To think that if you were alive in the 1930s you would have read the signs and responded differently.

If this is the case, then you don't understand human nature.

As each year passed in the 1930s, evidence showing that a massive catastrophe was inevitable became ever more plenteous and irrefutable.

There were Hitler's munitions factories; his steadily growing army; his rejection of Versailles and the invasion of the Rhineland, then Austria, then Czechoslovakia; the regular and public persecution of Jews and, lastly, the führer's own promises.

As each piece of evidence emerged the British would cringe, but inevitably fall back to sleep.

Not until the spring of 1939, years after Hitler had begun churning out weapons and soldiers, breaking treaties, invading neighbors, and killing Jews, did Britain begin to muster a meaningful response to the inevitable disaster brewing in Europe. Even then, it wasn't until

Germany invaded Poland in September 1939 that all of Britain was convinced beyond question that war was upon them!

It wasn't till the calamity became reality that Britain finally woke up!

Years later, we look back on this history and marvel at the stunning failure of Britain and the West to recognize and respond to the menace of Nazi Germany. Looking back, we wonder at the German Jews who endured persecution throughout the 1930s yet chose not to flee Nazi Germany.

We marvel. But are we any different?

Take the economy. America stands on the threshold of the greatest depression in history. The U.S. dollar is plunging in value. America's national debt is almost 100 percent of gross domestic product. S&P, Moody's and Fitch are for the first time in history threatening to downgrade its credit rating. Its biggest creditors are threatening to call in its loans and the Federal Reserve is creating fiat money out of thin air. Russia, China, India, France and Germany all want a new reserve currency not based on the dollar. Meanwhile, unemployment is stuck above 9 percent. Foreclosures are at or near historic highs, and banks are still taking people's homes. On Main Street, one in seven Americans rely on food stamps to keep their children fed! Forty-three percent of American households are so broke they spend more than they earn each year—relying on dwindling savings to make up the difference.

These are signs that America is headed for a financial collapse of historic magnitude!

Yet how many people do you know who are responding in a meaningful way?

It's not just America that is in trouble. Globally, food prices have increased 40 percent over the past year and are expected to rise by as much as 30 percent over the next 10 years. Today more than 1 billion people, one sixth of humanity, are undernourished. Across the planet, weather related disasters are unleashing devastating violence on populated cities and key agricultural regions. And we're not even scratching the surface of our problems. We live in a world filled with political unrest and upheaval, with government corruption and incompetence, with religious tension and wars between nations, and peoples, and races, and cultures.

These are signs that our world is in a desperate state—that a calamity is looming!

Yet how many see these problems and are responding in a meaningful way? Fact is, most individuals today are microcosms of pre-war Britain. They see the evidence indicating inevitable calamity, they cringe and complain—but do very little to escape the catastrophe headed their way!

We here at www.sightedmoon.com have been sharing with you and proving to you the coming disasters. We have done this by sharing with you the Sabbatical years; when they are and when they are to come in the future. We have shown you the curses for breaking these Holy Sabbatical years and then shown you what those curses look like on the nightly news.

You have witnessed the severe and record breaking weather events; tornados and hurricanes, flooding and droughts and record breaking temperatures.

We told you of the coming economic collapse while we were in a boom and no one believed us. We have been telling you of the coming Earthquakes and famines and pestilences years before this current Sabbatical cycle arrived in which they are to occur and now are in the very Sabbatical cycle we said they would.

All of our claims are documented and recorded for your review in the DVD which can be viewed at https://sightedmoon.com/sightedmoon_2015/?page_id=251

We also have claims where we lay out the prophetic curses chronologically in the book: **The Prophecies of Abraham**; where we showed you the crisis in Egypt and Libya and Sudan two years before there was a crisis in Egypt and Libya. We then told you what is coming next after this and is leading up to the invasion of Israel in the next few years.

Each week we have written more to try and convince you that these things are coming. We were vindicated on the radio at www.truth2u.org where Jono asked me point blank what was to happen to Australia next and at this time they were relishing in the best crops they had had in years. To hear this powerful interview go to <http://www.truth2u.org/2010/12/joe-dumondjoe%e2%80%99s-conclusions-from-leviticus-2620-confirmed.html>

With all the world events and the growing food crisis all supporting the very things we have been telling you in regards to the importance of the Sabbatical years, and with the looming war in Jerusalem and the USA coming in just 1-2 years and 5-9 years respectively you would think people would be getting ready or something.

But none are.

With so many Christians and Messianics all predicting the end of this age by 2017 you would think they would be working towards a plan of survival as shown to us in the scriptures. And yet although we have repeatedly shown you why this teaching of 2017 is wrong; we are the only ones who have been making plans for a temporary place to go and eat during the coming years of famine and war. Everyone else talks about the end times and being raptured away and all they have to do is wait and nothing else, but those who do not believe in the rapture do not make plans. Why?

And once again we have so many people going back to sleep and saying by their inaction they will wait and see. By the time they do wake up from the deep sleep they are in, they will then have a worthless US buck that will not get them out of the country or be able to take care of their family during this severe crisis about to break out on us all.

We have been asking you to join us in building a farm in Israel and in Jordan where the brethren would be welcome and able to stay and farm during these coming years of great trouble. Yet unless we keep saying this to you, most of you do not help to make it a reality.

You go back to sleep. It will not happen overnight and it will not happen unless you step up and make it happen.

Just like the 5 virgins who did not have enough oil, they had to go back and find some more and missed the time when the Groom came and were shut out.

Just like the Jews who stayed and suffered in Europe up until 1939 and did not leave before this time when they could, when they could see all the signs in the news every night; just like those who ended up in the concentration camps where 6 million died.

Israel is about to have her Holocaust where millions of the ten northern tribes of Israel are about to be killed off, so that only 10% of them will survive. When I say Israel I mean the USA and UK and Canada and Australia and New Zealand and Holland and Denmark Norway and Sweden and Finland, and South Africa and others.

You now have a choice. You have a choice for both you and your family; but will you take it and survive or will you continue to wait and see. Then when you see what you were waiting for will you then say "Yeah, but let's wait for just one more thing to happen".

Before you can come to this farm we have to buy it. And with the current Israeli laws we will have to have another farm in Jordan. Then we will have to plant the crops and fruit trees which need time to grow. Then we also have to prepare it the farm for people to come and stay there from all around the world. We will have to let the land rest during the Sabbatical year in 2016/2017 and in order to do this we need to have been working the land before this date and we have to plan for this important Sabbatical year before it comes. Before we can do any of this we have to raise the money to buy it. And we need to buy it before the currency you send us is worthless.

We also need to plant teachers in Asia and to plant the seeds in that part of the world at the same time as the world descends into chaos. We have been talking to people to help us in this endeavor or sending out missionaries to the gentile nations just as we are told to do in Mathew 22.

We need all of you to begin to send in your gifts each month regularly if you feel this is something we need to act on.

May you all rent Schindler's List this week and consider the end of the movie when he looks at the gold ring on his hand and the car in the driveway and then asks how many more he could have saved had he sold these things.

Luk 21:20 "And when you see Yerushalayim surrounded by armies, then know that its laying waste is near. 21 "Then let those in Yehudah flee to the mountains, and let those who are in the midst of her go out, and let not those who are in the fields enter her. 22 "Because these are days of vengeance, to fill all that have been written. 23 "And woe to those who are pregnant and to those who are nursing children in those days! For there shall be great distress in the earth and wrath upon this people. 24 "And they shall fall by the edge of the sword, and be led away captive into all nations. And Yerushalayim shall be trampled underfoot by the

gentiles until the times of the gentiles are filled. 25 “And there shall be signs in the sun, and moon, and stars, and on the earth anxiety of nations, in bewilderment at the roaring of the sea, and agitation,26 men fainting from fear and the expectation of what is coming on the earth, for the powers of the heavens shall be shaken.

You cannot flee to the mountains of Samaria when your holdup in the USA.

Passover 2014 which is three and half years before 2017 in the fall is what most faiths believe to be the beginning of the tribulation and it is a false teaching; but it is what Satan will use to deceive if possible the very elect. Once the deception takes place then the sabbatical cycle of war begins and you will not be able to flee then.

1939 is fast approaching once again and you are required to make a decision which will decide if your family will survive or die in the coming 4th and 5th curses of the Sabbatical cycles and the Great Tribulation.

My friend Nehemiah Gordon’s family fled Europe in the 1920’s and we are now blessed with the insightfulness of the teachings Nehemiah now shares with us. The rest of the Gordons who stayed are just a name on a sheet of those who died by various methods at the hands of Germany.

Will you have descendants after the Tribulation or will your family trees descendants stop during the next few years.

In my search for proof of the Sabbatical years I have found two in scriptures that show us when the Jubilee years were.

This week I would like to show you one in Lev 25:2 “Speak to the children of Israel, and say to them, ‘When you come into the land which I give you, then the land shall observe a Sabbath to YHVH (Yehovah).

When we do our biblical chronology, all the years from Adam until the year that Israel enters the Promised Land should work out to be a Jubilee year.

Most people miss a few verses as they do this and end up with the wrong years or having it not work.

You should by now know from our previous studies that the Jubilee year comes in the first year of the next count to the seventh year of rest. Just like Pentecost or Shavuot the 50th day is also the first day of the week.

This means you must count by 49’s and not by 50’s when you count out the 120 Jubilee cycles.

$120 \times 49 = 5880$ which is when the Next Jubilee begins which is also the beginning of the 7th Millennium.

If you count by 50 then you have $50 \times 120 = 6000$ and some are already saying we are in the year 6011 so we have already started the 7th Millennium. All of us with common sense know the 7th Millennium when Yehshua is to reign has not yet begun so this cannot be right.

Now let us begin to learn how to chronologically add up all the years from Adam to the Entrance into the Promised Land. You can do this by going to:

https://sightedmoon.com/sightedmoon_2015/?page_id=729

Chronological Proof of the year of Abraham's covenant and the Entrance into the Promised Land

Again Brethren why do I keep harping on this over and over? Why do I keep telling you about the Sabbatical years and when they were and the Jubilee years and when they were and how to prove them?

It is all because there are some messianic teachers who have been misled and are continuing to teach you a lie, and they do not know it.

They are looking at current events in Israel and seeing the end of this age and the beginning of the Great tribulation and have no clue why they are in error. I have once again this week received a newsletter from these other groups telling you that the $3 \frac{1}{2}$ years of the tribulation is about to begin. Both Messianic and Christian groups are teaching this.

They are both zeroing in on the same time period. They are all deceived by Satan.

We have been warned that Satan if possible would deceive the very elect.

Mat 24:24 "For false messiahs and false prophets shall arise, and they shall show great signs and wonders, so as to lead astray, if possible, even the chosen ones.

Mat 24:25 "See, I have forewarned you.

Many believe and teach that 2017 is the end of this age, the end of the Sabbatical cycle. They have based it on the false teaching of what is known as the Daniel Timeline which is based on counting of 50 years from the Balfour Declaration of 1917 which takes you to the 1967 war in Israel. You add on to this 50 and you arrive at 2017 so now you take $3 \frac{1}{2}$ years from this and you get the spring of 2014.

These same groups use a twisted teaching of Daniel's 70 weeks and count from 1948 when Israel became a state again. They discard the word weeks and change it to years, when we have no biblical precedent for doing this and they arrive at 2017 again and voila we now have two witnesses. Two ill-informed witnesses.

And now that many of these groups teach this, and believe it, what are they doing to prepare? Nothing; just keep coming to our church, because only those people in our church will be saved.

The events in Jerusalem are coming together to look like the end of this age but it is not the end. President Obama has called for Israel to return to the 1967 border line, a totally indefensible position. The Palestinians will soon submit an application for statehood to the United Nations Security Council.

In July the UN will debate this issue. Nine of the fifteen members of the Security Council must approve the application with none of the five permanent council members vetoing it By August 9, 2011.

What happens next? The USA can veto it or they can let it continue by doing nothing which they may do if we look at previous actions of President Obama.

The USA should take a note from history and learn what happened to Britain.

The British Empire had opportunity to bless Israel but they missed it. In 1917, Britain declared a homeland in Palestine for the Jewish people, The Balfour Declaration. They subsequently, however, went back on their word, giving 76% of the territory to the Jordanians, and further dividing up what was left. In the British White Paper, only 75,000 Jews per year were allowed to immigrate to Palestine and after 1944, only those whom the Arabs would allow. Many, many Jewish people who could have been saved by finding refuge in Palestine instead they perished in Hitler's ovens due to Britain's restrictive policies.

This same Britain, of which was said, "The sun never sets on the British Empire", was reduced after World War II, to a mere shadow of its former glory. They had missed their greatest opportunity to bless Israel and had placed themselves under Yehovah's curse instead, by breaking their word to Israel and turning their back on her in her time of need.

While all of this is taking place in the Security Council, the General Assembly of 192 nations of the UN will take up the discussion of whether or not the Palestinians should have statehood or not. They only need two thirds of the Assembly to approve them for statehood.

The United Nations is predominantly Muslim and anti-Israel. The United Nations includes the Arab League of Nations comprised of 50 Arab nations and 70-80 other nations which are partially or wholly Muslim, therefore the U.N. is overwhelmingly dominated by Islam. Whichever direction these oil-rich countries determine, most of the other nations will just follow along.

With this information now in front of us, some messianic groups take some huge leaps and begin to force all the end time scriptures into the next 7 or three and a half years. They will throw at you Daniel 9:27 so let's read this and understand what it actually says and what it really means.

Dan 9:27 "And he shall confirm a covenant with many for one week. And in the middle of the week he shall put an end to slaughtering and meal offering. And on the wing of abominations he shall lay waste, even until the complete end and that which is decreed is poured out on the one who lays waste¹.

This must be read in context. Context, Context, context, always study scriptures in the proper context.

Dan 9:23 “At the beginning of your supplications a word went out, and I have come to make it known, for you are greatly appreciated. So consider the word and understand the vision: 24 “Seventy weeks are decreed for your people and for your set-apart city, to put an end to the transgression, and to seal up sins, and to cover crookedness, and to bring in everlasting righteousness, and to seal up vision and prophet, and to anoint the Most Set-apart. 25 “Know, then, and understand: from the going forth of the command to restore and build Yerushalayim until Messiah the Prince is seven weeks and sixty-two weeks. It shall be built again, with streets and a trench, but in times of affliction. 26 “And after the sixty-two weeks Messiah shall be cut off and have naught. And the people of a coming prince shall destroy the city and the set-apart place. And the end of it is with a flood. And wastes are decreed, and fighting until the end. 27 “And he shall confirm a covenant with many for one week. And in the middle of the week he shall put an end to slaughtering and meal offering. And on the wing of abominations he shall lay waste, even until the complete end and that which is decreed is poured out on the one who lays waste¹.” Footnote: 1Mt. 24:15.

“Seventy weeks are decreed for your people

Do you understand what this is telling you?

The word for weeks is H7620 ????? ?????? sha'bu'a sha'bu'a shebu'a'h shaw-boo'-ah, shaw-boo'-ah, sheb-oo-aw'

Properly passive participle of H7650 as a denominative of H7651; literally sevened, that is, a week (specifically of years): – seven, week.

H7650 ????? sha'ba shaw-bah'

A primitive root; properly to be complete, but used only as a denominative from H7651; to seven oneself, that is, swear (as if by repeating a declaration seven times): – adjure, charge (by an oath, with an oath), feed to the full [by mistake for H7646], take an oath, X straitly, (cause to, make to) swear.

H7651 ????? ????? sheba' shib'a'h sheh'-bah, shib-aw'

From H7650; a primitive cardinal number; seven (as the sacred full one); also (adverbially) seven times; by implication a week; by extension an indefinite number: – (+ by) seven ([fold], s, [-teen, -teenth], -th, times). Compare H7658.

We see that this word weeks used here in Daniel is not just any week but it is in fact referring to the Festival of Weeks. How do we know? Look at Exodus.

Exo 34:22 “And perform the Festival of Weeks for yourself, of the first-fruits of wheat harvest, and the Festival of Ingathering at the turn of the year.

The word for weeks is once again H7620 ????? ?????? sha'bu'a' sha'bu'a'
Shebu'ah
shaw-boo'-ah, shaw-boo'-ah, sheb-oo-aw'

It is the same word used in Number 28:26 for the Feast of Weeks. And in Deuteronomy 16:10, 16 and 2 Chronicle 8:13 Shawbooh, the Feast of 49's.

By keeping this Feast we are in fact making an oath to Yehovah.

So now you are being told that Seventy weeks are decreed for your people; that is 70×49 Shabuwa are determined for the Israelite people. This means the counting begins from the Jubilee cycle when they were to come out of Egypt because this is when Israel became a people, a nation. That Jubilee cycle began in the year 2451 after the creation of Adam. $70 \times 49 = 3430$ years. When you add this to the 2451 you get 5881. This 5881 is the 120th Jubilee year which is the year 2045 in our Gregorian calendar. Those of you who have the Jubilee charts can look this up in those pages.

It is during this 3430 years that Yehovah is going to accomplish all that He says in Daniel; to put an end to the transgression, and to seal up sins, and to cover crookedness, and to bring in everlasting righteousness, and to seal up vision and prophet, and to anoint the Most Set-apart.

None of these things took place at the crucifixion of Yehshua. Sin did not stop, we still have it today. Righteousness does not prevail throughout the earth, it is still an unrighteous world. So this prophecy is yet to come and it comes at the end of this 3430 years when the 7th Millennium begins in 2045 or time.

We next read **“Know, then, and understand: from the going forth of the command to restore and build Yerushalayim until Messiah the Prince is seven weeks’**

From the year 2451 we count 7×49 which is 343 years. When we add this to 2451 we come to the Jubilee cycle of 2794 after the Creation of Adam which just so happens to be the Jubilee cycle when King David the Anointed one became King of Judah and Israel.

David was 30 years old when he began to reign over Judah in 2827 After the Creation of Adam and when he took over all of Israel $7 \frac{1}{2}$ years later this matches when the Messiah will have His Wedding with Israel in our day.

It is King David who captured Jerusalem in 2 Samuel 5 and he built the walls and the restored the city.

2Sa 5:7 But Dawid? captured the stronghold of Tsiyon, the City of Dawid. 8 And Dawid said on that day, “Anyone who smites the Yeb’usites, let him go by the water-shaft and take the lame and the blind, who are hated by Dawid’s being.” That is why they say, “The blind and the lame do not come into the house.” 9 And Dawid dwelt in the stronghold, and called it the City of Dawid?. And Dawid built all around from the Millo and inward. 10 And Dawid? went on and became great, and Yehovah Elohim of hosts was with him.

We then read back in Daniel “And after the sixty-two weeks Messiah shall be cut off and have naught. And the people of a coming prince shall destroy the city and the set-apart place. And the end of it is with a flood. And wastes are decreed, and fighting until the end

So once again 62 X 49 is 3038. We add this to the time which brought us up to David in 2794. This totals to 5832 which corresponds to our Gregorian year of 1996. This is the Shebuah that Daniel is being told about. From 1996 until 2044 is the 49 year period he is being told about.

The word Messiah here is H4899 ????? ma'sh'yach maw-shee'-akh
From H4886; anointed; usually a consecrated person (as a king, priest, or saint); specifically the Messiah: – anointed, Messiah.

This is the same word to describe when David was Anointed King. It is also speaking of Israel the anointed of Yehovah. Just the priests are anointed.

H4886 ????? ma'shach maw-shakh'
A primitive root; to rub with oil, that is, to anoint; by implication to consecrate; also to paint: – anoint, paint.
The word anointed is applicable to Israel the anointed of Yehovah.

Now that we know who we are speaking about, that it is Israel, and we now know that verse 27 is about this last Jubilee cycle or Shabuwah, then when we read verse 27 it tells us something entirely different than what the end time teachers are showing you.

And he shall confirm a covenant with many for one week. And in the middle of the week he shall put an end to slaughtering and meal offering.

Again the word week is Shabuwah. He shall confirm a covenant for one 49 year period. In the middle of this 49 year period he shall put an end to

And as we read each meaning for each word we will learn many things. So let us look at this in detail now.

Dan 9:27 And he shall confirm H1396
H1396 ????? ga'bar gaw-bar'
A primitive root; to be strong; by implication to prevail, act insolently: – exceed, confirm, be great, be mighty, prevail, put to more [strength], strengthen, be stronger, be valiant.

the covenant H1285
H1285 ?????? ber'yth ber-eeth'
From H1262 (in the sense of cutting (like H1254)); a compact (because made by passing between pieces of flesh): – confederacy, [con-]feder[-ate], covenant, league.

I see here in this first section the description of Psalms 83:1 O Elohim, do not remain silent! Do not be speechless, And do not be still, O El! 2 For look, Your enemies make an uproar, And those hating You have lifted up their head. 3 They craftily plot against Your people, And conspire against Your treasured ones. 4 They have said, "Come, And let us wipe them out as a nation, And let the name of Yisra'el be remembered no more." 5 For they have conspired together with one heart; They have made a covenant against You – 6 The tents of Edom and the Yishma'lites, Mo'ab and the Hag'arites, 7 Geb'al, and Ammon, and Amal'q, Philistia with

the inhabitants of Tsor,8 Ashshur also has joined with them, They have helped the children of Lot. Selah.

As I have shown you in great detail in The Prophecies of Abraham this event takes place in 2019 and matches the consummation of Ishmael by Abraham and Hagar in the 4th Sabbatical cycle.

with manyH7227 for oneH259 week:H7620

Again week is Shabuwah or a 49. Notice this word for many- H7227 rab

By contraction from H7231; abundant (in quantity, size, age, number, rank, quality)

I see a connection to the word Arab which means mixture and again it ites into the Psalm 83 teaching above we have looked at.

H7231 ??? ra'bab raw-bab'

A primitive root; properly to cast together (compare H7241), that is, increase, especially in number; also (as denominative from H7233) to multiply by the myriad: – increase, be many (ifold), be more, multiply, ten thousands.

and in the midstH2677 of the weekH7620

H2677 ??? che'ts'y khay-tsee'

From H2673; the half or middle: – half, middle, mid [-night], midst, part, two parts.

In the middle of this last Shabuwah, is the year 2020.

he shall cause the sacrificeH2077 and the oblationH4503 to cease,H7673

H2077 ??? Zebach zeh'-bakh

From H2076; properly a slaughter, that is, the flesh of an animal; by implication a sacrifice (the victim or the act): – offer (-ing), sacrifice.

H4503 ????? minchah min-khaw'

From an unused root meaning to apportion, that is, bestow; a donation; euphemistically tribute; specifically a sacrificial offering (usually bloodless and voluntary): – gift, oblation, (meat) offering, present, sacrifice.

and forH5921 the overspreadingH3671 of abominationsH8251

H3671 ????? ka'na'ph kaw-nawf'

From H3670; an edge or extremity; specifically (of a bird or army) a wing, (of a garment or bed clothing) a flap, (of the earth) a quarter, (of a building) a pinnacle: – + bird, border, corner, end, feather [-ed], X flying, + (one an-) other, overspreading, X quarters, skirt, X sort, uttermost part, wing ([-ed]).

See our article on the Tallit at https://sightedmoon.com/sightedmoon-2015/?page_id=129

H8251 ?????? ?????? shiqquts shiqu'its shik-koots', shik-koots'

From H8262; disgusting, that is, filthy; especially idolatrous or (concretely) an idol: – abominable filth (idol, -ation), detestable (thing).

In the year 2020 he shall end the sacrifices and set up the idol in the Temple area which is detestable. Do not neglect the fact that the Red Heifer site on the Mount of Olives is also part of the Temple complex. And this idol could easily be set there right now in the Catholic compound already there.

he shall make it desolate,H8074

H8074 ????? sha'me'm shaw-mame'

A primitive root; to stun (or intransitively grow numb), that is, devastate or (figuratively) stupefy (both usually in a passive sense): – make amazed, be astonished, (be an) astonish (-ment), (be, bring into, unto, lay, lie, make) desolate (-ion, places), be destitute, destroy (self), (lay, lie, make) waste, wonder.

When this statute is set up in 2020 it will stun, and stupefy and amaze those who see it and they will be astonished. Why?

Rev 13:15 And there was given to him to give spirit to the image of the beast, that the image of the beast should both speak and cause to be killed as many as would not worship the image of the beast.

This statue is going to speak. It will have the breath in it.
