Shabbat Shalom to Royal House of Israel,

We once again remind of the opportunity to join us for Sukkot at Falls Creek Tennessee. Here is the web site if this is of interest to you. Things are filling up though.

<http://poasukkot2013.weebly.com>

Last week we posted our long News Letter. AS many of you know we work a full-time job and work on our next book and the teachings we are preparing for the TV series. We do not always have a lot of time to do extensive editing. I also have one lady who has been helping me for almost two years now. And she is so much help.

Last week in our 3 ½ year Torah Portion, the comments we used included a section on the Trinity. It got past us as we prepared last week's edition. Here at Sightedmoon.com we do not adhere to the trinity nor teach it or have anything to do with it.

Yehovah is one and that is all that needs to be said. No ya-buts.

So we want to apologize for our over site. We know in the future there will be other things we miss or misstate, and we pray that you will have the understanding to know we are doing the best we can with the little we have. Mistakes will happen. We also continue to encourage you to be Berean and study each of the things we share with you to see if they are true or not. And do bring to our attention things we need to correct as well. We are not above correction.

We also received the following comment about last week's article.

Dear Bro Joseph; Time permitted to read only part of your letter, but it really caught my attention.

I came to a similar conclusion last Sabbath, that Judgment must begin with the house of Elohim; there is still too much tolerance for and infatuation with sex sins. Thank you for warning others away from the sins that we have ourselves not adequately resisted in time past.

Brethren two weeks ago we showed you how the curse of Balaam was being implemented today through the UN and Agenda 21 as they get you to worship nature and not Yehovah. We showed you how they have designed Human rights in order to bring in Lesbian Gay, Transgendered and bi sexual legitimacy into society; At least in western society.

We then last week took this a step further showing you how this curse of Balaam was like the Moab women infiltrating with Israel to cause them to sin and how today 1 in 3 Evangelicals is now hooked on porn. And we looked at that subject and even addressed the subject of disrespecting the husband. I have had some mixed reviews.

This week I want to show you how Daniel 11 is coming alive right in front of your eyes.

Dan 11:36 And the king shall do according to his will. And he shall exalt and magnify himself above every god, and shall speak marvelous things against the God of gods, and shall prosper until the fury is fulfilled. For that which is decreed shall be done. 37 He will not regard the God of his fathers, nor the desire of women, nor regard any god. For he shall magnify himself above all. 38 But in his place he shall honor the god of forces; and a god whom his fathers did not know, he shall honor with gold and silver, and with precious stones and desirable things. 39 So he shall act in the fortresses of the strongholds with a strange god, whom he shall acknowledge. He shall multiply in glory, and he shall cause them to rule over many, and shall divide the land for a price.

Right now the god the beast worships and is using to gain its support from the people is the god of forces. When you look up this god of forces she has a name and it is Cybel. Cyble over time has come to be known as the Virgin Mary, and is today Mary Worship, which the Catholic faith practices. This is what the German and United Nations political leadership are using to gain control over Europe and the world by going through various channels of the Papacy.

The god his fathers never knew is the newest religion on the world scene. Islam. Mohamed only came on the world scene in the 700 CE. A relative new comer.

And it is this religion that is going out to conquer the world right now. This Islamic religion along with the catholic religion are the white horse of Revelation. They conquer with the bow and not with the word or the sword of the mouth as Yehshua does.

We have heard how some are trying to adopt this Islamic faith and bring it into the Christian faith. They call it chislam. This is the most revolting thing I have come to see. Yet people think they can sway the Islamic people once they come to see the chirstian way of life. They are in for a rude awakening.

It is bad enough to see Christianity full of the polluted doctrines it now has and so far from the original Truths of the Torah that it now does. But then to mix in the Islamic faith as if to say they are all the same and we welcome you, is enough to make you puke.

Those in the west are fast asleep and are living in a dream world detached from all reality. Christians in the Muslim world are hunted and killed at the drop of a hat.

I wrote an article a while back about the Way. Those who followed Yehshua were known as “The Way”. They were never called Christians. Those called Christians were full of pagan practices and kept adding more to include all known religions. It was over time that the true followers were just lumped in with the pagan Christians who were being persecuted.

I am going to ask you to watch the following YouTube from someone who was Islamic and German. Pay close attention to what he says. Stop it and replay it if you have to. Time to wake up now!!!

Ex-Muslim apostates in Germany, Nassim Ben Iman who apostatized from Islam and is a German of Arab background. He says that Islam is one of the biggest threats to secular and liberal progressive Europe; Canada, UK, Sweden, Nederland’s, the Netherlands, Belgium, Australia, USA, America, United Kingdom, Ireland, Norway, Finland, Swedes, Russia, United States, Wales, Germany, Spain, Switzerland, Dutch, France, South Africa, Brazil, and all other European nations and the western world. ??This kind of explains what is going on in the Islam world as atheists, Jews, Christians, Buddhists, Hindus, and humanists are struggling to understand why Islam is so violent. There really is no such thing as Islamophobia. I believe it is only a smokescreen. ??Here is more text from the mirrored video, not mine;??Nassim Ben Iman is one of the best-known apostates of Islam in Germany.??He has written a book of his own experiences entitled: “Der wahre Feind...warum ich kein Terrorist geworden bin” / “The true enemy...why I did not become a terrorist”. In view of the present Islamic terror threat in Germany, his statements about the danger of Islam are more topical than ever.??This exMuslim of Arab origin has a lot to tell, and offers us a deep insight into the most peaceful of all religions.??As one of only a very small number, he managed to extract himself from the strict Islamic indoctrination. He tells brutal truths such as “Every Muslim is a potential terrorist”. We have distilled the most important points of an extensive interview with this courageous man which we conducted in May of this year into a ten-minute video, because of the acute terrorism danger.??Warning: this video is not recommended for liberal progressives, Democrats and Maxists Communist whose carefully constructed worldview could, when they watch this film, disintegrate.

The next three videos are to show you what is going on in Europe and in those places where Islam has already taken root.

<http://www.youtube.com/watch?v=ixdoztoBEuc> THIS IS ISLAM!

In the News this week was the bankruptcy of the City of Detroit Michigan. Detroit’s problems, including US \$14-billion in long-term liabilities, cry out for a radical fix. But few expect the federal government to come to the city’s aid.

Its population has plummeted to 700,000 from 1.8 million and the departing residents took with them the city's tax base. They left behind a glut of foreclosed homes, high crime and a city struggling to provide basic services and meet pension obligations.

The city in the USA with the highest Muslim concentrations is Dearborn Michigan. I am not able to find a connection and there may not be one, but I find it interesting that Dearborn is a suburb of Detroit.

Islam will not compromise with Christianity. It will use it for a while and then it will attack it and kill those who belong to it. This is what the next video shows you. After the removal of Morsi from Office the Christians were blamed and then attacked and killed.

And in typical pagan tradition the Pope has allowed one of his ambassadors to state that Allah is God. Once again trying to mix the two faiths together and to have a common position. But as we have just seen from Egypt, the Muslims will not mix, and they will kill the Christians and any other groups that are not Islamic.

Vatican's first resident envoy to Malaysia on use of the word, Allah, the beauty of Islam, and on a lighter note, durians...

IN Daniel 9:24-27 and in Daniel 8 about the 2300 days, both revelations to Daniel tell us of the time that is right in front of us when the Islamic religions will attack and kill and plunder those who are known as Christians for 6 ¼ years. For Six and one quarter years, they will rape and kill and take as slaves all of those who are what are today known as Christians. It is during this time that 90% of the USA, 90% of Canada, 90% of the UK, and 90% of Australia and other countries will be destroyed.

This Christian Catholic European Beast power will convert to the Islamic religion in order to take control of the world at which time it will divide the world into ten regions, which Agenda 21 already has in the planning books.

This is why we all need to be telling our brethren and our loved ones to begin to keep the Sabbath and Holy Days and Sabbatical years if we want to have any hope of surviving this until the Messiah comes. If you are not obedient then you can count on being slaughtered.

You can see the growing threat all around us and yet most of you are willingly asleep at the wheel and will not speak out to save your own life let alone those of your family. It is now time to speak out. We are going to be doing this on the TV program and need your help. If you will not do it yourselves, then help me to do it for you.
