Shabbat Shalom Brethren,

Last Saturday evening, at the end of the 29th day, the moon was not sighted by the naked eye by those in Jerusalem. That made Sunday, December 13th the 30th day of the 9th month. Sunday night and Monday then were the 1st day of the 10th month. This means Sabbath from sunset Friday to Sunset Saturday is the 6th day of the 10th month.

Roy Hoffman of the New Moon Society, which is a group working to sight the moon for the Temple Mount and the Sanhedrin once they begin to rule in Israel, wrote the following;

I did not see the Moon today (Shabbat 12th December 2015) with the naked eye from Mitspe Nevo, Ma'ale Adummim, Israel. I saw the Moon with binoculars (25 x 100) only from 16:17 (UTC+02) till it went behind clouds at 16:20. With me were Patricia and Akiva Hoffman but they could not see the Moon through the binoculars. The Moon would have been visible later to the naked eye had the sky been clear.

Nehemiah Gordon who goes by the sighted moon to begin the month as we do also, said the following;

On Saturday December 12, 2015, observers from Israel attempted to sight the new moon, but it was not visible due to heavy cloud coverage. The new moon should have been visible had the skies been clear. We are still awaiting reports from other areas of Israel where there may have been clear skies.

The photo at the top of this message is of the clouds over Jerusalem on Dec 12, 2015.

Those of you who follow the Hebrew Calendar have no idea what is going on.

You also do not know why you follow the Hebrew Calendar.

We go through the history of the Hebrew Calendar in great detail in our e-book *The Blood Moons, The Elephant in the Room*, as we explain to you why we are the only ones able to track the blood and dark moons all the way back to the death of Adam.

You can purchase an e-book or the DVD [at our store](#) after the Sabbath.

Roy Hoffman is an orthodox Jew and follows the Hebrew calendar. But he, like many Jews, know the Hebrew calendar is not the original one nor is it the one to be used in the future.

They also know it is currently in error.

You can read as much on his web site.

He says the following;

The commandment (*mitzvah*) of sanctifying the month is the first one, which the Children of Israel were commanded on leaving Egypt. This commandment is of great importance because the dates of the festivals, including over 60 commandments, depend on it. In addition to sanctifying months according to the appearance of the New Moon, the Hebrew calendar depends on leap years (extended by an extra month) that depend on the position of the Sun, ripeness of grains, *etc.*

For over a thousand years, the Hebrew calendar has been fixed by calculation. Today, the Hebrew calendar does not match that fixed by observing the Moon. Even though the gap between the two calendars continues to increase, we do not have the authority to alter the calendar until a new Sanhedrin (religious high court) is re-established and is widely recognized. While sanctification of the month according to observation is not practiced today it is important to carry out calculations and practice observing the New Moon in order to be ready for when the Sanhedrin is re-established. Likewise, there is increasing involvement in the Temple, red heifer, *etc.* Of course, we are not intending to change the current calendar (this is a task for an authorized Sanhedrin) but just to increase involvement in and embellish the Torah.

Rabbi Richman also made a video of Rabbi Hoffman sighting the moon and telling those watching how this once again will be the method we all will use to begin the months so we all can keep the Feasts at the proper time. This is the way it was done up until the Jews were kicked out of the land by the Romans in the first three centuries of the common era.

So I ask you, what are you waiting for? How long will you continue to keep the Holy Days on the wrong days by using the Hebrew Calendar? The evidence is overwhelmingly in support of the crescent moon to begin the month. Those on the wrong calendar will not be in the Kingdom with those who use the calendar of the Kingdom of Yehovah. It is time to learn the truth and repent and obey. It is time now.

The Frog in the Pot that Will Not Repent

When the Seven Angels pour out the vials on mankind, what is the result? Mankind curses God and does not repent. Because these curses are supposed to cause men to turn back to God then the modern wisdom would be that they fail to do the job and should not be used. But I am telling you that mankind does not recognize the curses of Yehovah, nor that they are sinning and because of that they do not repent. And many of you have written and were angry at me because I have told you your sins. And you, just like the rest of mankind who would not repent, you also have cursed me. Yes, I am speaking to those that call themselves Christian or Messianic. Many of you will not repent.

We read in Jonah of the Ninevites who were very evil and yet they did repent when they heard the word of Jonah.

Jon 3:1 And the Word of Jehovah came to Jonah the second time, saying, (2) Arise, go to Nineveh, that great city, and cry out to it the proclamation that I am declaring to you. (3) And Jonah arose and went to Nineveh, according to the Word of Jehovah. And Nineveh was a very great city of three days' journey. (4) And Jonah began to enter into the city a day's journey, and he cried and said, Yet forty days and Nineveh shall be overthrown! (5) And the people of Nineveh believed God. And they called a fast, and put on sackcloth, from the greatest of them even to the least of them. (6) For word came to the king of Nineveh, and he arose from his throne. And he laid his robe from him, and covered himself *with* sackcloth, and sat in ashes. (7) And he cried out and said in Nineveh by the decree of the king and his great ones, saying, Do not let man or beast, herd or flock taste anything; do not let them feed, nor drink water. (8) But let man and animal be covered *with* sackcloth, and cry mightily to God. And let them each one turn from his evil way, and from the violence that *is* in their hands. (9) Who knows? He may repent, and God may have pity and turn away from the glow of His anger, so that we do not perish. (10) And God saw their works, that they turned from their evil way. And God was compassionate over the evil that He had said to do to them, and He did not do *it*.

I am not a modern day Jonah. But we have been telling you since 2005 to repent and return to Yehovah by keeping the Sabbath from sunset Friday to sunset Saturday. We have also been telling you to keep the Holy Days of Lev 23 and not to add any others to that list. But many of you insist on keeping Christmas and Chanukah, Purim and Easter. You add to the list of Lev 23 and think nothing of it. In fact, you justify it. Many of you also will not keep these Holy Days or you use the wrong calendar and keep the appointed times at the wrong time. We have also alerted you to when the Sabbatical Years are to be kept. Again, you do not do your own research to prove what we say true or false. Instead you rely on what others teach and say and you then say it is only for in the land of Israel or it was from Atonement 2014 to Atonement 2015 and only for the Jews. You fail to see your sins and refuse to repent for not keeping the 4th commandment in whole. Even though you keep part of it, if you do not keep the Sabbath, the Holy Days at the proper time and the Sabbatical year then you are sinning by not doing so. I do not care how good a person you claim to be, you are sinning by not obeying Yehovah and keeping His set apart times.

We are not here to be popular. We are here to tell you to return to Yehovah before you are destroyed by the curses He is sending our way. We do not claim to be Elijah or any other prophet, but read what it says in Malachi. This is what we all should be doing.

Mal 4:5 Behold, I *am* sending you Elijah the prophet before the coming of the great and dreadful day of Jehovah. 6 And he shall turn the heart of the fathers to the sons, and the heart of the sons to their fathers, that I not come and strike the earth *with* utter destruction.

It is Yehovah who is going to destroy the earth with utter destruction. Yes, the one that Christians say is the God of love. Because they do not understand that Yehovah is also a Jealous God and He is Jealous because we worship other false gods of wood and stone, such as Christmas and Chanukah. Because we do this we invite demonic spirits into our lives and reject Yehovah. This angers Yehovah, the God who wants to give us all the good things He has in store for us if we would just obey. But because we will not, we are reaping the curses.

When you read Lev 26, Yehovah tells us the blessings we would receive if we would obey Him. These are the same blessings He gave to Adam and Eve in the Garden of Eden showing us that the rest of Lev 26 was also in effect in the Garden about keeping the Sabbatical years, as we showed you in our articles last year and again this year.

Lev 26:1 You shall make no idols to yourselves; and you shall not set up for yourselves graven images, or a memorial pillar. And you shall not set up any image of stone in your land in order to bow down to it. For I *am* Jehovah your God. 2 You shall keep My Sabbaths and revere My sanctuary. I *am* Jehovah. 3 If you walk in My statutes and keep My commandments and do them, 4 then I will give you rain in due season, and the land shall yield her increase, and the trees of the field shall yield their fruit. 5 And your threshing shall reach to the vintage, and the vintage shall reach to the sowing time. And you shall eat your bread to the full, and dwell in your land safely. 6 And I will give peace in the land, and you shall lie down and none shall make *you* afraid. And I will cause evil beasts to cease out of the land, neither shall the sword go through your land. 7 And you shall chase your enemies, and they shall fall before you by the sword. 8 And five of you shall chase a hundred, and a hundred of you shall put ten thousand to flight. And your enemies shall fall by the sword in front of you. 9 For I will have respect to you, and make you fruitful, and multiply you, and establish My covenant with you. 10 And you shall eat of the old provision, and clear away the old because of the new. 11 And I will set My tabernacle among you. And My soul shall not abhor you. 12 And I will walk among you and will be your God, and you shall be My people. 13 I *am* Jehovah your God, who brought you forth out of the land of Egypt, from being their bondmen. And I have broken the bonds of your yoke, and made you go upright.

Today people around the world will not obey Yehovah. They will not keep the Sabbath Holy. They will not keep the Holy Days nor will they keep them at the right time according to the Crescent moon being sighted and the barley begin aviv. Nor will they keep the Sabbatical year, which begins at Aviv 2016 in just two months' time. Yehovah, true to His word then sends the curses one at a time and according to each Sabbatical cycle during the Jubilee cycle.

In the following chart we are looking at the last Jubilee cycle for this age. 1996 was the 119th Jubilee year since the creation of Adam and 2045 is the next and final Jubilee year of this 6th millennial age. The first curse begins with the first Sabbatical cycle of 1996 to 2002. But will continue into each of the following Sabbatical cycles until we are destroyed or repent.

Sabbath	6th Cycle	5th Cycle	4th Cycle	3rd Cycle	2nd Cycle	1st Cycle
2044	2037	2030	2023	2016	2009	2002
2043	2036	2029	2022	2015	2008	2001
2042	2035	2028	2021	2014	2007	2000
2041	2034	2027	2020	2013	2006	1999
2040	2033	2026	2019	2012	2005	1998
2039	2032	2025	2018	2011	2004	1997
2038	2031	2024	2017	2010	2003	1996

The first curse is found also in Lev 26. After Yehovah gives us the blessings in verse 1-13 He now gives us the curses if we will not obey Him.

Lev 26:14 But if you will not listen to Me, and will not do all these commandments, 15 and if you shall despise My statutes, or if your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant; 16 I will also do this to you: I will even appoint terror over you, consumption, and burning fever, consuming the eyes and causing sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it. 17 And I will set My face against you, and you shall be slain before your enemies. They that hate you shall reign over you. And you shall flee when none pursues you.

This is the curse of TERROR. It has grown and grown until we now see it every night on the news around the world. This is not something I have cooked up. It is Yehovah doing a work and the world not paying attention. From Osama bin Laden declaring war on the USA in August of 1996 to the US embassies blown up in Kenya and Tanzania. From the USS Coles suicide attack to the events of 9/11. Then to the war with Afghanistan and Iraq and then the War of Terror, to the rise of Al Qaeda and now ISIS. From the most recent attacks on Charlie Hebdo to the Paris slaughter and now most recently the San Bernadino massacre. And we should not forget the massive invasion of Islamic refugees into Europe and now the importation of these same refugees into Canada and the USA.

All of this is part of this first curse sent to us from Yehovah. But we did not repent. We did not return to Him and begin to keep His commandments. And we are only showing you the very first curse. It is going to get much worse and many of us will die because we will not repent and we do not recognize how Yehovah is sending this first curse.

Yes, Yehovah intends to utterly destroy all of us unless we repent. Again look at what He says in Lev 26. And notice that the land is going to be keeping its Sabbaths then. The Sabbatical years. Yehovah is paying attention to what we do and if we obey.

Lev 26:40 If they shall confess their willfulness and the willfulness of their fathers, with their sin which they sinned against Me, and that also they have walked contrary to Me, 41 I also will walk contrary to them and will bring them into the land of their enemies. If then their uncircumcised hearts are humbled, and they then pay for their iniquity, 42 then I will remember My covenant with Jacob, and also My covenant with Isaac, and also My covenant with Abraham I will remember. And I will remember the land. 43 The land also shall be forsaken by them, and shall enjoy its Sabbath's, while it lies waste without them. And they shall accept the punishment of their iniquities; because, even because they despised My judgments, and because their soul hated My statutes. 44 And yet for all that, when they are in the land of their enemies, I will not cast them away, neither will I hate them, to destroy them utterly and to break My covenant with them. For I *am* Jehovah their God. 45 But for their sake's, I will remember the covenant of their ancestors, whom I brought forth out of the land of Egypt in the sight of the heathen, so that I might be their God. I *am* Jehovah.

When we look at the chart above, the years 2003-2009 represent the 2nd Sabbatical cycle and this then is also the time when the 2nd curse begins. It is during this time that the hottest years on record or recorded. Droughts in Australia and the USA were some of the worse ever. We

have many times seen pictures of the water turning a blood red colour and now we have red tides of algae blooms that kill everything in the water. The world is talking about the water shortages and the rising sea waters as the ice caps melt.

California is so deep in drought that major cities are running out of water, while in Brazil, Sao Paulo is without water for the city of 20 million people.

We had Al Gore and the documentary An Inconvenient Truth come out in 2006 telling us the world is getting warmer. Many said this was false and even some of you called it untrue. Yet the facts remain, that in Sept 2015, we broke all the previous records and 2015 was the warmest year ever recorded. You will notice that all six of these hottest years ever recorded all come during this current Jubilee cycle.

What is the second curse of Lev 26?

Lev 26:18 And if you will not yet listen to Me for all this, then I will punish you seven times more for your sins. 19 And I will break the pride of your power, and I will make your heaven like iron and your earth like bronze. 20 And your strength shall be spent in vain. For your land shall not yield its increase, neither shall the trees of the field yield their fruits.

This is extreme weather. It is increased severity of weather events. Today the world knows that we have more extreme tornado events; more of them and bigger and more destructive. The world knows the cyclones and hurricanes are off the charts. Where an F4 was rare, they

are now common and we now have F6 which is a new classification of just how severe these cyclonic storms are becoming.

Let's pause here a moment and look at Revelation to see these verses. In each of these verses about the pouring out of the vials we read how each one is an increase in temperature. The first one causing great heat.

Rev 16:8 And the fourth angel poured out his vial onto the sun. And it was given to him to burn men with fire. 9 And men were burned with great heat. And they blasphemed the name of God, He having authority over these plagues. And they did not repent in order to give Him glory.

It is not surprising then to understand that heat waves cause droughts and also bring on wild fires. Both of these things have been constantly on the news all of this past year. The news has also been reporting over the years of the massive heat waves across the USA and Europe and Australia and other countries. To some this is surprising but it should not be if you are reading your bible and obeying Yehovah. Instead of crediting Yehovah with this curse

for our sins, we call it climate change or the effects of co2 emission or our carbon footprint. You all will recognize the current name of Global Warming. Even today in Southern Ontario we are not below freezing as we should be at the end of December. Still no snow and the ground is still soft.

Look at the next vial in Revelation.

Rev 16:10 And the fifth angel poured out his vial on the throne of the beast, and its kingdom became darkened. And they gnawed their tongues from the pain. 11 And they blasphemed the God of Heaven because of their pains and their sores. And they did not repent of their deeds.

I find this verse extremely interesting. When you consider what is being told to you in Daniel 8, that after the goat destroys the Ram, then 4 kingdoms come out it and then from one of them the small horn that grows into the anti-christ.

Dan 8:22 And as for that being broken, and four stood up in its place; four kingdoms shall stand up out of the nation, but not in its power. 23 And in the latter time of their kingdom, when the transgressors have come to the full, a king, fierce of face, and skilled at intrigues, shall stand up. 24 And his power shall be mighty, but not by his own power. And he shall destroy marvelously, and shall prosper and work, and destroy the mighty and the holy people. 25 And also through his understanding, he shall cause deceit to succeed in his hand. And he shall magnify himself in his heart, and by peace shall destroy many. He also shall stand up against the Ruler of rulers. But he shall be broken without a hand.

We also know that the seat of Satan was Pergamos. The throne that used to be there has been removed to Berlin today. So is this the throne of the Beast based on Daniel 8? I am not sure. But consider what is going on in the Middle East now as a result of the bodies lying dead everywhere. Imagine what it is going to be like when millions lie not buried.

Rev 2:12 And to the angel of the church in Pergamos write: He who has the sharp sword with two edges says these things. 13 I know your works, and where you live, *even* where Satan's seat is. And you hold fast My name and have not denied My faith, even in those days in which Antipas was My faithful martyr, who was slain among you, where Satan dwells.

We again read in Revelation about the vial being poured out and how men would not repent but instead cursed Yehovah. This hail is created by the severe weather and winds able to lift the ever increasing weight of the stone up and down until they are dropped from the sky. All of this is a result of the second curse of Lev 26 as we have been showing you.

Rev 16:21 And a great hail, as the size of a talent, came down out of the heaven on men. And men blasphemed God because of the plague of the hail; for the plague of it was exceedingly great.

The word blasphemed is:

G987 blasphem?meo? *blas-fay-meh'-o*
From G989; to *vilify*; specifically to *speakimpiously*: – (speak) blaspheme (-er, -mously, -my), defame, rail on, revile, speak evil.

We are told that in the last days men would be blasphemers as well as a whole host of descriptive words to describe the times we are in right now.

2Ti 3:1 Know this also, that in *the* last days grievous times will be at hand. 2For men will be self lovers, money-lovers, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 without natural affection, unyielding, false accusers, without self-control, savage, despisers of good, 4 traitors, reckless, puffed up, lovers of pleasure rather than lovers of God, 5 having a form of godliness, but denying the power of it; even turn away from these.

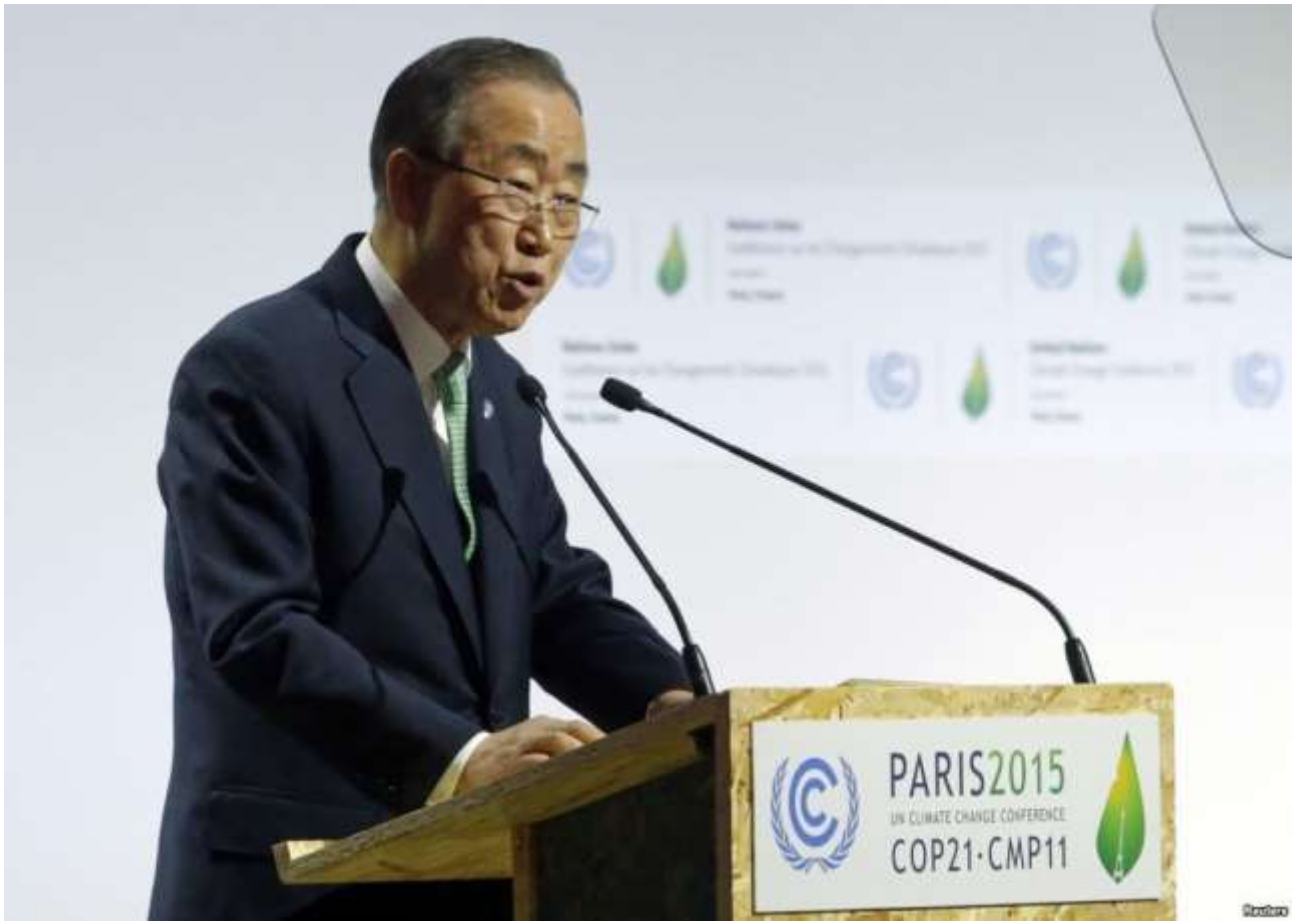

Instead of repenting of our sins, we as the human race choose to fight against Yehovah by trying to fix the climate, by trying to stop Global Warming. What we are doing in fact is trying to

fix what Yehovah has sent to us as a curse for not obeying Him.

Last week in Paris the UN Summit on Climate Change took place. Almost 200 nations signed the agreement claiming it to be an historic day.

National leaders to Mayors and even the rich and famous were involved in helping to save the planet from Global warming.

All the hype, all documents they produce and publish, all the misleading information will not fix the climate, nor stop the earth from warming and the ice caps from melting. No, the changing of the entire economy over to renewable energy will not stop the extreme and severe weather that is now occurring around the world. It will not reduce the massive El Nino in the Pacific Ocean.

The only thing that is going to stop Global Warming is a Global repentance and a Global return to keeping the Sabbath, the Holy Days of Lev 23 and the keeping of the Sabbatical years. Only when this is done worldwide will the earth be repaired and healed. Only then will the earth stop moaning.

Rom 8:19 For the earnest expectation of the creation waits for the manifestation of the sons of God. 20 For the creation was not willingly subjected to vanity, but because of Him who subjected *it* on hope 21 that the creation itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. 22 And we know that the whole creation groans and travails in pain together until now.

Only when we are obedient to Yehovah will the earth be healed. Until then all these curses will continue to increase and get worse, and more and more will die and be hurt. It is up to you. You all have a job to do.

Here is that job as explained by the following verses.

1Jn 3:14 We know that we have passed from death to life, because we love the brothers. He who does not love *his* brother abides in death. 15 Everyone hating his brother is a murderer. And you know that no murderer has everlasting life abiding in him.

Mat 5:21 You have heard that it was said to the ancients, “You shall not kill” –and, “Whoever shall kill shall be liable to the judgment.” 22 But I say to you that whoever is angry with his brother without a cause shall be liable to the judgment. And whoever shall say to his brother, Raca, shall be liable to the sanhedrin; but whoever shall say, Fool! shall be liable *to be thrown* into the fire of hell.

1Jn 2:9 He who says he is in the light and hates his brother is in darkness until now. 10 He who loves his brother abides in the light, and there is no offense in him.

What these verses are talking about is not the hate that you get when someone offends you and you want to kick them to death. No, these are referring back to Lev 19.

Lev 19:17 You shall not hate your brother in your heart. You shall always rebuke your neighbor, and not allow sin on him.

When we see our brothers sinning. Those who are breaking the commandments we are obligated to warn them of their sin. If we do not tell them, then they will die for their sin but we are guilty of having murdered them for not warning them. If we warn them, then we are free of that guilt.

Yehshua then said if he does not listen, then go and get another and if that does not work to then get the assembly. But you are to warn them.

It is the same thing in Ezekiel 33. When we see the sword coming we are to come and warn the brethren. If we do not then when they die their blood is to be required from us.

This is our job. To warn the world why these calamities in weather are happening; Why the terror crisis is happening and why the disease crisis is going to happen and why the coming war is going to happen. We are duty bound to warn others and to share these things with them. Or they will die and their blood be placed on our heads.

Time to tie this all together.

The UNEP is the United Nations Environmental Program. You will notice that the UN was deeply involved in making this Paris treaty come to pass, and in having almost 200 nations sign on. There are 196 nations in the world up until now only 193 were on board with the last UN sanctioned environmental program. Now they've got everybody.

Again we go into great detail in our book [The 2300 Days of Hell](#) and urge you to get this deeply detailed and heavy hitting book ASAP.

The movement to save the earth is not all bad, except it misses the point that Yehovah is the one sending the calamities around the world because we will not repent. But there is a bigger elephant in the room that you need to see.

In the UNEP agreement is a clause about Human Rights and in this clause is another clause about LGBT rights. So let me now show you what the UN says and how they say it so that is all sounds good to those who hear it.

The Stockholm Declaration of 1972, and to a lesser extent the Rio Declaration, show how the link between human rights and dignity and the environment was very prominent in the early stages of United Nations efforts to address environmental problems.

More than 2 million annual deaths and billions of cases of diseases are attributed to pollution. All over the world, people experience the negative effects of environmental degradation ecosystems decline, including water shortage, fisheries depletion, natural disasters due to deforestation and unsafe management and disposal of toxic and dangerous wastes and products. Indigenous peoples suffer directly from the degradation of the ecosystems that they rely upon for their livelihoods. Climate change is exacerbating many of these negative effects of environmental degradation on human health and wellbeing and is also causing new ones, including an increase in extreme weather events and an increase in spread of malaria and other vector borne diseases. These facts clearly show the close linkages between the environment and the enjoyment of human rights, and justify an integrated approach to environment and human rights.

The UN Human Rights Council resolution passed on September 26, 2014, to combat violence and discrimination based on sexual orientation and gender identity is a critically important achievement for upholding the principles of the Universal Declaration of Human Rights, 25 human rights and other groups said today. The new resolution follows a June 2011 resolution by the Human Rights Council that was the first by a UN body on human rights violations based on sexual orientation and gender identity.

And this is what every nation in the world has now signed up for to save the environment. By signing this agreement each nation, each state or province, each city in that country and all the people who have elected these officials have agreed to also take up the charge of protecting human rights and by doing this to stand up and protect the rights of Lesbian, Gay, bisexual and Transvestites. A clear and horrible abomination to Yehovah. Now these same human rights are being worked to protect the human rights of the pedophile to marry and have sex with the child or for anyone to marry and have sex with an animal.

Dan 9:26 And after sixty-two weeks Messiah shall be cut off, but not *for* Himself. And the people of the ruler who shall come shall destroy the city and the sanctuary. And the end of it *shall be* with the flood, and ruins are determined, until *the end shall be* war.

Dan 9:27 And he shall confirm a covenant with many *for* one week. And in the midst of the week he shall cause the sacrifice and the offering to cease, and on a corner *of the altar* desolating abominations, even until *the end*. And that which was decreed shall be poured on the desolator.

That is why week after week I keep warning you of the sword that is coming. It is coming in the middle of this 70th week, this 70th Jubilee cycle as Daniel warned us. That covenant with many began in 1972 with the UNEP and that one week, that one Jubilee cycle ends in 2020. It is the same time that the middle of this final Jubilee cycle is. This Jubilee cycle began in 1996

and goes to 2044. The middle of it is 2020. The same time this covenant made with many ends or is then ignored as the world attacks and destroys all of the tribes of Israel.

War is coming to all those Israelite nations who have turned their backs on the Covenant made between them and Yehovah at Mount Sinai 70 Jubilee cycles, or 70 weeks before. War is coming to your country, your state or province, your city and your home. Will you now keep the Sabbath, the Holy Days of Lev 23 and the Sabbatical year from Aviv 2016-Aviv 2017? Will you do this to protect your family the only way possible, by coming under the wings of Yehovah?

Eze 20:12And also I gave them My sabbaths to be a sign between Me and them, that *they* might know that I *am* Jehovah who sets them apart. 13But the house of Israel rebelled against Me in the wilderness; they did not walk in My statutes, and they despised My judgments, which *if* a man does, he shall even live in them. And they greatly profaned My sabbaths. And I said, *I* will pour out My fury on them in the wilderness to destroy them.

Eze 20:14But I worked for My name's sake, so that it should not be profaned before the nations in whose sight I brought them out. 15And also I lifted up My hand to them in the wilderness, that *I* would not bring them into the land which I had given *them*, flowing *with* milk and honey; *it is* the glory of all lands; 16because they despised My judgments and walked not in My sabbaths; and they profaned My sabbaths; for their heart went after their idols.

Eze 20:17But My eye spared them from destroying them, nor did I make an end of them in the wilderness. 18But I said to their sons in the wilderness, Do not walk in the statutes of your fathers, nor observe their judgments, nor defile yourselves with their idols. 19I *am* Jehovah your God. Walk in My statutes, and keep My judgments, and do them, 20and keep My sabbaths holy; and they shall be a sign between Me and you, that you may know that I *am* Jehovah your God. 21But the sons rebelled against Me. They did not walk in My statutes, nor kept My judgments to do them; the judgments which, *if* a man do, he shall even live in them; they profaned My sabbaths and I said *I* would pour out My fury on them, to fulfill My anger against them in the wilderness.

Eze 20:22But I withdrew My hand and worked for My name's sake, that it should not be profaned in the eyes of the nations, from whom I brought them out in their eyes. 23I also lifted up My hand to them in the wilderness, that I would scatter them among the nations and scatter them through the lands, 24because they had not done My judgments, but had despised My sabbaths and had profaned My sabbaths, and their eyes were after their fathers' idols. 25Also I gave them statutes not good, and judgments by which they should not live. 26And I defiled them in their own gifts, in that they caused all that open the womb to pass through *the fire*, that I might waste them, to the end that they might know that I *am* Jehovah. 27Therefore, son of man, speak to the house of Israel and say to them, So says the Lord Jehovah: Yet in this your fathers have blasphemed Me, in that they have committed a sin against Me.

Notice you can blaspheme Yehovah by sinning against Him, by not keeping His Sabbaths, plural, which includes the Holy Days and the Sabbatical years.

Eze 20:28When I had brought them into the land *for* which I lifted up My hand to give it to them, then they saw every high hill, and all the thick trees, and they offered their sacrifices there. And there they offered their provoking gifts. There also they made their sweet aroma, and poured out their drink offerings there. 29And I said to them, What *is* the high place to which you go? And the name of it is called High Place to this day. 30Therefore say to the house of Israel, So says the Lord Jehovah: Are you defiled in the same way as your fathers? And do you go whoring after their abominations? 31For when you offer your gifts, when you make your sons to pass through the fire, you defile yourselves with all your idols, even to *this* day. And shall I be inquired of by you, O house of Israel? *As I Live*, says the Lord Jehovah, I will not be inquired of by you.

Passing through the fire is today called Christmas and Chanukah and Diwlai – the festivals of light. This is why we tell you to stop doing these things, but many of you will not listen. You justify the keeping of them and Yehovah says not to worship as the heathen do.

Eze 20:32And what comes up on your spirit shall not happen at all, that you say, We will be like the nations, like the families of the countries, to serve wood and stone. 33*As I live*, says the Lord Jehovah, surely with a mighty hand, and with a stretched out arm, and with fury poured out, I will reign over you. 34And I will bring you out from the people, and I will gather you out of the lands in which you are scattered among them, with a mighty hand and with a stretched out arm and with fury poured out. 35And I will bring you into the wilderness of the people, and there I will enter into judgment with you face to face. 36Just as I entered into judgment with your fathers in the wilderness of the land of Egypt, so I will enter into judgment with you, says the Lord Jehovah.

Take very special note of what Yehovah is now going to say.

Eze 20:37And I will cause you to pass under the rod, and I will bring you into the bond of the covenant.

Who is that rod that we are going to pass under?

Isa 10:5Woe to Assyria, the rod of My anger! And the staff in their hand is My fury.

Eze 34:17And you, My flock, says the Lord Jehovah: Behold, I judge between lamb and lamb, *between* rams and he-goats.

Lev 27:32And all the tithe of the herd, or of the flock, all that passes under the rod, a tenth shall be holy to Jehovah

Mat 25:32And all nations shall be gathered before Him. And He shall separate them from one another, as a shepherd divides the sheep from the goats. 33And indeed *He* shall set the sheep on His right hand, but the goats off the left.

Then now finish reading Ezekiel. Yehovah is going to remove all of us from our homes because of our rebellion.

Eze 20:38 And I will purge out from among you the rebels and those who sin against Me. I will bring them out from the land where they reside, and they shall not enter into the land of Israel. And you shall know that I *am* Jehovah.

All of us will pass under the rod of Assyria and the Sheep will be spared but only 10% will survive. All the rest, all the goats who will not obey will die along the way home.

WAR IS COMING BRETHREN, YOU CAN OBEY OR NOT OBEY, YOU GET TO CHOOSE!
But war is coming and it is coming faster than you realize.
