An Exciting Update from the Philippines

I received this note from Brother Aike last Sabbath and it cannot wait until next Sabbath to share.

We are again helping him in this work in Mindanao. We do so with our teachings and the lessons on our website. We have also sponsored ad campaigns that have done very well in each city we have posted them and they, in turn, have generated new people to have our Newsletters. About 6000 new people this past year alone. But like Aike is saying in this report we have no teachers in this area. Bro Matt Samario has left to return to the USA after two months of teaching after I left there after Passover. I will be meeting Matt in Jerusalem for Sukkot. Sister Corette who was also there at this time will also be in Jerusalem and I hope to gather more information from her at that time. I am considering how it could be possible for me to teach there full time.

There is much more work to be done and we really do need your help. Brother Aike is asking for help from us and our piggy bank is now once again broke. Those of you who have faithfully donated each and every month, I do thank you for allowing us the means to do this work. As Brother Aike reminds me, it is Yehovah's work, but airfare and hotels and hosting and meals do cost money. And we at Sightedmoon.com would not have been able to do much of what we have done had it not been for your generous support. The \$5 dollars up to the hundreds and even the thousands that some have given. Thank you all and individually. May Yehovah bless each of you and cause your cups to be overfilled.

I know all too well how much it cost to do this work. We are sending James to Burundi Africa right after Sukkot once again this year. And we are sending funding with James to give to Bishop Telesphore. We would that it was much more. James has been working on the teachings he is bringing and has copied the lessons from our site onto USB sticks for Telesphore to share with the groups he is reaching. Again this is the poorest of nations with little to no internet. So it makes it very hard to reach all the people. And this being the poorest of nations we expect no financial gains or returns.

The Philippines is second world nation and is not nearly as poor as Burundi, but neither are they a rich nation monetarily but they are rich in their desire to learn about Yehovah and His Torah. We do hope that more from the Philippines will stand with us and support this work in that nation. Until that time though we will continue to send funds to Brother Aike and again we would that it was much more. We are planting and seeding and during this time there is no product to sell. It is not until the harvest time that we will see just how productive our soil has been and our efforts to raise a crop for Yehovah will have been.

We continue to rely upon you the supporters of sightedmoon to be able to grow this work.

Deut 16:16 “Three times a year all your males shall appear before the Lord your God at the place that he will choose: at the Feast of Unleavened Bread, at the Feast of Weeks, and at the Feast of Booths. They shall not appear before the Lord empty-handed. Every man shall give as he is able, according to the blessing of the Lord your God that he has given you.

We would humbly ask that you consider our work when you make your offerings to Yehovah this Sukkot. And we would ask that if you have not already done so to consider making monthly donations. By now you should have seen that we do not sell things or gimmicks to get your money. We teach the truths of the Torah and do not worry about whether or not it offends those who read it. We challenge you and those who read our News Letter to prove us wrong and some do try. But our Critics never support this work. You the readers do.

So here is the report from Brother Aike about what is happening and how our seed has been growing.

Shalom sightedmoon Family,

May all be well with you as you read this latest report from the Philippines.

It's my first two days here in Davao City, Mindanao Islands. I'm here in hope that what we have started since Joseph Dumond and I came here last April (for Passover) will not come to waste but comes to fruition just as it is written in the Apostolic Writings,

1 Cor. 3:5-11 Who then is Paul, and who is Apollos, but ministers by whom you believed, even as the Lord gave to each? (6) I have planted, Apollos watered, but God gave the increase. (7) So then neither is he who plants anything, nor he who waters, but God who gives the increase. (8) So he planting, and he watering, are one, and each one shall receive his own reward according to his own labor. (9) For of God we are fellow-workers, a field of God, and you are a building of God. (10) According to the grace of God which is given to me, as a wise master builder, I have laid the foundation, and another builds on it. But let every man be careful how he builds on it. (11) For any other foundation can no one lay than the one being laid, who is Jesus Christ (Yeshua the Messiah).

As far as I know this is my fourth trip to Mindanao which started last December 2017. The Ruach Hakodesh (Holy Spirit) convicted me to start a **Res-torah-tion** work here. Because I believed this is my calling, in each cities that I went to in the past such as those in North and southern Luzon, there people started to return to YHVH's Instructions and Commandments. In Cavite (southern part of Manila) our fellow workers led by Pastor Pike Halip whom I mentored for quite a while have started to build their own Torah Centers for the purpose of regularly meeting together every Sabbath day and midweeks torah studies and the high Holy days.

Signage of just of the torah centers being constructed. We are establishing our presence in the eyes of the believing Filipinos. But take note, it took nearly 5 years of constant teachings for this to comes to fruition.

2018 with Joseph Dumond as guest torah lecturer and as our official prophecy consultant. These pastors are turning their former Pentecostal churches into Torah Study Centers. HalleluYah praise YHVH ! This is only happening during our time now, to my knowledge nowhere in the history of religions in the Philippines that change like this took place. Praise our Abba Father up above, for He is definitely the one who is behind all these.

I was chatting with Joseph Dumond one time and I told him, planting the seed of torah in the hearts of the people is not just planting a mango tree which bears fruits after 5 years and it's like a planting the seed of an olive tree, it will take a while for it to grow and mature but it will bear fruits for a thousand years just like those that are found in the land of Israel today.

No one can stop this work, not even the devil himself.

The fall feasts is upcoming soon and

we have a nationwide celebrating in different key cities in the Philippines.

True love is sacrifice. Yes, our love for torah and YHVH and His son Yeshua demands a sacrifice just as how Yeshua exemplified His work on the cross to show the ultimate meaning of redemption sacrifice.

I left my home congregation in Mandaluyong city, as you know it's MLTC, Messiah the Living Torah Center, and I'm now I Davao city to make follow ups on some key leaders and believers here in hope that I can lead them keep the Feast of Trumpets, Atonement, tabernacles for the first time. Yes, it's confirmed in Davao City alone we will be celebrating the Feast of Trumpets in two different venues, one in Camacop Christian Alliance Church in Mintal Davao City and one with Davao City intercessory groups. And we have confirmed feast of tabernacles celebration in General Santos city on September 25 & 26 as well. At least I will be visiting Digos city and Bukidnon Province within the next couple of weeks.

I'm so encouraged because now that I came back here and the thought these group of Christians are willing to celebrate the high holy days is a very good sign that the torah restoration work here is indeed starting. Praise YHVH for this. Our brother Matthew Samario did a great job watering the brethren here with torah teachings while I was away for almost two months. See the report in Sightedmoon newsletter archived how many have keep the previous of feast of Pentecost in our sphere of influence in the Philippines. <https://sightedmoon.com/how-all-of-us-can-serve/>

Meanwhile, something highly significant is happening in the Political scene. Joseph Dumond's last visit to the Philippines last April 2018, he prophesied that the Islands of the sea that yearned for the Torah of YHVH is most probably the Philippines which is composed of something like 7000 Islands. See Joseph teachings on these : <https://sightedmoon.com/where-do-we-flee-to/>

To compliment these prophecies, here are some of the things that did happened very quickly in the Philippines just in the last couple of weeks. You probably are aware that there is pending bill in the house of congress recognizing the 7 feasts as annual holidays in the Philippines.

Our senate recently had made it official that Philippines and Israel are two countries that have real friendships and ties.

Senate adopts resolution establishing PH-Israel association

Meanwhile President Rodrigo Duterte just last week makes prophetic history to be the first Filipino president to visit the holy land of Israel since 1957. <https://www.youtube.com/watch?v=vu6pTaLS8aI>

In this video President Duterte had told Israel's Prime minister Benjamin Netanyahu that indeed his first wife Elizabeth Zimmerman is Jewish and his daughter Davao City mayor Sarah Simerman Duterte is of Jewish descent.

Duterte tells Netanyahu daughter Sara a Jewish descent

Duterte Meets Israel President Reuven Rivlin.

Genesis 12:3 YHVH said to Abraham " I will bless those who bless you , in you all the nations will be blessed."

I believed this is just the beginning of an era that we have never seen before. Exciting times ahead of us to see how biblical prophecies comes to become a reality.

Of President Duterte recent visit to the Holy land have generated investments opportunities by Israeli companies in the Philippines.

Century Properties, Israeli firm ink \$1-B deal

Meanwhile, we that have spiritual discernment can relate that for the nations to be blessed just like

Israel today, we need to know how to obey YHVH's Torah commandments such as keeping the Sabbath day holy and 7 Feasts of Leviticus 23.

The fight to make house bill 6312 a reality in the Philippine House of representatives is like mission impossible. To date at least 9 congressmen have supported this bill. If each congressmen gets 9 each to favor the bill then it will be approved. Sister Carmen Jimenez was our guest speaker last august 21 on updates on house bill 6312.

There is a shortcut however and our friend Greco Belgica a close aide of Pres. Duterte had told me that we need to pray for a miracle that to fastrack the approval of our bill, it will only takes

President Duterte to sign and executive bill to honor it.

https://web.facebook.com/greco.belgica/posts/10155559101215951?__tn__=K-R

Joseph Dumond had talked to Greco regarding this while they met in Manila last April 2018.

That's right, for what I know there's nothing impossible with YHVH. He is a God who likes to surprise us all the time.

All we need to do now is less no other than keep His commandments and Obey Him. Spread the torah as much as we can because this our duty for our God who covenanted Himself to us through His Son Yeshua our Messiah.

We are in this for the long run, as a matter fact till the end of the age and up until the millennial kingdom.

For without divine vision the people perish, for is he that keep the Torah (Proverb. 29:18). In the end, the winners in these religious race called life are those that "Blessed are they who do His commandments, that their authority will be over the Tree of Life, and they may enter in by the gates into the city. (Rev. 22:14)

This is our hope of Glory. Please include me in your prayers as I'm in the forefront of this spiritual warfare in bringing more Filipinos to the truth of the torah.

Thank you and may YHVH richly bless all of sightedmoon family.

Please do continue to donate to sightedmoon since Joseph have been helping us with this trips to Mindanao. You know the reality it costs money to do this. Yes, I'm a volunteer. But airfare, Hotel accommodations , food, venues, blessings other ministries costs money. So please prayerfully consider donating to sightedmoon regularly.
