News Letter 5852-035

The Shemitah Year-The Acceptable year of Yehovah

The Year of letting the land rest

The Sabbatical year that begins March 10, Aviv 2016 and goes to Aviv 2017

The 3rd day of the 10th month 5852 years after the creation of Adam

The 10th Month in the Seventh year of the Third Sabbatical Cycle

The 3rd Sabbatical Cycle after the 119th Jubilee Cycle

The Sabbatical Cycle of Earthquakes, Famines and Pestilence

December 3, 2016

Shabbat Shalom to The Royal Family of Yehovah,

The Israel Wild Fires

Across the Christian world you are hearing many say to pray for Israel and the wildfires in Haifa and Jerusalem. You can help the people of Israel by donating to them.

They then ask you to pray for Israel. Here is one email I received this past week about the wildfires.

Haifa is in flames!!!!!!!!!!!!

10's of apartments are burning, several neighborhoods have been evacuated; roads are blocked with people trying to escape the flames; cooking gas tanks heard exploding. Fire is out to engulf a gas station as I write this. 2 prisons are being evacuated. Plans being made to evacuate hospitals!!

12 out of Israel's 14 firefighting planes are working in the area, leaving other fires countrywide to re-ignite!! 2 foreign planes are here... but the big ones from Russia and Turkey have not yet arrived.

I'm watching a very tall apartment building completely going up in flames. It's VERY dry—we have not had rain since last winter, and a Siberian Cold depression has pushed high winds and extremely dry conditions into the Land. Most parts of the country are experiencing between 515% humidity, which will continue into next week. PLEASE PRAY for the LORD of the winds and the elements to help us speedily!! YESHUA. HE is in control; and HE is called Faithful and True.

And here is another part of a report about how many there are.

Aircraft were also en route Thursday from Italy, as an emergency was declared in the city of Haifa where several buildings and parks have already been destroyed by the fires. Another large blaze near Jerusalem was also being fought as well as additional fires near Hadera, Kibbutz Harel near Beit Shemesh, Yitzhar, Umm al-Fahm and areas near Yuvalim and Misgav in the north.

The Fire & Rescue Authority has seen a massive upgrade since the 2010 Carmel Fire which saw widespread destruction and laid bare the inadequacy of Israel's disaster response capacity. Large numbers of up-to-date equipment has been acquired and hundreds of new firefighters have been hired and trained. Officials have expressed satisfaction at the response of the revamped Service in containing the damage from this week's fires while welcoming the assistance which has come from nearby countries.

We had wildfires in Fort McMurray in May 2016. Half the town was burned down. California has had wildfires year after year and whole communities were destroyed. Australia has had its share of wildfires as well.

But because it is Israel, it is different. It now becomes a Holy duty to pray for the fires to stop. Yet in these other places around the world indifference and ignorance was the norm.

No, I am not being callous to the situation, but I must bring some reality to this which is consistent to what we have been shouting out since 2005. There are curses for not obeying and keeping the Sabbatical years.

The Mount Carmel wildfire in December 2010 which killed 44 began just south of Haifa and it was the year after Sabbatical year had ended at Aviv 2010. Now as we come to the end of this Sabbatical year, there is another fire in Haifa. So I begin to look into the story of Elijah.

Mount Carmel is where Elijah slew the 450 Priests of Baal. Elijah also called for fire to come from Heaven and kill 50 of the soldiers sent to kill/arrest him not once, but twice.

2Ki 1:10 And Elijah answered and said to the commander of fifty, If I *am* a man of God, then let fire come down from the heavens and burn up you and your fifty. And there came down fire from the heavens and burned up him and his fifty. 11 And he turned and he sent to him another commander of fifty with his fifty. And he answered and said to him, Man of God! So says the king, Come down quickly. 12 And Elijah answered and said to him, If I *am* a man of God, let fire come down from the heavens and burn up you and your fifty. And the fire of God came down from the heavens and burned up him and his fifty.

One of the interesting words that jumped out at me was this word *shoob*, used in verse 11 that says “and he turned”. It is the same word we talked about in *The 2300 Days of Hell* on page 381-382, when Yehovah was commanding Moses to go and get the people and return, or *shoob*, to me on this mountain.

H7725 shub *shoob*

A primitive root; to *turn* back (hence, away) transitively or intransitively, literally or figuratively (not necessarily with the idea of *return* to the starting point); generally to *retreat*; often adverbially *again*: – ([break, build, circumcise, dig, do anything, do evil, feed, lay down, lie down, lodge, make, rejoice, send, take, weep]) X again, (cause to) answer (+ again), X in any case (wise), X at all, averse, bring (again, back, home again), call [to mind], carry again (back), cease, X certainly, come again (back) X consider, + continually, convert, deliver (again), + deny, draw back, fetch home again, X fro, get [oneself] (back) again, X give (again), go again (back, home), [go] out, hinder, let, [see] more, X needs, be past, X pay, pervert, pull in again, put (again, up again), recall, recompense, recover, refresh, relieve, render (again), X repent, requite, rescue, restore, retrieve, (cause to, make to) return, reverse, reward, + say nay, send back, set again, slide back, still, X surely, take back (off), (cause to, make to) turn (again, self again, away, back, back again, backward, from, off), withdraw.

At this time we must also note what we are told in Rev 11.

Rev 11:4 These are the two olive trees and the two lamp stands standing before the God of the earth. 5 And if anyone will hurt them, fire proceeds out of their mouth and devours their enemies. And if anyone will hurt them, so it is right for him to be killed.

So, we have two wildfires coming at the end of the Sabbatical cycles about 7 years apart and both are on or near Mount Carmel.

Now let us return (shoob) to current events and look at them through Yehovah's eyes.

Some were claiming it was terrorists setting the fires. Has everyone forgotten what Yehovah said in His Torah?

Lev 26:14 But if you will not listen to Me, and will not do all these commandments, 15 and if you shall despise My statutes, or if your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant; 16 I will also do this to you: I will even appoint terror over you, consumption, and burning fever, consuming the eyes and causing sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it. 17 And I will set My face against you, and you shall be slain before your enemies. They that hate you shall reign over you.

And you shall flee when none pursues you.

The Jews of the State of Israel claim to be keeping the commandments. Are they, though? Since they were put out of the land in about 350 C.E they have had to keep the Holy Days by the calculated method. Later they added postponement rules that further moved the Holy Days by one, two or even three days, and then in some years by a month away from the times Yehovah said to keep them.

All Jews know this. The Hebrew Calendar was needed while they were out of the land of Israel, but they are now back in the land since 1947. Aviv 1947 to Aviv 1948 was a Jubilee year also. Yet they have not, and will not return to determining the year by the ripening of the barley and the sighting of the moon. They also have a Sanhedrin which could sanction these calendric events if they wanted to, but they do not.

So they keep the weekly Sabbath, but the rest of the Moedim they do not keep at the proper time, nor do they keep the Sabbatical years at the right time.

Lev 26:14 But if you will not listen to Me, and will not do all these commandments, 15 and if you shall despise My statutes, or if your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant;

Then a wildfire breaks out, such as last week. And everyone shouts pray for Israel and the wildfires. Yet, few read the scriptures to know what Yehovah is doing or read those scriptures to gain understanding. No, no one turns (shoob) when Yehovah sends His warnings.

Pro 1:23 Turn at my warning; behold, I will pour out my Spirit to you; I will make my words known to you. 24 Because I called, and you refused; I stretched out my hand, and no one paid attention; 25 but you have despised all my advice, and would have none of my warning. 26 I also will laugh at your trouble; I will mock when your fear comes; 27 when your fear comes as a wasting away, and your ruin comes like a tempest when trouble and pain come upon you. 28 Then they shall call upon me, and I will not answer; they shall seek me early, but they shall not find me; 29 instead they hated knowledge and did not choose the fear of Jehovah. 30 They would have none of my counsel; they despised all my correction, 31 and they shall eat the fruit of their own way, and be filled with their own desires. 32 For the turning away of the simple kills them, and the ease of fools destroys them. 33 But whoever listens to me shall dwell safely, and shall be quiet from fear of evil.

Do you not see? Can you not understand? What is wrong with you?

Yehovah is the Terrorist to you. Yehovah is the one sending Terror upon you because you will not obey. You may sound holy and think you are righteous because you are Jewish. You can go to the Kotel three times a day and pray to a wall all you want, but you will not obey. You actually refuse to obey even after you have been shown. That does not make you Holy, it makes you a sinner. A sinner that refuses to listen to the words of Yehovah.

Jer 49:5 Look, I'm bringing terror on you from all around you," declares the Lord GOD of the Heavenly Armies. "You will be driven out, fleeing recklessly, and there will be no one to gather the fugitives.

Deu 28:65 And among these nations you shall find no ease, neither shall the sole of your foot have rest. But Jehovah shall give you there a trembling heart (TERROR) and failing of eyes and sorrow of mind. 66 And your life shall hang in doubt before you, and you shall fear day and night, and shall have no assurance of your life. 67 In the morning you shall say, Oh that it were evening! And at evening you shall say, Oh that it were morning, for the fear of your heart with which you shall fear, and for the sight of your eyes which you shall see. 68 And Jehovah shall bring you into Egypt again with ships, by the way of which I said to you, You shall see it no more again. And there you shall be sold to your enemies for men-slaves and women-slaves, and no man shall buy you.

Brethren, it is Yehovah who is terrorizing you. He is the one who is sending the severe and terrifying weather. There are so many severe weather events, I am not able to report them all to you. Yehovah is the one sending the terrifying diseases. And it is Yehovah who is going to send upon you the Terrifying war rape and captivity in this fourth Sabbatical cycle to those who will not keep the Sabbath, or the Holy Days and the Sabbatical years at the proper time.

Millions of Jews died during WW II for not keeping the Holy Days nor the Sabbatical years when Yehovah said to keep them. They all had reasons why they did not have to keep them:

they were not in the land; they did not know the year of the Shemita or if the barley was aviv; we know the Hebrew calendar is wrong but we want to remain unified; the Messiah will sort it out when He comes, so for now we remain the way we are.

They paid with their lives in WW II for not obeying. That terror has passed and another is about to come. Pray for your loved ones. Pray for yourselves if you also are not keeping the Sabbath, nor the Holy Days according to the crescent moon and the barley being aviv nor if you are not keeping the Sabbatical years. This current Sabbatical year ends in Aviv 2017, so you still have time to begin to keep it in part right now. Yes, pray for forgiveness and begin now to obey Him. If you will not obey, then forget about praying. As you just read, Yehovah, the one who is sending the Terror, is going to laugh at you when you do pray. And because you would not obey and find now that you must face that penalty you want to have that judgement removed. HAHAHA. You fool, obey and then pray and He will hear you.

Isa 28:19As often as it sweeps through, it will carry you away, for it will sweep by morning after morning in the day; but understanding this message will bring sheer terror at night,

Understand who is sending the Terror upon you. He sends it so that you might turn back (SHOOB) to Him and obey Him.

Ahhh, but some of you self-righteous types will now reach back into the old testament and start to recite Psalm 91. Let's read it.

Psa 91:1A Davidic Psalm. The one who lives in the shelter of the Most High, who rests in the shadow of the Almighty, 2will say to the LORD, "You are my refuge, my fortress, and my God in whom I trust!" 3He will surely deliver you from the hunter's snare and from the destructive plague. 4With his feathers he will cover you, under his wings you will find safety. His truth is your shield and armor. 5You need not fear terror that stalks in the night, the arrow that flies in the day, 6plague that strikes in the darkness, or calamity that destroys at noon. 7If a thousand fall at your side or ten thousand at your right hand, it will not overcome you. 8Only observe it with your eyes, and you will see how the wicked are paid back. 9"LORD, you are my refuge!" Because you chose the Most High as your dwelling place, 10no evil will fall upon you, and no affliction will approach your tent, 11for he will command his angels to protect you in all your ways. 12With their hands they will lift you up so you will not trip over a stone. 13You will stomp on lions and snakes; you will trample young lions and serpents. 14Because he has focused his love on me, I will deliver him. I will protect him because he knows my name. 15When he calls out to me, I will answer him. I will be with him in his distress. I will deliver him, and I will honor him. 16I will satisfy him with long life; I will show him my deliverance.

Did David not tell us what righteousness is? It is the keeping of the law that makes us righteous!

Psa 119:172My tongue shall speak Your Word, for all Your Commandments *are* righteousness.

And again did Yehshua not also say in reference to this verse the following:

Mat 23:37 O Jerusalem, Jerusalem, the *one* killing the prophets and stoning those who are sent to her, how often would I have gathered your children together, even as a hen gathers her chicks under *her* wings, and you would not! 38 Behold, your house is left to you desolate. 39 For I say to you, You shall not see Me from now on until you say, “Blessed *is* He who comes in *the* name of the Lord.”

Every day I read of those who want to justify their actions for not keeping the Sabbath. Others will use the New Testament to justify not keeping the Holy Days of Lev 23. Many others justify not keeping the Sabbatical years because they are not in the land of Israel. Those in the land justify not keeping the Sabbatical years because all of Israel is not united back in the land or that they do not know the actual year, yet Judah claims they are Israel.

So go ahead and pray for Israel, Yehovah is not listening. Has he changed what He has said He would do if you disobeyed? No, He has not. So He does not hear your prayers. Has He changed what He said He would do if you repented and obeyed those commandments? No, He has not. Repent and begin to obey Yehovah, keep the Sabbath, Keep the Holy Days at the proper time, according to the Barley being aviv to start the year and the crescent moon to start the month. Keep the Sabbatical year Holy as we are commanded around the world and yes, you can know what year is the proper one. Do these and Yehovah will hear your prayers.

When Elijah called for fire to come down and destroy the 450 priests of Baal, the people did not know who was teaching the truth, Elijah or the Priests. The Priest thought they were worshiping God but would not keep the commandments God had shared with them. Are you not doing the same thing when you refuse to keep those commandments Yehovah has said to do? Will the fires from Elijah’s mouth consume you as you rebel against the most High?
