Shabbat Shalom To the Royal Family,

This photo was shared by Brian Convery back on February 15th (photo taken by a friend/brother in Israel). The barley heads here (in the Negev) are emerging out of the boot. This is basic stage 5 on the Zadok scale. Mind you, this was over two weeks ago now.

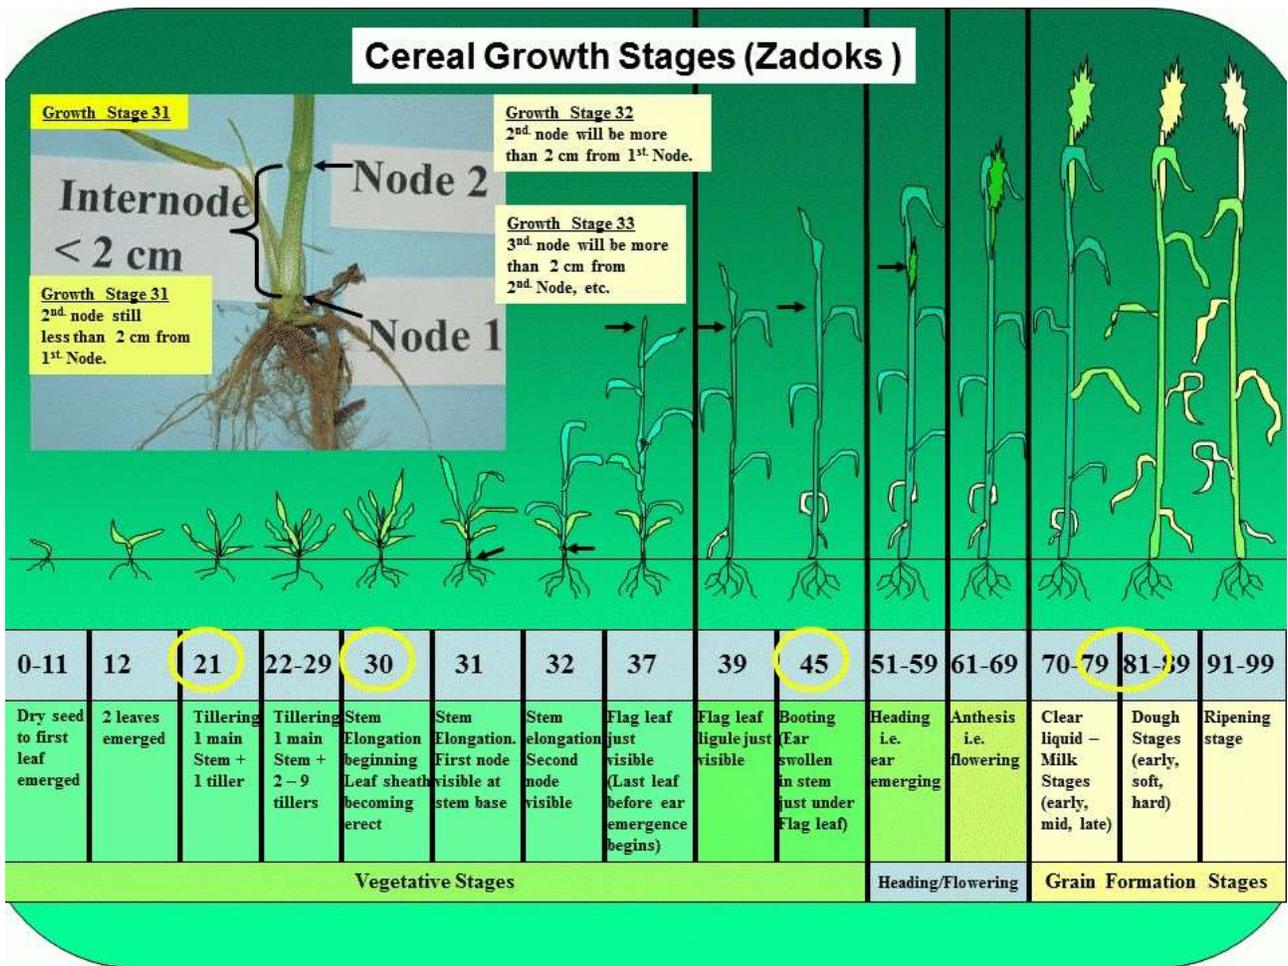

To go from Zadok stage 5 to the end of stage 8 takes 40 days. We don't need to reach the end of stage 8 though, as "aviv" is mid-stage 8 on the Zadok scale.

So, February 15th, we were already into stage 5, by March 18th, we'll have Aviv there in the Negev

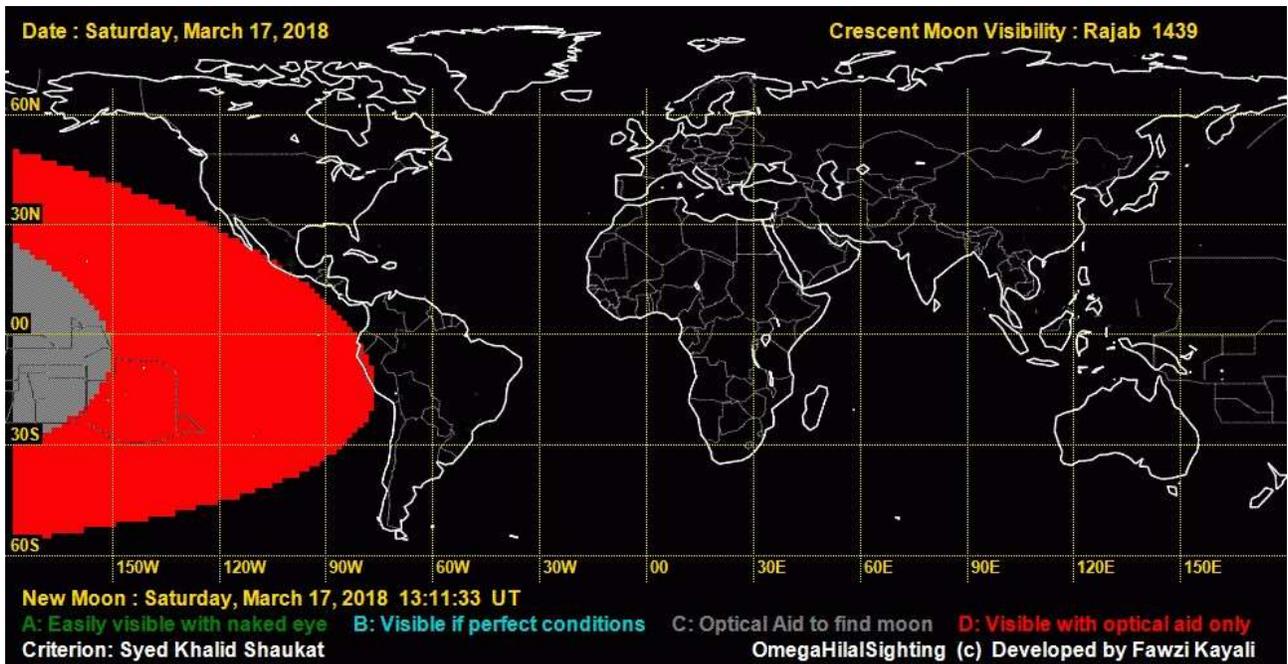

Mind you, there is not one Scripture that requires the barley to be aviv at the end of the 12th month. It only requires a minimum aviv-stage for the first fruit offering (Lev 2:14)

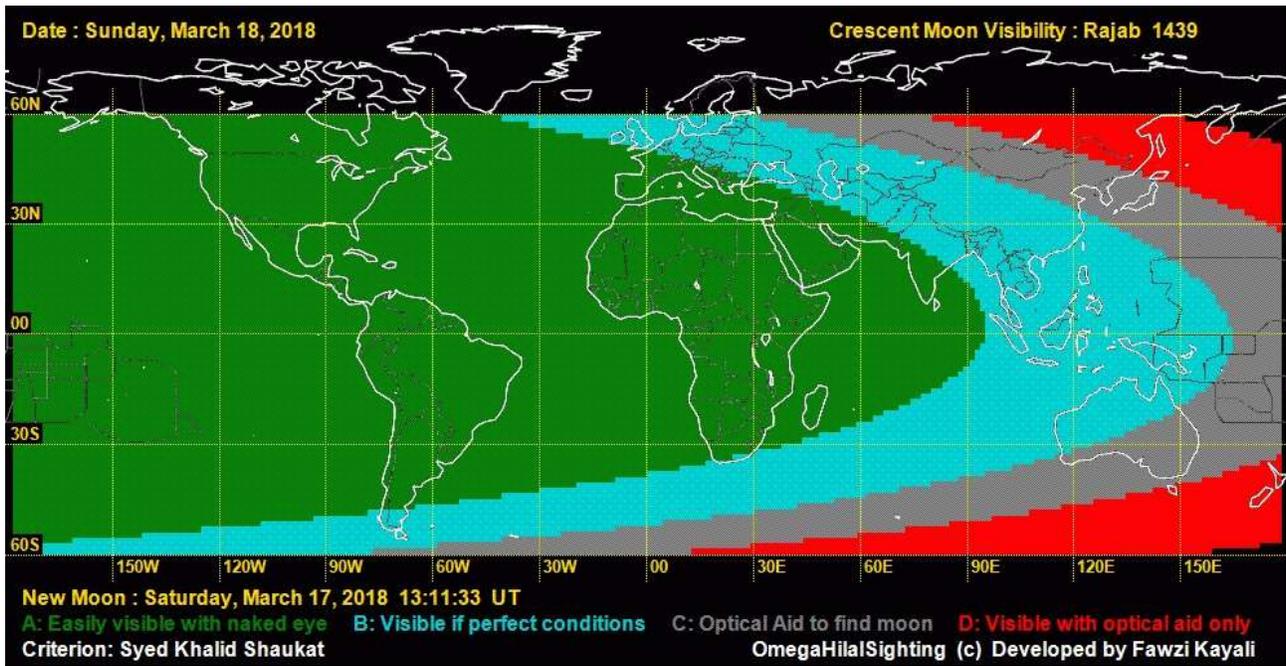

With a March 18/19 Nisan 1, we are looking at an April 8th firstfruits day.

April 8 is 52 days after the above picture. 12 days past full maturity

As of right now, we are expecting the New Moon to be sighted on the evening of Sunday, March 18, 2018. We expect the barley to be Aviv by the wave sheaf day which this year will be on Sunday, April 8, 2018.

So let me give you all the dates for each day of Passover. Provided the moon is seen in Israel on March 18, 2018. If the Moon is not sighted then each of the following dates moves by one day except wave Sheaf day which will still be on the same Sunday.

The Fast of the First Born also known as the Last Supper will take place starting after Sabbath March 31, 2018

Sunday, April 1, 2018, will be the Preparation day for the Passover when the lambs are killed. Yehshua would die on this day at 3 PM.

Sunday evening after the sun has set is when the Passover meal is eaten.

Sunday evening and Monday day April 2, 2018, will be the High Holy Day of the 1st Day of Unleavened Bread. All leaven should be out of your house by this time. So start deleavening now your homes your cars and offices spaces.

The 7 Days of Unleavened Bread begin on Monday, April 2 and go to Sunday, April 8, 2018.

Sunday, April 8, 2018, is the last day of Unleavened Bread and is a High Holy Day. It is also the day the Wave Sheaf is offered. This is the day Yehshua would have ascended to Heaven. Wave Sheaf day is the Sunday that falls during the 7 Days of Unleavened Bread. It is from this Sunday, April 8, 2018, that we begin to count our 50 days to Shavuot.
