Shalom to The Royal Family of Yehovah,

Warning the Nations

Brethren, many people are afraid to go out and try to share what is coming with those they love or their own fellowships. Many of you may feel intimidated once those you are sharing with begin to ask you questions you are not able to answer. You just do not know how to go about fulfilling the commandment in Ezekiel of warning the people once you see the sword coming. You have read our books and you have watched our videos and you have proven those things we are saying true by checking your scriptures. You now know that war is imminent, but do not know what to do.

You learned these things from our teachings. Let me urge you to give a copy of those teachings to those you want to share with. Let me suggest you host a home study group and play our videos and study them out each week as others have done. Let me suggest you take

them to your pastor and priest and fellowship leaders and ask, or beg them to play these teachings to the whole fellowship. If they will not do that than you do it each week with a group of people. If they kick you out for trying to warn them, then know it will not matter because war is coming in a few years' time from now.

We have a supply of DVD's. We can assist you to order in bulk and we can help you order books in bulk as well. Some are already doing this. If you cannot afford the prices we are asking to then write me and lets work out a price that works for you. You can write me at admin@sightedmoon.com

I still get emails from people saying they just learned about the Sabbatical year and want to know what to do now. Others have been studying this out for years and are now starting to obey. If each of you were to share this information with just one person each month for the next 12 months and they too were to share with just one person a month, then we reach 8.2 million people in just 12 months. Some of you are more zealous and will teach more than one a month. You have no idea how much we could do if we had just 2,000 people each month buying our books. How much advertising we could buy if we had the income to do so?

Some of you look at the book *The 2300 Days of Hell* and say it is too big a book, or the videos are too long. I wonder what excuse you will give Yehovah on the day of judgment when He asks you why you did not warn the people about the coming sword when you knew it was coming?

Please consider how we can help you warn them with our books and DVD's. Do not be afraid to work with me in sharing this warning.

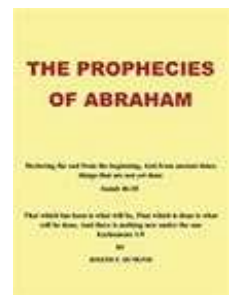

The Shemitah Year 2016-2017

Again I am going to share with you the commandments for the Sabbatical year, maybe each week until you have it memorized. The Sabbatical year began with the sighting of the moon on the evening of March 10, 2016.

- 1) Do not plant
- 2) Do not harvest

Lev 25:3 You shall sow your field six years, and you shall prune your vineyard six years, and gather in the fruit of it. 4 But in the seventh year shall be a sabbath of rest to the land, a sabbath for Jehovah. You shall neither sow your field, nor prune your vineyard. 5 You shall not reap that which grows of its own accord of your harvest, neither gather the grapes of your undressed vine. It is a year of rest to the land.

- 3) You can eat what grows on its own.

Lev 25:6 And the sabbath of the land shall be food for you, for you and for your servant, and for your slave woman and for your hired servant, and for your stranger who stays with you, 7 and for your cattle, and for the beast that *is* in your land, shall all the increase of it be for food.

4) Stock up on food in the 6th year.

Lev 25:20 And if you shall say, What shall we eat the seventh year? Behold, we shall not sow nor gather in our increase! 21 Then I will command My blessing on you in the sixth year, and it shall bring forth fruit for three years.

5) Forgive any debts people owed to you by Sukkot.

Deu 15:1 At the end of *every* seven years you shall make a release. 2 And this *is* the manner of the release. Every man who has a loan to his neighbor shall release it. He shall not exact *it* from his neighbor, or from his brother, because it is called Jehovah's release. 3 You may exact *it* from a foreigner, but your hand shall release that which is yours with your brother,

6) Read the Torah out loud at Sukkot so all can hear it being read.

Deu 31:10 And Moses commanded them, saying: At the end of seven years, at the set time of the year of release, in the Feast of Tabernacles, 11 when all Israel has come to appear before Jehovah your God in the place which He shall choose, you shall read this Law before all Israel in their hearing. 12 Gather the people, men and women and the little ones, and your stranger who *is* within your gates, so that they may hear and that they may learn and fear Jehovah your God, and be careful to do all the words of this Law, 13and*that* their sons who have not known may hear and learn to fear Jehovah your God, as long as you live in the land where you go over Jordan to possess it.

And by now you should also have completed all your obligations to the widows, orphan, and Levites from your tithes for the 6th year that is now past.

Deu 14:28 At the end of three years you shall bring forth all the tithe of your increase the same year, and shall lay *it* up inside your gates. 29 And the Levite, because he has no part nor inheritance with you, and the stranger, and the fatherless, and the widow, who *are* inside your gates, shall come, and shall eat and be satisfied, so that Jehovah your God may bless you in all the work of your hand which you do.

Ask Yehovah to bless you for having completed this task and then ask Him to bless your efforts as you keep the Sabbatical year and keep your food safe from decay or flood or hydro blackouts and from scavengers like rodents. Ask Him to protect it and to bless you for keeping His commandments.

Deu 26:12 When you have made an end of tithing all the tithes of your increase the third year, the year of tithing, and have given *it* to the Levite, the stranger, the fatherless, and the widow (that they may eat inside your gates and be filled), 13 then you shall say before Jehovah your God, I have brought away the holy things out of my house, and also have given them to the Levite, and to the stranger, to the fatherless, and to the widow, according to all Your commandments which You have commanded me. I have not broken Your commandments, neither have I forgotten. 14 I have not eaten of it in my mourning, neither have I put *any* of it away for unclean *use*, nor have I given of it for the dead. I have listened to the voice of Jehovah my God, and have done according to all that You have commanded me. 15 Look down from Your holy dwelling, from Heaven, and bless Your people Israel and the land which You have given us, as You swore to our fathers, a land that flows with milk and honey. 16 Today Jehovah your God has commanded you to do these statutes and judgments. You therefore shall keep and do them with all your heart and with all your soul. 17 You have today said that Jehovah is your God, and that you would walk in His ways, and keep His statutes and His commandments and His judgments, and listen to His voice. 18 And Jehovah has taken you today to be His peculiar people, as He has promised you, and to keep all His commandments, 19 and to make you high above all nations which He has made, in praise and in name and in honor, and that you may be a holy people to Jehovah your God, even as He has spoken.

May Yehovah bless each and every one of you for keeping the Sabbatical year commandment and breaking the curses that are upon our nations because we have not kept them in the past.

World Events Following Bible Prophecy to a Tee

It is now one week after Shavuot. What does this mean?

I want to tell you again to order your own copy of *The 2300 Days of Hell* and read it. Many of you have ordered it but not all of you have read it. I know because of the questions you ask.

Yes, it is a large book and has hundreds and hundreds of footnotes, but it is a deep and in depth look at just 4 verses in Daniel 9. Never before in history since Daniel was told this prophecy has it been understood until now. And it can only be understood by those who understand the Sabbatical and Jubilee cycles as well as keep the Feasts. Those of you who just kept the Feast of Weeks, also the Feast of Oaths which is Shavuot and are keeping the Shemitah this year should be able to understand this prophecy.

I am talking about the Daniel 9:24-27 prophecy because world events are marching on and even racing flat out towards this end time prophecy. DO YOU SEE IT?

Are you reading the news? No, I do not mean 'Facebook' comments and opinions. I mean the real news. Do you watch BBC or other international news sources? Entertainment today is not news, it is gossip.

We have shown to you that you are in the 120th Jubilee cycle since the creation of Adam. This is what Yehovah said about this;

Gen 6:3 And Jehovah said, My spirit shall not always strive with man, in his erring; he is flesh. Yet his days shall be a hundred and twenty years.

That word used for years is *Shanah* and means a revolution of time, or 120 Jubilee cycles. We are the only ones who have done our homework and know as well as have shown you that we are in fact in the 120th Jubilee cycle now since the creation of Adam. This chart is found in The Prophecies of Abraham and can also be [found on our web site](#). Print off a copy and study it.

Yehovah has given mankind 120 Jubilee Cycles to get our act together and then He is going to act. The feathers are about to hit the fan brethren and many of you are still playing church and consider this just another in the long list of religions you have joined with over the years. This is not a religion nor another church you can just join. No, as Shavuot just showed you it is about a relationship, an intimate relationship with the Creator of the universe and you. And His anger is being stirred up by world events.

In our book *The 2300 Days of Hell* we also show you that the 70 weeks of Daniel start with Moses at the burning bush and then end in this 120th Jubilee cycle. The 51st Jubilee cycle had just started when Yehovah sent Moses to go and get His people.

In recent weeks we have also shown you how Yehovah promised Abraham that at the end of the 4th "shanah" He would bring Abraham's descendants back to the land. The 4th "shanah" is the 4th millennium and we are also at the end of that 4th Millennium since Yehovah made that promise to Abraham.

So, here we are at the end of this age and things are already happening that will usher in the horrors that come with this time and the severe birth pains that we will go through. Are you ready? 'Cause ready or not, here they come. You need to read *The 2300 Days of Hell*. All 750+ pages, as we just cannot explain it all in detail here in our newsletters. Many of you already complain they are too long.

Let me now give you the news that many of you may or may not have heard nor understood in the light of prophecy. The world events news fits perfectly with the curses that are being given to us now for not keeping the Sabbath, the Holy Days of Lev 23 and the Sabbatical year. But far too many of you read the bible with thee and thous in your vocabulary and never see it as a relevant book today with world events. Yehovah has done what He said He would do. He has appointed TERROR over us and it is the dominant news story each night and each week since 9/11 took place in the first Sabbatical cycle which began in 1996. Al Qaeda has now turned into ISIS or Daesh. These terrorist attacks took place most recently in Paris and then in Brussels. And they preceded an event later that unified many nations into signing the Paris accord on climate change.

Lev 26:14But if you will not listen to Me, and will not do all these commandments, 15and if you shall despise My statutes, or if your soul hates My judgments, so that you will not do all My commandments, so that you break My covenant; 16I will also do this to you: I will even appoint terror over you, consumption, and burning fever, consuming the eyes and causing sorrow of heart. And you shall sow your seed in vain, for your enemies shall eat it. 17And I will set My face against you, and you shall be slain before your enemies. They that hate you shall reign over you. And you shall flee when none pursues you.

That was just the first curse for not keeping the Sabbatical years and it continues to this very day. The second curse then was applied in the second Sabbatical cycle and continues to this day as well.

Lev 26:18And if you will not yet listen to Me for all this, then I will punish you seven times more for your sins. 19And I will break the pride of your power, and I will make your heaven like iron and your earth like bronze. 20And your strength shall be spent in vain. For your land shall not yield its increase, neither shall the trees of the field yield their fruits.

We have had severe and extreme weather around the world. Droughts in the USA and Australia unprecedented in scope and duration and devastating to the areas affected. In the news the past few weeks has been the monster wildfires in Fort McMurray that destroyed over 2,400 homes and forced about 100,000 people to dramatically flee through raging fires along the only two routes out of town. This was then followed by extreme tornado activity in Oklahoma. Then we had news from Venezuela about people searching out dogs and cats and eating them for the severe hunger they were facing because of the food shortages. This week we have news that Sri Lanka has been flooded and 350,000 people are displaced. Also this week the wildfires at Fort McMurray flared back up and sent those in the oil field running for safety. This just so happened to take place on the same day the New Canadian Liberal Government of Justin Trudeau signed the bill for transgendered rights. That should cause some to pause and think.

The world calls these events and the melting of the ice caps the effects of Global Warming, and the world vows to fight it every step of the way. Every small town and state and country is now involved in this effort to save the world. This is what they all vowed when 177 nations signed the latest version of the UNEP, now called the Paris Accord. More on this in a moment

Yehovah then warns us with a third curse in Lev 26 about pestilence.

Lev 26:21And if you walk contrary to Me, and will not listen to Me, I will bring seven times more plagues on you according to your sins. 22I will also send wild beasts among you, who shall bereave you. And I will destroy your cattle, and make you few. And your highways shall be deserted.

The 3rd Sabbatical cycle began with swine flu pandemic around the world and just as Yehovah said the airports were empty and those from infected areas were locked in their hotels for the 2 weeks they had for vacations in other countries. Then there was the bird flu H1N1, H5N1, and

H7N9 and millions of birds were slaughtered to prevent the spread. Hoof and mouth disease caused whole herds of animals to be slaughtered. Then there was MERS and SARS and oh yes, we can't forget the Ebola scare. And now in 2016 there is the Zika virus.

Let's look at the verse above once again shall we? Here is what the JPS says about this one verse.

Lev 26:22 And I will send the beast of the field among you, which shall rob you of your children, and destroy your cattle, and make you few in number; and your ways shall become desolate.

Yehovah has sent the mosquito as His beast of choice in this plague. Now look up the word for 'rob' you of your children, which is bereave in the MKJV.

H7921 sha?ko?l *shaw-kole'*

A primitive root; properly to *miscarry*, that is, *suffer abortion*; by analogy to *bereave* (literally or figuratively): – bereave (of children), barren, cast calf (fruit, young), be (make) childless, deprive, destroy, X expect, lose children, miscarry, rob of children, spoil.

This word rob you of your children is used only in this one place. Is the Zika virus robbing mothers of their healthy babies?

According to the U.S. Census Bureau's Current Population Survey, in 2014, 47.6 percent of women between age 15 and 44 had never had children, up from 46.5 percent in 2012. This represents the highest percentage of childless women since the bureau started tracking that data in 1976.

Time magazine reported that this pattern is particularly pronounced for women between 25 and 29 — 49.6 percent of women in that age group don't have kids. Unsurprisingly, after age 30 those numbers drop and more women become moms. The survey found that 28.9 percent of women ages 30-34 are child free.

The census data is backed up by data from the National Center for Health Statistics. According to a recent report, in 2013 there were just 62.9 births for every 1,000 women between the ages of 15 and 44 in the U.S. — an all-time low.

These numbers confirm what most child free women already know: greater numbers of women are waiting longer to have children, or not having children at all.

Number of women ages 15-44 with impaired fecundity (impaired ability to get pregnant or carry a baby to term): 6.7 million.

Percent of women ages 15-44 with impaired fecundity: 10.9%.

Number of married women ages 15-44 that are infertile (unable to get pregnant after at least 12 consecutive months of unprotected sex with husband): 1.5 million.

Percent of married women ages 15-44 that are infertile: 6.0%.

Number of women ages 15-44 who have ever used infertility services: 7.4 million.

We now come to the forth curse of Lev 26.

Lev 26:23 And if you will not be reformed by Me by these things, but will still walk contrary to Me, 24 then I will walk contrary to you and will punish you seven *times more* for your sins. 25 And I will bring a sword on you that shall execute the vengeance of the covenant. And when you are gathered inside your cities, I will send the plague among you. And you shall be delivered into the hand of the enemy. 26 When I have broken the staff of your bread, ten women shall bake your bread in one oven, and they shall deliver *you* your bread again by weight. And you shall eat and not be satisfied.

This is what we expect is coming in the 4th Sabbatical cycle which begins in Aviv 2017. The first curse went with the first Sabbatical cycle from 1996-2002. The second curse was compounded with the first and they both went from 2003-2009. The third curse is then compounded, that is added to the other two and then all three go through the years of the third Sabbatical cycle from 2010-2016.

Sabbatical cycle today

So what is in the news that is leading up to this 4th curse of war?

The first curse warned us of the 9/11 attack, which then resulted in the USA and the coalition forces invading Iraq and Afghanistan. We may have defeated them militarily but in both countries the USA never completed the job and broke the opposition. All that they did was to make even more people hate us and to give them hands on training on how to attack and kill us. We trained them in the art of guerrilla warfare.

The US and coalition forces then made room for Shias and Sunnis to escalate their ongoing war. Al Qaeda was then taken over by ISIS which is now called Daesh. ISIS then took over a large portion of Syria and then Iraq slaughtering Christians and enslaving the women as sex slaves wherever they could find them. They then used social media and even more horrific atrocities to inflict terror, the first curse, upon the world. This resulted in Homeland Security being set up and an ever increasing cost to protect the Homeland from terrorist attacks. But it has not been foolproof.

The mess in the Middle East then resulted in mass migrations of Syrian "refugees". Let's understand this. They are economic refugees if anything, but if you look at all the pictures coming from those rescued at sea, or those marching by the thousands through Europe to Germany, there are a hand full of women and children and hundreds and thousands of young, strong, single men. Since the beginning, I have been telling you this is an invasion of Europe and now also North America. Why were none of these "refugees" fleeing to other Muslim countries? It is an invasion and not a flight from war. Libya is also fleeing, as though they too were Syrians.

President Obama vowed to take in between 100,000 and 250,000 Syrian Refugees. But as of May 2016 the US has taken in less than 2,000 and may not even get to the 10,000 mark by

the end of the year. Canada on the other hand, has a new Prime Minister and he wants to be like Obama in liberal attitudes and delusions. Prime Minister Trudeau has already brought into Canada 25,000 Syrian Refugees and has plans to bring in another 25,000 by the end of the year.

Into this mess comes Presidential candidate Donald Trump who wants to stop all Muslim immigration to the US. I have just watched an Info wars video about Louis Farrakhan and his views on Donald Trump's views. As much as I hate Info wars you should watch this video.

In the news was also the recent election of the new mayor of London, England, a Muslim named Sadiq Khan is the newly elected mayor and he said the following about Presidential Candidate Trump's position about stopping Muslims from coming to the USA.

The new Muslim mayor of London has issued a warning to Donald Trump: Moderate your stance on Muslims, or they will launch more attacks against America.

Louis Farrakhan is telling you that with Obama in office the Muslim world, even down to the very street level, hates America and Americans and now the new Mayor of London is warning that Islamic groups will attack the USA. Are you even awake yet to the understanding that you are at war with Islamic forces yet? Oh, there is much more.

In 2009, the muslim population of Germany was about 4 million people or 5.8% of the population. With the mass influx of muslim migrants this past year alone the demographics of Germany have drastically changed. In 2010 Germany had the largest percentage of all of the 13 Million European Muslim.

Germany's Muslim population is set to nearly quadruple to an astonishing 20 million within the next five years, according to a demographic forecast by Bavarian lawmakers.

The German government expects to receive 1.5 million asylum seekers in 2015, and possibly even more in 2016. After factoring in family reunifications — based on the assumption that individuals whose asylum applications are approved will subsequently bring an average of four additional family members to Germany — that number will swell exponentially. This is in addition to the 5.8 million Muslims already living in Germany.

According to the president of the Bavarian Association of Municipalities (*Bayerische Gemeindetag*), Uwe Brandl, Germany is now on track to have “20 million Muslims by 2020.” The surge in Germany's Muslim population represents a demographic shift of epic proportions, one that will change the face of Germany forever, “but we are just standing by, watching it happen.”

President Obama has this year signed an historic deal with Iran on Nuclear arms. Yet Iran continues to pursue its ICBMs that could carry nuclear warheads. Iran is reaching out around the world for partners in it chess game of world dominance. Read this week's article at thetrumpet.com

Iran's War of Terror in Africa

Anthony Chibarirwe | May 11

Even to the casual observer, Iranian meddling in Iraq, Syria, Lebanon, Israel, Yemen, Bahrain and other Middle Eastern nations is abundantly evident.

Iran is fighting both directly and indirectly against rebel forces in Iraq and Syria. It has tremendous clout in Lebanon via its Hezbollah proxy, and its determination to “wipe Israel off the map” is widely known. Recently, an Iranian general declared that his nation “must make efforts to bring Bahrain back into Iranian territory and transform it into a part of [its southwestern province of Bushehr].” And in the past four months, three Iranian shipments of weapons have been intercepted in the Middle East. The most recent of those arms shipments was intended for Houthi rebels in Yemen.

What's less apparent, however, is Iranian meddling in Africa.

In the article “Iran's Other Shadow War Is in Africa,” the War Is Boring blog wrote May 1: “SubSaharan African states, in particular, have long been the setting of Iranian intrigue. In a contradictory arrangement, the public face of Iran's relationship with Africa is that of economic strengthening for mutual benefits, while simultaneously engaging in covert action undermining the stability of the very economies Tehran seeks to work with.”

Under former President Mahmoud Ahmadinejad, Iran vigorously pursued a “South-South” strategy of stronger economic ties with Latin American and African nations. But as War Is Boring explained, trade and diplomacy became Iranian tools for terror and geopolitical clout.

Iran's bilateral ties with the small West African nation of Gambia have been strong since President Yahya Jammeh grabbed power in a coup d'état in 1994. Gambia has staunchly supported Iran's right to a nuclear program. In 2006, Ahmadinejad was the guest of honor at an African Union summit in Gambia. Those strong ties were strained when an Iranian plot to ship arms to anti-Senegalese rebels in Gambia was exposed in November 2010.

The weapons were intercepted in Nigeria—they included Iranian rocket launchers, grenades and artillery rockets.

War Is Boring documented the arrests of some members of Iran's Quds Forces over the past few years. In one raid in 2013, an Iranian-trained Nigerian was arrested for planning to attack Western interests in Lagos, Nigeria.

Another way Iran maintains a strong militaristic influence in Nigeria is through Islamic Movement in Nigeria—a Shiite entity that's pursuing an Iranian-style revolution in northern Nigeria.

Across the continent in East Africa, Iranians or Iranian proxies have been arrested at least three times in the last four years for plotting bomb attacks in Kenya.

In the Indian Ocean island nation of the Comoros, former President Ahmed Abdallah Mohammed Sambi was, as World Politics Review noted April 14, “an open admirer of the Iranian

Revolution.”

He had spent time studying Islam in Iran and was nicknamed “the Ayatollah.” When he came into office in 2006, his security personnel included Iranian military officers. “Tehran’s influence subsequently surged in [the] Comoros” following this and other Iranian activities, wrote World Politics Review.

About Sudan, War Is Boring wrote, “[T]he longest running and most noticeable of Iran’s engagements in Africa is with the Islamist Sudanese regime. While the two nations have had significant differences over the ongoing Yemeni civil war, their military cooperation runs deep.” Sudan’s weapons industry was built with Iranian aid, and its military officials were trained in Iran.

Sudan’s advantage for Iran is its proximity to Israel, via Egypt.

Sudan has hosted training camps for the Palestinian Hamas terrorist group, and has provided a conduit for Iranian arms shipments to the Gaza Strip and Lebanon. Sudan is also strategically advantageous to Iran because it gives it influence over the western side of the Red Sea.

Iran has also had “continuous interference in Somalia’s internal affairs,” according to the Somali Foreign Ministry in January. Somalia accuses Iran of sponsoring Islamic militants in the Horn of Africa nation. It has similarly meddled in the Red Sea nation of Djibouti for strategic purposes.

It’s worth noting that Iran’s ties to many of these nations have been strained in recent months. But the cause of that strain is primarily financial, not ideological. Iran’s chief rival, Saudi Arabia, has cashed in with petrodollars and bought these nations’ allegiances away from Iran.

The World Politics Review concluded: “In spite of its meager return on investment, Iran does not seem prepared to give up on its outreach efforts in Africa. Potential opportunities do exist. ... Concerns in the Sahel and East Africa over the threat of al Qaeda and Islamic State affiliates could provide Iran with an opening to increase its African security engagements.” The War Is Boring post concluded:

Perhaps indicative of Iran’s resilience within its Africa approach is that it has yet to be visibly affected by the recent nuclear deal between the United States and Iran. The objectives of the Quds Force have appeared to carry onward—the plot to bomb Nairobi was revealed after Iran and the P5+1 coalition of states agreed to the first details of the deal. ...

Iran seeks alternative avenues to gain an edge, [and] the opportunities in Africa for asymmetrical conflict can be unpredictably advantageous and could strengthen an otherwise less dangerous player.

It is thus unlikely that Iran will give up its meddling on the continent any time soon—nuclear deal with the United States or not. The chairman of the German Federal Armed Forces Association, Lt. Col. André Wüstner, said in December that terror in Africa “makes it clear once again” that a “ring of fire” extends “from Afghanistan via Yemen, Syria and Iraq to Africa.”

This could well be the reason Europe, as the Bible prophesies, will unleash a “whirlwind” attack in the Middle East and Africa.

By now many of you are getting a head ache as you try to understand all that is going on around the world in light of biblical prophecy. So I will stop now and explain it all now.

In Daniel 11

Dan 11:37He will not regard the God of his fathers, nor the desire of women, nor regard any god. For he shall magnify himself above all. 38But in his place he shall honor the god of forces; and a god whom his fathers did not know, he shall honor with gold and silver, and with precious stones and desirable things. 39So he shall act in the fortresses of *the* strongholds with a strange god, whom he shall acknowledge. He shall multiply in glory, and he shall cause them to rule over many, and shall divide the land for a price. 40And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships. 41And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon. 42And he shall stretch out his hand on the lands. And the land of Egypt shall not escape. 43But he shall have power over the treasures of gold and silver, and over all the precious things of Egypt. And the Libyans and the Ethiopians *shall be* at his steps.

The god of forces is the goddess Cybele, also known as Semiramis, who today is known as the Blessed Virgin Mary. What group of people worship Mary today? It is none other than the Catholic church. Germany has long been a worshipper of the Catholic faith and of Mary. Many of the Emperors of the Holy Roman Empire were both German and Catholic. The god his fathers never knew is the newest god on the world scene. Allah has only been around since the 700's C.E. Germany is going to acknowledge this god of Allah and with it rule over many.

Right now you see this taking shape in Germany with the recent invasion. And by 2020 Germany will have 20 Million Muslims in their country alone and many of them under the age of 32, able to bare arms. Germany is also recruiting 14,000 more troops to its military. In 2015 1.3 million Muslims invaded Europe. The majority of them going to Germany.

Now we read in Daniel's prophecy that the King of the South will butt at the King of the North. Islam is the King of the South. You cannot say it is Shia Iran for sure with Sunnis ISIS doing a lot of the damage. ISIS has sworn it will attack the Papacy in Rome. That word butt in Daniel is to war with.

The Islamic State has a plan to conquer Rome. Yes, it might sound crazy, but ISIS believes the conquest of Rome is central to its mission.

They believe it is necessary to fulfill what Islam teaches was the prophecy of Muhammed and to prepare the return of the Muslim messiah: the Mahdi.

“ISIS thinks that Rome is one of its primary goals and is in its timetable,” Robert Spencer, author of *The Complete Infidel’s Guide to ISIS*, said.

“It has a timetable where in the 10 years, by the year 2025, it hopes to bring about Armageddon, the final struggle between good and evil or between the Muslims and the non-Muslims,” he explained. “And that one of the chief stepping stones to that Armageddon battle is the conquest of Rome, which they think they’re going to be able to do with the next five years, by 2020.”

We have explained this from the point of view of Joseph’s Prophecy when he was in prison. Our article is The Pope and ISIS in Prophecy. I urge you to take the time to read this article and take special note of the 7 years of famine and 7 years of plenty that we explain. Just before that the cup holder and the baker are in prison. Note the quote above says that ISIS wants to attack Rome by 2020. Now look at the charts from our article above and see just how close all this is.

We are going to compare our current Jubilee cycle with the one in Joseph’s time.

Sabbatical cycle today

Notice that we are in the year 2016 which compares to the year in Josephs time of -1611. The 7 years of plenty for Egypt or in this prophetic case for Europe begins in -1607 which is the green shaded areas and this compares to our time as 2020. Those 7 years of plenty go to 1601 and then begins the 7 years of famine for Egypt and in this case Europe. For us the 7 years of Plenty for Europe will go from 2020 to 2026 and then the 7 years of famine for Europe which is the modern Egypt or Great Whore and these years are from 2027 to 2033. 2033 being the final year of the Great Tribulation.

Joseph was taken out of prison after the baker had his head cut off. Two years after. He then interpreted the Pharaoh’s dream about the 7 years of famine. Joseph would have needed time to get organized for the 7 years of Plenty. So if we count back from the start of the 7 years of plenty in -1607 brings us to -1609. But we are also told in Genesis 41:46 that Joseph was then 30 years old and our Chronology shows us that Joseph was 30 years old the year before the 7 years began. What all of this is showing us is that those two years before Joseph was taken out of prison in his 30th year was the year -1610 which compares to our year of 2017.

In 2017 then, we can expect to see ISIS and Abu Bakr al-Baghdadi to successfully attack Rome, possibly with a dirty bomb, forcing the Pope out of the Vatican. This will result in a swift or whirlwind type response (just as Daniel 11:40 says) from Europe upon the Middle East subduing Islam and capturing Abu Bakr which means ‘the baker’ as in Joseph’s dream. Al Bakr would be tried for war crimes against humanity and executed all in 2017.

Then we would have peace peace when there is no peace.

What else is going on? January 1, 2017 will see the new president of the United States. I suspect it will be the business man Donald Trump who is not politically astute. In business you can force the other party to do what you want when you hold all the cards. But in politics you cannot always do that. It is a game of balance that they must play with other nations to keep the peace.

If indeed Europe is attacked by ISIS in 2017 and they respond with either a coalition force including the USA or without the USA, Europe acting alone, then how will a Trump led USA react to all the world's oil now being controlled by a European Union that controls all of Europe and North Africa and the Middle East? The very areas where most of the world's oil come from.

Again go back to the prophecy of Daniel. This Europe is going to have about 20 Million Muslims by 2020 and the prophecy says they will worship and follow a god their father did not know. Germany's population in 2015 was 80 Million people. Now 1/4 of all of Germany will be Muslim. And they will become our enemies during the next administration's term in office.

Now we go to Daniel 8.

Here we have a ram in the Middle East pushing or butting or warring in all directions and it has two horns. Two sources of power. This is Islam and it is the Sunnis and the Shias. The goat from the west is Europe and the goat is to let us know the source of its power, Satan. This Empire has authority over the Saints and is going to trample them underfoot for 2300 days. The Saints are all those children of Jacob, whether they keep the Torah or not. They will be killed and slaughtered and walked over for 2300 days. That is 6 1/4 years. But when does this take place?

Daniel 9 tells us. We are told that many would make a covenant with the Beast power for one week. We have shown you that that one week was and is in fact one 49 year period of time. This covenant is the newest version today of the UNEP and is today called the Paris accord of which 177 out of 192 nations signed on for. Those not signing are of the Muslim nations. Justin Trudeau was highly publicized when he signed it in 2015 after he was elected Prime Minister. He then pledged 2.65 Billion to help fight climate change in addition to the \$1.5 Billion the former government also pledged. \$4 billion in total and all of this to be done by 2020.

It is the UNEP or United Nations Environmental Plan that supports through its Human rights laws the rights of the LGBT communities. And it is these same LGBT rights being enforced in the news today by President Obama, telling the schools to have transgendered washrooms and change areas in all the schools of the nation. On May 17 Prime Minister Trudeau also just signed a Transgendered Bill of Rights for Canada. What do transgendered washrooms and LGBT rights and gay marriage have to do with saving the environment? Nothing, but this is just

part of the covenant with many that the world has signed on for one week, one 49 year period of time.

This covenant began June 5-16 1972 in Stockholm Sweden. One 49 year period of time later brings us to the week after Shavuot in 2020. Do you see 2020 coming up over and over in our discussions and newspaper articles?

Dan 9:27 And he shall confirm a covenant with many *for* one week. And in the midst of the week he shall cause the sacrifice and the offering to cease, and on a corner *of the altar* desolating abominations, even until *the* end. And that which was decreed shall be poured on the desolator.

Notice again that the sacrifices are to cease just as they were in Daniel 8.

Dan 8:8 Then the he-goat became very great. And when he was strong, the great horn was broken. And in its place came up four outstanding *ones* towards the four winds of the heavens. 9 And out of one of them came forth a little horn, which became very great, toward the south and toward the east and toward the bountiful *land*. 10 And it became great, *even* to the host of heaven. And it made fall some of the host and of the stars to the ground, and trampled them. 11 Yea, he magnified himself, even to the ruler of the host, and the daily *sacrifice* was taken away by him, and the place of his sanctuary was cast down. 12 And an army was given *to him* against the daily *sacrifice* because of transgression, and it cast the truth to the ground. And it worked and succeeded. 13 Then I heard a certain holy one speaking, and another holy one said to that one who spoke, Until when shall the vision last, concerning the daily *sacrifice* and the transgression that astounds, to give both the sanctuary and the host to be trampled? 14 And he said to me, For two thousand, three hundred evenings and mornings. Then the sanctuary shall be vindicated.

Notice that in the middle of the week, in the middle of the 70th week, that is when he causes the sacrifices to end. The middle of the 70th week, is the middle of the 70th Jubilee cycle and it is the same as the 120th Jubilee cycle. The very one we are now living in. The very middle of the Jubilee cycle is the Feast of Shavuot in 2020. That is when the descendants of Jacob, whether they believe in the Torah or not, will be cut off and trampled underfoot. They will be slaughtered and not able to offer sacrifice of our lips at the Appointed times. We will be running for our lives at this time.

Donald Trump, if he is elected President, will be in his 4th year and that term of office is set to end on January 1, 2021. Candidates will be vying for the next presidential election in the fall of 2020. But Shavuot 2020 will take place that summer.

I read somewhere and I cannot find the article now, about how Germany has stated publicly it is not opposed to a preemptive strike. In other words, a surprise attack.

Brethren, I keep telling you war is coming and is now just a few short years away. For the life of me I do not understand why I have so little help in shouting out this warning message. I do not understand why you and others are not all screaming this warning out. Why so very few are supporting us who are. Instead we want to fight and argue over so many stupid things.

I pray you will help us to share this warning message, to help us carry the cost of shouting this message and perform the warning of Ezekiel as we are commanded. I do not want the blood of those that are about to die to be upon my head for not doing the job and warning them. How about you?
