Shabbat Shalom to The Royal Family of Yehovah,

Before you get too far into this Newsletter, I want you to recall that last week we talked about the Equinox and how those who promote it today are teaching you a false doctrine. Even though they are sincere it is still false. Where it came from was one question I did not address. I would like to share with you what my friend [Nehemiah Gordon](#) has shared regarding this same subject about Constantine. (You may need to be a supporter of Nehemiah's ministry to view this or download the transcript.)

At the same time I also want to point out the number of times that the Barley has been ready by March 10 in the past 10 years, which Nehemiah does talk about.

And then as your considering the chances of it actually being early this year, I want you all to then once again read the Blood Moon teaching we have on this subject and how we have been warning you of the coming dark moons on Passover and Sukkot in 2016 IF the Barley is ready March 10. You can order the e-book from [our store](#) or watch the [video here](#).
