Shabbat Shalom Family,

the past number of years, I have seen something happening here with the tribes of Israel that has saddened me. I see an apathetic view of keeping Torah. A more and more ambivalent and ever-increasing coddling of liberal attitudes in the whole of our society and even amongst those who claim to be Torah observant, mixing in with the Torah their liberal ideas, attitudes and false teachings they bring from their former groups. And the mixing in of conspiracy teachings as if they were the gospel itself.

When I first learned about the Sabbatical years way back in 2005, I began to tell people that same year in north America and also in Israel. By 2008 I was on the Prophecy Club and went across the USA speaking in 10 cities in 12 days.

In 2010 we published our first book *The Prophecies of Abraham*. We then had to write *Remembering the Sabbatical Year of 2016* to answer all the questions this subject raised. That book came out in 2013 and we then published two more books in 2014: *The 2300 Days of Hell* explaining the prophecy of Daniel 9:24 by understanding the Sabbatical and Jubilee cycles, and our e-book on The Blood Moons, showing how the blood moons came before disasters in almost every case in the bible all the way back to the death of Adam.

Today the blood moons again warn us of impending doom to those who will not obey, and this doom is right in front of us.

But who is listening to our warning? Who is helping us to share this message and carry this load? Who?

Few stepped up and helped in the beginning. For years I paid what it cost to share this message out of my own pocket. Then some more came forward and we could do a little more.

By the grace of Yehovah a few came at the right time and made it possible to record our teachings in 2013 on video. Our expenses also began to increase and my business was sold.

I ask you to judge me by the things that Yehovah has done through us. That He has allowed us to be a part of.

James 2:15 If a brother or sister is naked and destitute of daily food, 16 and if one of you says to them, Go in peace, be warmed and filled, but you do not give them those things which are needful to the body, what good *is it?* 17 Even so, if it does not have works, faith is dead, being by itself. 18 But someone will say, You have faith, and I have works. Show me your faith without your works, and I will show you my faith from my works. 19 You believe that there is one God, you do well; even the demons believe and tremble. 20 But will you know, O vain man, that faith without works is dead?

Read this parable, speaking about Israel and ask if this does not sadden you.

Mat 22:1 And Jesus answered and spoke to them again by parables, and said, 2 The kingdom of Heaven is like a certain king who made a marriage for his son. 3 And he sent out his servants to call those who were invited to the wedding; and they would not come.

Israel would not come. Your family and friends and neighbours would not and will not come.

4 Again he sent out other servants, saying, Tell those who are invited, Behold, I have prepared my dinner; my oxen and fatlings *are* killed, and all things *are* ready. Come to the marriage. 5 But not caring, they went their ways, one to *his* field, another to *his* trading. 6 And the rest took his servants and treated *them* spitefully, and killed *them*.

No one cares. Their ears grow tired of learning, tired of the many who do not teach the truth.

7 But when the king heard, he was angry. And he sent out his armies and destroyed those murderers, and burned up their city.

Are you aware that the 4th curse of Lev 26 is the sword? That is the curse that is to start after the 2016 Sabbatical year, and this is why we need to warn everyone we can. We are told in Ezekiel if you see the sword coming you must warn the brethren. We are doing this. I have gone personally to each of the messianic and Sabbath keeping groups that I can find in and around Ontario and told the leadership about the Sabbatical years and given them the books.

I have also spoken face to face with almost all the Messianic teachers and the few I have not met, I called. But not one of them is going to keep the Sabbatical years and they teach the brethren not to as well.

Some of the local groups are interested and others are not. I have done this in an effort to find those who will obey Yehovah and keep the Sabbatical year in 2016. Those who do not obey will have to face the sword the same way the Jews did the Holocaust in WW II. They were not protected even though they kept the Sabbath and Holy Days. They did not keep the Sabbatical and Jubilee years.

Now pay attention to what Yehovah says next to His servants.

8 Then he said to his servants, The wedding is ready, but they who were invited were not worthy.

Israel, all 12 tribes was not worthy. Are you?

9 Therefore go into the exits of the highways, and as many as you shall find, invite them to the marriage. 10 So the servants went out into the highways and gathered together as many as they found, both bad and good. And the wedding was filled with reclining guests.

These are the gentiles that are invited and Brethren, I see this first hand all the time. More excitement and enthusiasm comes from the Asian Brethren who are learning these truths.

You have just read about two examples in Africa and now we are going to the Philippines. But the Torah is not waiting for you to bring it to China or Korea or India. No, it does not wait for you. That wedding is going to happen and if you are not in your seat then it will be given to one of the Gentile peoples who will take it.

We need your help to reach all 12 tribes of Israel and these gentile nations by whatever means we can. Will you help us weekly from this time forward? Prayers, or posting our book in your social media pages and doing it all the time. And financial support is needed. Not much, but we do need some.

Thank you for any way you can help us.

Yes, you can be Gay and Christian

This week as we come to the end of June, the month with all the Gay Pride parades around the world, I just could not let it go by without once again showing you what is going on in the world. How these very events are foretold to us just before we return to the land.

That time is directly in front of us and at the same time we have all of these disgusting events around the world and even in Jerusalem and Tel Aviv.

I am going to post a few articles for you to read to help you gain a greater understanding of this in an overall view. I know many of you are too busy to read these things. That is fine. When they overcome you, you will know you could have been prepared beforehand but....

Our first article explains the importance of [Afflicting our Soul at the Day of Atonement](#) and connects it to the story of Balaam.

I wanted to share with you one article I saw this past month. As I searched for it, I came upon this page listing all the places around the globe with [Gay Pride Parades](#). I also learned that there are Gay cruise ships and Gay bus trips and a great many things that are now catering to the Gay lifestyle.

On the news tonight was a story about a man who is now a woman and wants to have an operation to change the sex organs to make the process complete. The story said that there are over 900 people waiting for this operation to take place, but only about 177 are being approved by this government agency. They were upset at the slowness of the process and were going to claim they were being prejudiced against because of sexual stereotypes.

This story was then followed by comments from Ontario's lesbian Premier Kathleen Wynn. When I changed the channel from this story I was able to tune in to Modern Family, where the gay lifestyle is made to be normal in a comedic fashion.

We have been acclimatized. Like a frog in a pot of water. If you put the frog in a pot of boiling water it will jump out immediately, but if you put it in a pot of temperate water and then turn up the heat slowly, the frog will sit there and cook to death and never know what happened.

You, Brethren, are that frog and the water is near to boiling and you have no clue and many of you will not believe me, because you know better. But here is a short video of a group of young ladies at a gay pride event at Duke University and they are from a variety of Churches and they all agree that you can be gay and be a christian.....

Christianity does not keep the Torah. It has no compass to follow. Therefor it changes the rules to suit the times they are in. It has not changed since they were first founded.

From 119 Ministries: Paul, The Nazarene Ringleader.

Epiphanius, 4th century 'church father' wrote:

But these sectarians...did not call themselves Christians—but “Nazarenes,”...However they are simply complete Jews. They use not only the New Testament but the Old Testament as well, as the Jews do....They have no different ideas, but confess everything EXACTLY as the Law proclaims it and in the Jewish fashion— except for their belief in Messiah, if you please! For they acknowledge both the resurrection of the dead and the divine creation of all things, and declare that God is one, and that his son is Yeshua the Messiah. They are trained to a nicety in Hebrew. For among them the ENTIRE LAW, THE PROPHETS, AND THE WRITINGS are read IN HEBREW, as they surely are by the Jews.

They are different from the Jews, and different from Christians, only in the following. They disagree with Jews because they have come to faith in Messiah; but since they are still fettered by the Law —circumcision, the Sabbath, and the rest — they are not in accord with Christians....they are nothing but Jews.

They have the Goodnews according to Matthew IN ITS ENTIRETY IN HEBREW. For it is clear that they STILL PRESERVE THIS, IN THE HEBREW ALPHABET, AS IT WAS ORIGINALLY WRITTEN.

Epiphanius; Panarion 29

Here is the article I was looking for, about this young child dancing in the Gay Parade in a very sexual fashion with many people watching and enjoying his dancing.

We also have another article again dealing with Baal Peor and what it really is that Israel was doing with the Moabite women. Baal Peor is the god of holes. Sexual hole. Oral and Anal sex.

So what does all of this have to do with prophecy?

In Daniel 9 we are told about the covenant made with many. In our book The 2300 Days of Hell, we explain how the UN created the UNEP in 1972 and since then the whole world has signed on to it. One of the main declarations in this UN Environmental Program was the charter on human rights. In these Human rights are the rights of the LGBT, Lesbian, Gay, Bisexual and Transvestite. All signatory nations are obliged to push for these human rights when making all national negotiations and treaties.

It is one of the things the US pushes for when dealing in the Middle East. You can read our teaching on this in *The 2300 Days of Hell* book or watch our two part video on The Great Enlightenment of Mankind.

Brethren, we are now in the times just before we are to enter the land of Israel at the end of the 6th millennial day. Just like the Moabite women and Israel, today Baal Peor, the god of holes, is dominant in our society. Christianity does not keep the law and because they are not tied to the law of the Torah anyone can do whatever is right in their own eyes, just as the young ladies said at Duke University in the short video above. All you need is love.

Yehovah says something else. He says you need to obey Him, and because our society does not obey Him, He is raising up the Islamic army that is going to kill this society for going after Baal Peor. Lev 26 says the next curse is the curse of the sword. Daniel 9 says that this is to take place in the middle of this 70th Jubilee cycle which began in 1996 and ends in 2044. That means the middle is 2020.

Do you really think it is wise right now not to keep the Sabbatical year in 2016 and the Holy Days of Lev 23 and the weekly Sabbath at this time in history? On the contrary, I think it is the most important thing any of us can do, to obey Yehovah and have faith He will protect us from the evil coming.

The question is, are you more into unnatural sex and liberal attitudes than you are into obeying Yehovah? As always, you get to choose. Choose wisely.
