STOP PLAYING RELIGION! THOSE
PROPHECIES ABOUT THESE END TIMES
ARE REAL AND HERE NOW.

February 6, 2016

Shabbat Shalom Brethren,

I posted this letter a few weeks ago, but do so again with this purpose in mind. To help you understand what you are to do once you have read *The 2300 Days of Hell* book. I simply cannot tell you enough why you all need to get this book now and read it.

2300 DAYS OF HELL. The two witnesses, Josephs 7 years of plenty and 7 YEARS OF FAMINE.. . . . For a long time I stalled at reading this book because I was intimidated by the title.... I know bad times are coming. . . I know we have brought Judgement upon ourselves by disobedience but I did not want to read the gruesome details. But I finally plucked up the courage . . . and now want to encourage EVERYONE I know to read this informative, fascinating authoritative account of who we are... why we are where we are.... how we got to where we are.... both in the physical sense – who are the Anglo Saxons? Where did they come from and where did they go to? Who are the Huns, Goths, the Visigoths? Where did they come from? where are they going?. and in the Spiritual sense. . . . What is prophesied in Scripture for all these people?. . . . READ THIS BOOK to find the answers to these and dozens more fascinating questions you haven't even thought of.

From my Dearest Friend in South Africa

Please read carefully the words this next reader uses and how aptly he expresses his feelings. I feel the very same things many times. I was very pleased to receive this email which we are now going to talk about.

Joseph

I have emailed you few times now as I read your latest 2 books. I feel rather senseless now as I finish those 2 books today.

I have been on a roller coaster of denial, to acceptance, to anguish, to fear, to peace and assuredness, to researching, and to right now I feel numb and lost.

Yes, I am grateful to know the truth. I am very scared also at the same time because of the truth.

I have a family, wife and young children. Not much money to my name either.

I know of Ron Wyatt and have read his personal newsletters catalogued together in a booklet that can be bought on his website. I learned more from that booklet than most of my Christian life. I was truly blessed. But your books have caused dread in me and broken me of all future hopes and dreams that I could would occur for me and my family.

Since 2005, I have wanted to share the message of the Hebrew roots with pastors. Heck, I married a pastor's daughter. All the times I have tried I have been ridiculed or pushed aside.

I also would like to share this message of Daniel's prophesy. Considering time is short and my resources are limited.

I want to serve God to my generation. I want to be told "good and faithful servant."

Right now, I am overwhelmed with thoughts of the future and blindsided by my day to day demands.

I wondered if you have any advice for me and my family.

Rob

Shortly after receiving the email above and while the first one above was still weighing on my mind, I also received this email this week which says the same things and also comments on last week's News Letter. So let me also share this one with you, before we begin.

Dear Joseph,

This is Mike, ... I just want your ears to hear what my heart is saying. Do not be discouraged! Did not Gideon by Yehovah's command reduce his numbers at the waters by examining the manner that they drank of the waters? and yet Yehovah's glory was known and it was a victory

You go forward, know that we are out here supporting you every day in our thoughts and prayer.

Gideon's Three Hundred Men

1 Then Jerubbaal, who *is* Gideon, and all the people that *were* with him, rose up early, and pitched beside the well of Harod: so that the host of the Midianites were on the north side of them, by the hill of Moreh, in the valley.

2 And the LORD said unto Gideon, The people that *are* with thee *are* too many for me to give the Midianites into their hands, lest Israel vaunt themselves against me, saying, Mine own hand hath saved me.

3 Now therefore go to, proclaim in the ears of the people, saying, Whosoever *is* fearful and afraid, let him return and depart early from mount Gilead. And there returned of the people twenty and two thousand; and there remained ten thousand.

4 And the LORD said unto Gideon, The people *are* yet *too* many; bring them down unto the water, and I will try them for thee there: and it shall be, *that* of whom I say unto thee, This shall go with thee, the same shall go with thee; and of whomsoever I say unto thee, This shall not go with thee, the same shall not go.

5 So he brought down the people unto the water: and the LORD said unto Gideon, Everyone that lappeth of the water with his tongue, as a dog lappeth, him shalt thou set by himself; likewise every one that boweth down upon his knees to drink.

6 And the number of them that lapped, *putting* their hand to their mouth, were three hundred men: but all the rest of the people bowed down upon their knees to drink water.

7 And the LORD said unto Gideon, By the three hundred men that lapped will I save you, and deliver the Midianites into thine hand: and let all the *other* people go every man unto his place.

8 So the people took victuals in their hand, and their trumpets: and he sent all *the rest of* Israel every man unto his tent, and retained those three hundred men: and the host of Midian was beneath him in the valley.

.....and you know the rest of the story

16 And he divided the three hundred men *into* three companies, and he put a trumpet in every man's hand, with empty pitchers, and lamps within the pitchers.

17 And he said unto them, Look on me, and do likewise: and, behold, when I come to the outside of the camp, it shall be *that*, as I do, so shall ye do.

18 When I blow with a trumpet, I and all that *are* with me, then blow ye the trumpets also on every side of all the camp, and say, *The sword* of the LORD, and of Gideon

Read what this email is saying. It is so profound.

Joseph, you have put a trumpet in our hands by the decree of Yehovah, before the sword comes
On our Midianite acting nation. May he cause us to blow this trumpet to those he places in our
path. Amen

Now, as to Jesus, what pettiness and shameful hypocrisy. To the young lambs at the tits, Jesus is
all they know, it's their heart that's vitally important. They will come to know his name when he
gathers them as well as ourselves, we know through having more tools at our hands the possible
names Yeshua, Yahovah, Yu -Hey-Vav-Hey etc.

My thoughts go to Paul's writings, though sometimes difficult as Peter said.

For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea, woe
is unto me, if I preach not the gospel!

17 For if I do this thing willingly, I have a reward: but if against my will, a dispensation *of the
gospel* is committed unto me.

18 What is my reward then? Verily that, when I preach the gospel, I may make the gospel of
Christ without charge, that I abuse not my power in the gospel.

19 For though I be free from all *men*, yet have I made myself servant unto all, that I might gain
the more.

20 And unto the Jews I became as a Jew, that I might gain the Jews; to them that are under the
law, as under the law, that I might gain them that are under the law;

21 To them that are without law, as without law, (being not without law to God, but under the law
to Christ,) that I might gain them that are without law.

22 To the weak became I as weak, that I might gain the weak: I am made all things to all *men*,
that I might by all means save some.

23 And this I do for the gospel's sake, that I might be partaker thereof with *you*.

24 Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye
may obtain.

25 And every man that striveth for the mastery is temperate in all things. Now they *do it* to obtain
a corruptible crown; but we an incorruptible.

Be encouraged my dear, dear brother. As I told you in my previous letter we are in our slow
season at work right now (HVAC industry, small company) and me being out for two months,
cash flow is tight but I can send funding soon for you to use wisely, for I know that you will.

Most of all I am extremely excited and eagerly looking to see what door opens for you next!

You must share with us please.t

Before I go, you said:”

Now, with this silly illustration behind us let me explain. Have any of you gotten to the point where you are excited as can be about all the things you have learned in this walk but are very concerned about introducing this to your friends and family? Has a brief moment of concern crossed your mind as to who you trust enough to introduce this walk to? Have any of you said to yourself that this teacher or that teacher is really good as long as your interested friend does not hear this or that?”

My children and son in laws all observe Yehovah’s Holy days, and are all happy healthy and blessed, as much as to be stay at home moms, as my Wife was, they can understand the Sabbatical years and jubilee cycles, but I am reluctant to give them the news of the 2300 days in hell.

This message has made me sick, mentally, physically, emotionally not to mention the back surgery and coming off methadone all during the same period, which has its own issues.

How do I break it to them? The curses, terror, pestilence, famine and war coming to a theater near them in 4-6 years, even if they are walking Torah to the best of their ability. It’s sickening, depressing, and ugly. When they just started their own families, with three grandsons for me, all under two years old. Thank God their not old enough to be drafted to bleed out on foreign soil in war. It’s just a hard as hell and tough thing to reveal to them at the highlight time in their life.

Please correct me if you see something mixed in my thinking, I desire wisdom .

But I wrote to encourage you brother, you run and do not faint or let others diminish the flame that Yehovah has placed in your heart.

Gratefully,

Michael

Three well written emails and all of them speaking truthfully from their hearts.

So I want to focus on these points that they have made. The first one said this;

For a long time I stalled at reading this book because I was intimidated by the title.... I know bad times are coming. . . I know we have brought Judgement upon ourselves by disobedience but I did not want to read the gruesome details. But I finally plucked up the courage .

The second said these things;

I feel rather senseless now as I finish those 2 books today.

I have been on a roller coaster of denial, to acceptance, to anguish, to fear, to peace and assuredness, to researching, and to right now I feel numb and lost.

Yes, I am grateful to know the truth. I am very scared also at the same time because of the truth.

I want to serve God to my generation. I want to be told "good and faithful servant".

Right now, I am overwhelmed with thoughts of the future and blindsided by my day to day demands.

I wondered if you have any advice for me and my family.

And the third one wrote these things. I am picking out just those things I want to focus on for this News Letter;

My children and son in laws all observe Yehovah's Holy days, and are all happy healthy and blessed, as much as to be stay at home moms, as my Wife was, they can understand the Sabbatical years and jubilee cycles, but I am reluctant to give them the news of the 2300 days in hell.

This message has made me sick, mentally, physically, emotionally not to mention the back surgery and coming off methadone all during the same period, which has its own issues.

Recently we watched as the Mississippi river reached record levels after one large rainfall fell this winter. Towns and cities were submerged and those downriver watched and waited with horror and baited breath as the crest slowly but surely made its way south, swallowing up whole communities. Others were protected by the dykes and preparations made to face this monster flood head on.

The 2300 Days of Hell is similar to this massive flood that was sent by Yehovah. He sent the rains and He is sending the army to destroy Israel, all 13 tribes. Many of you are in those 13 tribes to be destroyed. Only a remnant is to survive.

As many watched the crest of the flood slowly move south, the realization soon set in that they would lose their homes and everything they had invested into the land and businesses. And they could do nothing about it. There would be an attempt to sandbag the property and man the pumps but the volume is just overwhelming. So you try to vacate and save those things you value and you remove yourself and your family to a safer place.

As we begin to answer those questions posted above keep in mind how many times I have told you all to take care of the widow and the orphan around us. Now take a look at what Isaiah says;

Isa 10:1 Woe to those who decree unrighteous decrees, and to the scribes *who* write toil; 2 to turn aside the needy from judgment, and to steal the right from the poor of My people, that widows may be their prey, and they rob the orphans! 3 And what will you do in the day of judgment and in destruction, of ruin *when* it comes from afar? To whom will you flee for help? And where will you leave your glory?

Isa 10:17 And the light of Israel shall be as a fire, and His Holy One as a flame; and it shall burn and devour his thorns and his briers in one day. 18 And it shall burn up the glory of his forest and of his fruitful field, both soul and body; and they shall be as when a sick one faints. 19 And the rest of the trees of his forest shall be few, so that a boy might write them. 20 And it shall be in that day, the remnant of Israel, and those who have escaped from the house of Jacob, shall never again lean on him who struck them; but truly lean on Jehovah, the Holy One of Israel. 21 The remnant shall return, the remnant of Jacob, to the mighty God. 22 For though Your people Israel are like the sand of the sea, *yet* a remnant of them shall return; the full end which is decreed shall overflow *with* righteousness.

We have also proven to you, and you have also proven to yourselves that we are indeed living in the 120th Jubilee cycle.

You have learned and proven what Daniel 9 is actually saying and that we are also in the 70th “week” or Jubilee since Moses was told to go and get His people at the burning bush.

You have proven these things!

You have proven that in each Jubilee cycle there are blessings for obeying and curses for not obeying them. And we are now at the end of the 3rd Sabbatical cycle. One of the curses for this cycle is disease and the news this week is all about the Zika virus causing pregnant women to give birth to babies with small heads. It is epidemic throughout all of North and South America with Canada and Argentina on the fringe of it. Not too long ago we were all talking about the Ebola outbreak and before that Bird Flu.

You have read *Remembering the Sabbatical years of 2016* and you now understand the curses of Lev 26 and you now see them on the nightly news. You see the curse of terror and you see the curse of severe weather and now, disease. You know that the next two curses are of war and captivity. You can no longer deny these things, because you can see them with your own eyes and you have proven the Torah by your own studies. I have merely helped you to figure out how to do it, but it is Yehovah who has opened your eyes to see these things.

Current Jubilee Cycle

He is the one calling you. Not me – you are not to follow me. You are called by the grace of Jehovah to follow Him and Him alone. You are commanded to obey His commandments or else suffer the curses, which He has also explained.

Deu 6:1 And these *are* the commandments, the statutes, and the judgments, which Jehovah our God commanded to teach you so that you might do *them* in the land where you go, to possess it, 2 that you might fear Jehovah your God, to keep all His statutes and His commandments which I command you, you, and your son, and your son's son, all the days of your life, and so that your days may be prolonged. 3 Then hear, O, Israel, and be careful to *do* it, so that it may be well with you, and that you may greatly multiply, as Jehovah, the God of our fathers has promised you, in the land that flows with milk and honey. 4 Hear, O, Israel. Jehovah our God *is* one Jehovah. 5

And you shall love Jehovah your God with all your heart and with all your soul and with all your might. 6 And these words which I command you this day shall be in your heart. 7 And you shall carefully teach them to your sons, and shall talk of them when you sit in your house and when you walk by the way, and when you lie down, and when you rise up. 8 And you shall bind them for a sign upon your hand, and they shall be as frontlets between your eyes. 9 And you shall write them upon the posts of your house, and on your gates. 10 And it shall be when Jehovah your God has brought you into the land which He swore to your fathers, to Abraham, to Isaac, and to Jacob, to give you great and good cities which you did not build, 11 and houses full of every good *thing* which you did not fill, and wells which are dug, but which you did not dig, vineyards and olive trees which you did not plant, and you shall eat and be full, 12 you shall be on guard lest you forget Jehovah who brought you forth out of the land of Egypt, from the house of slaves. 13 You shall fear Jehovah your God and serve Him, and shall swear by His name. 14 You shall not go after other gods, of the gods of the people all around you, 15 for Jehovah your God *is* a jealous God among you, lest the anger of Jehovah your God be kindled against you and destroy you from off the face of the earth. 16 You shall not tempt Jehovah your God as you tempted in Massah. 17 You shall carefully keep the commandments of Jehovah your God, and His testimonies, and His statutes which He has commanded you. 18 And you shall do the right and good in the sight of Jehovah, so that it may be well with you, and so that you may go in and possess the good land which Jehovah swore to your fathers, **19** to cast out all your enemies from before you, as Jehovah has spoken.

We quote 2 Kings 19:29 all the time to show you when the Sabbatical and Jubilee years are. Have any of you noticed what comes next in this prophecy given to Hezekiah?

2Ki 19:29 And this shall be a sign to you: you shall eat this year such things as grow of themselves, and in the second year that which springs up of the same. And in the third year, sow and reap and plant vineyards and eat the fruits of them. 30 And the remnant that has escaped of the house of Judah shall yet again take root downward and bear fruit upward. 31 For out of Jerusalem shall go forth a remnant, and they who escape out of Mount Zion. The zeal of Jehovah of Hosts shall do this. 32 So Jehovah says this concerning the king of Assyria. He shall not come into this city, nor shoot an arrow there, nor come before it with shield, nor throw up a bank against it.

If you keep the Sabbatical and Jubilee years then you can be part of this remnant. Yes, I admit I am reading into this somewhat.

You all can remember the warnings about Hurricane Sandy in 2012 and most recently the Snow Storm Jonas of January 2016 in the Boston area. How many people died in these? From Hurricane Sandy there were 285 deaths and from the winter storm Jonas in New England in 2016 there were at least 25 death due to this blast from Yehovah.

Did these people die because they were not prepared or because they did not heed the warnings? Did they underestimate the severity of the storm? I do not know and it does not matter, they are all still dead. Millions got out of the way of Hurricane Sandy and lived. Millions again survived Jonas because they took precautions.

On the news now are warnings to all pregnant women not to travel to the Zika prone countries or risk your child being born with a small head. What are you going to do? Will you ignore this warning or heed it?

You all get my drift on this. We have warnings of coming disasters and we either ignore them or we take precautions or we get out while we can.

We have been warning you since 2005 about the Islamic invasion that was coming. We wrote about it in our book *The Prophecies of Abraham* and told you how Esau was going to rise up and shake off the yoke of Jacob. We wrote these things in our News letters in 2008 and 2009 and then we published them in 2010 in our first book.

Then in 2011 the Arab spring took place and it has led to the mess we have all over the Middle East in Syria and Libya and Egypt and also in Europe and now in North America.

In 2013 we made the video series at Sukkot in Tennessee. The things we said about what was coming caused the whole audience in attendance to weep. Many of the things I said were edited out of the video because they were deemed too graphic or too severe for people to hear.

But now on the nightly news, those things I said that would come are now here and do not even compare to what is on the nightly news. Yes, they are here and there is much more to come and it will be as worse as it was for the Christian communities in Iraq and Syria who are being hunted and slaughtered and raped and plundered by ISIS, with no one coming to their aide. These are the Hunters Yehovah warned you about, if you did not listen to the Fishermen.

Like the flood you see it coming; like the hurricanes or extreme severe weather you have been warned they are coming. What you do is up to you. Doing nothing is doing something.

Like those who have written in the emails above, I too have had to come to grips with the facts we are dealt with. I am not going to be able to buy that dream farm I have always wanted. I am not going to invest in and create the super family business that is going to make me and my heirs millions as we work it.

I have spent that money warning you and others. I have spent my money to warn you.

I too, have had my family think I am absolutely bonkers because of the things I am teaching and saying.

I have grandchildren who are going to grow up, if they survive, into the horror that is coming. My grandchildren have gorgeous looking mothers that are unaware of the things that Islam does to women. I get your concerns and I have them too for my family as well. All my dreams are also gone. The cold hard reality of the Bible is now upon us. We rejoice at the end results, but the labour pains are terrifying.

But what do we do?

You see the flood coming, what do you do? You have heard the weatherman warn you of a huge winter storm, what do you do? You have heard that there are severe Tornado warnings out in your area or that this hurricane is already above the F5 warning levels.....WHAT DO YOU DO?

You have seen what these storms did in other areas reported by the News, what do you do?

You have seen what ISIS is doing to the women they capture and to the men they capture, WHAT DO YOU DO?

You have heard the warning from me about the Daniel 9 prophecy and you have heard it also about the Lev 26 curses. You have proven these things to yourself beyond all doubt and yet you now ask, what do I do?

You heard me warning you about Islam starting back in 2005, and you thought I was nuts. You now see on the nightly news the invasion of Europe and how in North America we invite them here. You have read about how they are raping and killing our women and children and how they want to destroy us; the very things I have warned you about. What do you do?

Yehovah has shared these things with you. What are you to do?

As always, the answers are found in your Torah.

Yehovah does nothing unless He reveals His secrets to His servant the prophets.

Amo 3:1 Hear this Word that Jehovah has spoken against you, sons of Israel, against the whole family which I brought up from the land of Egypt, saying, 2 You only have I known of all the families of the earth; therefore I will punish you *for* all your iniquities. 3 Can two walk together unless they are agreed? 4 Will a lion roar in the forest when he has no prey for him? Will a young lion cry out of his den unless he has caught? 5 Will a bird fall into a trap *on* the ground, and there is no bait for it? Will a trap spring up from the ground, and nothing at all be caught? 6 If a ram's horn is blown in a city, will the people not also tremble? If there is a calamity in a city, has Jehovah not also done it? 7 For the Lord Jehovah will do nothing unless He reveals His secret to His servants the prophets. 8 The lion has roared; who will not fear? The Lord Jehovah has spoken; who will not prophesy?

You are His servant if you are obeying His commandments and He reveals all things to you so that you know what our King is doing.

Joh 15:12 This is My commandment, that you love one another as I have loved you. 13 No one has greater love than this, that a man lay down his life for his friends. 14 You are My friends if you do whatever I command you. 15 No longer do I call you servants, for the servant does not know what his master does. But I have called you friends, for all things that I have heard from My Father I have made known to you. 16 You have not chosen Me, but I have chosen you and ordained you that you should go and bring forth fruit, and *that* your fruit should remain; that whatever you shall ask of the Father in My name, He may give it to you. 17 These things I command you, that you love one another. 18 If the world hates you, you know that it hated Me before *it hated* you. 19 If you were of the world, the world would love its own. But because you are not of the world, but I have chosen you out of the world, therefore the world hates you. 20 Remember the word that I said to you, The servant is not greater than his master. If they have persecuted Me, they will also persecute you. If they have kept My saying, they will also keep yours. 21 But all these things they will do to you for My name's sake, because they do not know Him who sent Me.

Yehovah declares these things to you before they come for a reason. The Trumpet blasts are shown to those of us who are obeying before they come. We are in the final Jubilee cycle when all these things must come to pass.

Rev 10:7 But in the days of the voice of the seventh angel, when he will begin to sound, the mystery of God should be finished, as He has declared to His servants the prophets.

Yehovah has a habit of warning those who are obeying Him, of what is about to come. He did it with Noah and with Abraham and He is doing it with us today.

Gen 6:13 And God said to Noah, The end of all flesh has come before Me, for the earth is filled with violence through them. And, behold, I will destroy them *with* the earth.

Gen 18:17 And Jehovah said, Shall I hide from Abraham the thing which I do, 18 And Abraham shall surely become a great and mighty nation, and all the persons of the earth shall be blessed in him?

For 40 years He warned Judah before they were destroyed by the words of Jeremiah.

Jer 23:22 But if they had stood in My wisdom and had caused My people to hear My Words, then they would have turned them from their evil way and from the evil of their doings. 23 *Am* I a God near, says Jehovah, and not a God afar off? 24 Can anyone hide himself in secret places so that I shall not see him? says Jehovah. Do I not fill the heavens and earth? says Jehovah.

Eze 29:21 In that day I will make a horn spring up to the house of Israel, and I will give you the opening of the mouth in their midst. And they shall know that I *am* Jehovah.

Dan 2:46 Then King Nebuchadnezzar fell on his face and worshiped Daniel, and he commanded to offer an offering and incense to him. 47 The king answered Daniel and said, It is true that your God *is* a God of gods, and a Lord of kings, and a revealer of secrets, since you could reveal this secret. 48 Then the king made Daniel great, and gave him many great gifts, and made him ruler over all the province of Babylon, and chief of the prefects over all the wise men of Babylon.

Dan 9:20 And while I was speaking, and praying, and confessing my sin, and the sin of my people Israel, and presenting my cry before Jehovah my God for the holy mountain of my God; 21 yes, while I was speaking in prayer, even the man Gabriel, whom I had seen in the vision at the beginning, touched me in *my* severe exhaustion, about the time of the evening sacrifice. 22 And he enlightened me, and talked with me, and said, O Daniel, I have now come out to give you skill and understanding. 23 At the beginning of your prayers the commandment came out, and I have come to explain. For you are greatly beloved; therefore understand the matter, and attend to the vision:

We, brethren, are greatly beloved by Yehovah and for that reason He has shown you those things that He has revealed by the Sabbatical and Jubilee understandings. Yehovah has revealed the understanding of Daniel 9:24-27 by the understanding of the Sabbatical and Jubilee years to your minds by the Holy Spirit.

And you understand these things because He has opened your minds to understand them.

Others do not get it and of them Yehovah says;

Isa 6:1 In the year that King Uzziah died I then saw the Lord sitting on a throne, high and lifted up, and His train filled the temple. 2 Above it stood the seraphs; each one had six wings; with two he covered his face, and with two he covered his feet, and with two he flew. 3 And one cried to another, and said, Holy, holy, holy, *is* Jehovah of Hosts; the whole earth full of His glory. 4 And the doorposts moved at the voice of the one who cried, and the house was filled with smoke. 5 Then I said, Woe *is* me! For I am undone; for I *am* a man of unclean lips, and I dwell in the midst of a people of unclean lips; for my eyes have seen the King, Jehovah of Hosts. 6 Then one of the seraphs flew to me, having a live coal in his hand, snatched with tongs from the altar. 7 And he laid *it* on my mouth and said, Lo, this has touched your lips; and your iniquity is taken away, and your sin purged. 8 And I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then I said, Here *am* I; send me! 9 And He said, Go, and tell this people, ***You hear indeed, but do not understand; and seeing you see, but do not know. 10 Make the heart of this people fat, and make their ears heavy, and shut their eyes; lest they see with their eyes, and hear with their ears, and understand with their hearts, and turn back, and be healed.*** 11 Then I said, Lord, how long? And He answered, Until the cities are wasted without inhabitant, and the houses without man, and the land laid waste, a desolation, 12 and *until* Jehovah has moved men far away, and the desolation in the midst of the land *is* great. 13 But yet in it *shall be* a tenth, and *it* shall return and be consumed like the terebinth and like the oak being felled, *yet has* its stump; the holy seed *is* its stump.

Again this same message is once again told to us by Yehshua. Who is Yehshua? He is the word, the Aleph Tav, the Alpha Omega, the beginning and the end who was made flesh. He was the same who said those words to Isaiah. He is Jehovah and He said in Mark these same words.

Mar 4:9 And He said to them, He who has ears to hear, let him hear. 10 And when He was alone, they who were about Him, with the Twelve, asked Him concerning the parable. 11 And He said to them, To you it is given to know the mystery of the kingdom of God. But to those outside, all *these* things are *given* in parables 12 so that seeing they may see, and not perceive; and hearing they may hear, and not understand; lest at any time they should be converted, and *their* sins should be forgiven them.

Last year we wrote to you about Your House being on Fire and we asked you what you would do? We had as a lead picture a fireman carrying a limp naked child out over his shoulder. The child was unconscious.

WHAT WOULD YOU DO IF THIS WAS YOUR HOUSE AND THIS WAS YOUR CHILD?

You would be kicking down the doors and charging over and through anyone who got in your way. Nothing would stop you. Nothing would prevent you from rescuing your family.

And yet here many of you are like deer caught in a headlight, not moving, not running, not doing anything. And yet it is your family's house that is on fire and burning down.

You have all been playing religion for so stinking long that you think the things I am saying are just another new religious view. And you go out to find the newest teaching by this or that teacher.

"Isn't this great" you think to yourself learning all these things.

2Ti 3:1 Know this also, that in *the* last days grievous times will be at hand. 2 For men will be self-lovers, money-lovers, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, 3 without natural affection, unyielding, false accusers, without self-control, savage, despisers of good, 4 traitors, reckless, puffed up, lovers of pleasure rather than lovers of God, 5 having a form of godliness, but denying the power of it; even turn away from these. 6 For of these are those who creep into houses and lead captive silly women loaded with sins, led away with different kinds of lusts, 7 ever learning and never able to come to the full knowledge of *the* truth. 8 But as Jannes and Jambres withstood Moses, so these also resist the truth, men of corrupt mind, reprobate concerning the faith. 9 But they shall proceed no further. For their foolishness shall be plain to all, as theirs also became. 10 But you have fully known my doctrine, manner of life, purpose, faith, long-suffering, love, patience, 11 persecutions, afflictions, such as happened to me at Antioch, at Iconium, at Lystra. What persecutions I endured! But the Lord delivered me out of all.

STOP PLAYING RELIGION! THOSE PROPHECIES ABOUT THESE END TIMES ARE REAL AND HERE NOW.

And they are going to wipe you and your family away unless you heed the warnings and repent and continue to obey.

Yes, they are to create in you a respectful fear of Yehovah, which then leads to understanding and wisdom. Christianity has been deceived into believing that all you have to do is have love. Love love love is all you really need, said the Beatles. But Yehovah says something else.

Psa 111:9 He sent redemption to His people; He has commanded His covenant forever; holy and awesome *is* His name. 10 The fear of Jehovah *is* the beginning of wisdom; all practicing them *have* good understanding; His praise stands forever.

You know bad things are to come in the last days. This is a given, but you never figured you would actually be a part of those last days. It seems so surreal. God has always been that guy up in heaven that we wish for the things we want each night before we go to sleep. It never dawned on us how real this marital relationship was to be and how serious the consequences are.

So what do you do? It keeps coming back to this same question.

Two of those three emails asked me to send them 10 copies of the 2016 and 10 copies of the 2300 Days of Hell book so they could give one each to all of their family so they could read these truths themselves.

When you open your mouth and speak these truths people listen. Anyone who is speaking Torah is a prophet. That is your job as well as mine. To warn the people from the Torah what is coming and like the fireman you can't be concerned with hurting their feeling while their house is burning down around them.

The house of Israel is on fire and you are the only firefighters around. Why are you not shouting out with all that you have warning people?

Ezekiel 33 tells us we must warn them if we see the sword coming. Just by the very nature of the questions posed by these emails these people, and many of you, know and understand the sword is at the door. You find it hard to believe and yet you cannot deny it. The same as me. So we must warn them while we can. We must put our dreams to the side until we are brought into the land after all this tribulation and childbirth is over. Then we can dream and build, but now, now we must warn and prepare.

Brethren, let me ask you a few questions. Write down all your answers.

How many teachers are out there teaching you the Sabbath is from Sunset to Sunset? Write down all those you know doing this.

How many of those teachers are also teaching you that the Holy Days are determined by the barley being aviv and the first crescent of the moon has been seen from Jerusalem to start the month in order to determine when each Holy Day is? Write down all of their names now. There are many fewer names now than before, are there not?

Now of all those teachers that are fulfilling these first two questions, how many of them are also teaching you to keep the Sabbatical year at the proper time wherever you live? It is these people you should be supporting in this effort to shout out these end time warnings. Not spreading your funds to the many that have some of it right, but will not keep the Sabbatical year. You should be supporting wholeheartedly the one or two that are doing all of those things I have just asked you about.

Everyone cries they do not have any money to support this work, nor to buy the books or DVD's to share with others. How much money would you pay to rescue your son or daughter? You pay taxes to have a fireman on call, but you cannot find it in you to support those teaching you the truths of Yehovah week in and week out, no matter what drama is happening in our lives.

If the Messiah was here you would be paying a tithe to the Temple to support the Levites doing the work of the temple. I am not claiming to be a Levite although at times I think I am. I have just spoken to a good, righteous teacher who is going to have to stop teaching because he

can't feed his family. He is about to go back to work full time, which means his ministry is going to suffer.

Neh 13:10 And I saw that the portions of the Levites had not been given *to them*; for the Levites and the singers, who did the work, had fled each one to his field.

I am not asking you to start tithing to me, because we have no temple to service. I am asking each and every one of you to get behind this work and help us. Send us \$50, \$30, \$20, \$10 or even \$1 per month from now until the end of this age. Do it by automatic payments so you can do it and forget about it. We have work to do and I have next to no help to pay for the things we must pay for.

It does not matter what country you are from or the currency. Just send it through Paypal which accepts all currencies.

Few help for the long term. Some help for a month or two and others make a onetime donation and we never hear from them again. But the costs are weekly and monthly and continuously must be paid even if the donations are not coming in.

I just ran a \$2,000 ad campaign on Glenn Beck's *The Blaze News Letter*. Each time it was run we received about 1,000 more hits to our site. A few bought books and some DVDs. It would be great if we could follow this ad with some on the 10 Tribes and about our other teachings, but we cannot afford to do so. We are about to launch a new audio campaign to reach all of Asia and Africa. The work preparing for this is going to cost us money to do it. To do a radio ad on one of the largest radio stations here in Toronto cost \$7,000 for just one week of air time. I can't even afford to think about this let alone do it in other major cities of the 12 tribes of Israel. We want to do this in the hopes of having more people learn those truths at sightedmoon.com just like many of you have.

We are in discussions with people to form an entity that would be able to take on the next challenge before us. We have also asked a trusted friend to come and help lead us in this venture. We have legal counsel set up and others in place to do various parts of the coming work. We have needs for tech people for video and audio editing. We have needs for audio readers and for those to check the recordings. We have needs for translators into all languages. We have needs for teachers. This is why the blow last week was so devastating. Just as we were prepared to move into this next phase we were blindsided by last week's events. But we must continue on. Those in Asia need to be called and they need to be taught.

I am asking each of you to get on board and support this work each and every month from now on. No more excuses, just get the job done and finish the course so that each of us can be told we did good with the talents we had been given.

This work is almost done in Israel. By that I mean the time to move on to the rest of the world is at hand. Again, read the parable from Yehshua.

Mat 22:2 The kingdom of Heaven is like a certain king who made a marriage for his son.

We have been invited to the wedding. We are to be that bride if we obey. The invitation is in your hands. What are you going to do?

3 And he sent out his servants to call those who were invited to the wedding; and they would not come. 4 Again he sent out other servants, saying, Tell those who are invited, Behold, I have prepared my dinner; my oxen and fatlings *are* killed, and all things *are* ready. Come to the marriage. 5 But not caring, they went their ways, one to *his* field, another to *his* trading. 6 And the rest took his servants and treated *them* spitefully, and killed *them*.

We are the ones inviting you to this wedding on behalf of Yehovah. You are invited. Will you come? Will your son or daughter or spouse or parents, will any of them come? They are invited, you have their invitation in your hands, will you tell them about it? It cost money for the invitations, will you help us to reach more with the invitation weekly monthly and yearly from now until the wedding?

As we are told, many are too busy with their lives. They have to go to the cottage or they have to work on the Sabbath and Holy Days. They begin to accuse and disrespectfully treat you. Soon they will kill us for doing this. We are the fishermen. The hunters are already gathering.

7 But when the king heard, he was angry. And he sent out his armies and destroyed those murderers, and burned up their city.

This is the very same thing we have been warning you about with the blood moon teachings, and The 2300 Days of Hell teachings. We are at the end of the 6th year in this Sabbatical cycle. the 4th Sabbatical cycle begins after this Shmitta year of rest. Then Yehovah is going to send His armies to destroy Israel, all 13 tribes.

8 Then he said to his servants, The wedding is ready, but they who were invited were not worthy.9 Therefore go into the exits of the highways, and as many as you shall find, invite them to the marriage. 10 So the servants went out into the highways and gathered together as many as they found, both bad and good. And the wedding was filled with reclining guests.

This is now what we are to be doing. We are to be going into all the rest of the world and inviting them to the wedding. I see things in the Philippines and in China, South Korea, the rest of Asia, India, Russia and Africa that show me they are willing to learn, but they do not have teachers. We need to train and prepare teachers who can go out and teach the people and invite them to this wedding. This is our goal for the next Sabbatical cycle. To get the rest of the world ready to keep the next Sabbatical year in 2023. However, I need your help without the excuses.

Read [this article](#) about the growth of Christianity in China.

By 2030, China's total Christian population, including Catholics, would exceed 247 million, placing it above Mexico, Brazil and the United States as the largest Christian congregation in the world, he predicted.

Brethren I want to be on this leading edge as we teach them about the Sabbatical year in 2023 and 2030 as well as the Holy Days and the weekly Sabbath. I am going to need your committed help to do this.

Of the top 20 fastest growing Christian communities in the world, 19 of them are found in Asia. None of the European nor North American countries made the top 20 list. Maybe now you can understand why the next part of this parable is stated as it is.

11 And the king coming in to look over the guests, he saw a man there who did not have on a wedding garment. 12 And he said to him, Friend, how did you come in here without having a wedding garment? And he was speechless. 13 Then the king said to the servants, Bind him hand and foot and take him away, and cast *him* into outer darkness. There shall be weeping and gnashing of teeth. 14 For many are called, but few chosen.

Even though both bad and good were invited to the wedding, they all must put on the white robes of righteousness to stay. They must keep the weekly Sabbath, from sunset Friday to sunset Saturday. They must learn and obey the Holy Days and keep them at the appointed times and they must also learn and study and keep the next Sabbatical year in 2023.

Two weeks ago we told you about the drought of Elijah causing people to flee to Carthage. We also told you how the coming Assyrians caused people to flee again to Carthage and to North America. Then the attacks of Greece and Rome came and again these Israelites fled to North America. I am asking you to now think. You are being told something here, but few understood it.

North America is about to be attacked and destroyed. Yehovah has said He will destroy Israel and leave only a remnant. You see the sword coming, what are you going to do? Have you warned your family? You are told what to do next in the parable we just read. Are you going to do this or are you going to just sit there like the one servant given the one talent who buried it and did nothing?

What are you going to do? I do not know about you, but I have work to do. I will continue to put out this message about the Sabbatical and Jubilee years. I will do it alone if need be, or we could be doing a greater work if we all worked together. Again I ask you who else is teaching you these truths? If you cannot name anyone then support the one who is and do not stop doing this until the Messiah is here.

We have a meeting planned for February 15 up here in Canada to discuss these goals we have set out and how to achieve them. It would be nice if by that time we had some support so that we could know what we could do. Thank you for your prayers and help in all of this.
