### How do the Ten Toes Take Power?

Until this past few weeks, I have been in a constant state of wonder, trying to understand how certain prophetic events would take place. Then, as I watched the pro-Hamas rallies across Europe and then North America, I began to understand. Palestinians and Muslims marching arm in arm with LGBTQ and Liberal women groups from various causes all joined together to stop the genocide by all means possible. There is no genocide, but PaliWood and the PA media have been very successful at narrating to the gullible media and the naive West what to think.

Then, in the past two weeks, our smartest and brightest universities across North America have been protesting and then had said Universities taken over the pro-Palestinian movement. All in favour of the Palestinian deceptions put forward by the PA media to a non-fact-checking media. Those who are to be our leaders tomorrow, who have spent tens of thousands of dollars to attend these elite places of higher learning, when asked about the facts of the Hamas war, go completely blank and speak only nonsense. Now, antisemitism is the rage and normalized, and no one or very few stand up in defence of the Jews. It is once again Kristallnacht, as we wrote about last week.

As the police moved to break up the camps across the nation, the victims once again were the "poor misunderstood Palestinians," with the media and people eating it up, empathizing with the supposed victims. No one remembers the 1400 Men, women, and infants slaughtered in their sleep, raped or burned alive, and one child even roasted alive to death in an oven. No, all of that is long forgotten, and Israelis are now called the Nazis, just as Isaiah warned, calling evil good and good evil.

Many tell me that this prophecy in Daniel has already been fulfilled, but I can't stop thinking it is for us today, at the end, the "qets" of the seasons.

[Dan 11:27](#) And both these kings' hearts shall be to do evil, and they shall speak lies at one table. But it shall not succeed. For still *the* end "qets" *comes* at the time appointed.

[Dan 11:28](#) And he shall return to his land with great riches. And his heart *shall be* against *the* holy covenant. And he will act, and he shall return to his land.

[Dan 11:29](#) At the time appointed he shall return and come against the south. But it shall not be as the former or as the latter.

[Dan 11:30](#) For the ships of Kittim (China) shall come against him. And he shall be grieved and return, and have fury against the holy covenant. So he shall do; he shall even return and give heed to those who forsake the holy covenant.

[Dan 11:31](#) And forces will stand from him, and they will profane the sanctuary, the fortress, and shall remove the daily *sacrifice*, and they shall place the desolating abomination.

[Dan 11:32](#) And he will ruin by flattery those who do evil against *the* covenant. But the people who know their God will be strong and will work.

[Dan 11:33](#) And those who understand among *the* people shall teach many; yet they shall fall by the sword, and by flame, by exile, and spoil, for days.

[Dan 11:34](#) And when they stumble, they shall be helped with a little help, but many will join them, with hypocrisy.

[Dan 11:35](#) And *many* of those who understand shall stumble, to refine and purge them, and *to* make white, to the time of *the* end. Because *it is* still for the appointed time.

[Dan 11:36](#) And the king shall do according to his will. And he shall exalt and magnify himself above every god, and shall speak marvelous things against the God of gods, and shall prosper until the fury is fulfilled. For that which is decreed shall be done.

[Dan 11:37](#) He will not regard the God of his fathers, (Christianity) nor the desire of women, nor regard any god. For he shall magnify himself above all.

[Dan 11:38](#) But in his place he shall honor the god of forces; (god of Forces is and a god whom his fathers did not know, he shall honor with gold and silver, and with precious stones and desirable things.

When we look up the meaning of the name forces we learn it also means fortress.

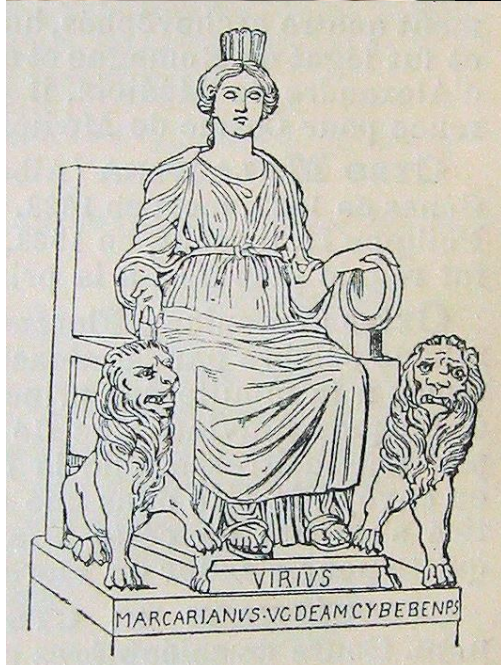

H4581 (Strong) מְעוֹז מְעוֹז מְעוֹז מְעוֹז mâ'ôz mâ'ûz mâ'ôz mâ'ûz maw-oze', maw-ooz', maw-ooz'

From [H5810](#); a *fortified* place; figuratively a *defence*: - force, fort (-ress), rock, strength (-en), (X most) strong (hold).

The god of fortresses is none other than the same god many around the world worship today.

**Cybele** ([Greek](#) [Κυβέλη](#)) was a Phrygian [goddess](#) originating in the mythology of ancient [Anatolia](#), whose worship spread to the cities of [ancient Greece](#) and the [Roman Empire](#). She represented the Mother Earth and was worshiped as a goddess of fertility, nature, caverns, and mountains, as well as walls and fortresses. Like other ancient goddesses, such as [Gaia](#) (the "Earth"), she was known as *potnia theron*, referring to her ancient Neolithic roots as "Mistress of the Animals."

The goddess was known among the Greeks as *Meter* ("Mother") or *Meter oreie* ("Mountain-Mother"), possibly in connection to the myth that she was born on Mount Ida in Anatolia. Her Roman equivalent was Magna Mater, or "Great Mother." Additionally, she was worshiped as a deity of rebirth in connection with her consort (and son), Attis.

Cybele is the god of fortresses, as she invented the brick used to build Babylon. She is also known as Ishtar and Mother Earth, the Queen of Heaven and today she is called the Blessed Virgin Mary.

When Daniel tells us the god his fathers knew, he is speaking of Cybele. The newest god in the world is the one founded in 700 C.E., the founder of Islam. This is the god his fathers did not know and who is going to take over and be glorified, replacing Mary worship. This also includes all the other religions that came out of the Queen of Heaven faith but still worship on the same days as they did.

Stephen, before he was killed, told us about the same gods that many worship today: Moloch and the star of your god, Remphan. The god Kiyun was worshiped among the ancient Babylonians, Arabs, Syrians, and Assyrians. Every false god had its representation, its idol. Molech was represented by a brass bull; [Astarte](#) by a tree; [Dagon](#) by a half-man, half-fish; and Kiyun by a star—the wandering “star” we know as the planet Saturn.

In short, “the star of your god Rephan,” mentioned in Acts 7:43, is a pagan god that some ancient Israelites unwisely worshiped in the wilderness. The name *Rephan* is an English translation of the LXX translation of the Hebrew word *Kiyun*. Remphan is the Queen of Heaven.

The 10 Days of Awe book, which you can buy on Amazon, goes much, much deeper on this subject.

[Dan 11:39](#) So he shall act in the fortresses of *the* strongholds with a strange god, whom he shall acknowledge. He shall multiply in glory, and he shall cause them to rule over many, and shall divide the land for a price.

[Dan 11:40](#) And at the end-time, the king of the south shall butt at him. And the king of the north shall come against him like a tempest, with chariots and with horsemen and with many ships.

[Dan 11:41](#) And he shall enter into the countries and shall overflow and pass over. He shall also enter into the glorious land, and many shall be stumbled. But these shall escape out of his hand: Edom and Moab, and the chief of the sons of Ammon.

[Dan 11:42](#) And he shall stretch out his hand on the lands. And the land of Egypt shall not escape.

[Dan 11:43](#) But he shall have power over the treasures of gold and silver, and over all the precious things of Egypt. And the Libyans and the Ethiopians *shall be* at his steps.

[Dan 11:44](#) But news out of the east and out of the north shall trouble him. Then he will go out with great fury to destroy, and to devote many to destruction.

[Dan 11:45](#) And he shall plant his palace tents between *the* seas in the glorious holy mountain. Yet he shall come to his end, and none shall help him.

When we go to Revelation, we can learn more about what is to happen to the women who *rides the beast*. The beast is the government system and the woman is the faith or religious system or in other words the Christian faith believers. Those following Mary and her doctrines passed down to each of the churches who split out from her. Or all those who will not obey Yehovah and keep His commandments.

### The Great Prostitute and the Beast

[Rev 17:1](#) And one of the seven angels who had the seven vials came and talked with me, saying to me, Come here, I will show you the judgment of the great harlot sitting on many waters,

[Rev 17:2](#) with whom the kings of the earth committed fornication, and became drunk with the wine of her fornication, those inhabiting the earth.

[Rev 17:3](#) And he carried me away into a desert by *the Spirit*. And I saw a woman sitting on a scarlet-colored beast, filled with names of blasphemy, having seven heads and ten horns.

[Rev 17:4](#) And the woman was arrayed in purple and scarlet. And she was gilded with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

[Rev 17:5](#) And on her forehead *was* a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH.

[Rev 17:6](#) And I saw the woman drunk with the blood of the saints and with the blood of the martyrs of Jesus. And when I saw her, I marveled with a great marveling.

[Rev 17:7](#) And the angel said to me, Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, that has the seven heads and ten horns.

[Rev 17:8](#) The beast that you saw was, and is not, and is about to ascend out of the abyss and go into perdition. And those dwelling on the earth will marvel, those whose names were not written in the Book of Life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

[Rev 17:9](#) *And here is* the mind which has wisdom. The seven heads are seven mountains, on which the woman sits.

[Rev 17:10](#) And there are seven kings; five have fallen, and one is, *and* the other has not yet come. And when he comes, he must continue a short time.

[Rev 17:11](#) And the beast that was, and is not, even he is the eighth, and is of the seven, and goes into perdition.

[Rev 17:12](#) **And the ten horns which you saw are ten kings, who have received no kingdom yet, but will receive authority as kings one hour with the beast.**

[Rev 17:13](#) **These have one mind, and they will give their power and authority to the beast.**

[Rev 17:14](#) These will make war with the Lamb, and the Lamb will overcome them. For He is Lord of lords and King of kings. And those with Him *are* the called and elect and faithful ones.

[Rev 17:15](#) And he says to me, The waters which you saw, where the harlot sits are peoples and multitudes and nations and tongues,

[Rev 17:16](#) **and the ten horns which you saw on the beast, these will hate the harlot and will make her desolate and naked. And they will eat her flesh and burn her with fire.**

[Rev 17:17](#) For God gave into their hearts to do His mind, and to act with one mind, and to give their kingdom to the beast until the Words of God will be fulfilled.

[Rev 17:18](#) And the woman whom you saw is the great city which has a kingdom over the kings of the earth.

What is about to happen to all these really "smart" university students, along with the LGBTQ people who are both supporting the pro-Hamas movement now? The pro-Hamas movement or ISIS or something akin to them will come to form the 10 toes of the image of Daniel 2 and are the ten horns of Daniel 7 and Revelation 17:16 above. They do not mix or blend into our society. But they will come to rule, and when they do, they will take the reins from the gullible idiots who will elect them to that power, then they will use the power of the beast, the mechanism of the power given to them, to attack then and purge the land of LGBTQ and Christians who do not convert to Islam. Then the women will be raped, and no one to rescue them. That is what you are being told in Revelation 17. Everything you saw on October 7 is coming to North America; they will pillage your property - desolate you. They rape you - make you naked They will cannibalize you due to the extreme famine-eat her flesh and burn her with fire as they did all those on October 7.

This fall there is a US election and if you remember the last one and the last couple of years when President Trump was in office there were a lot of riots taking place across the USA. BLM and refugee cities and other things. What is going to take place this election and afterwards? I am hearing more and more about the Christian Nationalists, who are similar to the pro-Hamas movement in that they say things that just are not true about the American Constitution.

Are in for a religious war in the USA combined with everything else going on here? According to Isaiah 13:14 we are also in for a race war.

[Isa 13:3](#) I have commanded My holy ones, I have also called My mighty ones for anger, those who rejoice in My highness.

[Isa 13:4](#) The noise of a multitude in the mountains, as of a great people; a tumultuous noise of the kingdoms of nations gathered together; Jehovah of Hosts gathers an army for the battle.

[Isa 13:5](#) They come from a far country, from the end of the heavens, Jehovah and the weapons of His indignation, to destroy all the land.

[Isa 13:6](#) Howl! For the day of Jehovah *is* at hand; it shall come as a destruction from the Almighty.

[Isa 13:7](#) Therefore all hands shall be faint, and every man's heart shall melt;

[Isa 13:8](#) and they shall be afraid. Pangs and sorrows shall take hold of them. They shall be in pain like a woman who travails. They shall be amazed at one another, their faces *like* flames.

[Isa 13:9](#) Behold, the day of Jehovah comes, cruel and *with* wrath and fierce anger, to lay the land waste; and He shall destroy its sinners out of it.

[Isa 13:10](#) For the stars of the heavens and their constellations shall not give light; the sun shall be darkened in its going forth, and the moon shall not reflect its light.

[Isa 13:11](#) And I will visit evil on the world, and their iniquity on the wicked. And I will cause the arrogance of the proud to cease, and will lay low the pride of tyrants.

[Isa 13:12](#) I will make a man more precious than gold; even a man than the fine gold of Ophir.

[Isa 13:13](#) So I will shake the heavens, and the earth shall move out of its place, in the wrath of Jehovah of Hosts, and in the day of His fierce anger.

[Isa 13:14](#) **And it shall be as a driven gazelle, and as a sheep that no man takes up; each man shall look to his own people, and each one flee into his own land.**

[Isa 13:15](#) Everyone who is found shall be thrust through; and everyone who is joined *to them* shall fall by the sword.

[Isa 13:16](#) And their children shall be dashed to pieces before their eyes; their houses shall be robbed, and their wives raped.

[Isa 13:17](#) Behold, I will stir up the Medes against them, who shall not value silver; and they shall not delight in gold.

[Isa 13:18](#) And bows shall dash the young men to pieces; and they shall have no pity on the fruit of the womb; their eye shall not pity sons.

[Isa 13:19](#) And Babylon, the glory of kingdoms, the majestic beauty of the Chaldees, shall be as when God overthrew Sodom and Gomorrah.

[Isa 13:20](#) It shall never be inhabited forever, nor shall it be lived in from generation to generation; nor shall the Arabian pitch his tent there; nor shall the shepherds make their *flocks* lie down there.

## Eye To Eye

[Isa 52:7](#) How beautiful on the mountains are the feet of him who brings good tidings, making peace heard; who brings good news, making salvation heard; who says to Zion, Your God reigns!

[Isa 52:8](#) The voice of Your watchmen shall lift up! They lift up the voice together; they sing aloud. For they shall see eye to eye, when Jehovah shall bring again Zion.

[Isa 52:9](#) Break out, sing together, waste places of Jerusalem; for Jehovah has comforted His people; He has redeemed Jerusalem.

[Isa 52:10](#) Jehovah has bared His holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God.

I also want to mention that in our book *The Abomination That Makes Desolate, Epilogue*, we share with you a number of things that took place each time The Abraham Accord surfaced in the headlines. Well, this past week those headline again began to appear after some lengthy talked beforehand. In his book *Eye To Eye*, Bill Koenig shows us that every time a two state solution is about to be announced, disasters come upon those involved.

In April, we had a massive attack by Iran against Israel, who, along with her allies, destroyed almost 100% of the missiles sent towards her.

In its response to Iran,

Israel must weigh new regional cooperation- editorial

In the post-April 14 Middle East,

Israel's security will be based on two pillars.

By [JPOST EDITORIAL](#) APRIL 17, 2024 06:00

[Iran's massive drone and missile attack](#) on Israel Sunday morning is a seminal event that thrust the Middle East into a new era.

For the first time in history, Iran launched an attack on Israel directly from its territory, employing drones and both cruise and ballistic missiles that have been under development for decades.

These weapons served as a crucial element of Iran's strategic deterrence and enabled the projection of its power across the region. While Iran's nuclear program is still evolving, its extensive missile and drone capabilities elevated it to a regional powerhouse not to be overlooked. Take away those capabilities, and Iran appears far less menacing.

The head-spinning success Israel and its allies had Sunday morning in swatting Iranian projectiles out of the sky has shown that Iran's missile threat is not as dire and catastrophic as many thought. The ramifications of this will be felt for years in ways that may be hard to imagine today.

**One way is that what happened Sunday morning might catalyze formal [Israel-Saudi relations](#).**

If indeed this is one of the unintended consequences of Iran's attack, it will be a sweet irony, considering that one of the outcomes the ayatollahs were hoping for after  [Hamas's October 7](#) attack was that a strong Israeli response would thwart an Israel-US-Saudi deal that was being earnestly discussed and promoted.

Though it now seems like eons ago, last September there was serious talk about a game-changing pact that would contain the following elements: The US would sign a NATO-like defense treaty with Israel and Saudi Arabia, sell state-of-the-art weaponry to the Saudis and assist in its development of a civilian nuclear program that would include the right to domestic uranium enrichment. The Saudis would normalize ties with Israel, help end the war in Yemen, and provide massive financial assistance to the Palestinians. And Israel would put a cap on settlement activity and pledge not to annex Judea and Samaria.

Soon after Biden met with Prime Minister Benjamin Netanyahu at the UN and discussed this plan, Saudi Crown Prince Mohammed bin Salman acknowledged in a stunning interview with Fox News that his country was moving "closer" each day to a normalization deal with Israel and that the process is "for the first time a real one, serious."

A little over two weeks later, Hamas sent more than 3,000 terrorists across the border to murder, rape, kidnap, and pillage. Israel responded with justified ferocity, and all hopes of Saudi-Israeli normalization seemed shattered.

Yet they are not, and the quiet role the Saudis played in helping Israel and the US thwart Iran's missile attack is proof of that.

According to a report Monday in *The Wall Street Journal*, Saudi Arabia was one of the countries in the region that quietly agreed to share intelligence with the US about an impending Iranian attack.

According to the report, Iranian officials briefed officials from Saudi Arabia and other Gulf countries on the outline of their attack two days before, allowing them to safeguard their airspace.

As part of a regional air-defense system the US has painstakingly created over the last few years, this information was shared with the US, giving Washington and Jerusalem crucial advanced warning, though the Saudis did not give the US and Israel use of their airspace to intercept the missiles and drones. Jordan did grant that permission and even participated in downing some of the drones.

Such security cooperation with the Saudis – albeit not complete – would have been unimaginable a decade ago and is something that needs to be built upon to re-energize talk of a three-way Israel-Saudi-US deal once the Gaza war ends.

## **The two pillars on which Israel's security stands**

In the post-April 14 Middle East, Israel's security will be based on two pillars. The primary pillar is its might and deterrence, which necessitates a robust response to Iran's brazen attack.

The second pillar is a regional defense architecture that is still a work in progress but whose benefits were already evident in Sunday's early hours.

To ensure the success of this regional architecture, Israel must now carefully weigh its response to Iran, ensuring that it does not undermine this regional cooperation, which, in the darkness currently enveloping the Middle East, is one flicker of hopeful light.

## **Saudi Arabia says it helped defend Israel against Iran — report**

Many of the drones and missiles had to travel over Jordanian and Saudi airspace to reach Israel.

(photo credit: Sputnik/Sergei Savostyanov/Pool via REUTERS) Saudi Arabia acknowledged that it had helped the newly forged regional military coalition — Israel, the United States, Jordan, the United Kingdom, and France — repel an [Iranian attack](#) against the Jewish state early Sunday morning, according to a story on KAN News. The story spoke of the Saudi involvement in the military defensive operation in which 99% of the Iranian drones and missiles were destroyed before hitting their targets. Many of the drones and missiles had to travel over Jordanian and Saudi airspace to reach Israel.

As April came to a close, we read about these relations with Saudi and Israel being normalized. However, the Two State solution is still on the table and being pushed forward.

## Report: Saudi Arabia has decided to normalize relations with Israel

The only issue for Riyadh is the timing of the announcement, which could come as early as the next few weeks or after the U.S. presidential election.

Saudi Arabia has decided to normalize relations with Israel and is debating the timing of the announcement, a foreign diplomat familiar with the details told *Haaretz* on Monday.

According to the source cited in the article by the daily's diplomatic correspondent Jonathan Lis, Riyadh is discussing whether to make the move in the coming weeks or after the U.S. presidential election this November, in which either Democrat Joe Biden will continue to lead the country or his challenger Republican Donald Trump will return to the White House.

“The question is when, and the decision on the timing should be made within days,” the diplomat said.

While the [Biden administration](#) has been pushing to connect a pathway to Palestinian statehood as part of the Saudis joining the Abraham Accords, the source said that the kingdom would only demand guarantees on progress towards achieving that goal in return for establishing diplomatic ties with Jerusalem.

U.S. Secretary of State Antony [Blinken](#) spoke about progress toward a Jerusalem-Riyadh detente at the World Economic Forum special meeting in the Saudi capital on Monday, emphasizing the importance of a Palestinian state despite former Israeli foreign minister [Eli Cohen](#) saying last August that it was not a major obstacle for Crown Prince Mohammed bin Salman, who met with Blinken on the sidelines of the summit.

The Israeli government is opposed to the establishment of a Palestinian state given Ramallah's support for terrorism. Recent [polling](#) shows a majority of Israelis are also against Palestinian statehood.

More than half of the Israeli public opposes the creation of a Palestinian state as part of a deal that would end the war against Hamas and normalize relations between Jerusalem and Riyadh, according to a January survey from the Israel Democracy Institute.

“So first, I think the single biggest, most effective rebuke to both Iran and Hamas would be Israel having normal relations with every country in this region and the realization of a Palestinian state. Of course, both Hamas and Iran have opposed a two-state solution. So almost by definition, achieving it would be a profound rebuke to everything that they’ve stood for and destroyed for in—over many years,” Blinken said in response to a question from WEF President Borge Brende on stage at the King Abdul Aziz International Conference Center.

“Second, when it comes to normalization, look, I’m not going to speak for our hosts here, except to say that we have done intense work together over the last months. And in fact, well before Oct. 7, this is what we were focused on. And in fact, I was scheduled to be in the region, to be in Saudi Arabia and in Israel, on Oct. 10, a trip that didn’t happen because of Oct. 7, to focus specifically on the Palestinian piece of any normalization agreement, because that is, as you said, an essential component.

“I think—look, the work that Saudi Arabia and the United States have been doing together in terms of our own agreements, I think, is potentially very close to completion.

“But then in order to move forward with normalization, two things will be required: calm in Gaza and a credible pathway to a Palestinian state. So to the extent we finish our work between us, then I think what’s been a hypothetical or a theoretical question suddenly becomes real. And people will have to make decisions.”

Riyadh put U.S.-brokered Israeli [normalization talks](#) on ice after the Oct. 7 Hamas-led massacre in the northwestern Negev and amid the ensuing war in Gaza, but has maintained that a deal is still on the table.

In an interview with Israeli public broadcaster *Kan News* earlier in April, a source in the Saudi [royal family](#) accused Iran of instigating the conflict in Gaza to undermine progress in reaching a normalization agreement between Riyadh and Jerusalem.

“Iran is a nation that endorses terrorism, and the world should have curtailed it much earlier,” the Saudi royal said.

In the USA, in April, they suffered historical tornado outbreaks.

[Four large tornado outbreaks](#) occurred during the month, producing 86, 35, 45, and at least 123 tornadoes, respectively, along with some isolated activity on other days, including a rare tornado in [Alaska](#) during the middle of the month. The month was, therefore, much above average with 297 tornadoes, the second most on record in April behind the extraordinarily active April 2011.

Then as we begin May 2024, Saudi suffers massive flooding.

Flash flooding has devastated parts of [Saudi Arabia](#) this week with shocking footage showing cars being swept away by the deluge as roads were submerged amid torrential downpours.

Clips shared on social media showed how major highways in the Kingdom were overrun by devastating floodwater that cascaded down typically dry and rocky outcrops and swept through cities and towns below.

Residents were seen abandoning their cars in the street to run to safety in Qassim - one of the worst hit areas, as other partially submerged vehicles tried to plough through feet of standing water.
